## **A. Summary of Changes**

This Action Plan Amendment (APA) No. 17 removes the Louisiana Workforce Commission (LWC) from the award structure of the Flood Ready Workforce Development Program. When the program was introduced in APA No. 16, the Louisiana Office of Community Development (OCD) stated that it would partner with the LWC and the Louisiana Community and Technical College System (LCTCS) to expand heavy equipment operator training courses. In an effort to streamline and expedite funding, OCD will partner directly with the LCTCS to implement this program. OCD will approve the training courses and reimburse eligible costs directly to the LCTCS. Per the state's Master Action Plan, this Amendment is considered non-substantial as it does not change the benefit or eligibility criteria, add or delete an activity, or reallocate more than \$5,000,000.
