This Cooperative Endeavor Agreement (“Agreement”) is entered into by and between the WASHINGTON PARISH GOVERNMENT (“Grantee”), and the STATE OF LOUISIANA, DIVISION OF ADMINISTRATION, OFFICE OF COMMUNITY DEVELOPMENT (“OCD”), each represented herein by their undersigned authorized representatives. Grantee and the OCD may sometimes hereinafter be collectively referred to as the “Parties” and individually as a “Party.”

PREAMBLES

WHEREAS, Article VII, Section 14(c) of the Constitution of the State of Louisiana provides, “For a public purpose, the State and its political subdivisions or political corporations may engage in cooperative endeavors with each other, with the United States or its agencies, or with any public or private association, corporation, or individual”; and

WHEREAS, in the aftermath of Hurricane Isaac, the United States Congress, through Public Law 113-2 and 78 FR 103, appropriated funds to the U.S. Department of Housing and Urban Development (“HUD”) Community Development Block Grant (“CDBG”) Program for use through the State of Louisiana for disaster recovery; and

WHEREAS, the OCD, on behalf of the State of Louisiana (the “State”), administers the State’s CDBG disaster recovery program (the “CDBG Disaster Recovery Program”), which is subject to the Federal statutes and regulations governing CDBG grants, as modified by exceptions and waivers previously granted and which may hereinafter be granted by HUD; and

WHEREAS, pursuant to LA R.S. 29:726 F, Grantee is the unit of local government of the State of Louisiana responsible for the rebuilding and recovery of Washington Parish (the “Parish”). Recovery and rebuilding efforts of Grantee involve efforts to address damage caused by Hurricane Isaac; and

WHEREAS, on January 2, 2014, HUD approved Louisiana's Partial Action Plan No. 1 for the Utilization of CDBG Funds in Response to Hurricane Isaac, ("the Action Plan"). Partial Action Plan No. 1 obligates funds for the Parish Recovery Projects Program. Partial Actions Plans will be submitted by the State to HUD detailing request(s) for further program funding; and

WHEREAS, Grantee has applied for assistance from the CDBG Disaster Recovery Program (CDBG-DR) through the Hurricane Isaac Parish Recovery Projects Program for recovery assistance from damage suffered by the Parish as the result of Hurricane Isaac; and

WHEREAS, the public purpose to be derived from this Agreement is the expeditious and effective recovery of the State as a part of the CDBG Disaster Recovery Program through the Hurricane Isaac Parish Recovery Projects Program; and

WHEREAS, the actions of the OCD and Grantee will result in a public benefit described in detail in this Agreement not disproportionate to the consideration in this Agreement.

NOW, THEREFORE, in consideration of the promises and the mutual representations, warranties, and covenants herein contained, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

I. SCOPE OF AGREEMENT

A. Grant Award

Subject to the terms and conditions of this Agreement, the OCD, as administrator of the CDBG Disaster Recovery Program, shall make available to Grantee disaster recovery funds up to the maximum amount of two hundred thousand and 00/100 dollars (\$200,000.00) (the "Grant Funds") for the purpose of funding Grantee's activities under the Hurricane Isaac Parish Recovery Projects Program (the "Program").

B. Implementation of Agreement

Grantee's rights and obligations under this Agreement are as a grant recipient as set forth in 24 CFR 570.501. Grantee is responsible for complying with said regulations and for implementing the Program in a manner satisfactory to the OCD and HUD and consistent with any applicable guidelines and standards that may be required as a condition of the OCD's providing the funds, including but not limited to all applicable CDBG Program Administration and Compliance requirements set forth by this Agreement and the Statement of Assurances and Certifications (attached hereto as Appendix A) executed by Grantee and made a part hereof. The OCD's providing of Grant Funds under this Agreement is

specifically conditioned on Grantee's compliance with this provision and all program and CDBG regulations, guidelines and standards.

C. Goals and Objectives

The activities of the Program are expected to assist Grantee in the execution of the Hurricane Isaac Parish Recovery Projects Program within the State, which is designed to provide recovery assistance to the parish.

D. Statement of Work

1. The Program

Grantee shall also submit to the OCD for approval an application for the Parish Recovery Projects Program (individually a "Project Application"). Grantee shall comply with the application process requirements, as determined by the OCD, for submission of Project Applications. The Project Application shall include a final budget and a project schedule for the individual project. Project Applications must comply with program guidelines and all requirements of the Hurricane Isaac Parish Recovery Projects Program as set forth in the Action Plan and all current, pending, and future applicable Action Plan Amendment(s) and Partial Action Plan(s) (available at the following website address: <http://www.doa.louisiana.gov/cdbg/DRactionplans.htm>). The OCD shall, at its sole discretion, make Project Application approval determinations pursuant to current OCD program guidelines, HUD guidelines and regulations, and other applicable state and federal laws and regulations. If a Project Application is approved by the OCD, the OCD shall provide written notice of approval.

Upon approval by the OCD of Project Applications, the resulting award shall be implemented through this Agreement and subject to the terms and conditions thereof. The project schedule and budget accepted in writing by the OCD for each project and/or activity shall be final and may be changed only with written consent of the OCD. Compliance and cooperation by Grantee with the monitoring plan for all projects and/or activities as required by the OCD shall be deemed a requirement of this Agreement.

Grantee shall apply for, through a process to be determined by the OCD, payment of Eligible Expenses, as described below, relating to administrative and planning expenses of this Agreement.

2. The Budget

The Budget is attached hereto as Exhibit 1 and is incorporated herein in its entirety.

3. Eligible Expenses

Grantee shall receive and use Grant Funds for Eligible Expenses, as defined herein. "Eligible Expenses" for Grant Funds under this Agreement include those applied to eligible activities, as defined in the current, pending and future applicable Action Plan and Action Plan Amendment(s) (refer to <http://www.doa.louisiana.gov/cdbg/DRactionplans.htm>), that are recovery-related, and are otherwise in furtherance of the intent of this Agreement and the goals and objectives as set forth herein, when approved by the OCD in accordance with eligibility rules under CDBG guidelines and subject to limitations established by the OCD.

4. Procedures to Detect and Prevent Fraud, Abuse and Mismanagement

In order to minimize fraud, waste, and abuse in CDBG-Disaster Recovery (CDBG-DR) programs, Grantee is required to demonstrate that it has procedures and/or systems in place to identify and report potential fraud, waste, and abuse in their CDBG-DR program(s) prior to the release of funds. If suspected fraud is identified, Grantee is required to immediately report the information to the OCD Executive Director. Grantee shall comply with monitoring requirements of the OCD designed to identify any fraud, waste, abuse or mismanagement.

5. Citizen Participation Requirements

Grantee shall comply with all HUD and OCD citizen participation requirements and the citizen participation requirements set forth in the Action Plan and all current, pending and future applicable Action Plan Amendment(s) (refer to <http://www.doa.louisiana.gov/cdbg/DRactionplans.htm>).

6. Building Code Standards

Grantee shall adopt and/or implement the statewide building code standards in accordance with Act 12 of the 2005 1st Extraordinary Session of the Louisiana Legislature including any later revisions to the relevant statutes.

7. Mitigation Plan

Grantee is responsible for ensuring that the Program and all projects implemented therein considers and/or proposes a mitigation plan to minimize damage in the event of future floods and/or hurricanes.

8. Assurances

Grantee shall be responsible for implementing the recovery activities in compliance with all state and federal laws and regulations. It shall be Grantee's responsibility to require that all of its contractors, and all tiers of their

subcontractors, adhere to all applicable state and federal laws and regulations, and to conduct all necessary monitoring for such compliance. As to laws and regulations which apply to the use of CDBG funds, Grantee has prior to the execution of this Agreement executed the Statement of Assurances and Certifications, attached hereto and incorporated herein as Appendix A, reflecting compliance with those listed laws and regulations, which shall be deemed to be requirements of this Agreement. As to any other laws and regulations which may apply to construction projects, Grantee is responsible for determining the applicable laws and regulations and ensuring compliance therewith.

As between the Parties to this Agreement, Grantee, as the administrator of the recovery efforts of the Parish, bears sole responsibility for implementing such recovery efforts.

Grantee shall be responsible for implementation of infrastructure improvements in compliance with any applicable federal and state procurement and bid laws and regulations and in adherence with the Louisiana Public Works Act.

9. Cooperation with HUD and the OCD

Grantee hereby binds itself, certifies, and assures that it will comply with all federal, state, and local regulations, policies, guidelines and requirements, as they relate to the application, acceptance and use of state and federal funds. The Parties expressly acknowledge that the matters which are the subject of this Agreement are under the CDBG Disaster Recovery Program administered by HUD, which by its emergency nature is subject to ongoing modification and clarifications. The OCD's obligations under this Agreement are subject to compliance with applicable statutes and regulations of the CDBG program, as modified by exceptions and waivers previously granted and which may hereinafter be granted by HUD. Grantee agrees that in connection with its rights and obligations under the Agreement, it shall cooperate with HUD and the OCD regarding the administration and audit of the Program, including compliance with various operating and reporting procedures which may hereinafter be promulgated by the OCD and/or HUD.

In the event costs are disallowed by any monitoring, audit or oversight of either the State or Federal Government, including the U.S. Department of Housing & Urban Development, the Inspector General of the United States, the Louisiana Legislative Auditor, the Louisiana Inspector General, or any other duly authorized party, the Grantee shall be responsible for remitting these funds to the OCD. Failure to complete the Program described in the Statement of Work may constitute a basis for disallowance of costs.

E. Contract Monitor/Performance Measures

The contract monitor for the OCD on this Agreement shall be the Executive Director of the OCD, or designee. The performance measures for this Agreement shall include the successful performance and completion of Agency's obligations as provided in this Agreement and any attachments. Agency shall submit to the OCD, on a schedule and dates to be provided by the OCD, but no less than every six months, a report of project progress and beneficiary data in a format to be provided by the OCD. Reporting requirements may require Agency to obtain data from third parties (i.e. persons that receive grant funds or other beneficiaries of the program(s) funded under this Agreement, tenants/operators/users of facilities or equipment acquired or improved with funds provided under this Agreement). It shall be the Agency's obligation to implement any contractual arrangements it may need for use of, and access to, such data.

F. Duplication of Benefits

In the event that alternate sources are or become available to Grantee for funding which the OCD is providing under this Agreement, including but not limited to insurance proceeds, FEMA funding of costs covered under this Agreement, or other sources, Grantee agrees to pursue recovery and/or funding through such sources with due diligence and, to the extent of recovery of such alternate sources, reimburse the OCD for the funding under this Agreement.

If funding from alternate sources becomes available to Grantee which the OCD agrees applies to both Eligible Expenses and expenses that are not eligible under this Agreement, Grantee may apply such funds first, to expenses that are not eligible under this Agreement, and second, to Eligible Expenses that are in excess of amounts paid under this Agreement.

II. PAYMENT PROCESS

- A.** Grantee shall submit draw requests for payment of Eligible Expenses payable under this Agreement to the Executive Director of the OCD, or designee, for approval. Draw requests shall reference which action plan or partial action plan from which funds are being requested.

Following review and approval of the draw requests by the Executive Director of the OCD, or designee, approved draw requests shall be submitted to the OCD Finance Manager, or designee, for approval of payment. Draw requests not approved by the Executive Director of the OCD or the OCD Finance Manager, or their respective designees, shall not be paid, but returned to Grantee for further processing.

- B.** Upon approval of payment by the OCD as provided for above, payment of Eligible Expenses shall be provided to Grantee via electronic funds transfer.

- C. Grant Funds shall not be drawn in advance. No indirect costs will be reimbursed.
- D. Eligible travel costs shall be reimbursed in accordance with PPM49 if provided for in the Budget.
- F. In the event of non-compliance with this Agreement, the OCD may withhold payment to the Grantee until the OCD deems the Grantee has brought the Program within compliance. Noncompliance on one individual project funded under this Agreement may serve as a basis to withhold payment on funds for other projects funded under this Agreement.

III. TERM OF AGREEMENT; TERMINATION OR SUSPENSION OF AGREEMENT

A. Term of Agreement

The term of this Agreement, subject to all requisite consents and approvals as provided herein, shall commence on May 29, 2013 and terminate on the earlier of March 31, 2020 or the completion of all requirements under this Agreement in accordance with, and subject to, the terms and conditions of this Agreement.

It is expressly understood that projects or services commenced and/or completed prior to the execution of this Agreement are eligible for funding if allowed under the terms of this Agreement and applicable HUD regulations and guidelines.

B. Termination/Suspension for Cause

The OCD may, after giving reasonable written notice specifying the effective date, suspend or terminate this Agreement in whole or in part if the Grantee materially fails to comply with any term of this Agreement, which shall include, but not be limited, to the following:

1. Failure to comply with any of the rules, regulations or provisions referred to herein, or such statutes, regulations, executive orders, and HUD guidelines, policies or directives as may be applicable at any time;
2. Failure, for any reason, of Grantee to fulfill in a timely and proper manner the obligations under this Agreement;
3. Submission by Grantee of reports to the OCD, HUD, or either of their auditors, reports that are incorrect or incomplete in any material respect, provided Grantee is given notice of said failure and fails to correct the same within a reasonable amount of time; or

4. Ineffective or improper use of funds as provided for under this Agreement.

If, through any cause, Grantee shall otherwise fail to fulfill in a timely and proper manner, its obligations under this Agreement, or if Grantee shall violate any of the covenants, agreements, or stipulations of this Agreement, the OCD shall thereupon have the right to terminate this Agreement by giving written notice to Grantee of such termination and specifying the effective date thereof, at least thirty (30) days prior to the effective date of said termination.

C. Termination for Convenience

The OCD may terminate the Agreement in whole or in part at any time by giving at least thirty (30) days prior written notice to Grantee. Grantee shall be entitled to payment on requests submitted up to the date of termination contained within the notice, to the extent that requests represent eligible activities satisfactorily completed and otherwise reimbursable under the terms of this Agreement.

D. Termination Due to Unavailable Funding

The continuation of this Agreement is contingent upon the appropriation and release of sufficient funds to the OCD to fulfill the requirements of this Agreement. Failure of the appropriate authorities to approve and provide an adequate budget to the OCD for fulfillment of the Agreement terms shall constitute reason for termination of the Agreement by either Party. Grantee shall be paid for all authorized services properly performed prior to termination.

IV. ADMINISTRATIVE REQUIREMENTS

A. General Administrative Requirements

If Grantee is a state, local or federally recognized Indian tribal government, Grantee shall comply with 24 CFR Part 85, "Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments," as modified by 24 CFR 570.502(a). If Grantee is an institution of higher education, a hospital or a non-profit organization, Grantee shall comply with 24 CFR Part 84, "Uniform Administrative Requirements for Grants and Agreements With Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations," as modified by 24 CFR 570.502(b), as appropriate.

B. Financial Management

If Grantee is a state, local or federally recognized Indian tribal government, Grantee shall comply with 24 CFR 85.20. If Grantee is an institution of higher education, a hospital or a non-profit organization, Grantee shall comply with 24

Grantee shall maintain all records required by 24 CFR 570.506, that are pertinent to the activities to be funded under this Agreement. Such records shall include but are not limited to:

- a. Records providing a full description of each activity taken;
- b. Records demonstrating that each activity undertaken meets one of the National Objectives of the CDBG program;
- c. Records required to determine the eligibility of services;

- h. Other records necessary to document compliance with Subpart K of 24 CFR Part 570, regarding environmental requirements.

2. Retention of Records

Grantee shall retain all financial records, supporting documents, statistical records, and all other records pertinent to the Agreement for a period of five (5) years after closeout of this Agreement.

3. Access to Records

The OCD, the Division of Administration (“DOA”), the State Legislative Auditor, HUD, the Comptroller General of the United States, and any of their duly authorized representatives or agents, shall have access to any books, documents, papers and records of Grantee which are directly pertinent to this Agreement for the purpose of audits, examinations, and making excerpts and transcriptions.

Grantee shall provide citizens with reasonable access to records regarding the past use of CDBG funds, consistent with applicable state and local laws regarding privacy and obligations of confidentiality.

4. Close-outs

Grantee’s obligation under this Agreement shall not end until all close-out requirements as set forth in 24 CFR 570.509 are completed. The terms of this Agreement shall remain in effect during any period that Grantee has control over CDBG funds, including program income.

5. Audits & Inspections

It is hereby agreed that the OCD, the DOA, the Legislative Auditor of the State of Louisiana, HUD, Office of Inspector General, HUD monitors, and auditors contracted by any of them shall have the option of auditing all records and accounts of Grantee and/or its contractors and sub-recipients that relate to this Agreement at any time during normal business hours, as often as deemed necessary, to audit, examine, and make excerpts or transcripts of all relevant data upon providing Grantee, contractor or sub-recipient, as appropriate, with reasonable advance notice. Grantee and its contractors and sub-recipients shall comply with all relevant provisions of state law pertaining to audit requirements, including LA R.S. § 24:513 et seq. Any deficiencies noted in audit reports must be fully cleared within thirty (30) days after receipt by Grantee, contractor and/or sub-recipient, as appropriate.

Failure of Grantee and/or its contractors and sub-recipients to comply with the above audit requirements will constitute a violation of this Agreement and may, at the OCD’s option, result in the withholding of future payments and/or return of funds paid under this Agreement. Grantee and its contractors hereby agree to have an annual audit conducted in accordance with current State policy concerning Grantee and its contractor’s audits, OMB Circulars A-133 and A-128, and 24 CFR 85.26.

A quasi public agency or body as defined in LA R.S. 24:513A(1)(b) shall comply with the provisions of LA R.S. 24:513.H(2)(a) by designating an individual who shall be responsible for filing annual financial reports with the legislative auditor

and shall notify the legislative auditor of the name and address of the person so designated.

D. Procurement

If Grantee is a state, local or federally recognized Indian tribal government, Grantee shall comply with the current OCD policy and the requirements of 24 CFR 85.36 and Public Law 110-329 regarding procurement. If Grantee is an institution of higher education, a hospital or a non-profit organization, Grantee shall comply with 24 CFR 84.40 – 84.48 regarding procurement. This requirement is in addition to whatever state and local laws may apply to procurement by the Grantee.

V. HUD/CDBG COMPLIANCE PROVISIONS

A. General Compliance

Grantee agrees to comply with the requirements of Title 24 of the Code of Federal Regulations, Part 570 (the U.S. Housing and Urban Development regulations concerning Community Development Block Grants (CDBG)) including subpart K of these regulations, except that (1) Grantee does not assume the OCD's environmental responsibilities described in 24 CFR 570.604 and (2) Grantee does not assume the OCD's responsibility for initiating the review process under the provisions of 24 CFR Part 52. Grantee also agrees to comply with all other applicable Federal, state and local laws, regulations and policies governing the funds available under this Agreement to supplement rather than supplant funds otherwise available.

Grantee shall comply with and shall be responsible for insuring compliance of all of its construction contracts with any applicable mandatory contract language, including but not limited to:

1. Compliance with the Copeland "Anti-Kickback" Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR part 3);
2. Compliance with the Davis-Bacon Act (40 U.S.C. 276a to 276a-7) as supplemented by Department of Labor regulations (29 CFR part 5);
3. Compliance with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857 (h)), section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR part 15);

4. Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94A 163, 89 Stat. 871);
5. Compliance with applicable uniform administrative requirements described in 24 CFR 570.502; and
6. Certification by Grantee's contractors, and each tier of subcontractors, that such contractors and subcontractors are not on the List of Parties Excluded from Federal Procurement or Nonprocurement Programs promulgated in accordance with Executive Orders 12549 and 12689, "Debarment and Suspension," as set forth at 24 CFR part 24.

B. Discrimination and Compliance Provisions

Grantee and its contractors agree to abide by the requirements of the following as applicable: Title VI of the Civil Rights Act of 1964 and Title VII of the Civil Rights Act of 1964, as amended by the Equal Employment Opportunity Act of 1972; Federal Executive Order 11246 as amended; the Rehabilitation Act of 1973, as amended; the Vietnam Era Veteran's Readjustment Assistance Act of 1974; Title IX of the Education Amendments of 1972; the Age Discrimination Act of 1975; the Fair Housing Act of 1968 as amended; the Housing and Community Development Act of 1974; and the requirements of the Americans with Disabilities Act of 1990; 41 CFR 60-4 *et seq.*; 41 CFR 60-1.4; 41 CFR 60-1.8; 24 CFR Part 35; the Flood Disaster Protection Act of 1973; and Federal Labor Standards Provisions (form HUD-4010), as well as all applicable provisions not mentioned are deemed inserted herein.

Grantee and its contractors agree not to discriminate unlawfully in its employment practices, and will perform its obligations under this Agreement without regard to race, color, religion, sex, national origin, veteran status, political affiliation, or disabilities.

Any act of unlawful discrimination committed by Grantee or its contractors, or failure to comply with these statutory obligations when applicable shall be grounds for termination of this Agreement or other enforcement action.

C. Covenant Against Contingent Fees and Conflicts of Interest

Grantee shall warrant that no person or other organization has been employed or retained to solicit or secure this Agreement upon contract or understanding for a commission, percentage, brokerage, or contingent fee. For breach or violation of this warranty, the OCD shall have the right to annul this Agreement without

liability or, in its discretion, to deduct from this Agreement or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee, or to seek such other remedies as legally may be available.

No member, officer, or employee of Grantee, or agents, consultant, member of the governing body of Grantee or the locality in which the program is situated, or other public official who exercises or has exercised any functions or responsibilities with respect to this Agreement during his or her tenure, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed in connection with the Project, the Program or in any activity or benefit, which is part of this Agreement.

Grantee shall also comply with the current Louisiana Code of Governmental Ethics, as applicable.

D. Section 3 Compliance in the Provision of Training, Employment and Business Opportunities

The work to be performed under this Agreement is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

The parties to this Agreement agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this Agreement, the parties to this Agreement certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

Grantee agrees to send to each labor organization or representative of workers with which Grantee has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of Grantee's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

Grantee agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate

action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. Grantee will not subcontract with any subcontractor where Grantee has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

Grantee will certify that any vacant employment positions, including training positions, that are filled (1) after Grantee is selected but before the Agreement is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent Grantee's obligations under 24 CFR part 135.

Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this Agreement for default, and debarment or suspension from future HUD assisted contracts.

With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this Agreement. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this Agreement that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

E. Program Income

1. Recording Program Income

Grantee shall submit a quarterly report to the OCD detailing receipt of program income, which is defined in 24 CFR 570.500(a).

2. Remittance of Program Income

All program income shall be remitted to the OCD pursuant to a schedule provided by the OCD.

F. Use and Reversion of Assets

The use and disposition of immovable property, equipment and remaining Grant Funds under this Agreement shall be in compliance with all CDBG regulations, which include but are not limited to the following:

1. Grantee shall transfer to the OCD any Grant Funds on hand and any accounts receivable attributable to the use of funds under this Agreement at the time of expiration, cancellation, or termination.
2. Immovable property under Grantee's control that was acquired or improved, in whole or in part, with funds under this Agreement in excess of \$25,000 shall be used to meet one of the CDBG National Objectives set forth in 24 CFR 570.208 until five (5) years after expiration of this Agreement (or such longer period as the OCD deems appropriate). If Grantee fails to use such immovable property in a manner that meets a CDBG National Objective for the prescribed period of time, Grantee shall pay to the OCD an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for the acquisition of, or improvement to, the property. Such payment shall constitute program income to the OCD. Grantee may retain real property acquired or improved under this Agreement after the expiration of the five-year period, or such longer period as the OCD deems appropriate.
3. In all cases in which equipment acquired, in whole or in part, with Grant Funds is sold, the proceeds shall be program income (prorated to reflect the extent to which funds received under this Agreement were used to acquire the equipment). Equipment not needed by Grantee for activities under this Agreement shall be (a) transferred to the OCD for the CDBG program or (b) retained by Grantee after compensating the OCD an amount equal to the current fair market value of the equipment less the percentage of non-CDBG funds used to acquire the equipment.

If Grantee is not the owner of the immovable property being acquired or improved, in whole or in part, with the Grant Funds, Grantee shall obtain written consent via authentic act from the owner of the immovable property acknowledging and consenting to the use restrictions required by 24 CFR 570.505 and as contained in this Agreement. In addition, if immovable property being acquired or improved, in whole or in part, with the Grant Funds is leased or subleased by Grantee to a third party, Grantee shall contractually insure that the lessee/subleasee is bound by the use restrictions contained in 24 CFR 570.505 and as contained in this Agreement.

VI. GENERAL CONDITIONS

A. "Independent Contractor"

Nothing contained in this Agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the parties. Grantee shall at all times remain an "independent contractor" with respect to the services to be performed under this Agreement. The OCD shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers' Compensation Insurance, as Grantee is an independent contractor.

B. Hold Harmless/Indemnity Contractors/Subcontractors

To the extent that Grantee is permitted to and utilizes the services of any third parties in performance of Grantee's duties and obligations under this Agreement, any contract entered into shall contain a provision that the contractor and/or subcontractor shall hold GRANTEE and the OCD harmless, defend and indemnify the OCD from any and all claims, actions, suits, charges and judgments whatsoever that arise out of the contractor's and/or subcontractor's performance or nonperformance of the services.

C. Workers' Compensation

Grantee shall provide Workers' Compensation Insurance coverage for all of its employees involved in the performance of this Agreement.

D. Insurance & Bonding

Unless expressly waived in writing by OCD, the Grantee shall carry sufficient insurance coverage to protect contract assets from loss due to theft, fraud and/or undue physical damage, and as a minimum shall purchase a blanket fidelity bond, or equivalent insurance acceptable to the OCD, covering all employees in an amount equal to cash advances from the OCD.

E. OCD Recognition

Grantee shall insure recognition of the role of the OCD and the U.S. Department of Housing and Urban Development in providing services through this Agreement. All activities, facilities and items used pursuant to this Agreement shall be prominently labeled as to funding source. In addition, Grantee will include a reference to the support provided herein in all publications made possible with funds made available under this Agreement.

F. Public Communications

OCD and Grantee shall coordinate all public communications regarding activities within the Program funded under this Assignment.

G. Amendments

Parish Recovery Projects	\$200,000.00	First Partial Action Plan
Total	\$200,000.00

11. The work to be performed by Grantee is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

Grantee agrees to comply with HUD's regulations in 24 CFR part 135, which implement section 3. Grantee also certifies that there are under no contractual or other impediment that would prevent it from complying with the part 135 regulations.

Such payments and assistance shall be provided in a fair, consistent and equitable manner that ensures that the relocation process does not result in different or separate treatment of such persons on account of race, color, religion, national origin, sex or source of income; and
 - e. Assure that, within a reasonable period of time prior to displacement, comparable decent, safe and sanitary replacement dwellings will be available to all displaced families and individuals and that the range of choices available to such persons will not vary on account of their race, color, religion, national origin, sex, or source of income; and
 - f. Assure that if displacement is precipitated by CDBG funded activities that require the acquisition (either in whole or in part) of real property, all appropriate benefits required by the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. 4601 et seq., Pub.
