OFFICE OF STATE UNIFORM PAYROLL MEMORANDUM #2008-02

TO: All ISIS HR Paid Agencies

FROM: Jena W. Cary
Director

SUBJECT: Teacher's Retirement Return to Work Input File for 2006-2007

According to the TRSL Employer Procedures Manual, Index 15, Page 2, Item 1 states: "Employers must report to TRSL by August 15 all earnings of all persons paid in the prior fiscal year, including retirees and disability retirees, even if those earnings are for part-time, substitute, temporary, or contract employment." Item 2 states: "In order to help employers report all retirees who return to work, TRSL requests that each employer submit a file on diskette or via the internet. The file should include all employees paid by that employer, whether on salary or by single payment."

Agencies should run the Employee YTD Wage Type Results Report (ZF73) to gather the data needed for the TRSL reporting requirement. Selection criteria should include:

Date Parameter: As of other date: "06/30/2007"
Fiscal YTD (not the default, Calendar YTD)
Selection Criteria: Personnel Area
Wage Type /101
Status Criteria: All Employees

ZF73 will display the fiscal year-to-date gross earnings for **all** employees within the agency selected. Add Social Security Number to the report layout and export the information into Excel. Format the spreadsheet based on TRSL requirements available in their procedures manual at <http://trsl.org/ezedit/pdfs/ndx182.pdf> (Index 18.2, page 8). Agencies should also follow TRSL requirements for adding other payments made to retirees (e.g. paid by agency through AFS).

Refer to TRSL Memo dated June 29, 2007 and Louisiana Revised statute 11:710(C) for further details on reporting requirements in order to comply with TRSL's reporting requirements.
