Hurricane Katrina Flood Claims as of 4/15/2009

NOTE: In this disaster, FEMA made first-dollar payment on all eligible claims. This project worksheet (PW) schedule reflects the insurance reductions being applied to the claims. The State's property insurance included a sublimit for flood in the amount of \$100,000,000 at the time of Katrina. The TOTAL value shown below is the amount of eligible reductions applied based on this sublimit.
