LOCAL GOVERNMENT ASSISTANCE PROGRAM/COMMUNITY WATER ENRICHMENT FUND ONLINE PORTAL APPLICATION PROCESS

Office of Community Development – Local Government Assistance
AGENDA

- Dates online portal is open for application submittals
- Requirements of Local Government Assistance Program and Community Water Enrichment Fund
- Grant ceilings and per parish allocation for each program
- Items to remember for both programs
- Application Process
- Required information/documentation for application submittals
- How to get access to the online portal
- OCD-LGA contact information
- Demonstrate the online portal
APPLICATION SUBMITTAL PERIOD

Online application portal will be open for submittals from March 3, 2022 to June 3, 2022.

The portal will close at midnight on June 4, 2022.

No applications will be accepted after the portal is closed.
The purpose of the Local Government Assistance Program (LGAP) is to provide financial assistance to local units of government in rural areas.

Per parish allocation for 21-22 LGAP is $150,000
LOCAL GOVERNMENT ASSISTANCE PROGRAM (LGAP)

- Eligible activities: Fire protection, sewer, water, renovations to essential governmental buildings, police protection, land acquisition, demolition, equipment, roads, drainage, and reasonable engineering costs (10% of grant award for basic engineering services if associated with construction and 3% for inspection services).

- Ineligible activities: Previously incurred debt, improvements to private property, on-going salaries, overtime for government employees, administration, engineering-only or planning-only projects are not eligible activities under this program. Projects intended for “recreational use” such as playground equipment, park benches/trash receptacles, or walking trails are not eligible.
The purpose of the **Community Water Enrichment Fund (CWEF)** is to provide financial assistance to local units of government solely for the purpose of rehabilitation, improvement, and construction projects for community water systems in an effort to provide safe, clean drinking water.

Per parish allocation for 21-22 CWEF is $150,000
COMMUNITY WATER ENRICHMENT FUND (CWEF)

• Eligible activities: Reasonable engineering costs (10% of grant award for basic engineering services if associated with construction and 3% for inspection services), rehabilitation, improvements, and construction projects for community water systems.

• Ineligible activities: Previously incurred debt, improvements to private property, on-going salaries, overtime for government employees, administration, engineering-only or planning-only projects, fire hydrants-only projects (fire hydrants must be included within a water line rehabilitation or extension project), generators, hand/power tools, water line locators, heavy-duty equipment used for digging, all chemicals, and incidental supplies.
ELIGIBLE APPLICANTS

• All municipalities and parishes within the state of Louisiana that are identified by the U.S. Department of Housing and Urban Development as non-entitlement communities are eligible to apply for assistance.

• HUD Entitlement jurisdictions that are ineligible for the 21-22 LGAP/CWEP programs are: Alexandria, Baton Rouge, Bossier City, Jefferson Parish (including Grand Isle, Gretna, Harahan, Jean Lafitte, and Westwego), Kenner, Lafayette Parish Consolidated Government, Lake Charles, Monroe, New Orleans, St. Tammany Parish (including Abita Springs, Covington, and Madisonville), Shreveport, Slidell, Terrebonne Parish Consolidated Government, and Thibodaux.
Maximum grant ceiling amounts are based on the following population ranges.

- Villages (1-999) are eligible to apply for up to $25,000.
- Towns (1,000-4,999) are eligible to apply for up to $35,000.
- Cities (5,000-35,000) are eligible to apply for up to $50,000.
- Parishes are eligible to apply for up to $100,000. (If a parish’s incorporated communities’ combined maximum ceiling amounts are less than the allocation for the entire parish area, the parish can then apply for more than $100,000.)
• LGAP/CWEF monies cannot be spent on improvements to private property.

• A local government can only have two grants open at the same time in each program. While a local government may submit an application for review, no additional awards can be made to a local government if the local government has two open grants in a program. If applicable, OCD-LGA will give the local government six (6) months to close out an open grant before deobligating any potential awards.

• All required documentation must be included in the portal before the application can be submitted for review.

• As the application is being completed, the user should click “save” regularly to ensure all work is being saved in the portal.

• A recording of this presentation will be linked on the OCD-LGA website.

• Even though you may not be able to access the portal immediately, you should start gathering the documentation you will need to submit in the portal. You should not wait to begin developing your proposed project. Once you have decided on what you will apply for, you will have to obtain support letters from your legislators and pass a resolution by your local governing body. DO NOT WAIT!
APPLICATION PROCESS

• Eligible local government requests user access to the online application portal by completing a user access request form and emailing the completed form to traci.watts@la.gov.

• OCD-LGA will process user access form and email user id to email address identified on the user access form.

• User will access online portal to create and submit application.
Applications cannot be submitted for review in the online portal until all required information/documentation is included.

- Population of jurisdiction
- House and Senate District Number
- Estimated number of citizens that will benefit from proposed project
- Budget of proposed project including funding sources
- Project description
- Resolution of support from local governing body
- Signed Local Government Assurances (download from online portal)
- Support letter from House and Senate member

 Applications

Sunnyside

The purpose of the Local Government Assistance Program (LGAP) is to provide financial assistance to local units of government in rural areas.

Eligible activities: Fire protection, sewer, water, renovations to essential governmental buildings, police protection, land acquisition, demolition, equipment, roads, drainage, and reasonable engineering costs (10% of grant award for basic engineering services if associated with construction and 3% for inspection services).

Ineligible activities: Previously incurred debt, improvements to private property, on-going salaries, overtime for government employees, administration, engineering-only or planning-only projects are not eligible activities under this program. Projects intended for “recreational use” such as playground equipment, park benches, trash receptacles, or walking trails are not eligible.

Per parish allocation amount for 21/22 application is $150,000.

[+] Add LGAP Application

The purpose of the Community Water Enrichment Fund (CWF) is to provide financial assistance to local units of government solely for the purpose of rehabilitation, improvement, and construction projects for community water systems in an effort to provide safe, clean drinking water.

Eligible activities: Reasonable engineering costs (10% of grant award for basic engineering services if associated with construction and 3% for inspection services), rehabilitation, improvements, and construction projects for community water systems.

Ineligible activities: Previously incurred debt, improvements to private property, on-going salaries, overtime for government employees, administration, engineering-only or planning-only projects, fire hydrant-only projects (the hydrants must be included within a water line rehabilitation or extension project), generators, hand power tools, water line locators, heavy-duty equipment used for digging, all chemicals, and incidental supplies.

Per parish allocation amount for 21/22 application is $150,000.

APPLICATION INFORMATION
Application Type: LGAP

Applicant Entity: Sunnyside
LaGov Vendor ID: 310333333
Population Category: -- Select --

Maximum grant ceiling amounts are based on the following population ranges:
- Villages (1-999) are eligible to apply for up to $25,000.
- Towns (1,000-4,999) are eligible to apply for up to $35,000.
- Cities (5,000-35,000) are eligible to apply for up to $50,000.
- Parishes are eligible to apply for up to $100,000.
  (If a parish's incorporated communities' combined maximum ceiling amounts are less than the allocation for the entire parish area, the parish can then apply for more than $100,000.)

House District: Select Some Option
Senate District: Select Some Option
Other Project Participants: Enter the name of all other entities involved in the proposed project(s).
Project Beneficiaries: Enter an estimate of the number of citizens that will benefit from the proposed project(s).

Is the proposed project located on and/or involve publicly owned property?  ○ Yes  ○ No

* - Please note that grant funds cannot be used for improvements on or to private property.
## Budget Summary

Complete the chart below for all costs identified with the proposed project(s).

In the text box below, provide a description of the Other Project Costs if applicable:
Project Description

In the text box below, provide a narrative addressing the following:

1. Detailed description of proposed project(s). Specify use of funds and the location of the project(s). List any equipment to be purchased. For sewer/water lines or street improvements, list how many feet, miles, or blocks. For building construction, include how many square feet, type of structure, etc. For building renovation, specify type of renovations such as interior/exterior, roofing, plumbing, electrical, ADA handicapped access/fire code requirements, etc.
2. Describe how proposed project(s) will improve health, safety, living conditions, and quality of life of the community.
3. List physical address(es) of proposed project(s)
Required Documentation

The items below must be uploaded to the portal in order for the application to be submitted.

Resolution of support from governmental agency/governing body: No attachment

Local Government Assurances (Download): No attachment

House Support Letter: No attachment

Senate Support Letter: No attachment
