PRICE AGREEMENT

THIS PRICE AGREEMENT is made and entered into between the Division of Administration, State of Louisiana, herein after referred to as "DOA", and Nation's Shipping dba Worldwide Express (an authorized selling partner of DHL), herein after referred to as "Contractor".

IT IS MUTUALLY AGREED BETWEEN THE PARTIES:

1. **Definitions** .

   A. "Agreement Administrator" means the individual appointed by the DOA to administer the Price Agreement.

   B. "Agency" means an agency of the executive, legislative or judicial branches of Louisiana, including institutions of higher education.

   C. "Purchase Order" means a shipping manifest or other source document which specifies the services to be performed by Contractor under the terms of this Price Agreement.

   D. "Local public bodies" means every political subdivision of the State of Louisiana, including municipalities, counties, and school districts.

   E. "Price Agreement" means a definite quantity contract or an indefinite quantity contract which requires Contractor to furnish services to the Procuring Agency upon the issuance of a Purchase Order by the Procuring Agency, so long as the Purchase Order is within quantity limitations of the Price Agreement, if any.

   F. "Procuring Agency" means any agency or local public body that chooses to procure services under this Price Agreement.

2. **Scope of Price Agreement**. Any Louisiana agency or local public body, with a valid Nation's Shipping dba Worldwide Express account number may issue Purchase Orders for services included in the Services Schedule. The terms and conditions of this Price Agreement shall form a part of the Purchase Order issued hereunder. DOA is only a party to any Purchase Order issued by DOA as the Procuring Agency. It is understood and agreed upon that no guarantee or warranty is made or implied, by either DOA or the Procuring Agency, that any Purchase Order for any definite quantity shall be issued under the Price Agreement. The Contractor shall furnish the services in accordance with the terms and conditions of this Price Agreement for the quantity of each Purchase Order issued. There is no requirement to contract for a specific period of time.

3. **Services Schedule**. Rates are based on shipping volumes. Prices for services available under the Price Agreement are listed in the following Attachments:

   Attachment A: Rates for Billing Entities of the State of Louisiana with a shipping volume below $500 per month

   Attachment B: Rates for Billing Entities of the State of Louisiana with a shipping volume between $500 and $1500 per month

   Attachment C: Rates for Billing Entities of the State of Louisiana with a shipping volume between $1500 and $5000 per month

Attachment D: Rates for Billing Entities of the State of Louisiana with a shipping volume above $5000 per month

Additional fees:

- $35 for the shipment of hazardous materials
- $10 charge for Saturday delivery
- $10 charge for illegible or incorrect airbills requiring special handling to determine correct address.
- Pickup charges of $3 will apply to billing entities who request a daily pickup and have packages to ship less than 17 of the business days in a monthly period. Drop boxes can be requested for larger locations and packages placed in these drop boxes will not incur a pickup charge.
- Fuel Service Adjustment- A variable fee based on the cost of fuel.

Larger discounts are available to agencies that choose to have their entire agency billed as a unit. They can request special billing that divides the invoice by cost center, divisions, or any breakdown they choose. There is no additional charge for this specialized billing.

Additional services offered through DHL are: Saturday Service, Same Day Service, Hold for Pickup Service, Domestic Ground Services Special Delivery Service, Regular Stop Service, Hazardous Material Service, Drop Box Service, and International Express and Freight Services.

4. **Acquisition of Services.** A Procuring Agency may purchase any service in effect at the time of shipping at the prices stated in Attachments A through D. Form shown in Attachment E needs to be faxed to Nation's Shipping dba Worldwide Express to set up an account number. Pre-printed airbills will be delivered to the agency's location. Agencies will apply for the rate that most represents their expected level of shipping based on past activity. These rates will be used for that agency as long as the volume remains at that level without a drop into the lower volume rating table for more than a 60 day period. If levels drop into the lower volume rate level for more than 60 days, rates will be adjusted accordingly. If volumes increase and maintain the higher level for a period of 60 days, the higher volume rates will be applied or reapplied.

   All authorized agency personnel will be given access to the Nation's Shipping dba Worldwide Express internet site so they can print their own barcode shipping labels; track shipments; print daily, weekly, or monthly summaries of their shipping; order supplies, or numerous other services available online.

   All envelopes, shipping pouches and boxes will be provided free of charge and will be delivered to the entity on a timely basis. Supply options include: Letter Express Envelope, Express Pack Envelope, Express Pack Box (small, medium, large) and Express Tri-Tube, Thermal and Adhesive Labels.

5. **Orders and Shipping Instructions.**

   A. Orders: There are several ways to label shipments, process DHL paperwork and prepare shipments for transport:

   - WWEXSHIP and DHL WebShip (free internet based shipping and tracking)
   - LIBRA Automated Shipping system (free to high volume shippers)
   - Preprinted airway bills

The maximum sizes for guaranteed delivery times are 56" x 36" x 25" (cubic inches) and 150 pounds.

B. Invoices- Contractor's invoice shall be submitted on a bi-weekly basis, unless special billing is applied for and approved. Invoices shall contain the following information: order number, description of products or services, quantities, unit prices and extended totals. Invoices must be submitted to the Procuring Agency and NOT THE DOA, unless the DOA is also the Procuring Agency. An invoice (bill) shall be printed and mailed to the Procuring Agency weekly.

C. Payment of Invoices- Upon acceptance of the services in accordance with Section 5(A) above, an invoice (bill) shall be printed and mailed biweekly. Payment is due to Contractor within thirty (30) days from the receipt of the bill. If the payment is made by mail, the payment shall be deemed tendered on the date it is postmarked. [Currently, the rate of judicial interest is 6% and is applicable until October 31, 2006.] If a state agency fails to make any payment due to Nation's Shipping dba Worldwide Express within ninety (90) days of the due date prescribed by the agreement, the state agency shall pay the appropriate fee in addition to the payment.

Agencies or divisions who ship less than $1000 bi-weekly can choose to have the services charged to an agency credit card automatically. These agencies will still receive detailed billing. Refer to Attachment F which contains information on the ClearView Billing Options.

D. Payment of Taxes- The prices indicated in Attachment A through D do not include gross receipt tax or local option taxes. Such tax or taxes, if applicable, shall be added at the time of invoicing at the current rate and shown as a separate item to be paid by the Procuring Agency as stated in this Price Agreement. Procuring Agency shall only reimburse Contractor for gross receipts taxes or local option taxes whichever is applicable. If the Procuring Agency is exempt from the Louisiana gross receipts tax or local option taxes for the transaction, the Procuring Agency shall provide the Contractor with written evidence of such exemption(s). The payment of taxes for any money received under the Price Agreement shall be the Contractor's sole responsibility and should be reported under the Contractor's federal and state tax identification number. The Procuring Agency shall not reimburse the Contractor for any penalty or interest assessed against any taxes owed.

6. **Term**. THIS PRICE AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED IN WRITING BY THE DOA AND ANY APPLICABLE APPROVAL AUTHORITIES. This Price Agreement shall begin on the date approved by the DOA and any applicable approval authorities and end (1) year from the date of approval. The DOA reserves the right to renew the Price Agreement, subject to Contractor's mutual agreement, on an annual basis provided that in no event shall this Price Agreement, including all renewals, exceed five (5) calendar years (60 Months) in duration.

7. **Termination.**

A. For Convenience- This Price Agreement may be terminated by either signing party upon written notice to the other at least thirty (30) days in advance of the date of the termination. Notice of termination of the Price Agreement SHALL NOT AFFECT ANY OUTSTANDING ORDERS AND INVOICES.

B. For Cause- Either signing party may terminate this Price Agreement for cause based upon a material breach of any term or condition of this Price Agreement, provided that the non-breaching party shall give the breaching party written notice specifying the breach and shall afford the breaching party a reasonable opportunity to correct the breach. If within thirty (30) days after receipt of notice of breach, the breaching party has not corrected the breach or, in the case of a breach which cannot be corrected in thirty (30) days, begun in good faith to correct the breach, the non-breaching party may declare the breaching party in default and terminate the contract immediately. The non-breaching party shall retain any and all remedies available to it under law. However, no party shall be liable for special or consequential damages as a result of a breach of this Price Agreement.

Payment under this Purchase Agreement or Purchase Order shall not foreclose the right of the State of Louisiana to recover excessive or illegal payments.

13. **Appropriations**. The terms of this Price Agreement and any Purchase Order placed pursuant to it are contingent upon sufficient appropriations and authorization being made by the legislature of Louisiana for their performance. If sufficient appropriations and authorization are not made by the legislature, Purchase Orders placed under it shall terminate

upon written notice being given by the Procuring Agency to Contractor. The Procuring Agency's decision as to whether sufficient appropriations are available shall be accepted by Contractor and shall be final and binding.

14. **Release.** Contractor, upon final payment of the correct amount due under this Price Agreement, releases the DOA, the Procuring Agency, its officers and employees and the State of Louisiana from all liabilities, claims and obligations whatsoever arising from or under this Price Agreement or Purchase Order issued under it. Contractor agrees not to purport to bind the State of Louisiana, unless Contractor has express written authority to do so, and then only within the strict limits of that authority.

However, either party may change its representative (or physical address) by written notice to the other party submitted via carrier for mail delivery. Notices shall be the agent of the sender.

17. **Scope of Agreement.** The Price Agreement incorporates all the agreements, covenants, and understandings between parties hereto concerning the subject matter hereof, and all such agreements, covenants and understandings have been merged into this Price Agreement. 18. **Equal Employment Opportunity.** Contractor agrees to abide by all applicable federal and state laws, rules and regulations, and executive orders pertaining to Equal Employment Opportunity in the performance of this Price Agreement. In accordance with such laws, rules and regulations, and executive orders Contractor agrees that no person in the United States shall on the grounds of race, color, religion, national origin, sex, sexual orientation, age, political affiliation or disability shall be excluded from employment with or participation in, be denied the benefits of, or otherwise be subject to discrimination under any program or activity performed by Contractor pursuant to this Price Agreement. If any acts of discrimination are committed by Contractor or Contractor fails to comply with all applicable federal and state laws, rules and regulations, and executive orders in execution of this Price Agreement, the State of Louisiana reserves the right to terminate this Price Agreement if Contractor does not take appropriate steps to correct these deficiencies in accordance with Section 7(B).

Subject to this provision, such non-performance shall not be deemed a default or a ground for termination.

25. **Invalid Term or Condition.** If any term or condition of this Price Agreement shall be held invalid or unenforceable, the remainder of this Price Agreement shall not be affected and shall be valid and enforceable.

26. **Enforcement of Price Agreement.** A party's failure to require strict performance of any provision of this Price Agreement shall not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. Louisiana Revised Statute 39:1695

§1695. Late payment to business; penalty paid by state agency

A. If a state agency without reasonable cause fails to make any payment due within ninety days of the due date prescribed by contract, to a business awarded a contract with the state agency to supply equipment, supplies, materials, or textbooks, or to provide services, the state agency shall pay, in addition to the payment, interest on the amount due at the rate established pursuant to Civil Code Article 2924(B)(3) per year, from the ninety-first days after the due date prescribed by the contract. In applying this Section to a claim related in any way to an entitlement program, payment for claims shall be due ninety days after a claim is received by the state.

B. If it is determined by the state agency that additional evidence of the validity of the claim for payment is required, such evidence shall be requested within ten working days from the date the bill is received by the state agency. In instances where additional evidence is required, the bill shall be reviewed and payment or rejection made within thirty days from receipt of the evidence requested in the office of the paying agency.

C. Any penalty required to be paid by a state agency pursuant to this Section shall be disbursed upon warrants drawn by the state agency upon that agency's operating expenses budget.

Louisiana Revised Statute 13:4202, Section B.(1)

§4202, Section B.(1). On and after January 1, 2002, the rate shall be equal to the rate as published annually, as set forth below, by the commissioner of financial institutions. The commissioner of financial institutions shall ascertain, on the first business day on October of each year, the Federal Reserve Board of Governors approved "discount rate" published daily in the Wall Street Journal. The effective judicial interest rate for the calendar year following the calculation date shall be three and one-quarter percentage points above the discount rate as ascertained by the commissioner.

Louisiana Revised Statute 39:1673

§1673. Authority to resolve contract and breach of contract controversies
A. Applicability. This Section applies to controversies between the state and a contractor and which arise under or by virtue of a contract between them. This includes without limitation controversies based upon breach of contract, mistake, misrepresentation, or other cause for contract modification or rescission. Any contractor who seeks a remedy with regard to such controversy shall file a complaint with the chief procurement officer.
B. Authority. The chief procurement officer or his designee is authorized, prior to the commencement of an action in court concerning the controversy, to settle and resolve, with the approval of the attorney general, a controversy described in Subsection A of this Section. This authority shall be exercised in accordance with regulations.
C. Decision. If such a claim or controversy is not resolved by mutual agreement, the chief procurement officer or his designee shall promptly issue a decision in writing. The decision shall:

(1) State the reasons for the action taken; and
(2) Inform the contractor of its right to administrative and judicial review as provided in this Part.
D. Notice of decision. A copy of the decision under Subsection C of this Section shall be mailed or otherwise furnished immediately to the contractor.
E. Finality of decision. The decision under Subsection C of this Section shall be final and conclusive unless:
(1) The decision is fraudulent; or
(2) The contractor has timely appealed administratively to the commissioner in accordance with R.S. 39:1685.
F. Failure to render timely decision. If the chief procurement officer or his designee does not issue the written decision required under Subsection C of this Section within sixty days after written request for a final decision, or within such longer period as may be agreed upon by the parties, then the contractor may proceed as if an adverse decision had been received.
