

Period of Inquiry

Only those communications, which are in writing, signed by an authorized agent of the State, shall be considered as valid. Likewise, the State shall only consider communications from Proposers which are signed and in writing. Proposers are to be instructed in the RFP where to submit inquiries concerning the RFP.

The agency will respond to SP with answers to all questions posed by potential proposers. State Procurement will send copies of all questions and answers to all that were mailed a copy of the RFP via addendum. The source of the inquiries should not be identified in responding to inquiries.
