**PETITION FOR DECLARATORY JUDGMENT AND FOR JUDGMENT TO RECOVER HAZARD MITIGATION GRANT PROGRAM FUNDS**

**NOW INTO COURT,** through undersigned counsel, comes Petitioner, the State of Louisiana, Office of Community Development, Disaster Recovery Unit - Hazard Mitigation Grant Program (hereinafter "HMGP"), which respectfully files this Petition for Declaratory Judgment and for Judgment to Recover Hazard Mitigation Grant Program Funds. In support, HMGP respectfully represents:

1.

The Defendants in this case are Chantel Yuvette Colbert (hereinafter "Chantel Colbert) and Claude Colbert Jr. (hereinafter "Claude Colbert"), both major domiciliaries of St. Mary Parish, who voluntarily participated in HMGP to mitigate their home after Hurricanes Katrina and Rita.

2.

HMGP is a mitigation program funded by FEMA and is administered by the State of Louisiana, the grantee. HMGP assists homeowners whose homes were damaged as a result of Hurricanes Katrina and Rita. It also helps homeowners in coastal Louisiana protect their homes from damage, which may occur in future natural disasters, by elevating their homes, reconstructing safer structures, or installing individual mitigation measures. The State of Louisiana serves as the funding vehicle by which FEMA funds are awarded to eligible homeowners.

3.

Defendants executed a Voluntary Participation Agreement (hereinafter "VPA") on April 12, 2010, to participate in HMGP and to receive HMGP grants. Defendants also agreed to comply with all HMGP guidelines, which includes using HMGP funds for their intended purpose. *Exhibit A.*

4.

FEMA grant funds in the amount of $54,592.00 were paid to Defendants by HMGP on or about July 19, 2010 and July 28, 2010 for the specific purpose of individual mitigation measures and elevation measures (hereinafter "IMM/Elevation") at their home located at 1807 Donna Drive, Franklin, Louisiana 70538. Defendants received $47,095.00 for Elevation and $7,497.00 for IMM. *Exhibit B (in globo).*

5.

Photographs dated May 27, 2015 show that although the FEMA grant funds were received, Defendants' home was not mitigated. *Exhibit C (in globo).*

6.

Four (4) separate collection letters were mailed to Defendants at 1807 Donna Drive, Franklin, Louisiana 70538, which was the address submitted by them when they applied for the HMGP grant. The first letter dated April 2, 2013 was mailed via U.S. certified mail informing Defendants that the FEMA grant funds in the amount of $54,592.00 had to be returned to the State of Louisiana. The return receipt was received and signed for on April 6, 2013. The letter dated April 2, 2013 was also sent via U.S. certified mail to the address 1047 Caliste Olivier Road, Breaux Bridge, Louisiana 70517. This letter was marked "Return to Sender: Not Deliverable as Addressed." *Exhibit D (in globo).*

7.

The second letter dated June 5, 2013 was mailed to Defendants at the aforementioned 1807 Donna Drive address via U.S. certified mail to reiterate that the grant funds had to be returned to the State of Louisiana. The return receipt was received and signed for on June 7, 2013. *Exhibit E (in globo).*

8.

The third collection letter dated March 21, 2014 was mailed to Defendants. *Exhibit F (in globo).*

9.

The fourth letter dated April 13, 2015 was mailed via U.S. certified mail to the Defendants at the 1807 Donna Drive address. The letter was marked "Return to Sender: Not Deliverable as Addressed" by the U.S. Postal Service. However, previous letters were received and signed for at this exact address. *Exhibit G (in globo).*

10.

Defendants have failed to respond to the letters and have failed to return the funds to the State.

11.

Defendants' failure to return the FEMA grant funds has resulted in Defendants owing to HMGP the FEMA grant funds, which must be recovered by HMGP, the State program charged with distributing FEMA funds for mitigation projects.

12.

HMGP must account to FEMA for all funds issued to homeowners. Failure of HMGP to recover the FEMA grant funds from Defendants will result in reimbursement to FEMA by the State of Louisiana.

13.

HMGP requests that the debt of $54,592.00 owed by Defendants to HMGP be recognized and that judgment in favor of HMGP be granted, directing Defendants to return and pay the FEMA grant funds to the State, in full.

**ALL PREMISES CONSIDERED, WHEREFORE, HMGP PRAYS:**

a. That this Honorable Court declare that Defendants, Chantel Yuvette Colbert and Claude Colbert Jr., are non-compliant with the Voluntary Participation Agreement signed by them;

b. That this Honorable Court declare that Defendants, Chantel Yuvette Colbert and Claude Colbert Jr., are indebted to HMGP in the amount of $54,592.00 because of their failure to mitigate their home according to their agreement to abide by HMGP guidelines, including using HMGP funds for their intended purpose;

c. That Defendants, Chantel Yuvette Colbert and Ronnie Claude Colbert Jr., be ordered to return the $54,592.00 HMGP grant to HMGP, in full;

d. That there be judgment rendered herein in favor of HMGP and against Defendants, Chantel Yuvette Colbert and Claude Colbert Jr., in the full sum of $54,592.00;

e. That Defendants, Chantel Yuvette Colbert and Claude Colbert Jr., be assessed all costs and fees associated with this matter; and

f. That the Court grant such other relief as is just and proper.

Respectfully submitted:

SUBJECT: Verification of Mitigation Grant Funds

Dear MRS CHANTEL YUVETTE COLBERT:

A review has been completed on your Hazard Mitigation grant file in order to confirm you received the correct amount of grant funds. The grant requires that the homeowner meet specific requirements listed in the Alternative Payment Option Affidavit and Agreement. Failure to satisfy the conditions listed in the Alternative Payment Option Affidavit and Agreement and the OCD-DRU HMGP Covenant will place you in default of this agreement. In hopes that your input may prevent the need to seek a return of grant funds, please review the information below for accuracy and provide additional documentation as necessary.

Our review has determined that the following apply to your grant(s).

- Homeowner did not comply with all the HMGP regulations set forth by OCD-DRU, GOHSEP and FEMA.

Due to the determination noted above, your grant values have been adjusted:

| HMGP Grant Funds Received | | Adjusted HMGP Values | |
|---|---|---|---|
| Elevation Grant | $47,095.00 | Elevation Grant | $0.00 |
| Individual Mitigation Measures (IMM) | $7,497.00 | Individual Mitigation Measures (IMM) | $0.00 |
| Reconstruction Grant | $0.00 | Reconstruction Grant | $0.00 |
| **Total HMGP Funds Received** | $54,592.00 | **Total Hazard Mitigation Benefit** | $0.00 |

**Based on the calculations above, our records indicate that the overpayment of your Hazard Mitigation Grant 06HH031596 is $54,592.00.**

Please understand that the State of Louisiana remains committed to ensuring that your application was processed in an accurate and fair manner, and in accordance with all governing laws, rules, and policies. We have assigned Deidra Davis, a case manager in our office, to work with you in connection with this request for input.
If you believe that the reason(s) stated above for the change of your grant amount is wrong, we need you to provide information for our consideration that shows the above finding is incorrect. Please return ATTACHMENT 1 (page 3 of this letter) with all supporting documentation to OCD for a final review.

**Your response must be postmarked within thirty (30) days of the date at the top of this notification letter. If you have additional questions regarding this letter, please call 225-330-0719 or send email to deidra.davis@mitigatela.org for assistance.**

If you agree with the finding that an overpayment has occurred, you can return the funds as provided in Attachment 1. If you are unable to provide a full payment at this time, please contact your case manager for further instructions.

We appreciate your assistance in connection with this request. Failure to respond will be interpreted as your confirmation of this calculation and determination, and may result in additional collection activities.

Sincerely,

Office of Community Development - HMGP

**SECOND NOTICE**

MRS CHANTEL YUVETTE COLBERT
1807 DONNA DR
FRANKLIN, LA 70538

SUBJECT: Verification of Mitigation Grant Funds

Dear MRS CHANTEL YUVETTE COLBERT:

A review has been completed on your Hazard Mitigation grant file in order to confirm you received the correct amount of grant funds. The grant requires that the homeowner meet specific requirements listed in the Alternative Payment Option Affidavit and Agreement. Failure to satisfy the conditions listed in the Alternative Payment Option Affidavit and Agreement and the OCD-DRU HMGP Covenant will place you in default of this agreement. In hopes that your input may prevent the need to seek a return of grant funds, please review the information below for accuracy and provide additional documentation as necessary.

Our review has determined that the following apply to your grant(s).

- Homeowner did not comply with all the HMGP regulations set forth by OCD-DRU, GOHSEP and FEMA.

Due to the determination noted above, your grant values have been adjusted:

| HMGP Grant Funds Received | | Adjusted HMGP Values | |
|---|---|---|---|
| Elevation Grant | $47,095.00 | Elevation Grant | $0.00 |
| Individual Mitigation Measures (IMM) | $7,497.00 | Individual Mitigation Measures (IMM) | $0.00 |
| Reconstruction Grant | $0.00 | Reconstruction Grant | $0.00 |
| **Total HMGP Funds Received** | $54,592.00 | **Total Hazard Mitigation Benefit** | $0.00 |

**Based on the calculations above, our records indicate that the overpayment of your Hazard Mitigation Grant 06HH031596 is $54,592.00.**

Please understand that the State of Louisiana remains committed to ensuring that your application was processed in an accurate and fair manner, and in accordance with all governing laws, rules, and policies. We have assigned Deidra Davis, a case manager in our office, to work with you in connection with this request for input.
If you believe that the reason(s) stated above for the change of your grant amount is wrong, we need you to provide information for our consideration that shows the above finding is incorrect. Please return ATTACHMENT 1 (page 3 of this letter) with all supporting documentation to OCD for a final review.

**Your response must be postmarked within fifteen (15) days of the date at the top of this notification letter. If you have additional questions regarding this letter, please call 225-330-0719 or send email to deidra.davis@mitigatela.org for assistance.**

If you agree with the finding that an overpayment has occurred, you can return the funds as provided in Attachment 1. If you are unable to provide a full payment at this time, please contact your case manager for further instructions.

We appreciate your assistance in connection with this request. Failure to respond will be interpreted as your confirmation of this calculation and determination, and may result in additional collection activities.

Sincerely,

Office of Community Development - HMGP

OCD-DRU HMGP is a federally-funded program. Providing false or misleading information in an attempt to fraudulently obtain HMGP funds is a federal violation and will be prosecuted to the full extent of the law. Title 18, Section 1001 of the U.S. Code states that a person is guilty of a felony for knowingly and willingly making false or fraudulent statements to any department of the United States Government. Because the HMGP program is a federally funded program, applicants are subject to Title 18, Section 1001 of the U.S. Code.

The Office of Community Development Disaster Recovery Unit does not discriminate on the basis of race, color, national origin, sex, age, religion or disability, and provides, upon request, reasonable accommodation including auxiliary aids and services, to afford an individual with a disability an equal opportunity to participate in all services, programs and activities. Any persons requiring special needs assistance should contact a Call Center Specialist, at (877) 824-8312 at least five business days prior to any scheduled meeting. The TDD number for the hearing impaired is 1-800-846-5277. Additional information regarding the use of the Louisiana Relay service can be found at the following link: http://www.hamiltonrelay.com/stateslla_hcwto.html.

**Attachment 1**

THIS FORM MUST BE SIGNED BY THE BELOW NAMED APPLICANT AND RETURNED BY MAIL TO THE OFFICE OF COMMUNITY DEVELOPMENT ON OR BEFORE **June 25, 2013.**

Re: Collection of Outstanding Debt in the Amount of **$54,592.00**

Dear CHANTEL COLBERT:

This letter is pursuant to your agreement to voluntarily participate in the State of Louisiana's Hazard Mitigation Grant Program ("HMGP") and to comply with all HMGP and Federal Emergency Management Agency ("FEMA") rules and guidelines, which includes the proper use of Federal grant funds for the mitigation of your home located at 1807 DONNA DRIVE FRANKLIN.

You have been notified on multiple occasions via demand letters about your debt owed to HMGP in the amount of **$54,592.00**. However, you have continuously disregarded these notices. You have also been given the opportunity to execute a re-payment agreement which would allow you to satisfy your debt within an agreed upon timeframe and at an agreed monthly amount. However, as of this date, you have failed to and/or refused to execute a re-payment agreement.

If payments have been paid pursuant to a payment agreement, then you should immediately contact the Program to verify the amount currently owed to the Program.

Please know that litigation and/or prosecution will be instituted against you for the collection of your unresolved debt.

Sincerely,

La Koshia R. Roberts
