FROM: Afranie Adomako, CPA
    Director

SUBJECT: ISIS Prior Year Close Procedures for August 14, 2014

Attached for your information and use is the established time frame for transaction processing for the 8/14/14 year-end close. Also attached are operational procedures covering the following specific subjects:

1. Checks to Wrong Vendor and Duplicate Payments
2. EFT/EVPs to Wrong Vendor and Duplicate Payments
3. Check or EFT/EVP Amount Less Than Amount Due
4. Check or EFT/EVP Amount in Excess of Amount Due
5. Lost or Destroyed Checks
6. Credit Memos
7. Carryover of Prior Year Cash to Current Year Means of Financing Appropriation
8. Carryover of Prior Year Cash to Current Year Escrow Appropriation
9. Return of Prior Year IAT Cash Related to AFS Activity Code RIG1 – Deepwater Horizon Event to Department of Public Safety/Oil Spill Contingency Fund
10. Carryover of Prior Year Statutory Dedication Cash Related to AFS Activity Code RIG1 – Deepwater Horizon Event to Current Year Means of Financing
11. Transfer of Operating Free Cash to Means of Financing Appropriation

It is extremely important to adhere to all time frames for the transactions. It is best, if possible, to process your documents at least a day before the deadline to ensure their acceptance in ISIS by the appropriate deadline. Both the transaction and the receipt of the supporting documentation by the control agencies are due by the dates and times listed. Even though the transaction is in ISIS and at the proper status, approval of the ISIS transaction is not guaranteed if the required documentation is not received by the control agencies by the deadline. It is your agency’s responsibility to ensure the documents are approved and processed before the close is run.
In addition, your agency is responsible for ensuring that data sent via Interface tapes and FTPs are received by the deadline specified. You may verify receipt of your FTP by contacting OIS at (225) 342-2677, Option 3, then Option 1 to speak to an AFS Help Desk staff. Agencies should consider delivery and transmission delays when scheduling their internal deadlines and processes.

All FY14 deposits relating to regular appropriations must be classified by the agencies no later than 11:00 a.m. 08/13/14. If your agency does not classify FY 14 deposits by the deadline, OSRAP will classify the money to Income Not Available.

Two special processes will run as part of the 8/14 close: the rollover of encumbrances on 08/02/14 and the accounts payable/credit memo liquidation (CLEARPAY) on 08/15/14:

- The rollover of encumbrances will be run during the nightly cycle on Saturday, 08/02/14. To accommodate the rollover, agency access to ISIS will be denied after 5:00 p.m. on 08/02/14. A description of the rollover of encumbrances process, and its related reports and procedures, was provided to all ISIS agencies in OSRAP Memorandum 15-01. It is extremely important that all structure affecting these processes be active in AFS. PLEASE MAKE CERTAIN ALL PERTINENT STRUCTURE HAS BEEN ACTIVATED NO LATER THAN FRIDAY, 08/01/14. This includes grants that have an expiration date prior to 08/02/14 and chart of accounts data elements that have been inactivated.

- Automated Disbursements (AD), Electronic Fund (EF), and Electronic Vendor Payment (EVP) cycles will run during the nightly cycle on Monday, 08/11/14 for scheduled payment dates through 08/11/14 for both budget fiscal years 14 and 15. Checks and EFT/EVPs from this cycle will be dated 08/12/14.

- CLEARPAY will run against BFY 14 payment vouchers during the close cycle on the morning of 08/15/14. This process will include both AD and EF/EVP payments. This is discussed in detail in the OSRAP “Year End Liquidation of Accounts Payable/Credit Memos” Memorandum (15-02). The CLEARPAY liquidation will include all BFY 14 payables, including those with scheduled payment dates beyond 08/14/14. EFT/EVPs from the 08/14/14 cycle and CLEARPAY cycle will be dated 08/14/14; they will be transmitted to the bank on Friday 08/15/14. The checks from the 08/14/14 cycle and CLEARPAY cycle will be dated 08/14/14; they will be printed on Monday, 08/18/14.

- This means that there will be two cycles of checks printed on Monday, 08/18/14:
  1. The 8/14 nightly cycle for FY 14 and FY 15 checks dated 08/14/14; and
  2. The 8/15 CLEARPAY cycle for FY 14 with checks dated 08/14/14.
Please ensure that cash for both fiscal years is available on the dates the AD and EF/EVP cycles run.

NOTE: The deadline for the liquidation of all prior year encumbrances (AGPS, CFMS, AFS) is 5:00 p.m. on 08/02/14 to allow for the rollover of encumbrances.

Instructions for processing invoices received after the rollover are in OSRAP MEMORANDUM 15-01. Goods must have been procured in accordance with RS 39 Chapter 17 and services must have been rendered by 06/30/14 in order for a bona fide liability to exist against FY 14.

A special front-end security to allow only OSRAP, STO, and OIS access to ISIS will be in place beginning Friday, 08/15/14. Agencies will not have access to ISIS from 08/15/14 until the close process is complete. Close and agency reports will be run during the monthly processes on the night of 08/15/14. If the entries and close process are not completed on 08/15/14, the ISIS application will be unavailable on Saturday, 08/16/14 and the year-end reports may not be available until Sunday, 08/17/14. Agencies should periodically review the DOA sign-on screen for system availability. Interfaces MUST NOT be sent on the days ISIS is not available.

For transactions on the Purchasing Card and the CBA travel account, the P3s from the July 5th statement-billing file will post to the 13th accounting period. If the agency determines that there are charges in that file belonging to the current fiscal year, the agency will have to complete a J2 to move the expenditures. The deadline for submitting J2’s is 11:00 a.m. on August 12th.

Please distribute copies of this memorandum to all fiscal, purchasing, and contract office employees. Many of the deadlines affect these individuals. Please contact the OSRAP Help Desk at (225) 342-1097 if you have questions concerning the information above or attached instructions.

   DR CR

   Cash (Your Fund & AGY, BK CD='X1', Cash Ind ‘N’) $$$

   *Revenue (Cash Ind ‘Y’) $$$

   The Cash account to be used on this J1 document will be tied to the MOF appropriation receiving the funds in the current fiscal year.

The following procedure is used to carryover Statutory Dedications related to the Deepwater Horizon (RIG1) event from the prior year Means of Financing Appropriation to the current year Means of Financing Appropriation as provided by law within the 45 day period ending August 14, 2014.

Responsibility  Action

Enter a J3 transaction to reverse from the MOF to SD, carry forward in SD, and transfer to FY 15 MOF, if agency has an approved carryover BA-7 (Example 5). If not the agency does not have an approved carryover BA-7, only enter the first four lines:

PROCEDURE: Transfer of Operating Free Cash to Means of Financing Appropriation

The following procedure is used to move remaining operating free cash to the appropriate Means of Financing Appropriation(s) during the 45 day period ending August 14, 2014.

Responsibility Action

Agcy Fiscal Officer (ISIS) 1. Review the fiscal year 14 cash account 6000 on the CASH Table for your fund/agency to determine the amount to transfer back to the appropriate Means of Financing (MOF). Take into consideration all payables when determining the exact amount to reverse to get the cash account to zero at the end of the fiscal year 14.
PROCEDURE: Transfer of Operating Free Cash to Means of Financing Appropriation (cont’d)

Responsibility

Agcy Fiscal Officer (ISIS) 2. Process a reverse Warrant Voucher (WV) to move the operating free cash to the appropriate Means of Financing cash account (Example 6).

NOTE: It is to the agency’s advantage to ensure that operating cash has been transferred to the appropriate Means of Financing on or before 08/14/14. If the agency does not make the transfer by 8/14, OSRAP will. Because OSRAP cannot identify the source of funding, OSRAP will reverse warrants against the means of financing listed below, up to available budget and until operating cash is zero, in this order: General Fund, Self-Generated, Interagency Transfer, Federal Aid, and finally Statutory Dedication.

Agency Fiscal Officer (NON-ISIS) 1. Determine the excess 2014 fiscal year cash in your operating bank account.

2. Write a check to the State Treasurer’s office for the amount to be returned as surplus.

3. Prepare a Return of Surplus Request by completing a letter to the State Treasurer’s Office (Example 7).

4. Send the Letter and Check to the State Treasurer’s Office for processing.
PROCEDURE: Transfer of Operating Free Cash to Means of Financing Appropriation (cont’d)

EXAMPLE 6
(ISIS Agencies Only)

This is an example of the reverse warrant of Interagency, Federal Aid, and Statutory Dedication money from the operating cash account to the appropriate Means of Financing (MOF) cash account. YOU MUST USE YOUR AGENCY’S APPROPRIATE FUND, AGENCY, AND MOF WARRANT ORGANIZATION.
