

**State of Louisiana**  
**Hurricane Katrina Wind Claims as of 4/15/2009**

NOTE: In this disaster, FEMA made first-dollar payment on all eligible claims. This project worksheet (PW) schedule reflects the insurance reductions being applied to the claims.  
The State's property insurance limit available for wind was in the amount of \$400,000,000 at the time of Katrina. The TOTAL value shown below is the amount of eligible reductions applied as of this date.
