

STATE OF LOUISIANA

CONTRACT

PO# 2000577 807

The State of Louisiana, Division of Administration, Office of Community Development, hereinafter sometimes referred to as "OCD" or the "State", and Emergent Method, LLC, hereinafter sometimes referred to as the "Contractor", do hereby enter into a Contract under the following terms and conditions. Contractor and OCD may sometimes hereinafter be collectively referred to as the "Parties" and individually as a "Party."

1. GENERAL AND ADMINISTRATIVE INFORMATION

The Contract addresses the Communications and Outreach Services needed to facilitate the implementation of a broad range of programs administered by OCD. These services may also be requested by OCD to accommodate other federally funded (in whole or in part) disaster recovery or resilience/mitigation programs or initiatives, currently existing or yet to be defined, which OCD administers or has a stakeholder interest, including programs occurring as a result of past and future disasters. The programs currently administered by OCD and other programs yet to be defined are collectively known as the "Program".

1.1 SCOPE OF SERVICES

Contractor hereby agrees to furnish services to State as specified in the Scope of Services, Attachment I. It is contemplated that Contractor will, from time to time, be requested by OCD, through its State Program Manager (SPM), to perform certain services for OCD. A full description of the Scope of Services and payment schedule is contained in the following attachments which are made a part of the Contract:

Attachment I: Scope of Services

Attachment II: Hourly Rate Schedule

1.2 STATEMENT OF WORK

It is contemplated that the Contractor will, from time to time, be requested by the OCD, through its duly authorized representatives, to perform certain Services for the OCD in furtherance of the communications and outreach activities set forth in Attachment I. Each request will be in the form of a document authorizing the completion of certain services (a "Task Order") and shall describe in detail the services to be performed by Contractor, including a task description, a maximum compensation amount, and a proposed schedule for delivery of services. All services provided by the Contractor under any Task Order shall be governed by the terms and conditions of the Contract. The method of compensation shall be on a time basis using the rates set forth on the Hourly Rate Schedule attached to the Contract as Attachment II.

In the event that a Task Order is approved and signed by both Parties, the provisions of the Contract shall govern all services performed under the Task Order and the relationship of the Parties relating

to or arising out of the services performed under the Task Order. In each instance, the designation of services to be performed, the maximum compensation amount for those services and the method of compensation to be paid by the OCD to Contractor shall be agreed to by the Parties in writing. Once executed by the Parties, a Task Order may be amended by a writing signed by both Parties. The OCD may terminate any Task Order at any time prior to completion in accordance with the terms of the Contract and without prejudice to the rights of Contractor for payment for all authorized Services provided to the OCD prior to the effective date of termination.

The execution of the Contract is not intended nor shall it be construed to obligate the OCD to request any specific services or amount of services from the Contractor under any Task Order. The OCD retains the right to request whatever scope or level of services as it deems appropriate under a Task Order, so long as the services are within the scope of and are subject to the terms, conditions and limitations of the Contract.

The Contractor will begin to provide particular services described in each Task Order at such time as shall be agreed upon between the Parties. The Contractor will perform all such Services in a good and workmanlike manner and to the full and complete satisfaction of the OCD.

1.3 GOALS AND OBJECTIVES

The State of Louisiana, through the OCD, is administering the Community Development Block Grant ("CDBG") Program for disaster recovery and mitigation necessary due to hurricanes Katrina, Rita, Gustav, Ike, Isaac, Severe Storms and Flooding of 2016 and future disasters and other federally funded initiatives (the "Program"). The OCD is retaining the services of Contractor to provide communications and outreach services needed to support a communications and outreach plan for the Program to reach key stakeholders, media, and the general public. As outlined in detail below, Contractor will perform certain tasks for the OCD, including but not limited to providing general support services; communications support; internet/social media/digital marketing; as well as ad hoc communications/outreach projects.

1.4 PERFORMANCE MEASURES

The performance of the Contract will be measured by the State Program Manager (SPM), who is authorized on behalf of the State to evaluate the Contractor's performance. The performance measures for the Contract shall include the successful performance and completion of the Contractor's obligations as provided in the resulting Contract and in each individual work order. Work orders will be monitored monthly to measure progress toward finalizing deliverables.

1.5 MONITORING PLAN

- a. The SPM will monitor the services provided by the Contractor and the expenditure of funds under the Contract.
- b. The SPM will be primarily responsible for the day-to-day contact with the Contractor and day-to-day monitoring of the Contractor's performance.
- c. The Contractor will submit various weekly, biweekly, and monthly reports to the SPM as specified in the Scope of Services Attachment I, and any directions from the SPM.
- d. The SPM will work to ensure all deliverables are delivered on or before the time scheduled for completion.

- e. The SPM will be responsible for review and acceptance of deliverables.
- f. The SPM will provide oversight of the implementation of the Scope of Services, Attachment I, to ensure quality, efficiency, and effectiveness in fulfilling the goals and objectives of the Program.

1.6 CONTRACTOR TASKS AND RESPONSIBILITIES

See Attachment I, Scope of Services

1.7 DELIVERABLES

The Contract will be considered complete when the Contractor has delivered and State has accepted all deliverables specified in the Contract or added via work assigned by the SPM.

1.8 SUBSTITUTION OF KEY PERSONNEL

Personnel identified in the proposal and other key personnel, including the Contractor's Program Director, assigned during the term of the Contract may not be replaced without the written consent of the State. Such consent shall not be unreasonably withheld or delayed provided an equally qualified replacement is proposed. In the event that any Contractor personnel become unavailable due to resignation, illness or other factors which are beyond the Contractor's reasonable control, (excluding assignment to a project outside the Contract), the Contractor shall provide an equally qualified replacement in time to avoid delays in services or deliverables specified by the Contract or by the State Program Manager. The Contractor will make every reasonable attempt to assign the personnel listed in the submitted proposal.

2 ADMINISTRATIVE REQUIREMENTS

2.1 TERM OF CONTRACT

The Contract shall begin on May 15, 2021 and shall end May 14, 2024, unless terminated earlier in accordance with the provisions herein. Prior to the extension of the Contract beyond the initial thirty-six (36) month term, prior approval by the Joint Legislative Committee on the Budget (JLCB) and/or other approval authorized by law shall be obtained. Written evidence of JLCB approval shall be submitted, along with the Contract amendment, to the Office of State Procurement (OSP) to extend the Contract terms beyond the initial 3-year term. The total Contract term, with extensions, shall not exceed five (5) years.

2.2 STATE FURNISHED RESOURCES

State shall appoint a State Program Manager (SPM) for the Contract who will provide oversight of the activities conducted hereunder. Notwithstanding the Contractor's responsibility for management during the performance of the Contract, the assigned SPM shall be the principle point of contact on behalf of the State and will be the principle point of contact for Contractor concerning Contractor's performance under the Contract.

Regulatory applicability determinations made by the State or agreements made between various governmental agencies shall remain as the responsibility of the State. In no way shall Contractor be responsible for the technical, regulatory or legal veracity and acceptability of determinations

made by the persons other than its agents, employees, or contractors. Such agreements, determinations and communications shall be provided to Contractor to facilitate completion of the Scope of Work.

State recognizes there may be a requirement under federal, state or local statutes or regulations to report the results of Contractor's findings to appropriate regulatory agencies. Contractor is not responsible for advising the State about the State's or others reporting obligations and State agrees that it or others shall be responsible for all reporting, unless Contractor has an independent duty to report under applicable law. In those situations, Contractor will provide State with advance notice that Contractor believes that it has an obligation to report as well as the substance of the report it intends to make.

The OCD will provide specific project information to the Contractor necessary to complete services described herein. All records, reports, documents and other material delivered or transmitted to the Contractor by the OCD shall remain the property of the OCD and shall be returned by the Contractor to the OCD, upon request, at termination, expiration or suspension of the Contract.

All records, reports, documents, or other material or data, including electronic data, related to the Contract and/or obtained or prepared by the Contractor, and all repositories and databases compiled or used, regardless of the source of information included therein, in connection with performance of the services contracted for herein shall become the property of the OCD, and shall, upon request, be returned by the Contractor to the OCD at termination or expiration of the Contract. Cost incurred by the Contractor to compile and transfer information for return to the OCD shall be billed on a time basis, subject to the maximum amount of the Contract. Software and other materials owned by The Contractor prior to the date of the Contract and not related to the Contract shall be and remain the property of The Contractor.

2.3 SECURITY

Contractor's personnel and subcontractors shall always comply with any applicable security regulations in effect at the State's premises, and externally for materials belonging to the State or to the Program. The State is responsible for providing written copies of the State's security regulations to the Contractor. The Contractor is responsible for reporting any known breach of security to the State promptly.

Contractor shall monitor the effectiveness of all required and agreed upon production security controls and promptly notify the State's information security team as soon as becoming aware of an actual or suspected:

- system or application compromise; or
- control failure; or
- unauthorized access or modification of a State system, application, data, content, or service.

2.4 TAXES

Contractor is responsible for payment of all applicable taxes from the funds to be received under the Contract. Contractor's federal tax identification number is 46-0737994, DUNS# 034806728, State Tax Identification Number, 1212267.

In accordance with R.S. 39:1624(A)(10), the Louisiana Department of Revenue (LDR) shall determine that the Contractor is current in the filing of all applicable tax returns and reports and in payment of all taxes, interest, penalties, and fees owed to the state and collected by the LDR prior to the approval of this Contract by the Office of State Procurement (OSP). The Contractor hereby attests to its current and/or prospective compliance, and agrees to provide its seven-digit LDR Account Number to Agency so that the Contractor's tax payment compliance may be verified. The Contractor further acknowledges understanding that issuance of a tax clearance certificate by LDR is a necessary precondition to the approval and effectiveness of this Contract by OSP. The State reserves the right to withdraw its consent to this Contract without penalty and proceed with alternate arrangements should the Contractor fail to resolve any identified apparent outstanding tax compliance discrepancies with LDR within seven (7) days of such notification.

3 CONFIDENTIALITY OF DATA

All financial, statistical, personal, technical and other data and information relating to the OCD's operation which are designated confidential by the OCD and made available to the Contractor in order to carry out the Contract, or which become available to the Contractor in carrying out the Contract, shall be protected by the Contractor from unauthorized use and disclosure through the observance of the same or more effective procedural requirements as are applicable to the OCD. The identification of all such confidential data and information as well as the OCD's procedural requirements for protection of such data and information from unauthorized use and disclosure shall be provided by the OCD in writing to the Contractor. If the methods and procedures employed by the Contractor for the protection of the Contractor's data and information are deemed by the OCD to be adequate for the protection of OCD's confidential information, such methods and procedures may be used, with the written consent of the OCD, to carry out the intent of this paragraph. The Contractor shall not be required under the provisions of this paragraph to keep confidential any data or information which is or becomes publicly available, is already rightfully in the Contractor's possession, is independently developed by the Contractor outside the scope of the Contract, is obtained from other public agencies, or is rightfully obtained from third parties.

All of the reports, information, data, et cetera, prepared or assembled by the Contractor under the Contract are confidential and the Contractor agrees that they shall not be made available to any individual or organization without the prior written approval of the OCD. This does not extend to information that was obtained from the public domain such as public agencies or sources of information available to the general public. Under no circumstance shall the Contractor discuss and/or release information concerning this project without prior express written approval of OCD.

4 COMPENSATION AND MAXIMUM AMOUNT OF CONTRACT

The Contractor will not be paid more than the maximum amount of the Contract. In consideration of the services required by the Contract, State hereby agrees to pay to Contractor a maximum amount of \$1,200,000.

4.1 TERMS

Invoices shall be submitted on a monthly basis using a standard invoice format provided by OCD and in accordance with Attachment II, Hourly Rate Schedule. Invoices shall be organized so that services associated with program administration services and/or individual work orders are clearly identified in separate detailed listings of charges.

The Contractor may be reimbursed for ad placements (i.e., media buys), website hosting and related expenses and video production, etc. as Other Direct Costs (ODCs). Invoices that include ODCs shall be accompanied by evidence of the actual costs including, but not limited to, vendor statements, payment records, or other acceptable evidence of the actual cost of the ODC. The "mark-up" attached to ad placements/media buys etc. shall not exceed ten percent (10%). Contractor shall not attach any fee or "mark-up" to any other ODC without prior approval from the SPM. The SPM must approve all ODC's prior to cost being incurred. No additional expenses of any sort will be paid separately under the Contract. Only time and ODC's properly billed and approved by the OCD will be paid.

Payment of invoices must be approved by the SPM and the Financial Manager of OCD or designee. The State will make every reasonable effort to make payments within thirty (30) work days of receipt of invoice. If invoices are disputed or clarifications are required, OCD will notify the Contractor of its questions and Contractor shall make a reasonable effort to respond to such questions within five (5) business days.

It is understood that should Contractor fail to submit invoices within sixty (60) days following the end of each month, the State shall not be responsible for payment thereof under the Contract or in quantum meruit, unless an exception is granted by the SPM prior to the end of the sixty (60) day period. Any exception granted by the SPM may include a 25% reduction to the amount of the invoice submitted late.

Invoices shall be submitted to Office of Community Development, P.O. Box 94095, Baton Rouge, LA 70804-9095.

Prohibition against Advance Payments: No compensation or payment of any nature will be made in advance of services actually performed and/or supplies furnished.

4.2 PAYMENT FOR SERVICES PROVIDED ON AN HOURLY FEE BASIS

Payment for services performed on an hourly fee basis will be made based on invoices submitted to the State documenting hours expended multiplied by the applicable hourly rate. All invoices will be supported by documentation including, but not limited to, the name of the person, labor description, hours worked, function, billable rate, description of work provided, timesheets and such other information as determined by the SPM. Contract personnel will work a maximum of 40 hours per week onsite to complete the assigned tasks. Any hours above 40 per week may require approval by the SPM and will be paid at the same agreed-upon billing rate listed in Attachment II, Hourly Rate Schedule.

Hourly rates shall be inclusive of all Contract related expenses (i.e., per diem, administrative costs for invoicing and organizing contractor personnel and files, travel expenses, mileage, office space, copies, office and field equipment, etc.) for providing the services described herein. Hourly rates will be invoiced in accordance with the rate schedule in Attachment II, Hourly Rate Schedule and shall not exceed the maximum amount of the Contract. The pricing and fee schedules in Attachment II, Hourly Rate Schedule are made part of the Contract and will remain in effect for the term of the Contract. Other than ODCs, no expenses, including travel expenses, will be paid under the contract.

4.3 NO GUARANTEE OF QUANTITIES

The scope and quantities referenced in the Contract are estimated to be the amount needed. The State does not obligate itself to contract for or to accept more than its actual requirements during the period of the Contract, as determined by actual needs and availability of appropriated funds. The State reserves the right to increase or decrease quantities, as appropriate, at the prices stated in the Contract. Contractor has no right to any amount of work to be assigned under the Contract.

4.4 PENALTIES

For each deliverable due date in a work order agreed to by SPM and Contractor, a penalty of \$100 per day will be assessed for each business day that the deliverable exceeds the agreed upon due date. The penalty will be assessed against accounts payable to the Contractor under the Contract. The penalty shall be limited to the dollar amount for the deliverable delayed, agreed to by both the Contractor and OCD, or \$1,000, whichever is less. In the event that penalties exceed payments due to the Contractor, the Contractor shall remit the balance to OCD. The Contractor shall not be assessed a penalty for delays due to circumstances not subject to its control.

Penalties under this Section are for performance purposes and do not represent any form of damage payment.

5 TERMINATION

5.1 TERMINATION FOR CAUSE

State may terminate the Contract for cause based upon the failure of Contractor to comply with the terms and/or conditions of the Contract; provided that the State shall give the Contractor written notice specifying the Contractor's failure. If within thirty (30) days after receipt of such notice, the Contractor shall not have either corrected such failure or, in the case of failure which cannot be corrected in thirty (30) days, begun in good faith to correct said failure and thereafter proceeded diligently to complete such correction, then the State may, at its option, place the Contractor in default and the Contract shall terminate on the date specified in such notice. Failure to perform within the time specified in the Contract will constitute a default and may cause cancellation of the Contract. Where the State has determined the Contractor to be in default, the State reserves the right to obtain any or all products or services covered by the Contract on the open market and to charge the Contractor with cost in excess of the Contract price. Until such assessed charges have been paid, no subsequent offer from the defaulting Contractor will be considered.

Contractor may terminate the Contract for cause based upon the failure of State to comply with the terms and/or conditions of the Contract; provided that the Contractor shall give the State written notice specifying the State's failure. If within thirty (30) days after receipt of such notice, the State shall not have either corrected such failure or, in the case of failure which cannot be corrected in thirty (30) days, begun in good faith to correct said failure and thereafter proceeded diligently to complete such correction, then the Contractor may, at its option, place the State in default and the Contract shall terminate on the date specified in such notice. Failure to perform within the time specified in the Contract will constitute a default and may cause cancellation of the Contract. Contractor shall be paid for all authorized services properly performed prior to termination. Any payment to Contractor shall be limited to the compensation provided in this paragraph. Contractor shall not be entitled to any other compensation, lost profits, lost revenue or damages.

5.2 TERMINATION FOR CONVENIENCE

State may terminate the Contract at any time without penalty by giving thirty (30) days written notice to the Contractor of such termination or negotiating with the Contractor an effective date. Contractor shall be entitled to payment for deliverables in progress; to the extent work has been performed as required by the Contract. Contractor shall not be entitled to any other compensation, lost profits, lost revenue or damages.

5.3 TERMINATION FOR NON-APPROPRIATION OF FUNDS

The continuation of the Contract is contingent upon the appropriation of funds to fulfill the requirements of the Contract by the legislature. If the legislature fails to appropriate sufficient monies to provide for the continuation of the Contract, or if such appropriation is reduced by the veto of the Governor or by any means provided in the appropriations act of Title 39 of the Louisiana Revised Statutes of 1950 to prevent the total appropriation for the year from exceeding revenues for that year, or for any other lawful purpose, and the effect of such reduction is to provide insufficient monies for the continuation of the Contract, the Contract shall terminate on the date of the beginning of the first fiscal year for which funds have not been appropriated. Contractor shall not be entitled to lost profits, lost revenue or any other compensation or damages.

6 INDEMNIFICATION

6.1 GENERAL INDEMNITY LANGUAGE

Neither Party shall be liable for any delay or failure in performance beyond its control resulting from acts of God or force majeure. The Parties shall use reasonable efforts to eliminate or minimize the effect of such events upon performance of their respective duties under the Contract.

Contractor shall be fully liable for the actions of its agents, employees, partners or subcontractors and shall fully indemnify and hold harmless the State of Louisiana, all state Departments, Agencies, Boards and Commission, its officers, agents, servants, employees and volunteers, from and against all suits, claims, actions, damages, expenses and liability of every name and description relating to personal injury or death of any person and damage, loss or destruction of any property which may occur, or in any way grow out of, any act or omission of the Contractor, its agents, employees, servants, partners or subcontractors, without limitation, or any and all costs, expenses and/or attorney fees incurred by Contractor as a result of any claims, demands, suits or causes of

action, except those claims, demands, suits, or causes of action arising out of the negligence of the State of Louisiana, all state Departments, Agencies, Boards, Commission, its officers agents, servants, employees and volunteers.

Contractor agrees to investigate, handle, respond to, provide defense for and defend any such claims, demands, suits, or causes of action at its sole expense and agrees to bear all other costs and expenses related thereto, even if the claims, demands, suits, or causes of action are groundless, false or fraudulent. The State of Louisiana may, but is not required to, consult with the Contractor in the defense of claims, but this shall not affect the Contractor's responsibility for the handling of and expenses for all claims.

6.2 INDEMNITY RELATING TO USE OF PROTECTED PROCESS OR PRODUCT

Contractor will indemnify, defend and hold the State and its Authorized Users harmless, without limitation, from and against any and all damages, expenses (including reasonable attorneys' fees), claims, judgments, liabilities and costs which may be finally assessed against the State in any action for infringement of a United States Letter Patent with respect to the Products furnished, or of any copyright, trademark, trade secret or intellectual property right, provided that the State shall give the Contractor: (i) prompt written notice of any action, claim or threat of infringement suit, or other suit, (ii) the opportunity to take over, settle or defend such action, claim or suit at Contractor's sole expense, and (iii) assistance in the defense of any such action at the expense of Contractor. Where a dispute or claim arises relative to a real or anticipated infringement, the State or its Authorized Users may require Contractor, at its sole expense, to submit such information and documentation, including formal patent attorney opinions, as the Commissioner of Administration shall require. The Contractor shall not be obligated to indemnify that portion of a claim or dispute based upon: (i) Authorized User's unauthorized modification or alteration of a Product; (ii) Authorized User's use of the Product in combination with other products not furnished by Contractor; and (iii) Authorized User's use in other than the specified operating conditions and environment.

In addition to the foregoing, if the use of any item(s) or part(s) thereof shall be enjoined for any reason or if Contractor believes that it may be enjoined, Contractor shall have the right, at its own expense and sole discretion, as the Authorized User's and the State's exclusive remedy, to take action in the following order of precedence: (i) to procure for the State the right to continue using such item(s) or part(s) thereof, as applicable; (ii) to modify the component so that it becomes non-infringing equipment of at least equal quality and performance; or (iii) to replace said item(s) or part(s) thereof, as applicable, with non-infringing components of at least equal quality and performance, or (iv) if none of the foregoing is commercially reasonable, then provide monetary compensation to the State up to the dollar amount of the Contract.

6.3 INDEMNITY RELATING TO SPECIAL, INDIRECT OF CONSEQUENTIAL DAMAGES

With respect to indemnity obligations for protected processes, for all other claims against the Contractor where liability is not otherwise set forth in the Contract as being "without limitation", and regardless of the basis on which the claim is made, the Contractor's liability limit for direct damages shall be two (2) times the maximum amount of the Contract. Unless otherwise specifically enumerated herein, neither party shall be liable to the other for special, indirect or consequential damages, including lost data or records (unless the Contractor is required to back-

up the data or records as part of the work plan), even if the party has been advised of the possibility of such damages. Neither party shall be liable for lost profits, lost revenue or lost institutional operating savings. The State and Authorized User may, in addition to other remedies available to them at law or equity and upon notice to the Contractor, retain such monies from amounts due Contractor, or may proceed against the performance and payment bond, if any, as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against them.

7 CONTRACT CONTROVERSIES

Any claim or controversy arising out of the Contract shall be resolved by the provisions of Louisiana Revised Statutes 39:1672.2-1672.4.

8 FUND USE

Contractor agrees not to use Contract proceeds to urge any elector to vote for or against any candidate or proposition on an election ballot nor shall such funds be used to lobby for or against any proposition or matter having the effect of law being considered by the Louisiana Legislature or any local governing authority. This provision shall not prevent the normal dissemination of factual information relative to a proposition on any election ballot or a proposition or matter having the effect of law being considered by the Louisiana Legislature or any local governing authority.

Contractor and all subcontractors shall certify that they have complied with the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) and that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant or any other award covered by 31 U.S.C. 1352. Contractor and each subcontractor shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any federal award.

9 ASSIGNMENT

No Contractor shall assign any interest in the Contract by assignment, transfer, or novation, without prior written consent of the State. This provision shall not be construed to prohibit the Contractor from assigning to a bank, trust company, or other financial institution any money due or to become due from approved contracts without such prior written consent. Notice of any such assignment or transfer shall be furnished promptly to the State.

Except as stated in the preceding paragraph, Contractor shall only transfer an interest in the Contract by assignment, novation, or otherwise, with prior written consent of the State. The State's written consent of the transfer shall not diminish the State's rights or the Contractor's responsibilities and obligations.

10 RIGHT TO AUDIT

Contractor shall grant to the Office of the Legislative Auditor, Inspector General's Office, the Federal Government (including HUD, FEMA, HUD-OIG, FEMA-OIG, the Comptroller General), the Division of Administration, the OCD or others so designated by them, and any other duly authorized agencies of the State the right to inspect, examine, audit, review and make excerpts or transcripts of all relevant data and records for a period of five (5) years after the closeout of OCD's

federal grant(s) providing the funds for the Contract. Contractor will be notified of grant closeout date(s) by OCD.

Records, including direct read access to databases and all tables, shall be made available during normal working hours for this purpose.

In the event that an examination of records results in a determination that previously paid invoices included charges which were improper or beyond the scope of the Contract, Contractor agrees that the amounts paid to the Contractor shall be adjusted accordingly, and that the Contractor shall within thirty (30) days thereafter issue a remittance to State of any payments declared to be improper or beyond the scope of the Contract. The State may offset the amounts deemed improper or beyond the scope of the Contract against Contractor's outstanding invoices, if any.

Failure of the Contractor and/or its subcontractor to comply with the above audit requirements will constitute a violation of the Contract and may, at the OCD's option, result in the withholding of future payments and/or return of funds paid under the Contract.

11 CONTRACT MODIFICATION

No amendment or variation of the terms of the Contract shall be valid unless made in writing, signed by the parties and approved as required by law. No oral understanding or agreement not incorporated in the Contract is binding on any of the parties.

12 SUBCONTRACTORS

The Contractor may, with prior written permission from the State, enter into subcontracts with third parties for the performance of any part of the Contractor's duties and obligations. In no event shall the existence of a subcontract operate to release or reduce the liability of neither the Contractor nor the subcontractor to the State and/or Agency for any breach in the performance of the Contractor's or subcontractor duties. Contingent on verification that no subcontractor has been debarred, the State hereby approves the following subcontractors to provide or perform any part of the services under the Contract as provided for in the Proposal:

Zehnder Communications

Great Minds Communication

4thFlr

Subcontracts shall not include language which restricts the Contractor's obligation to pay for services performed or materials provided under a subcontract to when the Contractor has been paid under the Contract, except for circumstances where the reason for the lack of payment to the Contractor is due to deficient performance or lack of performance by the particular subcontractor from which the Contractor seeks to withhold payment. In the event a subcontract contains such language in contravention of this requirement, Contractor shall not enforce such language.

13 COMPLIANCE WITH CIVIL RIGHTS LAWS

The Contractor and its subcontractors shall abide by the requirements of the following as applicable: Title VI of the Civil Rights Act of 1964 and Title VII of the Civil Rights Act of 1964,

Any act of unlawful discrimination committed by the Contractor or its subcontractors, or failure to comply with these statutory obligations when applicable shall be grounds for termination of the Contract or other enforcement action.

15 SECTION 109 OF THE HOUSING AND COMMUNITY DEVELOPMENT ACT OF 1974

No person in the United States shall on the grounds of race, color, national origin, or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with funds made available under Section 109 of Title I of the Housing and Community Development Act of 1974.
