ISIS Memorandum 05-017

To: ISIS Agency Liaisons
Fiscal Officers

Subject: AFS BUNDL Report 5G39

Due to a technical problem, AFS Report 5G39 was not generated for the period ending June 30, 2004. It has since been recreated and is available in current and in archive BUNDL. It has a date of 09/29/2004, but the heading correctly states that the report is as of June 30, 2004.

Please see that everyone who uses BUNDL to access reports receives a copy of this memorandum.

Questions may be directed to the ISIS AFS Help Desk at (225) 342-2677, option 2, option 4.
