September 20, 2007

ISIS Memorandum 08-008

To: Business Objects Users
ISIS Agency Liaisons
Fiscal Officers
Purchasing & Contract Management Personnel

Subject: EDA Server Discontinued September 30, 2007

Maintenance and DOA support for EDA Server will be discontinued on September 30, 2007. As of that date, InfoMaker reports will no longer run.

Agencies should remain focused on efforts to convert all critical InfoMaker reports to Business Objects WebIntelligence (WebI) reports prior to the deadline.

OIS collaborative training efforts with agencies, using the agency-specific WebIntelligence workshops, have been successful to date. Please refer to [ISIS Memo 06-048](#) or email [OIS Training Unit](#) to request a WebI Workshop for your agency.

Please reference previous memos for background information:

- [ISIS Memorandum 06-048](#) dated June 6, 2006
- [ISIS Memorandum 07-010](#) dated October 9, 2006
- [ISIS Memorandum 07-039](#) dated May 2, 2007

If you have any questions, please contact the ISIS Help Desk at (225) 342-2677.
