ANNOUNCEMENT

When uploading the original bid document to our webpage, page layouts were changed which caused a blank page to be inserted and page numbers 21 and 22 to be duplicated. Therefore the total number of pages did not match the page numbering. This has been corrected in the current version of SMP-19, uploaded March 9, 2011 at 4:00 p.m. *Only page numbers have been corrected; no other information was changed.*
