

DECLARATION OF EMERGENCY

Department of Revenue Tax Policy and Planning Division

Income Tax Withholding Tables (LAC 61:I.1501)

In accordance with the emergency provisions of the Administrative Procedures Act, R.S. 49:962(A)(1)(e), which allows the Department of Revenue, Tax Policy and Planning Division to use emergency procedures to establish rules, and R.S. 47:1511, which allows the department to make reasonable rules and regulations, the Secretary hereby amends LAC 61:I.1501 relative to individual income tax withholding tables and formulas.

Pursuant to R.S. 47:294(B), the standard deduction for individuals is adjusted annually for inflation based upon the percentage increase in the Consumer Price Index United States city average for all urban consumers (CPI-U) as reported by the United States Department of Labor, Bureau of Labor Statistics, for the previous calendar year. For purposes of the 2026 withholding tables, the Department of Revenue used a standard deduction of \$12,875 for single individual and married-separate filing statuses and \$25,750 for married-joint, qualified surviving spouse and head of household filing statuses. These amounts reflect the CPI-U information available as of December 1, 2025. The standard deduction amounts that will be allowed on the 2026 income

tax returns may differ slightly from these amounts based upon the CPI-U rates released for calendar year 2025 in January of 2026.

This Emergency Rule is necessary to prevent undue delay in notifying employers of the updated withholding requirements to ensure that employers are in compliance with the updated requirements, thereby avoiding unnecessary penalties and incorrect withholding of income tax for taxpayers. Employers should begin using the 2026 withholding tables for the first payment of wages made after December 31, 2025.

This Emergency Rule shall be effective January 1, 2026, and shall remain in effect for 180 days, unless renewed or revoked, or until the adoption of the final Rule, whichever comes first.
