DECLARATION OF EMERGENCY

Board of Nursing

Licensure by Endorsement (LAC 46:XLVII.3327)

Notice is hereby given in accordance with the provisions of the Administrative Procedure Act, R.S. 49:950 et seq., and through the authority granted in R.S. 37:917-918, that Louisiana State Board of Nursing (LSBN) is requesting an emergency rule to add language to Chapter 33, Section 3327. The Covid-19 public health emergency was declared in Proclamation Number 25 JBE 2020, enacted on March 11, 2020 and extended numerous times, most recently in Proclamation Number 18 JBE 2022, which is set to expire on March 16, 2022. In coordination with the State Health Officer, the LSBN recognizes a need for a transition period to permit RNs and APRNs working under emergency proclamation to continue working for a transition period. The transition period is necessary to prevent imminent peril to the public health, safety, or welfare. The additional language to Chapter 33, Section 3327.A.11 provides an exception allowing RNs and APRNs to continue to practice nursing in Louisiana with a current, active, unencumbered, unrestricted out-of-state license for a 90-day transition period following the expiration of the Covid-19 public health emergency.
