

STATE OF LOUISIANA
OFFICE OF RISK MANAGEMENT
2013 REGIONAL CONFERENCES
DESCRIPTIONS OF CONFERENCE SESSIONS

Threat Assessment & Security Measures

A lot of information is available on how to prevent Work Place Violence. A scan of the daily news demonstrates, however, that people with guns still get into office environments. Using a “must see” video and advice from law enforcement experts, this session will provide you with specific actions you can take to increase your chances of surviving the unthinkable. Takeaways from this session will include specific advice on developing a survival mindset which you will want to share with coworkers and family. It will also provide protocols for training drills. Information from this session could save your life.

Speaker: 1st/Sgt. Michael Lynch *W. Virginia State Police, Planning and Research Section*

Targeted Risk Improvement Program Activity/Progress Report

The Targeted Risk Improvement Program (TRIP) targets state agencies by use of Cost Per Man-hour (CPH) methodology. The focus of this presentation is to provide a brief introduction of the program, comment on those agencies who have accepted the invitation to participate, the initial and ongoing risk improvement consultative process, the strategy of refocusing the agencies’ efforts from a Loss Prevention standpoint, and to promote the program to other non-participating agencies.

Speaker: Jealena Gros *FARA Loss Prevention*

Audit Key Changes and Trends

This session will review the latest changes to the Loss Prevention Program currently in effect and will also explore the most common, non-compliant areas in each section of the audit.

Speaker: Brett Beoubay *ORM Loss Prevention*

10 Steps to Continuity Planning

Is your agency or business prepared to handle a disaster? This presentation will inform participants of the value of planning as well as the key concepts necessary when creating a plan. It will cover the 10 steps for continuity planning as well as the importance of communication during a time of crisis.

Speaker: Lexie Bowling, Center for Business Preparedness, Stephenson Disaster Management Institute, LSU (Baton Rouge conference)

Speaker: Margaret Pierce, Center for Business Preparedness, Stephenson Disaster Management Institute, LSU (Pineville conference)

Claims Reporting & Reports

This presentation will cover the following lines of coverage: Workers Compensation, General Liability, Medical Malpractice and Property. It will address reports, methods for reporting new claims, reporting claims timely, and information needed on new claims. It will also discuss when to report incidents to FARA and procurement guidelines.

Speaker: Shirley Fritch, *FARA Claims*

Property Policy & Exposure Reporting Changes

Several recent changes to the Property policy have affected coverage as well as the collection of property exposures. This presentation will discuss these changes and address new property exposures collected and their definitions.

Speaker: Amanda Stein, *ORM Underwriting*
