## **I. INSURING AGREEMENT**

This policy insures against all risks of direct physical loss, damage or destruction occurring during the policy period to the type of property insured hereunder.

## II. PROPERTY INSURED

Except as hereinafter excluded, this Policy insures:

### A. REAL AND BUSINESS PERSONAL PROPERTY

All real and business personal property, either owned by or in the care, custody or control of the Insured, at a "location" or within 1000 feet thereof and while in the due course of transit, including the "Insurable interest of the Insured in 'property of others.'"

### B. EXTENSIONS

This policy also insures the following. Each of these coverage extensions is subject to the applicable deductible and is included within the policy limits of liability.

#### 1. ACCOUNTS RECEIVABLE

- a. All sums due the Insured from customers, provided the Insured is unable to effect collection thereof as the result of direct physical loss, damage or destruction of records of accounts receivable by a peril insured by this Policy;
- b. Interest charges on any loan to offset impaired collections pending repayment of such sums made uncollectible by such loss or damage;
- c. Collection expense in excess of normal collection cost and made necessary because of such loss or damage;
- d. Other expenses, when reasonably incurred by the Insured in re-establishing records of accounts receivable following such loss or damage.
- e. For the purpose of this Accounts Receivable insurance, credit card company charge media shall be considered to represent sums due the Insured.
- f. When there is proof that a loss of records of accounts receivable has occurred but the Insured cannot more accurately establish the total amount of accounts receivable outstanding as of the date of such loss, such amount shall be computed as follows:
  - i. The monthly average of accounts receivable during the last available twelve months shall be adjusted in accordance with the percentage of increase or decrease in the twelve months average of monthly gross revenues which may have occurred in the interim.
  - ii. The monthly amount of accounts receivable thus established shall be further adjusted in accordance with any demonstrable variance from the average for the particular month in which the loss occurred, due consideration also being given to the normal fluctuations in the amount of accounts receivable within the fiscal month involved.

There shall be deducted from the total amount of accounts receivable, however established, the amount of such accounts evidenced by records not lost or damaged, or otherwise established or collected by the Insured, and an amount to allow for probable bad debts which would normally have been uncollectible by the Insured.

## **2. AUTOMATIC COVERAGE ON NEWLY ACQUIRED PROPERTY**

The insurable interest of the Insured in real and business personal property of the type insured by this Policy that becomes at the risk of the Insured after the inception date of this Policy at any newly acquired "location" within the territorial limits of this Policy. This coverage applies until one of the following events occurs:

- a. Insurance on the "location" is bound by the Insurer.
- b. Agreement is reached that the "location" shall not be insured under this Policy.
- c. Expiration of the Time Limit shown in DECLARATIONS section. The Time Limit begins on the date of acquisition, completion of construction, or occupancy, including partial.

## **3. BRANDS AND LABELS/CONTROL OF DAMAGED PROPERTY**

- a. Brands and Labels: In case of direct physical loss, damage or destruction, by a peril insured by this Policy, of property bearing a brand or trademark, or the name of the Insured, which in any way carries or implies the guarantee or the responsibility of the manufacturer or the Insured, the salvage value of such damaged property shall be determined after removal in the customary manner of all such brands or trademarks or other identifying characteristics. The cost of such removal shall be included as a part of the claim.
- b. Control of Damaged Property: The Insured shall have full right to the possession of all property involved in any claims under this Policy and shall retain control of all lost, damaged or destroyed property. The Insured, exercising a reasonable discretion, shall be the sole judge as to whether the property involved in any loss under this Policy is fit for sale or use. No property so deemed by the Insured to be unfit for sale or use shall be sold or otherwise disposed of except by the Insured or with the Insured's consent, but the Insured shall allow this Insurer any salvage obtained by the Insured on any sale or other disposition of such property.

## **4. CONSEQUENTIAL LOSS**

- a. In the event of direct physical loss, damage or destruction insured by this Policy to any property situated on the described premises and if such direct physical loss, damage or destruction, without the intervention of any other independent cause, results in a sequence of events which causes physical damage to other property insured by this Policy, then this Policy will insure such resulting loss or damage. Nothing in this clause shall be deemed to extend this insurance to property which is otherwise specifically excluded from coverages by the terms of this policy.

The liability of the Insurer includes only the direct physical loss, damage or destruction incurred during such period as would be required with the exercise of due diligence under normal conditions to repair or replace the damaged property, and does not include any liability resulting from inability of the Insured to make repairs or replacements because of strikers or labor disputes.

- b. The reduction in value of undamaged insured articles that are a part of pairs or sets, including components or parts of similar inventory-type property and including merchandise usually sold by lots, sizes, color ranges or other classifications, when such reduction in value results from

loss, damage or destruction of other insured articles, components or parts of such property by a peril insured by this Policy;

In the event of such direct physical loss, damage or destruction, the measure of recovery for such articles shall be, at the Insured's option:

The reduction in value of undamaged insured components or parts of property resulting from direct physical loss or damage Insured by this Policy to other insured components or parts of such property; or, the full value of the pair or set.

## **5. CONTAMINATION CLEANUP**

Notwithstanding anything in this Policy to the contrary, such costs or expenses incurred to clean up and/or remove polluted or contaminated land and/or water from an insured "location" provided the contamination or pollution results directly from direct physical loss, damage or destruction of property insured by a peril insured by this Policy, and provided such expenses are reported to the Insurer within 365 days of the date of the direct physical loss, damage or destruction.

## **6. CONTRACTOR'S, SUBCONTRACTOR'S AND VENDOR'S**

This provision does not insure against the costs of decontamination or removal of water, soil or any substance not insured by this Policy on or under such "location" except as provided in clause 5, Contamination Cleanup.

It is a condition precedent to recovery under this provision that the Insurer shall have paid or agreed to pay for direct physical loss, damage or destruction of property insured unless such payment is precluded solely by the operation of any Deductible.

## **9. DECONTAMINATION COSTS**

Notwithstanding the provisions of any exclusion contained herein or any provision respecting pollution, contamination and/or mold, mildew, and fungus, if property insured is contaminated as a result of direct physical loss, damage or destruction by a peril insured by this Policy, including but not limited to the presence of pollutants or contaminants, this Policy insures, the increased cost of decontamination and/or removal of such contaminated property insured. 2. If such a loss occurs during the term of this Policy, it shall be adjusted on the basis of the 'Actual Loss Sustained' by the Insured during the Period of Recovery resulting from the interruption or reduction of operations. 'Actual Loss Sustained' is defined as the reduction in 'Business Interruption Gross Earnings' less charges and expenses that do not necessarily continue during the interruption or reduction of the business operations.

For manufacturing operations, 'Business Interruption Gross Earnings' are defined as the sum of:

- a. The total "net sales value of production,"
- b. The total net sales of "merchandise," and
- c. Other earnings derived from the business.

LESS THE COST OF:

- d. "Raw stock" from which such production is derived,
- e. Supplies consumed in the conversion of such "raw stock" into "finished stock" or in supplying the services sold by the Insured,

4. Resumption of Operations: If it is reasonably possible for the Insured to reduce the loss resulting from the interruption or reduction of operations,
  - a. By a complete or partial resumption of operations or
  - b. By making use of available "finished stock" or "merchandise,"Such reduction shall be taken into account in arriving at the amount of loss hereunder.
5. 'Business Interruption Gross Earnings' does not insure any loss resulting from loss, damage or destruction of "finished stock" for which the Insured will otherwise recover under this policy at the Insured's regular cash selling price.

## **B. EXTRA EXPENSE**

  - b. The amount of all charges which are the legal obligation of the tenant(s) and which would otherwise be obligations of the Insured; and
  - c. The fair rental value of any portion of said property that is occupied by the Insured.
3. When the Insured is the lessee, this Policy insures:

The rent the Insured is obligated to pay including ground rents, accrued charges, real estate taxes and interest if the Insured is liable for such, less charges and expenses that do not necessarily continue during the Period of Recovery. However, if the Insured is obligated by the terms of any lease to pay rent and taxes for any time beyond the Period of Recovery of this Policy, this Policy insures such additional payments.

The Insurer shall not acquire any right of recovery that the Insured has expressly waived prior to a loss, nor shall such waiver affect the Insured's rights under this Policy.

Nothing herein, however, shall be deemed to extend coverage in such excess layers(s) to include loss from the specifically excluded peril in the excess layer(s) itself.
3. If a covered property has been damaged by the flood or wind peril in a prior "Named Storm" and has received public assistance through FEMA or, with regard to flood only, is located in a Special Flood Hazard Area (SFHA), this policy will pay on those properties first, subject to Title 44 of the Code of Federal Regulations (44 CFR §206.250 through §206.253) in effect at the time of the "Named Storm".
  - a. Regarding the flood peril as part of a "Named Storm" and/or Presidentially-declared disaster, the insurance loss deduction per building applied to a FEMA project worksheet will be limited to the lesser of \$500,000 or the scheduled replacement cost value on file at ORM. It is understood that those facilities located in a SFHA would have an insurance coverage requirement for the first loss. The non-SFHA facilities must have a FEMA paid loss in a prior event to have the flood insurance coverage requirement in subsequent events.
  - b. Regarding the wind peril as part of a "Named Storm" and/or Presidentially-declared disaster, the insurance loss deduction per building applied to a FEMA project worksheet will be limited to the scheduled replacement cost value on file at ORM. It is understood that facilities must have a FEMA paid loss in a prior event to have the wind insurance coverage requirement in subsequent events.
