#### *STATE OF EMERGENCY – TROPICAL STORM BETA*

---

**WHEREAS,** the Louisiana Homeland Security and Emergency Assistance and Disaster Act, La. R.S. 29:721, *et seq.*, confers upon the Governor of the State of Louisiana emergency powers to deal with emergencies and disasters, including those caused by fire, flood, earthquake or other natural or manmade causes, in order to ensure that preparations of this State will be adequate to deal with such emergencies or disasters and to preserve the lives and property of the people of the State of Louisiana;

**WHEREAS,** when the Governor determines that a disaster or emergency has occurred, or the threat thereof is imminent, La. R.S. 29:724(B)(1) empowers him to declare a state of emergency by executive order or proclamation, or both;

**WHEREAS,** the National Weather Service has indicated that Tropical Storm Beta, which is currently located off the coast of Texas in the northwestern portion of the Gulf of Mexico, is expected to make landfall near the middle Texas coast late Monday or early Tuesday as a tropical storm;

**WHEREAS,** Tropical Storm warnings are in effect for Jefferson County, Texas and Cameron and Vermilion parishes in Louisiana. Occasional wind gusts of 30 to 40 mph are expected, especially near the coast.

**WHEREAS,** the slow movement of Tropical Storm Beta puts southwest Louisiana at risk for flash flooding and river flooding today through Wednesday or Thursday. Storm surge of one to four feet is expected across the Texas and Louisiana coast tonight through Wednesday or Thursday.

**WHEREAS,** due to the tropical system, there is a potential for storm surge, high winds, and flooding from rainfall in all coastal parishes;

**WHEREAS,** many parishes along the coast will need to take protective measures to help mitigate flooding and wind damage in response to this imminent threat; and

**WHEREAS,** the State anticipates that coastal parishes will declare states of emergency, and assistance may be needed to assist parishes in their response to this developing threat.

**NOW THEREFORE, I, JOHN BEL EDWARDS,** Governor of the State of Louisiana, by virtue of the authority vested by the Constitution and the laws of the State of Louisiana, do hereby order and direct as follows:

**SECTION 1:** Pursuant to the Louisiana Homeland Security and Emergency Assistance and Disaster Act, La. R.S. 29:721, *et seq.*, a state of emergency is hereby declared to exist in the State of Louisiana as a result of the imminent threat of emergency conditions that threaten the lives and property of the citizens of the State.

**SECTION 2:** The Director of the Governor's Office of Homeland Security and Emergency Preparedness (GOHSEP) is hereby authorized to undertake any activity authorized by law which he deems appropriate in response to this declaration.

**SECTION 3:** Pursuant to the La. **SECTION 4:** All departments, commissions, boards, agencies and officers of the State, or any political subdivision thereof, are authorized and directed to cooperate in actions the State may take in response to the effects of this severe weather event.

**SECTIONS 5:** This order is effective upon signature and shall remain in effect from Sunday, September 20, 2020 to Monday, October 19, 2020, unless terminated sooner.
