

**Legacy Data Mapping to LaGov
– Grants Customer / Sponsor**

(Issue Date: 05/29/2009)

LaGov will send spreadsheets to all Agencies for you to provide us with Grant Customer and Sponsor Master Data. Use legacy data from your current award letters, spreadsheets and sub-systems to complete each spreadsheet. Your data will be used to create the centralized Customer and Sponsor Master Data in LaGov.

The [LaGov Grants Customer/Sponsor](#) document contains instructions for completing the spreadsheet. The instructions also include the new LaGov terminology.

Click here to view the [Grants Customer/Sponsor Sample Spreadsheet](#) that was distributed at the AIL meeting.

Please contact the LaGov team if assistance is needed or if you have any questions.

Email your completed spreadsheet to: LaGov-ERP-Support@la.gov on or before June 18, 2009.
