OFFICE OF STATE UNIFORM PAYROLL MEMORANDUM #2006-29

TO: All ISIS HR Paid Agencies

FROM: Jena W. Cary  
Director

SUBJECT: New Wage Types for Student Tuition and Revenue Trust (START)

Wage types are established in ISIS HR with settings that determine how deductions are processed, such as if the deduction will go into arrears or if retroactivity will be allowed. Due to changes in wage type processing, new wage types for START must be assigned in order to modify the settings.

The attached wage types for START are scheduled to be moved into production on Tuesday night, November 22, 2005, with the following new settings: deduct all or nothing and the wage type is not retro relevant. The old wage types will **automatically** be delimited with an end date of November 20, 2005 and will **automatically** be converted to the new wage types with an effective date of November 21, 2005. ***There is no action required by the agency to convert the old wage types.*** The new wage types must be used for setting up any new deductions starting with pay period 25 2005.

**NOTE:** Any new deductions for START being set up for pay period 25 2005 must not be entered prior to **Wednesday, November 23, 2005.**
