OFFICE OF STATE UNIFORM PAYROLL MEMORANDUM #2007-04

TO: All ISIS HR Agencies

FROM: Jena W. Cary
Director

SUBJECT: National Payroll Week - September 4 – 8, 2006

The American Payroll Association (APA) has designated September 4-8, 2006 as National Payroll Week. Governor Blanco has issued a proclamation recognizing the dedicated work of payroll professionals/employee administrators throughout the State of Louisiana.

The combined efforts of each agency and individual payroll professionals/employee administrators are recognized with appreciation and gratitude. Thanks to you, millions of dollars annually have continued to be properly collected and remitted to employees, credit unions, health and life insurances, deferred investments, and to our state and federal governments. This year's theme for National Payroll Week is "America Works Because We're Working for America". Join in the celebration with pride to know that you have contributed to your agency's financial success, as well as assisted in the contribution of your employees' wages to various financial institutions.

Visit the website located at <http://www.nationalpayrollweek.com> for more information on National Payroll Week. The proclamation is attached and can be viewed on the Governor's website around the first of September at: <http://gov.louisiana.gov/index.cfm?md=newsroom&tmp=archive&navID=23&catID=31&startIndex=1&numPerPage=25>.

Thanks again for all of your support over the past year and have a wonderful week.
