MEMORANDUM

TO: All State Agencies

From: Jane Patterson  
I. T. Telecommunications Administrator

RE: Telecommunications Rebate

The Office of Telecommunications Management (OTM), through continuing efforts, has been able to reduce the cost of providing telecommunications services to you the user. OTM passes these cost savings on to you in the form of a rebate on your telecommunications bill. As such, your May 2014 bill includes rebates to the following lines of service based upon your department's consumption.

Data Dial Tone	\$ 187,800
MPLS Transport	\$ 8,000
Internet Gateway	\$ 8,000
Internet Bandwidth	\$ 61,000
Consolidated Network Services	\$ 35,200
Rebate Total	\$ 300,000

As always, your department's specific rebate will be based on the amount of these services actually consumed during the Fiscal Year 2014 and will be reflected in the detail billings for May 2014.

Please feel free to contact J D Liford at 225-342-7744 if you have any questions regarding this rebate.
