LOUISIANA COMMUNITY DEVELOPMENT BLOCK GRANT DISASTER
RECOVERY PROGRAM

between the

STATE OF LOUISIANA
DIVISION OF ADMINISTRATION
OFFICE OF COMMUNITY DEVELOPMENT

and

EMERGENT METHOD, LLC

PO# 200343092

This Agreement (hereinafter referred to as the “Agreement” or “Contract”) is entered into by and between EMERGENT METHOD, LLC (“Contractor”), and the STATE OF LOUISIANA, DIVISION OF ADMINISTRATION, OFFICE OF COMMUNITY DEVELOPMENT (“OCD”). Contractor and the OCD may sometimes hereinafter be collectively referred to as the “Parties” and individually as a “Party.”

I. SCOPE OF SERVICES

A. Goals and Objectives

The State of Louisiana, through the OCD, is administering the Community Development Block Grant (“CDBG”) Program for disaster recovery efforts necessary due to hurricanes Katrina, Rita, Gustav, Ike, Isaac, Severe Storms and Flooding of 2016, future disasters and other federally funded initiatives (the “Program”). The OCD is retaining the services of Contractor to provide communications and outreach services needed to support a communications and outreach plan for the Restore Louisiana Task Force and OCD to reach flood victims, key stakeholders, media, and the general public. In addition to the Restore Louisiana programs, communications and outreach services may also be requested by OCD for other existing disaster recovery programs which OCD administers or is a stakeholder, as well as the possibility of expanded services for other similar disaster recovery programs on an as needed/as assigned basis. As outlined in detail below, Contractor will perform certain tasks (“Services”) for the OCD, including but not limited to providing general support services; communications support; internet/social media/digital marketing; as well as ad hoc communications/outreach projects.

B. Statement of Work

1. It is contemplated that Contractor will, from time to time, be requested by the OCD, through its State Program Manager (“SPM”), to perform certain Services for the OCD in furtherance of the communications and outreach services set forth in this Agreement. Each request will be in the form of a document authorizing the
completion of certain Services (a "Task Order"). All Services provided by the Contractor under any Task Order shall be governed by the terms and conditions of this Agreement. At the inception of this Agreement, the method of compensation shall be on a time basis using the rates set forth in the Rate Schedule attached to this Agreement as Attachment II.

2. The execution of this Agreement is not intended nor shall it be construed to obligate the OCD to request any specific Services or amount of Services from the Contractor under any Task Order. The OCD retains the right to request whatever scope or level of Services as it deems appropriate under a Task Order, so long as the Services are within the scope of and are subject to the terms, conditions and limitations of this Agreement.

3. The Contractor will begin to provide particular Services described in each Task Order at such time as shall be agreed upon between the Parties. The Contractor will perform all such Services in a good and workmanlike manner and to the full and complete satisfaction of the OCD.

4. In accordance with instructions given by the OCD through specific Task Orders, the Contractor shall do and perform Services including but not limited to all services detailed in Attachment I, attached hereto and made a part hereof.

C. Contract Monitor/Performance Measures

The SPM for OCD on this Agreement is the Executive Director or his/her designee. The performance measures for this Agreement shall include the successful performance and completion of Contractor’s obligations as provided in this Agreement and in each individual Task Order. Task Orders will be monitored monthly to measure progress toward finalizing deliverables and to measure that progress against the Task Order budget.

D. Monitoring Plan

The OCD will monitor the Services provided by the Contractor under Task Orders and the expenditures of funds under this Agreement. The SPM will be primarily responsible for the routine contact with the Contractor and the monitoring of the Contractor’s performance. Monitoring of performance under this Contract will be conducted through tracking of progress on Task Orders as well as through regular meetings between OCD and the Contractor and any additional monitoring plans or performance standards developed by the OCD and agreed to by the Contractor.

Task Order progress tracking will be accomplished through monthly Task Order tracking reports submitted in conjunction with invoices that include the percent completion of the Task Order and the amount invoiced to date. Percentage of completion estimates may be confirmed by OCD by a review of deliverables received. Analysis and comparison of percent work complete and amount invoiced to date against the Task Order budgets for these items will provide the monitoring information necessary to ensure the continued
successful performance of the Contractor. OCD will closeout completed Task Orders to ensure that the work has been properly completed and all deliverables have been received.

E. Deliverables

The Contract will be considered complete when the Contractor has delivered and OCD has accepted all deliverables specified in this Agreement and/or any issued Task Order(s).

F. Substitution of Key Personnel

The Contractor’s key personnel assigned to this Agreement shall not be replaced without the written consent of OCD. Such consent shall not be unreasonably withheld or delayed provided an equally qualified replacement is offered. In the event that any employee of the Contractor becomes unavailable due to the resignation, illness, or other factors outside of the Contractor’s control, the Contractor shall be responsible for providing an equally qualified replacement.

II. PAYMENT PROCESS

A. The maximum amount of this Contract is $260,000.00 (the “Funds”). Invoices shall be submitted on a monthly basis using an invoice format approved by OCD. The Contractor will not be paid more than the maximum amount of the Contract. Invoices shall be organized so that Services are clearly identified in a separate detailed listing of charges. Invoices that include Other Direct Costs (ODCs) shall be accompanied by evidence of the actual costs including, but not limited to, vendor statements, payment records, or other acceptable evidence of the actual cost of the ODC. The “mark-up” attached to ad placements/media buys, etc. shall not exceed ten percent (10%). Contractor shall not attach any fee or “mark-up” to any other ODC without prior approval from the SPM. The SPM must approve all ODC’s prior to cost being incurred. Only time and ODC’s properly billed and approved by OCD will be paid. No additional expenses of any sort will be paid separately under the Contract.

B. As set forth in Task Orders, compensation shall be invoiced on a time basis. Time services will be invoiced in accordance with the Rate Schedule in Attachment II and shall not exceed the maximum amount set forth in individual Task Orders, unless a revision to the Task Order is approved by the OCD in writing. Services not authorized by a Task Order shall not be paid. The Rate Schedule in Attachment II is made part of this Agreement and will remain in effect for the term of the Agreement.

C. For each deliverable due date in a Task Order agreed to by SPM and Contractor, a penalty of $100 per day will be assessed for each business day that the deliverable exceeds the agreed upon due date, not to exceed $1,000 per deliverable. The penalty will be assessed against accounts payable to the Contractor under this Contract. In the event that penalties exceed payments due to the Contractor, the Contractor shall remit the balance to OCD. The Contractor shall not be assessed a penalty for delays due to circumstances not subject to its control.
D. Payment of invoices must be approved by the Financial Manager of the Disaster Recovery Unit of OCD or designee. The State will make every reasonable effort to make payments within twenty-five (25) business days of receipt of invoice. It is understood that should Contractor fail to submit invoices within sixty (60) days following the end of each month, the State shall not be responsible for payment thereof under this Contract or in quantum meruit, unless an exception is granted by the SPM. Any exception granted by the SPM may include a 25% reduction to the amount of the invoice submitted late.

III. TERM OF CONTRACT; TERMINATION OR SUSPENSION OF CONTRACT

A. Contract Term

This Contract shall begin on May 15, 2018 and end on May 14, 2021, unless terminated early under the provisions herein.

B. Termination/Suspension for Cause

The OCD may, after giving reasonable written notice specifying the effective date, suspend or terminate this Agreement in whole or in part if the Contractor materially fails to comply with any term of this Agreement, which shall include, but not be limited, to the following:

1. Failure to comply with any of the rules, regulations or provisions referred to herein, or such statutes, regulations, executive orders, and HUD guidelines, policies or directives as may be applicable at any time;

2. Failure, for any reason, of the Contractor to fulfill in a timely and proper manner the obligations under this Agreement;

3. Submission by the Contractor of reports to the OCD, HUD or their auditors, reports that are incorrect or incomplete in any material respect, provided the Contractor is given notice of said failure and fails to correct the same within a reasonable amount of time; or

4. Ineffective or improper use of funds as provided for under this Agreement.

If, through any cause, the Contractor shall otherwise fail to fulfill in a timely and proper manner, its obligations under this Agreement, or if the Contractor shall violate any of the covenants, agreements, or stipulations of this Agreement, the OCD shall thereupon have the right to terminate this Agreement by giving written notice to the Contractor of such termination and specifying the effective date thereof, at least thirty (30) days prior to the effective date of said termination. The Contractor shall be paid for all authorized Services properly performed prior to termination.
Any payment to Contractor shall be limited to the compensation provided in this paragraph. Contractor shall not be entitled to lost profits, lost revenue or any other compensation or damages.

C. Termination for Convenience

The OCD may terminate this Agreement at any time by giving at least thirty (30) days prior written notice to the Contractor. The Contractor shall be entitled to payment for Services performed up to the date of termination contained within the notice, to the extent that the Services have been satisfactorily performed and are otherwise reimbursable under the terms of this Agreement. Contractor shall not be entitled to lost profits, lost revenue or any other compensation or damages.

D. Termination Due to Unavailable Funding

The continuation of this Agreement is contingent upon the appropriation and release of funds by OCD to fulfill the requirements of this Agreement. Failure of the appropriate authorities to approve and provide an adequate budget to OCD for fulfillment of the Agreement terms shall constitute reason for termination of the Agreement by either Party. The Contractor shall be paid for all authorized Services properly performed prior to termination. Contractor shall not be entitled to lost profits, lost revenue or any other compensation or damages.

IV. INDEMNIFICATION AND LIMITATION OF LIABILITY

A. Force Majeure

Neither Party shall be liable for any delay or failure in performance beyond its control resulting from Acts of God or force majeure. The Parties shall use reasonable efforts to eliminate or minimize the effect of such events on their respective duties under the Agreement.

B. Indemnity

General Indemnity Language

Neither party shall be liable for any delay or failure in performance beyond its control resulting from acts of God or force majeure. The parties shall use reasonable efforts to eliminate or minimize the effect of such events upon performance of their respective duties under the Contract. The Contractor shall be fully liable for the actions of its agents, employees, partners or Subcontractors and shall fully indemnify and hold harmless the State and its Authorized Users from suits, actions, damages, and costs of every name and description relating to personal injury and damage to real or personal tangible property caused by the Contractor, its agents, employees, partners or Subcontractors, without limitation; provided, however that the Contractor shall not indemnify for that portion of
any claim, loss or damage arising hereunder due to the negligent act or failure to act of the State.

Indemnify Relating To Use Of Protected Process Or Product

The Contractor will indemnify, defend and hold the State and its Authorized Users harmless, without limitation, from and against any and all damages, expenses (including reasonable attorneys’ fees), claims, judgments, liabilities and costs which may be finally assessed against the State in any action for infringement of a United States Letter Patent with respect to the Products furnished, or of any copyright, trademark, trade secret or intellectual property right, provided that the State shall give the Contractor: (i) prompt written notice of any action, claim or threat of infringement suit, or other suit, (ii) the opportunity to take over, settle or defend such action, claim or suit at the Contractor’s sole expense, and (iii) assistance in the defense of any such action at the expense of the Contractor. Where a dispute or claim arises relative to a real or anticipated infringement, the State or its Authorized Users may require the Contractor, at its sole expense, to submit such information and documentation, including formal patent attorney opinions, as the Commissioner of Administration shall require. The Contractor shall not be obligated to indemnify that portion of a claim or dispute based upon: (i) Authorized User’s unauthorized modification or alteration of a Product; (ii) Authorized User’s use of the Product in combination with other products not furnished by the Contract; and (iii) Authorized User’s use in other than the specified operating conditions and environment.

In addition to the foregoing, if the use of any item(s) or part(s) thereof shall be enjoined for any reason or if the Contractor believes that it may be enjoined, the Contractor shall have the right, at its own expense and sole discretion as the Authorized User’s exclusive remedy to take action in the following order of precedence: (i) to procure for the State the right to continue using such item(s) or part(s) thereof, as applicable; (ii) to modify the component so that it becomes non-infringing equipment of at least equal quality and performance; or (ii) to replace said item(s) or part(s) thereof, as applicable, with non-infringing components of at least equal quality and performance, or (iv) if none of the foregoing is commercially reasonable, then provide monetary compensation to the State up to the dollar amount of the Contract.

With respect to indemnity obligations for protected processes, for all other claims against the Contractor where liability is not otherwise set forth in the Contract as being “without limitation”, and regardless of the basis on which the claim is made, the Contractor’s liability limit for direct damages shall be two (2) times the maximum amount of the Contract. Unless otherwise specifically enumerated herein, neither party shall be liable to the other for special, indirect or consequential damages, including lost data or records (unless the Contractor is required to back-up the data or records as part of the work plan), even if the party has been advised of the possibility of such damages. Neither party shall be liable for lost profits, lost revenue or lost institutional operating savings. The State and Authorized User may, in addition to other remedies available to them at law or equity and upon notice to the Contractor, retain such monies from amounts due to the Contractor, or
may proceed against the performance and payment bond, if any, as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against them.

V. ADMINISTRATIVE AND COMPLIANCE PROVISIONS

A. Taxes

The Contractor is responsible for payment of all applicable taxes from the Funds to be received under this Contract. The Contractors' federal tax identification number is 46-0737994, DUNS# 034806728, State Tax Identification Number, 1212267.

The prospective Contractor hereby attest to its current and/or prospective compliance, and agrees to provide its seven-digit LDR Account Number to the contracting agency so that the prospective Contractor’s tax payment compliance may be verified. The prospective Contractor further acknowledges understanding that issuance of a tax clearance certificate by LDR is a necessary precondition to the approval and effectiveness of this Contract by OSP. The contracting agency reserves the right to withdraw its consent to this Contract without penalty and proceed with alternate arrangements should the Contractor fail to resolve any identified apparent outstanding tax compliance discrepancies with LDR within seven (7) days of such notification.

B. State Furnished Resources

State shall appoint a SPM for this Contract who will provide oversight of the activities conducted hereunder. Notwithstanding the Contractor’s responsibility for management during the performance of this Contract, the assigned SPM shall be the principle point of contact on behalf of the State and will be the principle point of contact for Contractor concerning Contractor’s performance under this Contract.

Regulatory applicability determinations made by the State or agreements made between various governmental agencies shall remain as the responsibility of the State. In no way shall Contractor be responsible for the technical, regulatory or legal veracity and acceptability of determinations made by the persons other than its agents, employees, or contractors. Such agreements, determinations and communications shall be provided to Contractor to facilitate completion of the Scope of Work.

State recognizes there may be a requirement under federal, state or local statutes or regulations to report the results of Contractor’s findings to appropriate regulatory agencies. Contractor is not responsible for advising the State about the State’s or others reporting obligations and State agrees that it or others shall be responsible for all reporting, unless Contractor has an independent duty to report under applicable law. In those situations,
Contractor will provide State with advance notice that Contractor believes that it has an obligation to report as well as the substance of the report it intends to make.

The OCD will provide specific project information to the Contractor necessary to complete Services described herein. All records, reports, documents and other material delivered or transmitted to the Contractor by OCD shall remain the property of OCD and shall be returned by the Contractor to OCD, upon request, at termination, expiration or suspension of this Agreement.

Cost incurred by the Contractor to compile and transfer information for return to OCD shall be billed on a time and material basis, subject to the maximum amount of this Agreement. Software and other materials owned by the Contractor prior to the date of this Agreement and not related to this Agreement shall be and remain the property of the Contractor.

C. Subcontractors

The Contractor may, with prior written permission from OCD, enter into subcontracts with third parties ("Subcontractors") for the performance of any part of the Contractor’s duties and obligations. In no event shall the existence of a subcontract operate to release or reduce the liability of the Contractor to OCD for any breach in the performance of the Contractor’s duties. Subcontractor’s agreements must meet all contracting, indemnity, insurance and regulatory compliance requirements. The parties hereby agree that any non-compete agreement or similar agreement with any Subcontractors seeking to restrain the ability of the Subcontractors to perform any services for OCD shall be deemed unenforceable, null and void, to the extent of such non-compete provision, but without invalidating the remaining provisions of the contract with the Subcontractor.

Contingent on verification that no Subcontractor has been debarred, OCD hereby approves the following Subcontractors to provide or perform any part of the Services under the Agreement:

- Zehnder Communications, Inc.
- Innovative Emergency Management, Inc.

The Contractor shall not contract with any other Subcontractor(s) without the express written approval of OCD.
D. Fund Use

The Contractor agrees not to use proceeds from this Agreement to urge any elector to vote for or against any candidate or proposition on an election ballot nor shall such funds be used to lobby for or against any proposition or matter having the effect of law or is being considered by the Louisiana Legislature or any local governing authority. This provision shall not prevent the normal dissemination of factual information relative to a proposition on any election ballot or a proposition or matter having the effect of law being considered by the Louisiana Legislature or any local governing authority.

The Contractor and all Subcontractors shall certify that they have complied with the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) and that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. The Contractor and each Subcontractor shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award.

E. Confidentiality of Data

All financial, statistical, personal, technical and other data and information relating to OCD’s operation which are designated confidential by OCD and made available to the Contractor in order to carry out this Contract, or which become available to the Contractor in carrying out this Contract, shall be protected by the Contractor from unauthorized use and disclosure through the observance of the same or more effective procedural requirements as are applicable to OCD. The identification of all such confidential data and information as well as OCD’s procedural requirements for protection of such data and information from unauthorized use and disclosure shall be provided by OCD in writing to the Contractor. If the methods and procedures employed by the Contractor for the protection of the Contractor’s data and information are deemed by OCD to be adequate for the protection of OCD’s confidential information, such methods and procedures may be used, with the written consent of OCD, to carry out the intent of this paragraph. The Contractor shall not be required under the provisions of this paragraph to keep confidential any data or information which is or becomes publicly available, is already rightfully in the Contractor’s possession, is independently developed by the Contractor outside the scope of this Contract, is obtained from other public agencies, or is rightfully obtained from third parties.

All of the reports, information, data, et cetera, prepared or assembled by the Contractor under this Contract are confidential and the Contractor agrees that they shall not be made available to any individual or organization without the prior written approval of OCD. This does not extend to information that was obtained from the public domain such as public agencies or sources of information available to the general public. The obligations under this Section shall survive the termination or expiration of this Agreement.

The Contractor agrees to send to each labor organization or representative of workers with which the Contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers’ representative of the Contractor’s commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set
