ISIS Memorandum 07-022

To: ISIS Technical Coordinators

Subject: SAPGUI Upgrade Installation

An update to SAP GUI is now available for installation on all computers with SAP GUI software already installed. The **SAP GUI Version 6.2, Patch Level 64** should be installed no later than March 12, 2007, in preparation for an upgrade to ISIS HR.

This update will also resolve issues related to compatibility with Internet Explorer 7.0.

A [SAP GUI 6.20 Support](#) page is available and includes links to download the upgrade files, installation instructions, and an FAQ page for common problems encountered during installation.

If you have questions, please contact the ISIS Help Desk at 225-342-2677.
