Addendum Instructions

- Provide the Policy Form # as registered with the LA Department of Insurance (same as on SED-2PID). *New applications* - complete a separate addendum if offering more than one policy form under same product name.
 - Do not identify single, two parties, and family policy as separate policies.
 - A copy of the Specimen Policy must be attached, as well as, information for applicable riders available under the contract.
- Answer all questions.
- Enter the specific coverage details for the rates provided.
- Enter the monthly rates. **Do not** change the form/table for the rates; just enter **all** rates as requested (regardless if unisex rates or no distinction in smoker/non-smoker) for the coverage details provided in the coverage details field above.
