Office of Information Technology

Information Technology Bulletin 02-05

Subject: Centralization of Information Technology (IT-POL-002)

Pursuant to Executive Order MJF 02-06, the Office of Information Technology is establishing an I.T. Policy in the following area:

- Centralization of Information Technology ([IT-POL-002](#))

All agencies under the authority of Act 772 must comply with the above I.T. Policy. The effective date of implementation is July 19, 2002.

If you have any questions regarding the published I.T. Policy, please contact James Howze at 225-219-9470 or jhowze@doa.state.la.us.
