As discussed in the May AIL meeting, the Data Mapping spreadsheets and instructions were completed by the LaGov Funds Management Team and are now being e-mailed to your agency's AIL contact to be validated and updated as necessary. This data will be used to create your agency's Fund Structure in the LaGov system. **Please make certain these spreadsheets are forwarded to your agency's appropriate personnel.**

Your agency's updated spreadsheets are **due to be returned by August 10, 2009** to LaGov-ERP-Support@la.gov. We ask that you maintain the same **email SUBJECT line** in your reply as the email to which the spreadsheet was attached. We use this email to accurately record your agency's response. Also, please provide a contact person's name, email address and phone number so we can contact you with any questions.

If you have any questions or need assistance contact LaGov-ERP-Support@la.gov and a LaGov team member will contact you as soon as possible.

Thank you for your assistance.
