Assistant Commissioner

State of Louisiana
Division of Administration
Office of the Commissioner

TO: ALL ELECTED OFFICIALS, DEPARTMENT HEADS AND
PRESIDENTS OF COLLEGES AND UNIVERSITIES

FROM: ANGELE DAVIS
COMMISSIONER

DATE: JULY 1, 2010

RE: TRAVEL POLICIES AND PROCEDURES

The Division of Administration is committed to simplifying/clarifying travel processes and/or approvals. Department Heads, Agency Heads and Presidents are again reminded to exercise all authority with care and reasonableness.

Below is a summary of the new travel regulation additions/changes/clarifications that have been made in the travel policy for fiscal year 2010-2011. As always, this is just a summary, as PPM49 should always be reviewed in its entirety each year.

Key Additions/Changes/Clarifications to PPM49:

S1501. Authorization and Legal Basis - the following addition has been made:

Please note that when political subdivisions are required to follow PPM49 for any pass through money issued by the State of Louisiana, any and all required approvals must be sent to the correct appointing authority, not to the Commissioner of Administration.

S1502. Definitions - the following addition has been made:

Travel Scholarships – If any type of scholarship for travel is offered/received by a state employee, it is the agency/employee's responsibility to receive/comply with all ethics laws/requirements. See R.S. 42:1123

S1504. Methods of Transportation, Section C.3.a. - clarification has been made:

If an exemption from the program is granted by the Department Head or Commissioner of Administration as stated above, then the employee, contractor, board or commission member will not be required to rent a vehicle and may receive actual mileage reimbursement up to .48 cents per mile. Reimbursable vehicle size rental is now compact or mid/intermediate

S1504. Methods of Transportation, Section C.3.e. - the following change has been made:
Reimbursable vehicle size rental is now compact or mid/intermediate

S1504. Methods of Transportation, Section C.3.g. - the following addition has been made:
Reimbursements require a receipt for regular unleaded gasoline, or diesel when applicable. This applies for both state owned vehicles and rental vehicles, as mid-grade, super, plus or premium gasoline is typically not necessary.

S1504. Methods of Transportation, Section D – the following change/addition has been made:
Airport shuttle/limousines and taxi reimbursements, including tip requires a receipt to account for total daily amount claimed. A driver tip for shuttles/limousines and taxis may be given and must not exceed 15% of total charge. Amount of tip must be included on receipt received from driver/company.

S1506. Lodging and Meals, Section C – Several changes have been made for lodging

S1510. Agency Hosted Conferences, Section B - the following change has been made:
Any other meals, such as breakfast and dinner, require special approval in accordance with PPM49 Section 1509. “Special Meals” and must have prior approval from the Commissioner of Administration or, for Higher Education, the entity head or his designee.

S1510. Agency Hosted Conferences, Section C - the following change has been made:
Refreshments shall not exceed **\$4.50 per person**, per morning and/or afternoon sessions. A mandated gratuity may be added if refreshments are being catered.

S1511. International Travel – the following section has been added:
C. It is the agency’s decision, if justification is given, to allow state employees to be reimbursed for a VISA and/or Immunizations when the traveler is traveling on behalf of the agency/university on official state business. However, it is not practice for the State to reimburse for a Passport, therefore, Passport reimbursements must have Department Head/President approval along with detailed justification as to why this reimbursement is being requested/approved.

Remember, employees should be trained at time of hiring as well as refresher classes conducted at least once a year. The Office of State Travel offers many levels of travel training and will be glad to assist any agency with the training of your staff to ensure your employees are in compliance with travel regulations. If you are interested in training classes for your staff, please contact the State Travel Office to set up dates and times.

Employees traveling on behalf of the State are expected to comply with this state travel policy (PPM49). Thank you for your cooperation.

Policy and Procedure Memorandum 49

S1501. Authorization and Legal Basis

A. In accordance with the authority vested in the Commissioner of Administration by Section 231 of Title 39 of the Revised Statutes of 1950 and in accordance with the provisions of the Administrative Procedure Act, R.S. 49:950-968 as amended, notice is hereby given of the revision of Policy and Procedures Memorandum No. 49, the state general travel regulations, effective **July 1, 2010**. These amendments are both technical and substantive in nature and are intended to clarify certain portions of the previous regulations or provide for more efficient administration of travel policies. These regulations apply to all state departments, boards and commissions created by the legislature or executive order and operating from funds appropriated, dedicated, or self-sustaining; federal funds; or funds generated from any other source.

Please note that when political subdivisions are required to follow PPM49 for any pass through money issued by the State of Louisiana, any and all required approvals must be sent to the correct appointing authority, not to the Commissioner of Administration.

B. Legal Basis--L.R.S. 39:231B "The commissioner, with the approval of the governor, shall prescribe rules defining the conditions under which each of various forms of transportation may be used by state officers and employees and used by them in the discharge of the duties of their respective offices and positions in the state service and he shall define the conditions under which allowances will be granted for all other classes of traveling expenses and the maximum amount allowable for expenses of each class."

S1503. General Specifications

A. Department Policies

1. Department heads may establish travel regulations within their respective agencies, but such regulations shall not exceed the maximum limitations established by the Commissioner of Administration. Three copies of such regulations shall be submitted for prior review and approval by the Commissioner of Administration. One of the copies shall highlight any exceptions /deviations to PPM 49.

2. Department and agency heads will take whatever action necessary to minimize all travel to carry on the department mission.

3. Contracted Travel Services. **The state has contracted for travel agency services which use is mandatory for airfares unless exemptions have been granted by the Division of Administration prior to purchasing airfare tickets.** The contracted travel agency has an online booking system which can be used by all travelers for booking airfare, hotel and car reservations. Use of the online booking system can drastically reduce the cost paid per transaction and state travelers are strongly encouraged to utilize.

4. When a state agency enters into a contract with an out-of-state public entity, the out-of-state public entity may have the authority to conduct any related travel in accordance with their published travel regulations.

5. Authorization to Travel

a. All non-routine travel must be authorized and approved in writing by the head of the department, board, or commission from whose funds the traveler is paid. A department head may delegate this authority in writing to one designated person. Additional persons within a department may be designated with approval from the Commissioner of Administration. A file shall be maintained on all approved travel authorizations.

b. Annual travel authorizations are no longer a mandatory requirement of PPM49 for routine travel, however, an agency can continue to utilize this process if determined to be in your department’s best interest. A travel authorization is still required for non-routine meetings, conferences and out-of-state travel.

B. Funds for Travel Expenses

1. Persons traveling on official business will provide themselves with sufficient funds for all routine travel expenses that cannot be covered by the corporate travel card. Advances of funds for travel shall be made only for extraordinary travel and should be punctually repaid when submitting the Travel voucher covering the related travel, not later than the fifteenth day of the month following the completion of travel.

2. **Exemptions:** At the Agency’s discretion, cash advances may be allowed for:

- a. employees whose salary is less than \$30,000/year.
- b. employees who accompany and/or are responsible for students on group or client travel.
- c. new employees who are infrequent travelers or have not had time to apply for and receive the state’s corporate travel card.

- d. employees traveling for extended periods, defined as 31 or more consecutive days.
- e. employees traveling to remote destinations in foreign countries, such as jungles of Peru or Bolivia.
- f. advanced ticket / lodging purchase
- g. registration for seminars, conferences, and conventions.
- h. incidental costs not covered by the corporate travel card i.e. registration fees; conference fees may be submitted on a preliminary request for reimbursement when paid in advance.
- i. any ticket booked by a traveler 30 days or more in advance and for which the traveler has been billed, may be reimbursed by the agency to the traveler on a preliminary expense reimbursement request. The traveler should submit the request with a copy of the bill or invoice. Passenger airfare receipts are required for reimbursement.
- j. employees who infrequently travel or travelers that incur significant out-of-pocket cash expenditures.

3. Expenses Incurred on State Business. Traveling expenses of travelers shall be limited to those expenses necessarily incurred by them in the performance of a public purpose authorized by law to be performed by the agency and must be within the limitations prescribed herein.

4. **CBA (Controlled Billed Account) issued in an agency's name is to be used for airfare and registration.** Other Credit Cards issued in the name of the state agency are not to be used for the purpose of securing transportation, lodging, meals, or telephone and telegraph service, unless prior written permission has been obtained from the Commissioner of Administration.

5. **NO REIMBURSEMENT WHEN NO COST INCURRED BY TRAVELER.** This includes but is not limited to reimbursements for any lodging and/or meals furnished at a state institution or other state agency, or furnished by any other party at no cost to the traveler. In no case will a traveler be allowed mileage or transportation when he/she is gratuitously transported by another person.

C. Claims for Reimbursement

1. All claims for reimbursement for travel shall be submitted on state Form BA-12, unless exception has been granted by the Commissioner of Administration, and shall include all details provided for on the form. It must be signed by the person claiming reimbursement and approved by his/her immediate supervisor. The purpose for extra and unusual travel must be stated in the space provided on the front of the form. In all cases the date and hour of departure from and return to domicile must be shown.

2. Except where the cost of air transportation, conference, or seminar is invoiced directly to the agency/department, all expenses incurred on any official trip shall be paid by the traveler and his travel voucher shall show all such expenses in detail to the end that the total cost of the trip shall be reflected by the travel voucher. If the cost of air transportation is paid directly by the agency/department, a notation will be indicated on the travel voucher indicating the date of travel, destination, amount, and the fact that it has been paid by the agency/department. The traveler's copy of the passenger receipt is required.

3. In all cases, and under any travel status, cost of meals and lodging shall be paid by the traveler and claimed on the travel voucher for reimbursement, and not charged to the state department, unless otherwise authorized by the Department Head or his designee. A centralized file must be kept containing all of these approvals.

4. Claims should be submitted within the month following the travel, but preferably held until a reimbursement of at least \$10 is due. Department heads at their discretion may make the 30 day submittal mandatory on a department wide basis.

5. Any person who submits a claim pursuant to these regulations and who willfully makes and subscribes to any claim which he/she does not believe to be true and correct as to every material matter, or who willfully aids or assists in, or procures, counsels or advises the preparation or presentation of a claim, which is fraudulent or is false as to any material matter shall be guilty of official misconduct. Whoever shall receive an allowance or reimbursement by means of a false claim shall be subject to severe disciplinary action as well as being criminally and civilly liable within the provisions of state law.

6. Agencies are required to reimburse travel in an expeditious manner. In no case shall reimbursements require more than thirty (30) days to process from receipt of complete, proper travel documentation.

S1504. Methods of Transportation

A. Cost-effective transportation

The most cost-effective method of transportation that will accomplish the purpose of the travel shall be selected. Among the factors to be considered should be length of travel time, employee's salary, cost of operation of a vehicle, cost and availability of common carrier services, etc. Common carrier shall be used for out-of-state travel unless it is documented that utilization of another method of travel is more cost-efficient or practical and approved in accordance with these regulations

B. Air

1. Private Owned or Charter Planes. Before travel by privately-owned or by chartered aircraft is authorized for individual's travel by a department head, the traveler shall certify that: 1) at least two hours of working time will be saved by such travel; and 2) no other form of transportation, such as commercial air travel or a state plane, will serve this same purpose.

a. Chartering a privately owned aircraft must be in accordance with the Procurement Code.

b. Reimbursement for use of a chartered or un-chartered privately owned aircraft under the above guidelines will be made on the following basis:

i. at the rate of **\$1.07 cents per mile**; or

ii. at the lesser of coach economy airfare or state contract rate.

If there are extenuating circumstances requiring reimbursement for other than listed above, approval must be granted by the Commissioner of Administration.

c. When common carrier services are unavailable and time is at a premium, travel via state aircraft shall be investigated, and such investigation shall be documented and readily available in the department's travel reimbursement files. Optimum utilization will be the responsibility of the department head.

2. Commercial Airlines: (Receipts required) All state travelers are to purchase commercial airline tickets through the state contracted travel agency (**see front cover for Contract Travel Agency contact numbers**). This requirement is mandatory unless approval is granted from the State Travel Office. (In the event travelers seek approval to go outside the travel agency, they shall submit their request through their agency travel program administrator, who will determine if the request should be submitted to the Office of State Travel.)

While the use of the contract travel agency is mandatory, the state traveler has options for the type of airfare ticket purchased. This office strongly encourages use of lowest logical airfares, NOT state contract fares. The traveler should ask the contracted travel agency to check for the lowest logical rates based on his/her personal needs.

The State always supports purchasing the **"best value"** ticket. Therefore, once all rates are received, the traveler must compare cost and options to determine which fare would be the "best value" for their trip. To make the determination, the traveler must ask the question: Is there a likelihood my itinerary could change or be cancelled? Depending on the response, the traveler must determine if the costs associated with changing a non-refundable ticket (usually around \$150) would still be the best value.

Another factor to assist having a travel agent search the lowest fare is advising the agent if traveler is flexible in either dates or time of travel. By informing the travel agent of your "window of time" for your departure and return will assist them to search for the best price.

a. Travelers are to seek airfares allowing an ample amount of lead time prior to departure date. The lead-time should be at least (14) fourteen days in advance of travel dates to ensure the lowest fares are available. Generally, the earlier a ticket is purchased, provides for lower airfares.

b. State contract airfare tickets are not available for personal, companion or spouse travel. This is a requirement of the airlines and our failure to monitor the use of these contract airfares could cause their cancellation. Therefore, persons booking tickets for non-official business using contract rates will be subject to disciplinary action as well as payment of the difference between contract airfare and full coach fares.

c. Commercial air travel will not be reimbursed in excess of lowest logical or state contract air rate when it has been determined to be the best value (receipts required). The difference between contract or coach/economy class rates and first class or business class rates will be paid by the traveler. Upgrades at the expense of the State are **NOT** permitted, without prior approval from the Commissioner of Administration. If space is not available in less than first or business class air accommodations in time to carry out the purpose of the travel, the traveler will secure a certification from the airline indicating this fact. The certification is required for travel reimbursement.

d. The policy regarding airfare penalties is the state will pay for the airfare and/or penalty incurred for a change in plans or cancellation when the change or cancellation is required by the State or other unavoidable situations approved by the agency's department head. Justification for the change or cancellation by the traveler's department head is required on the travel voucher.

e. When an international flight segment is more than 10 hours in duration, the state will allow the business class rate not to **exceed** 10% percent of the coach rate. The traveler's itinerary provided by the travel agency must document the flight segment as more than 10 hours and must be attached to the travel voucher.

f. A lost airline ticket is the responsibility of the person to whom the ticket was issued. The airline charge of searching and refunding lost tickets will be charged to the traveler. The difference between the prepaid amount and the amount refunded by the airlines must be paid by the employee.

g. If companion fares are purchased for a state employee and non-state employee, the reimbursement to the state employee will be the amount of the lowest logical fare.

h. Traveler is to use the lowest logical airfare/state contract whether the plane is a prop or a jet.

i. Employees may retain promotional items, including frequent flyer miles, earned on official state travel. However, if an employee makes travel arrangements that favor a preferred airline/supplier to receive promotional items/points and this circumvents purchasing the most economical means of travel, they are in violation of this travel policy. Costs for travel arrangements subject to this violation are non-reimbursable.

j. When making airline reservations for a conference, let the travel agent know that certain airlines have been designated as the official carrier for the conference. In many instances, the conference registration form specifies that certain airlines have been designated as the official carrier offering discount rates, if available. If so, giving this information to our contracted agencies could result in them securing that rate for your travel.

C. Motor Vehicle

No vehicle may be operated in violation of state or local laws. No traveler may operate a vehicle without having in his/her possession a valid U.S. driver's license. Safety restraints shall be used by the driver and passengers of vehicles. All accidents, major and minor, shall be reported first to the local police department or appropriate law enforcement agency. An accident report form, available from the Office of Risk Management (ORM) of the Division of Administration should be completed as soon as possible and returned to ORM, together with names and addresses of principals and witnesses. Any questions about this should be addressed to the Office of Risk Management of the Division of Administration. These reports shall be in addition to reporting the accident to the Department of Public Safety as required by law.

Any persons who are not official state employees must sign a Hold Harmless Agreement Form, located at Office of State Travel's website, <http://www.doa.louisiana.gov/osp/travel/forms.htm> prior to riding in or driving a state-owned vehicle or rental vehicle on behalf of the State. Each agency is responsible in ensuring that this along with any other necessary documents are completed and made part of the travel file prior to travel dates.

1. State-Owned Vehicles

a. No person may be authorized to operate or travel in a fleet vehicle unless that person is a classified or unclassified employee of the State of Louisiana; any duly appointed member of a state board, commission, or advisory council; or any other person who has received specific approval from the Department Head or his designee to operate or travel in a fleet vehicle on official state business. A centralized file must be kept containing all of these approvals. Students shall not be authorized to drive state-owned or rented vehicles for use on official state business if not employed by the State.

b. Travelers in state-owned automobiles who purchase needed fuel, repairs and equipment while on travel status shall make use of all fleet discount allowances and state bulk purchasing contracts where applicable. Reimbursements require a receipt for regular unleaded gasoline, or diesel when applicable. This applies for both state owned vehicles and rental vehicles, as mid-grade, super, plus or premium gasoline is typically not necessary. Each agency/department shall familiarize itself with the existence of such allowances and/or contracts and location of vendors by contacting the Purchasing Office, Division of Administration. State-owned credit cards will not be issued to travelers for use in the operation of privately owned vehicles.

c. State-owned vehicles may be used for out-of-state travel only if permission of the department head has been given prior to departure. If a state-owned vehicle is to be used to travel to a destination more than 500 miles from its usual location, documentation that this is the most cost-effective means of travel should be readily available in the department's travel reimbursement files.

d. Unauthorized persons should not be transported in state vehicles. Approval of exceptions to this policy may be made by the traveler's supervisor if he determines that it is official state business and the best interest of the state will be served and if the passenger (or passenger's guardian) signs a hold harmless agreement form acknowledging the fact that the state assumes no liability for any loss, injury, or death resulting from said travel.

e. If a state vehicle is needed/requested to be brought to the home of a state employee overnight, then the agency/traveler should ensure it is in accordance with requirements outlined in R.S. 39:361-364.

2. Personally Owned Vehicles

a. When two or more persons travel in the same personally owned vehicle, only one charge will be allowed for the expense of the vehicle. The person claiming reimbursement shall report the names of the other passengers.

b. A mileage allowance shall be authorized for travelers approved to use personally-owned vehicles while conducting official state business. Mileage shall be reimbursable on the basis of **no more than 48 cents** per mile per the following:

- For official in-state business travel
 - Employee should utilize a state vehicle when available
 - Employee may rent a vehicle from the Enterprise Rent-A-Car's State Motor Pool Rental Contract, if state vehicle is not available; or
 - If an employee elects to use his/her personal vehicle, reimbursement may not exceed a maximum of 99 miles per round trip and/or day at 48 cents per mile.
- c. Mileage shall be computed by one of the following options:
 1. On the basis of odometer readings from point of origin to point of return.

2. By using a website mileage calculator or a published software package for calculating mileage such as Tripmaker, How Far Is It, Mapquest, etc.. Employee is to print the page indicating mileage and attach it with his/her travel expense form.

d. An employee shall never receive any benefit from not living in his / her official domicile. In computing reimbursable mileage to an authorized travel destination from an employee's residence outside the official domicile, the employee is always to claim the lesser of the miles from their official domicile or from their residence. If an employee is leaving on a non-work day or leaving significantly before or after work hours, the department head may determine to pay the actual mileage from the employee's residence, not to exceed a maximum of 99 miles per round trip and/or day at 48 cents per mile. See Section C.2.b.

e. The department head or his designee may approve an authorization for routine travel for an employee who must travel in the course of performing his/her duties; this may include domicile travel if such is a regular and necessary part of the employee's duties, but not for attendance to infrequent or irregular meetings, etc. within the city limits where his/her office is located, the employee may be reimbursed for mileage only not to exceed a maximum of 99 miles per round trip and/or day at 48 cents per mile. See Section C.2.b.

f. Reimbursements will be allowed on the basis of 48 cents per mile, not to exceed a maximum of 99 miles , per round trip and/or day, to travel between a common carrier/terminal and the employees point of departure, i.e. home, office, etc., whichever is appropriate and in the best interest of the state.

See Section C.2.b

g. When the use of a privately-owned vehicle has been approved by the department head for out-of-state travel for the travelers convenience, the traveler will be reimbursed for in-route expenses on the basis of **48 cents per mile only**. The total cost of the mileage may not exceed the cost of travel by using the lesser of 1) lowest logical airfare 2) State Contract airfare obtained at least 14 days prior to the trip departure date. The reimbursement would be limited to one lowest logical airfare quote, not the number of persons traveling in the vehicle. The traveler is personally responsible for any other expenses in-route to and from destination which is inclusive of meals and lodging. If a traveler, at the request of the department, is asked to take his/her personally owned vehicle out-of-state for a purpose that will benefit the agency, then the department head may on a case-by-case basis determine to pay a-traveler for all / part of in-route travel expenses. File should be justified accordingly.

h. When a traveler is required to regularly use his/her personally owned vehicle for agency activities, the agency head may request authorization from the Commissioner of Administration for a lump sum allowance for transportation or reimbursement for transportation (mileage). Request for lump sum allowance must be accompanied by a detailed account of routine travel listing exact mileage for each such route and justification why a rental vehicle is not feasible. Miscellaneous travel must be justified by at least a three-month travel history to include a complete mileage log for all travel incurred, showing all points traveled to or from and the exact mileage. Request for lump sum allowance shall be granted for periods not to exceed one fiscal year.

i. The traveler shall be required to pay all operating expenses of his/her personal vehicle including fuel, repairs, and insurance.

3. Rented Motor Vehicles (Receipts Required)

a. **In-State Vehicle Rental.** The State has contracted rentals based out of Louisiana through Enterprise Rent-A-Car's State Motor Pool Rental Contract for business travel which applies to all State of Louisiana employees and/or authorized travelers traveling on official state business.

A Department Head/Higher Education Entity Head, or his designee, may give an approval to bypass the contract, on a case-by-case basis and/or program, group or internal division provided he/she documents the reason and maintain this justification in the file. A request for total agency/college/university exemption may be granted by the Commissioner of Administration. Requests for exemption must be accompanied by a detailed explanation as to why the contract is not feasible. If an exemption from the program is granted by the Department Head or Commissioner of Administration as stated above, then the employee, contractor, board or commission member will not be required to rent a vehicle and may receive actual mileage reimbursement up to .48 cents per mile.

Members of boards and commissions are not required to utilize the State Motor Pool Rental Contract. They are, however, strongly urged to do so when a cost benefit analysis indicates potential savings to the state.

State contractors required to follow PPM-49 by the terms of their contracts may, but are not required to, use the State Motor Pool Rental Contract.

Although exemptions may be granted to the State Motor Pool Rental Contract, all must adhere to the current mileage reimbursement rate of no more than 48 cents per mile.

State owned vehicle or rental from Enterprise Rent-A-Car State Motor Pool Rental Contract, when state vehicle is not available, should be used by any employee and/or authorized traveler who is eligible to receive the mileage allowance who plans to travel 100 miles or more in a trip. For trips of less than 100 miles employees should utilize a state vehicle when available, may utilize their own vehicle and receive mileage reimbursement not to exceed a maximum of 99 miles per round trip and/or day at 48 cents per mile or may rent a vehicle from Enterprise Rent-A-Car's State Motor Pool Rental Contract.

Students shall not be authorized to drive state-owned or rented vehicles for use on official state business if not employed by the State.

Reservations should not be made at an airport location for daily routine travel, as this will add additional unnecessary cost to your rentals.

An employee can reserve a vehicle in one of several ways using the State's Corporate ID Number NA1403 or an agency's direct billing account number and Company Name or PIN Number – STA

- Accessing the State Travel Website at http://www.enterprise.com/car_rental/home.do
- Reserve by calling an Enterprise local rental branch directly (during business hours)
- By calling 1-800-Rent-A-Car (24 hours/day)
- NOTE: Reservations are to be made 24 hours in advance for guaranteed vehicle class/size

b. Payments for rentals made only through the State Motor Pool Rental Contract may be made using the "LaCarte" purchasing card, an employee's corporate travel card or by direct bill to the agency. This will be an agency decision as to the form of payment chosen. If direct bill is chosen, agency must set up account billing information with Enterprise. An account may be established by contacting Joseph Rosenfeld at 225-445-7250, joseph.g.rosenfeld@erac.com.

c. **Out-of-State Vehicle Rental.** For vehicle rentals outside of Louisiana, the State does not provide contracts. However, the State has received price offers that will be available from multiple vehicle rental companies listed in the Louisiana Travel Guide. When a traveler is approved to rent a vehicle for out-of-state use, he/she may select a vendor listed in the guide or seek a lower rate.

d. **Approvals.** Written approval of the Department Head or his designee prior to departure is required for the rental of vehicles, however, if your agency chooses, approval may be handled on an annual basis if duties require frequent rentals. Additional/Special approval is required, from the Department Head or his/her designee, for rental of any vehicle above the “full size” category.

e. **Vehicle Rental Size.** Only the cost of a compact or mid/intermediate model is reimbursable, unless 1) non-availability is documented, 2) the vehicle will be used to transport more than two persons or 3) the cost of a larger vehicle, for out-of-state rentals only, is no more than the rental rate for a compact or mid/intermediate. When a larger vehicle is an option as stated in 1) or 2) above, the upgraded vehicle shall be the next smallest size and lowest price necessary to accommodate the number of persons traveling.

A Department Head or his designee may, on a case-by-case basis, authorize a larger sized vehicle provided detailed justification is made in the employee’s file. Such justification could include, but is not limited to, specific medical requirements when supported by a doctor’s recommendation.

Any rental vehicle not covered in the State Motor Pool Rental Contract should be bid in accordance with proper purchasing rules and regulations.

f. **Personal Rental.** Personal use of a rental vehicle during a rental for official state business is not allowed.

g. **Gasoline (Receipts Required).** Reimbursements require a receipt for regular unleaded gasoline, or diesel when applicable. This applies for both state owned vehicles and rental vehicles, as mid-grade, super, plus or premium gasoline is typically not necessary. An employee should purchase gasoline with the State’s Fuel Card or other credit card at reasonable cost from a local gasoline station prior to returning the rental. Pre-paid Fuel Options are only to be allowed with prior approval from the Department Head, when the traveler can document that the pre-purchased amount was necessary and that the amount charged by the rental company is reasonable in relation to local gasoline cost.

h. **Insurance for Vehicle Rentals Within the 50 United States:** Insurance billed by car rental companies is not reimbursable. All insurance coverage for rental vehicles, other than Enterprise’s Rent-A-Car’s State Motor Pool Rental Contract, is provided by the Office of Risk Management. Should a collision occur while on official state business, the accident should immediately be reported to the Office of Risk Management, and rental company.

Any damage involving a third party must be reported to appropriate law enforcement entity to have a police report generated.

CDW/ Damage Waiver Insurance and \$1 Million Liability Protection Coverage is included in the State Motor Pool Rental Contract price through Enterprise Rent-A-Car. **NO OTHER INSURANCE WILL BE REIMBURSED WHEN RENTING, EXCEPT WHEN RENTING OUTSIDE THE 50 UNITED STATES, SEE SECTION 1504.C.3.i** There should be no other charges added to the base price, unless the traveler reserves the vehicle at an airport location (which is NOT recommended for daily routine travel). Reimbursable amounts would then be submitted at the end of the trip on a travel expense form.

i. **Insurance for Vehicles Rentals Outside the 50 United States (Receipts Required)** The Office of Risk Management (ORM) recommends that the appropriate insurance (liability and physical damage) provided through the car rental company be purchased when the traveler is renting a vehicle outside the 50 United States. With the approval of the department head required insurance costs may be reimbursed for travel outside the 50 United States only.

1. The following are insurance packages available by rental vehicle companies which are reimbursable:

a.) Collision Damage Waiver (CDW) – should a collision occur while on official state business, the cost of the deductible should be paid by the traveler and a reimbursement claimed on a travel expense voucher. The accident should also be reported to the Office of Risk Management.

b.) Loss Damage Waiver (LDW)

c.) Auto tow Protection (ATP) *approval of Department Head

d.) Supplementary Liability Insurance (SLI) * if required by the rental company.

e.) Theft and/or Super Theft Protection (coverage of contents lost during a theft or fire), *if required by the car rental company

f.) Vehicle coverage for attempted theft or partial damage due to fire, *if required by the car rental company

2. The following are some of the insurance packages available by rental vehicle companies that **are not reimbursable**:

a.) Personal Accident Insurance (PAC)

b.) Emergency Sickness Protection (ESP)

j. **Navigation Equipment (GPS System)**, rented not purchased, may only be reimbursed if an employee justifies the need for such equipment and with prior approval of the Department Head or his designee.

D. Public Ground Transportation

The cost of public ground transportation such as buses, subways, airport shuttle/limousines, and taxis are reimbursable when the expenses are incurred as part of approved state travel. Airport Shuttle/limousines and taxi reimbursements, including tip, requires a receipt to account for total daily amount claimed. A driver's tip for shuttles/limousines and taxis may be given and must not exceed 15% of total charge. Amount of tip must be included on receipt received from driver/company. All other forms of public ground transportation are limited to \$15 per day without a receipt, claims in excess of \$15 per day requires a receipt. At the agency's discretion, the department head may implement an agency wide policy requiring receipts all public transportation requests less than \$15 per day.

S1505 State Issued Travel Credit Cards / CBA Accounts

A. Use. The State Travel Office contracts for an official state corporate travel card to form one source of payment for travel. If a supervisor recommends an employee be issued a state travel card, the employee should complete an application through their agency travel program administrator.

1. An employee's corporate travel card or agency CBA (Controlled Billed Accounts) **must be used to purchase contract airfare. This is a mandatory requirement by the airlines in order to continue to receive discounted, non-penalty state contract airline tickets.**

2. An employee's corporate travel card may also be used to purchase lowest logical airfare tickets and other travel related expenses such as food and lodging, but it is not mandatory.

3. The employee's corporate travel card is for **official state travel business purposes only**. Personal use on the state travel card may result in disciplinary action.

B. Liability

1. The corporate travel card is the liability of the employee and not the State. **Each monthly statement balance is due in full to the card-issuing bank.** Travel card accounts that become delinquent are subject to being suspended or revoked. Those accounts will not be reinstated. The State will have no tolerance to assist those employees who abuse their travel card privileges. Employees with delinquent payment may have their travel privileges revoked and/or subject to other disciplinary action.

2. The Department/Agency is responsible for cancellation of Corporate Travel Cards for

those employees terminating/retiring state service.

3. The Department/Agency's Travel Program Administrator is responsible for completing a Maintenance Form to transfer an employee from one state agency to another. The employee may keep the same account number, but the agency change must be reported to the bank.

S1506 Lodging and Meals

A. Eligibility

1. Official Domicile/Temporary Assignment - Travelers are eligible to receive reimbursement for travel only when away from "official domicile" or on temporary assignment unless exception is granted in accordance with these regulations. Temporary assignment will be deemed to have ceased after a period of thirty-one calendar days, and after such period the place of assignment shall be deemed to be his/her official domicile. He/she shall not be allowed travel and subsistence unless permission to extend the thirty-one day period has been previously secured from the Commissioner of Administration.

2. Extended Stays – For travel assignments approved by the Commissioner of Administration involving duty for extended periods (31 or more consecutive days) at a fixed location, the reimbursement rates indicated should be adjusted downward whenever possible. Claims for meals and lodging may be reported on a per diem basis supported by lodging receipt. Care should be exercised to prevent allowing rates in excess of those required to meet the necessary authorized subsistence expenses. It is the responsibility of each agency head to authorize only such travel allowances as are justified by the circumstances affecting the travel.

3. Single Day Travel: Meals are not eligible for reimbursements on single day travel. This means that when an authorized traveler of the State is in travel status where no overnight stay is required, no meals are eligible for reimbursement. Each Department Head or their designees are to determine the reasonableness of when an overnight stay is justified.

However, the Department Head will be allowed to authorize Single Day Meal reimbursements on a case-by-case basis or by type(s) of single day travel when it is determined to be in the best interest of the department. In those cases the department must keep the approvals in the travel file and **must be responsible** to take appropriate steps to report the reimbursement as wages to the employee.

If a Department Head or his/her designee determines that Single Day Meals will be provided for, they must follow the following allowances:

To receive any meal reimbursement on single day travel, an employee must be in travel status for a minimum of 12 hours.

The maximum allowance for meal reimbursement for single day travel will be \$30.00

a. **Breakfast & Lunch:** (\$20.00) The 12 hours travel duration must begin at or before 6a.m.

b. **Lunch:** (\$12.00) Requires 12 hours duration in travel status.

c. **Lunch & Dinner:** (\$30.00) The 12 hour travel duration must end at or after 8 p.m.

4. Travel with Over Night Stay: Travelers may be reimbursed for meals according to the following schedule.

a. **Breakfast:** When travel begins at/or before 6 a.m. on the first day of travel or extends beyond 9 a.m. on the last day of travel, and for any intervening days.

b. **Lunch:** When travel begins at/or before 10 a.m. on the first day of travel or extends beyond 2 p.m. on the last day of travel, and for any intervening days.

c. **Dinner:** When travel begins at/or before 4 p.m. on the first day of travel or extends beyond 8p.m. on the last day of travel, and for any intervening days.

5. Alcohol - reimbursement for alcohol is prohibited.

B. Exceptions

1. **Routine Lodging Overage Allowances** – (Receipts required) Department Head or his/her designee has the authority to approve actual costs for routine lodging provisions on a case by case basis, not to exceed **fifty percent** over PPM49 current listed rates. Justification must be maintained in the file to show that attempts were made with hotels in the area to receive the state/best rate. In areas where the Governor has declared an emergency, a Department Head or his/her designee will have the authority to approve actual routine lodging provisions on a case by case basis not to exceed **seventy-five percent** over PPM-49 current listed rates.

Each case must be fully documented as to necessity (e.g. proximity to meeting place) and cost effectiveness of alternative options. Documentation must be readily available in department's travel reimbursement files.

2. **Actual Expenses for State Officers** – (Itemized receipts or other supporting documents are required for each item claimed). State officers and others so authorized by statute (See Definition under State Officer) or individual exception will be reimbursed on an actual expense basis, for meals and lodging except in cases where other provisions for reimbursement have been made by statute. Request shall not be extravagant and will be reasonable in relation to the purpose of travel. State officers entitled to actual expense reimbursements are only exempt from meals and lodging rates; they are subject to the time frames and all other requirements as listed in the travel regulations.

C. Meals and Lodging Allowances

1. **Meal Allowance - Includes Tax and Tips.** Receipts are not required for routine meals within these allowances. Number of meals claimed must be shown on travel voucher. For meal rates, the inclusion of suburbs (see definition of suburb) shall be determined by the department head on a case-by-case basis. See tier pricing below. Partial meals such as continental breakfast or airline meals are not considered meals. If meals of state officials on actual exceed these allowances, receipts are required. See Section 1506.B.2

2. **Routine Lodging Allowance –Employees will be reimbursed lodging rate, plus tax and any mandatory surcharge. (Receipts are required)** For lodging rates, the inclusion of suburbs (see definition of Suburb) shall be determined by the department head on a case-by-case basis. When two or more employees on official state business share a lodging room, the State will reimburse the actual cost of the room; subject to a maximum amount allowed for an individual traveler times the number of employees .

Department head approval must be provided to allow lodging expenses to be direct billed to an agency.

3. **Conference Lodging Allowance - Employees will be reimbursed lodging rate, plus tax and any mandatory surcharge. (Receipts are required)** Department Head or his/her designee has the authority to approve the actual cost of conference lodging, for a single occupancy standard room, when the traveler is staying at the designated conference hotel. If there are multiple designated conference hotels, the lowest designated conference hotel should be utilized, if available. In the event the designated conference hotel (s) have no room availability, a Department Head may approve to pay actual hotel cost not to exceed the conference lodging rates for other hotels located near the conference hotel. This allowance does not include Agency Hosted Conference Lodging Allowances; See Section 1510 for these allowances.

4. No reimbursements are allowed for functions not relating to a conference, i.e. tours, dances, golf tournaments, etc.

**IN-STATE HOTEL AND MOTEL DIRECTORY
2010-2011**

LOCATED ON OUR WEBSITE AT

www.doa.louisiana.gov/osp/travel/hotels.htm

The In-State Hotel and Motel Directory is no longer part of our Travel Guide, it is now located on our website listed above. The decision was made to only list the directory on our website to ensure that we always have current information as well as the ability to add/delete properties throughout the year.

Please note that the State Travel Office does not enter into contracts with any hotel properties.

PPM 49 does not mandate specific hotel properties where a traveler must stay. PPM 49 only states the maximum dollar allowance a traveler can be reimbursed for lodging.

The directory references a number of hotels that will offer a limited number of rooms at state rates. However, since there is no contractual agreement, these hotels do not guarantee their rate for last room availability. If the hotel property has a large occupancy for your date of travel, then your chance of obtaining a state rate decreases.

The important thing to note when making travel arrangements is to seek hotel reservations as early as possible. That will increase the opportunities to find a rate at or below state contract. Be sure and write down the reservation number as well as their cancellation policy. If travel plans have to be changed or cancelled, then you must cancel your reservation within the allowable time frame.

PLEASE SEE TIPS FOR MAKING HOTEL RESERVATIONS AND CHECKING INTO HOTELS ON THE FOLLOWING PAGE.

Use These Tips When Making Hotel Reservations And Checking Into Hotels.

- **When making reservations at a hotel please ask for a State Government Rate.**
- **Make sure you know the cancellation policy. If you do not cancel a reservation you may be charged the first night's stay.**
- **Ask for the best rate available. In some cases a local promotion may be less than your booked rate. Often a hotel will release a block of rooms being held for a meeting or convention at the last minute and a lower rate will be available.**
- **Be sure you know what your booked rate includes (breakfast, free local phone calls, etc.) to make sure you are getting the best rate.**
- **Guaranteed reservations with a credit card means that the hotel will hold the room until you arrive, no matter what time. It also means that if you don't cancel according to the hotel's policy, you will be charged for one night's stay.**
- **The minimum time allowed for cancellation is shown on your itinerary; the time marked is the time at the hotel's city not yours. For your convenience, the hotel address and phone number are provided on your itinerary if the hotel is booked through the travel agency.**
- **Confirmation numbers are proof of reservation. Provide this number to the front desk clerk.**
- **Don't forget to bring a tax exempt form to avoid paying sales tax.**
- **Please review and initial your room rate prior to your check in.**

1. AIRFARE INSTRUCTIONS:

USE OF THE STATE CONTRACTED TRAVEL AGENCY - SHORT'S TRAVEL MANAGEMENT IS MANDATORY FOR ALL AIRFARES!!

NOTE: HOWEVER, WHEN USING SHORT'S TRAVEL MANAGEMENT - YOU HAVE OPTIONS FOR THE TYPE OF AIRFARE TICKET PURCHASED.

This office strongly encourages use of lowest logical airfares, NOT state contract fares. You should ask the contracted travel agency to check for the lowest logical rates based on your personal needs as well as ask if there are other refundable airfares available.

The State always supports purchasing the "**best value**" ticket. Therefore, once all rates are received, the traveler must compare cost and options to determine which fare would be the "**best value**" for their trip. To make this determination, the traveler must ask the question: Is there a likely-hood my itinerary could change or be cancelled? Depending on the response, you must determine if the costs associated with changing a non-refundable ticket (usually around \$150) would still be the best value.

Another factor to assist having the state's contracted travel agent search the lowest fare is being able to advise the agent if you are flexible in either your dates or time of travel. By informing the contracted travel agent of your "window of time" for your departure and return will assist them to search for the best price. Travelers are to seek airfares allowing an ample amount of lead time prior to departure date. The lead-time should be at least (14) fourteen days in advance of travel dates to ensure the lowest fares are available. Generally, the earlier a ticket is purchased, provides for lower airfares.

2. THE TRANSACTION FEE FOR FISCAL YEAR 2010-2011 WILL BE \$24.00, WHICH IS NOT REFUNDABLE.

3. REMEMBER: A ticket is not purchased until you confirm your reservation with a credit card! Until payment is confirmed with our travel agency, there will not be an electronic ticket issued at the airport. **Please Note:** When you ask the travel agent to hold a specific flight that means the seat is being held, not the price of the ticket, the price can change at any time.

Many travelers contact the travel agency to inquire about travel arrangements. If you select specific flights and dates (an itinerary) and ask the travel agent to hold that itinerary, a ticket is still not purchased. You must give specific instructions to purchase the ticket and receive a receipt which contains a ticket number to confirm that a ticket has been issued in your name.

Before purchasing an airline ticket, please confirm that your itinerary is correct, make sure that the spelling of your name on the itinerary/ticket is the same as on your driver's license and passport, check dates, times, fares, services, etc.

IF THE STATE'S CONTRACTED TRAVEL AGENT DOES NOT OFFER YOU OPTIONS ----- ASK!

STATE OF LOUISIANA CONTRACT AIRFARES 2010-2011

Remember, while use of the contract travel agency is mandatory; purchase of state contract airfares is not mandatory.

Contract airfares continue to increase significantly in cost and in many cases will not offer the best value for the State. This office strongly encourages use of lowest logical airfares, **NOT** state contract fares. You should ask the state's contracted travel agency to check for the lowest logical rates based on your personal needs.

Once all rates are received, the traveler must compare cost and options to determine which fare would be the best value for his/her trip. To determine the best value, the traveler must ask the question: Is there a likelihood my itinerary could change or be cancelled? Depending on the response, he must determine if the costs associated with changing a non-refundable ticket (usually around \$150) would still be the best value. Also, in order for the travel agent to search the lowest fares, the traveler should always advise the agent if he is flexible in either dates and/or times of travel. Again, this will help ensure the best value for your trip.

Remember, PPM49, Section 1504 B 2 (d) states The policy regarding airfare penalties is that the State will pay for the airfare and/or penalty incurred for a change in plans or cancellation when the change or cancellation is required by the State or other unavoidable situations approved by the agency's department head.

Based on the above, this office has chosen not to post State Contract Airfares. The travel agents, however, will have the state contract rates to assist the traveler in making the best value decision. For situations which call for state contract rate comparisons for reimbursements, the traveler should use lowest logical rate.
