(LAC 50:XXI.303)

The Department of Health and Hospitals, Bureau of Health Services Financing and the Office for Citizens with Developmental Disabilities propose to adopt LAC 50.XXI.303 in the Medical Assistance Program as authorized by R.S. 36:254 and pursuant to Title XIX of the Social Security Act. The Department of Health and Hospitals, Office for Citizens with Developmental Disabilities and the Office of Aging and Adult Services amended the provisions governing home and community-based services waivers to adopt provisions for the termination of services and limited retention of waiver opportunities for waiver recipients displaced by declared disasters (Louisiana Register, Volume 34, Number 8). The department now proposes to amend the provisions governing home and community-based waiver services to adopt provisions which will allow any active duty member of the armed forces temporarily assigned to work outside of Louisiana, and any
member of his immediate family receiving waiver services through a waiver program for persons with developmental disabilities, to receive the next available waiver opportunity upon the member’s resumed residence in the state.
