## DECLARATION OF EMERGENCY Department of Agriculture Horticulture Commission

The Horticulture Commission, convened in regular session on January 6, 1982, determined that the provisions of Act 621 of 1981, which became effective on January 1, 1982, have created a burden on the economic welfare of certain citizens of this State who are desirous of licenses to engage in the profession of horticulture. Under the provisions of Act 621 of 1981, no examinations for licensure in the various phases of the practice of horticulture may be administered until such time as the Horticulture Commission fulfills the obligations imposed upon it in Act 621 of 1981 respecting the setting of dates for examinations, the establishment of fees for examinations, and the deadline for submission of applications. The most recent examinations given under the provisions of Act 127 of 1965, the controlling statute prior to the effective date of Act 621 of 1981, were administered early in October 1980. Since that time numerous citizens have applied to the Horticulture Commission to take examinations for licensure in various phases of the practice of horticulture.

Therefore, in order to meet the needs of the applicant citizens without further unreasonable delay, the Horticulture Commission adopted the following Rules on an emergency basis:

### RULES

1. Examinations for Retail Florist
  - A. Examinations for licensure in the profession of retail florist shall be given by the Commission at least once during each quarter but may be given more frequently.
  - B. Examinations will be given from time to time in all major metropolitan areas of the state.
    - C. The Commission shall publish the date of each examination in the issue of the *Louisiana Register* immediately preceding the examination date and will disseminate information concerning scheduled examinations to all interested applicants. The first examinations for retail florist under this emergency rule will be given in Baton Rouge during the period February 22, 1982, through February 26, 1982, beginning at 9 a.m. and 2 p.m. each day.
    - D. Applications for examination for retail florist must be filed in the Commission office in Baton Rouge no later than 4:30 p.m. on the fifteenth day preceding the scheduled examination date.
    - E. Any applicant for licensure as a retail florist who successfully completes either the design phase or the written phase of the examination but does not successfully complete both phases will not be required to submit to re-examination in the phase which was satisfactorily completed. In such cases, the applicant may apply to re-take only that portion of the examination which was not satisfactorily completed.

2. Examinations for Landscape Architect

- A. Examinations for licensure in the profession of landscape architect will be given by the Commission on the date selected for administration of the examination nationally by the landscape architects' national organization.

- B. The Commission will publish the date selected for national administration of the examination in a prior issue of the *Louisiana Register* and will disseminate information concerning the scheduled examination date to all interested applicants.

3. Examinations for Arborist, Horticulturist, Wholesale Florist, and Landscape Contractor

- A. Examinations for arborist, wholesale florist, horticulturist, and landscape contractors will be administered at the State Office of the Commission in Baton Rouge or the Regional Offices of the Department of Agriculture upon request. Interested applicants may apply to the Commission office in Baton Rouge or to any Regional Office.

4. Fees for Examinations

- A. The fee for examination for licensure as a retail florist will be \$100.

- B. The fee for re-examination in the written phase of the examination for retail florist will be \$25.

- C. The fee for re-examination in the design phase of the examination for retail florist will be \$75.

- D. The fee for examination for licensure as a landscape architect will be \$150.

- E. The fee for examination for licensure as arborist, wholesale florist, horticulturist, or landscape contractor will be \$35.

5. Minimum Performance Levels

- A. The minimum performance level for satisfactory completion of all examinations, except the examination for landscape architect, will be 75 percent.

- B. The minimum performance level for satisfactory completion of the examination for landscape architect will be established by the Council of Landscape Architecture Registration Board.

#### AMENDMENT

LAC 11-6:53.5

Permitted medication may be administered to a horse in training during a race meeting only by a licensed veterinarian or a licensed trainer, or under their personal orders, except that all medication given hypodermically must be done by a licensed veterinarian. The following non-steroidal, anti-inflammatory medications may be used in training; cannot be administered within 24 hours of the race; and the maximum analytical test levels are established as:

	Pre-Race Blood and Urine Levels	and	Post-Race Blood and Urine Levels
Phenylbutazone	2.0 micrograms/ml.		165 micrograms/ml.*
Oxyphenbutazone	2.0 micrograms/ml.		165 micrograms/ml.*

\* (combined total of drug and/or metabolite)

These provisions control, other provisions of these rules, to the contrary notwithstanding.

Any test levels in excess of the above maximum analytical test levels shall be considered as prima facie evidence that there has been a violation of the rules dealing with medication.

The stewards shall direct the taking of a blood specimen from any horse from which a urine specimen has been taken or will be taken while the horse is at the special barn as provided pursuant to LAC 11-6:23.35 which shall be delivered to the state chemist for testing.

## DECLARATION OF EMERGENCY

### Department of Health and Human Resources Office of the Secretary

The Louisiana Department of Health and Human Resources is extending the Emergency Rule promulgated in the October, 1981, issue of the *Louisiana Register* announcing that the Department had applied for Block Grant federal funding for the Low-Income Energy Assistance Program under Public Law 97-35, the Omnibus Budget Reconciliation Act of 1981.

In response to comments received regarding the Notice of Intent published in the December, 1981, issue of the *Louisiana Register*, the Department of Health and Human Resources finds it necessary to extend the Emergency Rule in order to afford interested persons an opportunity for oral and written presentation of their views concerning the Low-Income Energy Assistance Program in a public hearing forum. (See Potpourri Section.)

The extension of the Emergency Rule will allow the Department of Health and Human Resources to continue administering the Low-Income Energy Assistance Program until Final Rules are adopted and will ensure continued federal funding of the program to avoid creating undue hardship for the citizens of Louisiana who will participate in the program.

The Low-Income Energy Block Grant will assist eligible households including AFDC, SSI, Food Stamps, VA and other low income households to meet the rising costs of home energy. Eligible households are those with liquid assets such as cash on hand, checking and savings accounts, stocks, bonds and credit shares, valued at \$1,500 or less for a single person household and \$3,000 for a multi-person household. Additionally, total monthly income shall not be more than \$309 for a single person household and \$505 for a multi-person household during February, 1982. For the month of August, the total allowable monthly income is subject to change in accordance with the percentage increase effective July 1, 1982, for Supplementary Security Income and Social Security Administration recipients. Finally, eligible households will be paying for a heating and/or cooling utility or paying rent which includes an amount for utilities.

Applications for assistance will be accepted from February 1, 1982, through February 26, 1982, for the heating assistance program and from August 2, 1982, through August 31, 1982, for the cooling assistance program. All payments will be made for the months of February and August, 1982. The exact payment will be dependent on Louisiana's total allocation. It is estimated that payments will range from \$40 to \$60.

## RULES Department of Agriculture State Entomologist

The State Entomologist, pursuant to the authority contained in LSA 3:1654 and in accordance with Notice of Intent published on December 20, 1981, adopted the following amendments to the Sweet Potato Weevil Quarantine and Regulation at a public hearing held at 2 p.m., Wednesday, January 6, 1982:

Section III, entitled "Quarantine Areas, of the Sweet Potato Weevil Quarantine and Regulation was amended and reenacted to read as follows:

### III. Quarantine Areas

1. Under the authority of LSA 3:1654, the State Entomologist shall annually, no later than November 30 of each year, publish in the *Louisiana Register* a list of all areas of Louisiana and the nation which are under quarantine for the control of the sweet potato weevil.

2. All areas contained on the State Entomologist's annual listing of quarantined areas shall remain under quarantine for a period of one year following the date of publication, except as provided in Paragraph 3 hereof.

3. The State Entomologist may, at his discretion, remove the quarantine from any specific area included in his annual quarantine listing when it is proven to his satisfaction that the sweet potato weevil is no longer present in the area from which the quarantine is to be removed. Whenever the State Entomologist removes a quarantine prior to the expiration of one year following publication of the annual quarantine listing, he shall publish a report of his action in the *Louisiana Register*.

4. The State Entomologist may, at his discretion, supplement his annual quarantine listing whenever the sweet potato weevil is detected in any area which is not under quarantine by publication of a supplement to his listing. The quarantine placed on any area by such supplemental listing shall expire at the same time as the quarantines contained in his annual quarantine listing.

5. Upon publication of the State Entomologist's annual quarantine listing, all previously published annual and supplementary quarantine listings shall automatically expire.

6. Upon the adoption of this Rule, the State Entomologist shall publish in the next issue of the *Louisiana Register* a list of all areas quarantined for control of the sweet potato weevil during 1982, which initial list shall remain in effect only until publication of the annual quarantine listing required in Paragraph 1 hereof.

Commissioner

## COMMITTEE REPORT

### Department of Commerce Board of Certified Public Accountants House of Representatives Committee on Commerce

Honorable David C. Treen  
Governor, State of Louisiana  
State Capitol Building  
Baton Rouge, Louisiana 70804

Dear Governor Treen:

This letter certifies the action disapproving the Proposed Rule 17.7 of the State Board of Certified Public Accountants of Louisiana by the Subcommittee on Executive Agency Oversight and Review of the House Committee on Commerce today at a public hearing. The rule was published in the November 20, 1981, issue of the *Louisiana Register*, page 592. The Subcommittee acted in accordance with the Administrative Procedure Law generally, and specifically with R.S. 49:968.

A copy of the disapproved proposed rule is attached; see Attachment I. The members of the Subcommittee, acting on behalf of the full House Committee on Commerce (R.S. 49:968(D))

and the House of Representatives (R.S. 49:968(E)), disapproved the proposed rule in question by a favorable 4-to-0 vote. With respect to the disapproved Rule 17.7 the Subcommittee determined the following:

1. The rule would add a new rule, designated as 17.7 under LAC 11-9:17 Causes for Nonissuance, Suspension, Revocations or Restrictions; Reinstatements (R.S. 37:84).

2. Present law requires a hearing to suspend or revoke a certificate or license for cause.

3. The proposed rule would allow the State Board of Certified Public Accountants of Louisiana to suspend or revoke a certificate or license **without a hearing** for certain stipulated offenses.

4. The proposed rule would permit to deny certification or licensure to an accountant for conviction of a felony which may have no bearing on the performance of the profession of accountancy.

5. The proposed rule is not reasonable in that it would cause suspension or revocation of a certificate or license and allow the individual accountant only the recourse for a hearing through appeals (without an initial hearing) costing the person time, loss of income and undue loss of professional standing and reputation.

6. The use of the term "fraud" in Proposed Rule 17.7(2) is not defined in the agency's rules generally and is not defined in the Louisiana Criminal Code.

7. The Board does not offer sufficient procedure to ascertain correctly the nature and disposition of a conviction or a plea of guilty or *nolo contendere*.

8. The Subcommittee suggested that the Board reconsider the Proposed Rule and allow the individual accountant to waive his right to a hearing for a pending suspension or revocation.

Under the provisions of R.S. 49:968, you have five days in which to consider the action of the Subcommittee and act on it. Attached as Attachment II is a statement of your action; please return it to the House Committee on Commerce.

Eddie Doucet  
Chairman, Subcommittee on  
Executive Agency Oversight and  
Review, House Committee on Commerce

#### ATTACHMENT I

15.2.6 An annual filing fee to be set by the Board, based on the total number of partners and/or shareholders in the firm who are not licensed to practice in Louisiana but not to exceed \$15 per partner/shareholder with a maximum of \$2,500 per firm, shall be paid by each firm that files in accordance with the provisions of Rule 15.2.3 above.

15.2.7 A filing fee, calculated in the same manner as the most recent annual filing fee provided in Rule 15.2.6 and prorated for the number of complete months remaining in the year, shall be paid by each firm that files in accordance with the provisions of Rule 15.2.4 above and that did not pay an annual filing fee for the immediately preceding filing period.

17.7 Any of the above provisions notwithstanding, the Board may suspend or revoke a certificate and/or license without a hearing for the following causes:

(1) Conviction of a felony or entry of a plea of guilty or *nolo contendere* to a felony charge under the laws of the United States or of any state;

(2) Conviction of any crime or entry of a plea of guilty or *nolo contendere* to any criminal charge an element of which is fraud or which arises out of such individual's practice of public accounting.

(3) The refusal of the licensing authority of another state to issue or renew a license, permit or certificate to practice public

accounting in that state, or the revocation or suspension of or other restriction imposed on a license, permit or certificate issued by such licensing authority.

Interested persons may submit written comments on the proposed rules through December 7, 1981, to Mrs. Mildred M. McGaha, Executive Director, State Board of Certified Public Accountants of Louisiana, 310 Masonic Temple Building, 333 St. Charles Street, New Orleans, Louisiana 70130.

##### Action by Governor David C. Treen

RE: Disapproval of Proposed Rule 17.7 Adopted by the State Board of Certified Public Accountants of Louisiana

I approve the action of the House Committee on Commerce, Subcommittee on Executive Agency Oversight and Review with respect to the Proposed Rule 17.7 as adopted by the State Board of Certified Public Accountants of Louisiana.

David C. Treen  
Governor

#### RULE

##### Department of Culture, Recreation and Tourism Office of the Secretary

##### **GUIDELINES FOR ACT 455 OF THE MATCHING FUNDS PROGRAM Administered by the Office of Tourism**

1. Any non-profit organization desiring funds for a specific tourist promotion project must first be recognized by the local governing body as "a Tourist Promotional Agency or Agencies" in an area authorized to receive this money. For a city or town this would be done by ordinance; for a parish by resolution of the governing police jury or city parish government.

2. A proposal known as a "letter of intent" shall be made. This letter will be prepared by the Tourist Promotion Agency giving basic details about the project and why it is needed.

3. The applicant must show proof of local funds. In doing so, a copy of a bank deposit slip showing application has matching funds covering at least the amount of the request. There will be no in-kind monies for projects. All money must be on a dollar per dollar value for matching funds grants.

4. Parishes and municipalities situated within a designated Economic Development District shall first submit to that Economic Development District their proposals for participating in the Matching Funds Program provided under Act 455, passed by the Legislature of 1970. Said proposals shall be drawn up according to the requirements of said Act, and subsequently screened by the respective Economic Development District Directors. All applications must be submitted for review no later than April 1 each year. The staff of the various Economic Development Districts shall assist local communities, parishes, or combinations of parishes in the development of their respective programs. After screening these applications, the Economic Development District Directors will forward the applications with proper recommendations to the Matching Funds Committee of the Louisiana Tourist Development Commission, by May 1 of each year.

5. All geographic areas not within organized Economic Development Districts shall apply under the existing requirements of the Act and guidelines, directly to the Louisiana Tourist Development Commission by April 1 of each year.

6. The Economic Development District, in making recommendations to the Louisiana Tourist Development Commission with respect to Matching Funds projects authorized by Act 455, will direct attention to the fact that all recommendations for project approval which involve the expenditures of these matching funds on projects involving capital improvement or other developments shall be on property other than that which is owned, controlled and operated by private individuals, firms or corporations.

7. The Louisiana Tourist Development Commission, as provided in the Act creating the Matching Funds Program, shall make final recommendation for the approval of the application for funds for any and all programs submitted, then the Matching Funds Committee of Commissioners of the Louisiana Tourist Development Commission, and if so desired, the secretary of the Department of Culture, Recreation and Tourism, will then make the final decision on the approval of applications. Following this approval, notice to proceed will be provided to the Tourist Promotions Agency. Those projects disapproved will also be notified and reason for disapproval will be given.

8. Upon submission of evidence within the time period so designated by the L.T.D.C. on approval of application, matching funds will be supplied by the Commission to the applicant in the form of one half payment on all valid expenditures submitted on their projects, i.e., if the Tourist Promotion Agency has expended \$2,000, the Commission will reimburse one half that amount (\$1,000). Only expenditures incurred on or after the official "notice to proceed" date, (as described in paragraph 7), will be accepted for reimbursement.

9. Beginning on April 1, which is 90 days prior to the end of the State fiscal year (June 30) in which the funds were awarded, all projects that have not made an appreciable expenditure will have their grant thoroughly reviewed by the Matching Funds Committee on L.T.D.C. with the purpose of reallocating the remaining funds to another project.

10. If the remaining funds are awarded to a new project, the new grantee must expend the funds within that remaining 90 day period. However, if the grantee can show reasonable cause, they may apply for a 90 day extension to complete the project.

11. Applicants for matching funds should plan for monies to be spent by June 30 in the fiscal year that the monies are appropriated. If the project cannot be completed during the fiscal year of the appropriation, the applicant may request a 90 day extension of time. This request for an extension of time must be in writing and show proof positive that the project will be completed by September 30 or lose the grant. This written request must be in the hands of L.T.D.C. by June 1. If the 90 day extension is granted and the applicant fails to draw all monies by September 30, the grant will automatically be terminated and all monies remaining for that project will be returned to the general fund of the State of Louisiana. (Under no circumstances will more than one extension be granted).

12. Due to limited funds the L.T.D.C. encourages applications geared to increasing tourism through advertising and promotional projects, i.e., brochures, posters, print and electronic media, etc. Construction and capitol improvement projects are discouraged due to the limited nature of these funds. It is also not the intent of these funds to underwrite or subsidize administrative or collateral costs of events, etc.

**RULES**

**Board of Elementary and Secondary Education**

**Rule 3.01.80(a)**

The Board adopted the Guidelines for Textbook Adoption, Pursuant to Act 872, 1981 R.S. as amended by the Textbook and Media Committee as follows:

**Guidelines for Textbook Adoption**  
Pursuant to Act 872, 1981 R.S.

(Amendment to BESE Policy 3.01.80)

Annually, the first State textbook adoption hearings shall be held within the first two weeks of January, at which time the names of the State committee members will be made public. After receiving the names of the members at the first meeting, the publishers will mail their samples to the committee members and will have no personal contact with the committee members.

Copies of basal textbooks being considered for adoption shall be placed in cooperating public libraries in those cities named in Act 872 (New Orleans, Baton Rouge, Shreveport, Monroe, Alexandria, Lake Charles, Lafayette and Houma) with the addition of Natchitoches. Public libraries must be contacted initially for use of their facilities for public display, and if they are unable to accommodate the display, then the State Department of Education may select an alternate site, including, for Baton Rouge, the Textbook Division Library, State Department of Education. Alternate sites must be advertised.

All oral objections to textbooks under consideration may be made at the second hearing of the adoption committees and shall not exceed five minutes per person, per publisher, per subject and shall be limited to those objections that have been previously filed in writing at least five working days prior to the second hearing in order to facilitate scheduling of time.

At least one-third of each textbook adoption committee shall be non-educator parents of children who are enrolled in schools or school programs that received funds for state approved textbooks.

The adoption of reading and science textbooks shall be held as scheduled for 1981-82 and the various systems and parishes shall be given the option to purchase or order either program either year, or both years. From 1981-82 on, for future adoptions, science shall be separated from reading to enable the parishes more realistically to implement programs within available funds. Science will be placed in the 1982-83 cycle and a moratorium on all adoptions will be placed on that year. The previous 1982-83 cycle will be advanced to 1983-84, etc. (See adoption cycle.)

**Time Schedule for Textbook Adoptions**  
(Six-year cycle of adoptions)

The Textbook and Media Advisory Council may review the cycle every year in order that any needed changes can be made and recommended to the Board. The adoption schedule is as follows:

## RULE

### Department of Health and Human Resources Office of Family Security

The Department of Health and Human Resources, Office of Family Security, has adopted the following policies in the Aid to Families with Dependent Children (AFDC) Program. These policies are mandated by the Omnibus Budget Reconciliation Act of 1981 (Pub. L. 97-35) and 45 CFR 205, 206, 233, 234.

#### I. EARNED INCOME DISREGARDS AND FOUR MONTH LIMIT

Each individual in the assistance unit who has earned income is entitled to a standard deduction, to a deduction for child care and to the earned income exemption. The deductions from earned shall be applied in the following order:

- (1) Standard deduction
- (2) Child care deduction
- (3) Earned income exception

No other deductions are allowed.

##### A. Standard Deduction:

Maximum allowable deduction is \$75. This amount is reduced if employed less than full-time or less than a full month.

##### B. Child Care:

Maximum deduction allowed is determined by the number of hours the wage earner is actually engaged in employment.

Maximum allowed shall be \$1 per hour employment per child or incapacitated individual up to \$160 per month each.

Verified amount actually paid by the wage earner up to the maximum shall be deducted.

##### C. Earned Income Exemption:

EIE applied for FOUR consecutive months ONLY.

AFDC recipient shall not be entitled to this deduction again until after the expiration of 12 CONSECUTIVE months during which he was not included in any AFDC certification.

#### II. RESOURCE LIMIT

\$1,000 per assistance unit.

Exclusions are:

- a) Home
- b) Equity value up to \$1,200 in one power-driven land conveyance.

Equity value is fair market value less encumbrances.

#### III. LUMP SUM PAYMENT

Lump sum payments received by any members of the income unit shall be considered as income to the AFDC assistance unit unless the income is excluded.

The lump sum payment will be divided by the need standard for the appropriate size income unit.

The assistance unit will be ineligible for the whole number of months that the pro-rated incomes meet their need. Remaining income, after this computation, will be considered as income received in the first month following the period of ineligibility regardless of whether the income is available.

#### IV. EARNED INCOME CREDIT

EIC shall be considered as income which is potentially available to clients who have earned income; therefore, all clients who have earned income shall be required to file an IRS Form W-5 with an employer to receive advance EIC.

EIC shall be budgeted as earned income.

If the client who has earned income refuses to file an IRS Form W-5 and apply for EIC, the cases shall be rejected or closed because need cannot be established.

#### V. STEPPARENT LIABILITY

Income of a stepparent residing in home shall be considered in determining eligibility.

#### VI. STRIKERS

AFDC benefits cannot be paid to families in which the caretaker relative or stepparent is participating in a strike on the last

day of the month and, if any other member of the household is participating in a strike, his or her needs cannot be considered in computing the AFDC benefits.

#### VII. DEPENDENT CHILD AGE LIMIT

Under 16 year of age.

16-18 years of age either exempt from WIN/Work Registration or registered for employment/participating in the WIN Program.

18-19 years, if a full-time student in a secondary school or in the equivalent level of vocational or technical training, and reasonably expected to complete the program before reaching age 19.

#### VIII. UNBORN CHILD COVERAGE

Unborn children will no longer be eligible for AFDC.

Pregnant woman who has completed fifth month of pregnancy may be certified if otherwise eligible (unborn is not eligible).

#### IX. PAYMENTS BELOW \$10

AFDC grant payments in an amount of less than \$10 will be prohibited but the AFDC family will remain eligible for Medicaid.

#### X. ADJUSTMENTS FOR INCORRECT PAYMENTS

All AFDC losses regardless of reason for overpayment will be subject to collection either by recoupment or recovery.

Recipients who failed to timely report a change in earned income will not be given the benefit of the earned income deductions and exemptions in the computation of overpayments/ineligible payments.

#### XI. ALIEN ELIGIBILITY FOR AFDC

Legally admitted aliens who apply for benefits for the first time after September 30, 1981, shall have the income and resources of their sponsor and the sponsor's legal spouse (if residing in the home) considered available for their support for a period of three years after their entry into the U.S.

#### XII. TRAINING ALLOWANCE

The \$28 allowance to meet the cost of training connected expenses shall no longer be allowed for future training in lieu of employment.

#### XIII. INCOME LIMIT ON 150 PERCENT OF NEED STANDARD

At application, redetermination or any time there is a change in circumstances, the household must meet a pre-test of eligibility based on need. In this pre-test, gross income from employment plus profit from self-employment plus countable unearned income must be less than 150 percent of the appropriate need standard.

#### XIV. WORK OR WORK REGISTRATION REQUIREMENTS FOR AFDC RECIPIENTS

All AFDC children age 16 to 19 will be required to work or register for work unless attending school full-time. Caretaker relatives and parents will be required to work or register unless personally caring for a child under age 6 with only brief and occasional absences from the child. The caretaker relative under age 21 in a training course which will be completed within two years will be required to register for work and accept employment if available.

#### XV. RETROSPECTIVE BUDGETING/MONTHLY REPORTING

The amount of assistance for:

- (a) AFDC recipients who have earned income
- (b) AFDC recipients who have stepparent's income
- (c) AFDC recipients who have voluntary contributions
- (d) AFDC recipients who have unemployment compensation

- (e) AFDC recipients whose grant amount is less than \$10
- (f) AFDC recipients who were certified as a result of loss of earned income not due to incapacity

- (g) AFDC recipients previously included in retrospective budgeting and monthly reporting

(h) All other AFDC recipients who will be phased into the monthly reporting and retrospective budgeting requirements mandated by the Omnibus Budget Reconciliation Act of 1981 (P.L. 97-35)

will be used on the actual income or circumstances which existed in the second prior month. These AFDC recipients will be required to submit monthly reports of household circumstances including verification of income to the local Office of Family Security. If the AFDC payee is also head of the household for Food Stamp benefits, the household's food stamp eligibility and benefits will be based on the monthly report of the household's circumstances as based on Section 108B of the Omnibus Budget Reconciliation Act of 1981 and pursuant to the AFDC programs Retrospective Budgeting/Monthly Reporting policies (Retrospective Handbook).

Please note: AFDC categorically eligible Medicaid recipients are subject to termination of Medicaid benefits for failure to submit monthly reports.

The monthly reports shall be submitted to the local Office of Family Security by the tenth day of each month or the next working day if the tenth is a holiday or weekend. Failure to submit a completed report, including verification each month may result in suspension or closure of the case.

This is subject to the Court Order issued in French vs. Fischer, U.S. District Court, Eastern District Louisiana.

#### **RULE**

#### **Department of Health and Human Resources Office of Family Security**

The Department of Health and Human Resources, Office of Family Security effective January 20, 1982, has redefined the definition of Physician's services by adding clarifying language, in order to track the language of Federal Regulation (vol. 43, number 190, Federal Register, page 45224, September 29, 1978, as amended by volume 45, number 72, Federal Register, page 24888, April 11, 1980) and to make policy consistent within the program. In the following definition words in italics have been added to the current language: Physician's services whether furnished in the office, the recipient's home, a hospital, a skilled nursing facility, or elsewhere, means services provided — within the scope of practice of medicine or osteopathy as defined by State law; and *by or under the personal direction and supervision of an individual licensed under State law to practice medicine or osteopathy.*

George A. Fischer  
Secretary

#### **RULE**

#### **Department of Health and Human Resources Office of Family Security**

The Department of Health and Human Resources, Office of Family Security has adopted the policies as described below in the Food Stamp Program. These policy changes are mandated by Federal Regulations as published in the Federal Register, Volume 46, No. 172, pages 44712 through 44727, Friday, September 4, 1981, in accordance with the 1981 Omnibus Reconciliation Act.

#### **I. Household Concept**

The definition of household has been partially changed. The definition includes a group of individuals who live together and customarily purchase food and prepare meals together for home consumption, except that parents and children who live together shall be treated as a group of individuals who customarily purchase and prepare meals together for home consumption even if they do not do so, unless one of the parents is 60 years of age or older.

In no event shall separate household status be granted to children living with parents unless at least one parent is 60 years of age or older, parents less than 60 years of age living with children, or a boarder. Boarder status, in addition to other restrictions, shall not be granted to children living with parents if both parents are under age 60.

#### **II. Strikers**

For food stamp purposes, a striker is defined as anyone involved in a strike or concerted stoppage of work by employees (including a stoppage by reason of the expiration of a collective-bargaining agreement) and any concerted slowdown or other concerted interruption of operations by employees. Any employee engaged in a lockout, however, is not deemed to be a striker.

Households with striking members shall be ineligible to participate in the Food Stamp Program unless the household was eligible prior to the strike. If the household is eligible for food stamps immediately prior to such strike, however, such household shall not receive an increased allotment as the result of a decrease in the income of the striking member or members of the household.

If the household were eligible or participating prior to the strike action, benefits shall be calculated by using the household's income as it stood immediately prior to the strike. That is, the household's regular monthly earned income attributable to the job on which the strike occurred would be deemed to remain the same after the strike as if the household member were still working. If other changes occur, (for example, a change in household size, changes in income from strike benefits or from other, nonstrike-related employment) household benefits shall be adjusted using normal procedures.

Strikers shall be subject to the work registration requirement unless otherwise exempt.

#### **III. Income Eligibility Standards**

A. The income eligibility standards for the Food Stamp Program shall be as follows:

(1) Gross Income — (All households except those specified in (2) below.) The income eligibility standards for the contiguous 48 states and the District of Columbia, Guam, Puerto Rico and the Virgin Islands shall be 130 percent of the Office of Management and Budget's (OMB) nonfarm income poverty guidelines for the 48 states and the District of Columbia.

(2) Net Income — For households which contain a member who is 60 years of age or over, or a member who receives Supplemental Security Income (SSI) benefits under Title XVI of the Social Security Act, or disability and blindness payments under Titles I, II, X, XIV, or XVI of the Social Security Act, the net income eligibility standards for the Food Stamp Program shall be as follows: The income eligibility standards for the contiguous 48 states and the District of Columbia, Guam, Puerto Rico and the Virgin Islands shall be the Office of Management and Budget's (OMB) nonfarm income poverty guideline for the 48 states and the District of Columbia.

(3) The income eligibility limits, as described in this paragraph, are revised each July 1, to reflect OMB's annual adjustment to the nonfarm poverty guidelines for the 48 states and the District of Columbia, for Alaska, and for Hawaii.

B. Income eligibility standard for Louisiana is as follows:

Household Size	Gross Monthly Income	Net Monthly Income
1	\$ 467	\$ 360
2	617	475
3	766	590
4	916	705
5	1,065	820
6	1,215	935
7	1,364	1,050
8	1,514	1,165
Each Additional Person	+ 150	+ 155

IV. Earned Income Deduction — The earned income deduction is 18 percent of gross earned income.

V. Initial Month's Benefits — A household's benefit level for the initial month of certification will be based on the day of the month it applies for benefits. Using a 30-day calendar or fiscal month, households shall receive benefits prorated from the day of application to the end of the month. A household applying on the thirty-first of a month will be treated as though they applied on the thirtieth of the month. Initial month means either the first month for which an allotment is issued to a household, or the first month for which an allotment is issued to a household following any period of more than a month during which the household was not certified for participation in the Food Stamp Program. If the prorated allotment results in an amount of \$1, \$3, or \$5, the allotment shall be rounded to \$2, \$4, or \$6 respectively.

VI. Income Eligibility and Benefit Level — For households containing a member age 60 or over or who receives SSI under Title XVI of the Social Security Act or disability and blindness payments under Titles I, II, X, XIV, or XVI of the Social Security Act, income eligibility shall be based on net income.

For all other households, income eligibility shall be based on gross income.

All eligible one and two-person households shall receive a minimum monthly allotment of \$10 except when proration of initial month's benefits occurs. All eligible households whose benefits are prorated to \$1, \$3, or \$5, and eligible households with three or more members which are entitled to \$1, \$3, and \$5, allotments shall receive allotments of \$2, \$4, and \$6, respectively to correspond with current coupon denominations. For those eligible households with three or more members, which are entitled to no benefits, the eligibility worker shall deny the household's participation, on the grounds that its net income exceeds the level below which benefits are issued.

The level of benefits for all eligible households shall be based upon net monthly income.

VII. Expedited Service — Households certified after the fifteenth of the month under the expedited processing standards shall be certified the initial month which prorated benefits and for the subsequent month with full benefits.

VIII. Recertification of Supplemental Security Income Households — Supplemental Security Income households which have received a food stamp notice of expiration shall be entitled to make a timely application for food stamp recertification at the SSA office.

IX. Thrifty Food Plan

A. Effective April 1, 1982, the Thrifty Food Plan amounts shall be adjusted to the nearest dollar increment to reflect changes in the Consumer Price Index for all Urban Consumers (CPI-U) for the cost of food, for the 15 months ending on December 31, 1981.

B. Effective July 1, 1983, the Thrifty Food plan amounts shall be adjusted to the nearest dollar amount to reflect changes in

the CPI-U for the cost of food, for the 15 months ending March 31, 1983.

C. Effective October 1, 1984, the Thrifty Food Plan amounts shall be adjusted to the nearest dollar increment to reflect changes in the CPU-U for the cost of food, for the 15 months ending June 30, 1984.

D. Effective October 1, 1985, and each October 1 thereafter, the Thrifty Food Plan amounts shall be adjusted to the nearest dollar increment to reflect changes in the CPI-U for the cost of food, for the 12 months ending on the preceding June 30.

X. Adjustment of Standard Deduction

A. Effective July 1, 1983, the standard deductions shall be adjusted to reflect changes in the Consumer Price Index for all urban consumers (CPI-U) for items other than food and the homeownership component of shelter costs for the 15 months ending March 31, 1983.

B. Effective October 1, 1984, the standard deductions shall be adjusted to reflect changes in the CPI-U for items other than food and the homeownership component of shelter costs for the 15 months ending June 30, 1984.

C. Effective October 1, 1985, and each October 1 thereafter, the standard deductions shall be adjusted to reflect changes in the CPI-U for items other than food and the homeownership component of shelter costs for the 12 months ending the previous June 30.

D. These adjustments shall be based on the previous unrounded numbers, and the result rounded to the nearest \$5 increment.

XI. Adjustment of Shelter Deduction

A. Effective July 1, 1983, the maximum limit for excess shelter expense deductions shall be adjusted to reflect changes in the shelter (exclusive of homeownership costs), fuel, and utilities components of the CPI-U for the 15 months ending March 31, 1983.

B. Effective October 1, 1984, the maximum limit for excess shelter expense deductions shall be adjusted to reflect changes in the shelter (exclusive of homeownership costs), fuel, and utilities components of the CPI-U for the 15 months ending June 30, 1984.

C. Effective October 1, 1985, and each October 1 thereafter, the maximum limit for excess shelter expense deductions shall be adjusted to reflect changes in the shelter (exclusive of homeownership costs) fuel, and utilities components of the CPI-U for the 12 months ending the preceding June 30.

D. These adjustments shall be based on the previous unrounded numbers, and the result rounded to the nearest \$5 increment.

XII. Outreach — The Outreach Program will be discontinued but program informational material will continue to be available.

XIII. Monthly Reporting and Retrospective Budgeting — in addition to the above criteria, if an Aid to Families with Dependent Children (AFDC) payee is also head of household for food stamp benefits, the household's food stamp eligibility and benefits will be based on the monthly report of the household's circumstances as based on Section 107 and Section 108B of the Omnibus Reconciliation Act of 1981 and pursuant to the AFDC program's Retrospective Budgeting/Monthly Reporting policies (Retrospective Handbook).

In the case of Public Assistance Food Stamp Households (Type 3), this is subject to the Court Order issued in French vs. Fischer U.S. District Court, Eastern District La.

## RULE

### Department of Health and Human Resources Office of Family Security

The Department of Health and Human Resources, Office of Family Security, has adopted the following policy related to limitations on Long Term Care facility costs.

Reasonable cost limits are established as follows:

(1) Salaries — Allowable costs for salaries are limited to the maximum amount allowed by State Civil Service for the appropriate job requirements. This limit shall include salary and the value of other fringe benefits which are provided to state employees. Allowable salaries may be less than this limit based on the employee's actual duties. Refer to the Department of Civil Service Wage and Classification Plan.

(2) Dues and Related Travel Expenses — Travel expenses are allowable only as related to the administration of the facility and patient care. Out-of-state travel is allowable only as approved by OFS and only to the extent that costs are of direct benefit to patients or for the prudent operation of the facility. Out-of-town travel within the state is allowable only for the licensing requirements, continuing education, and administrative costs directly related to patient care. Compensation for such travel is limited to that allowable for state employees, both for mileage and per diem expenses. The Division of Administration publishes this criteria, and it is also published in the *Louisiana Register*. Vehicle expenses are allowable only as charged to the license number of vehicles which are established for facility use.

Dues are not an allowable cost.

(3) Insurance — Insurance rates must be reasonable. To assure reasonableness, evidence of competitive pricing must be available. Allowable cost is limited to the lowest of three bids for the coverage obtained. To be allowable, policies must be available for review by auditors and only ordinary and necessary coverage will be included.

(4) Interest — Interest is limited to that which can be specifically related to the purchase of an asset or is necessary for the operation of the facility. Working capital notes must be documented. Cash flow statements are to be supported by accounting records.

Generally, necessary and proper interest on both current and capital indebtedness is an allowable cost.

"Necessary" requires that interest: be incurred on a loan made to satisfy a financial need of the provider related to patient care

AND be reduced by investment income. "Proper" requires that interest: be incurred at a rate not in excess of what a prudent borrower would have to pay

AND be paid to a lender not related through control or ownership or personal relationship, to the provider. Exceptions are allowable only in accordance with HIM-15, Paragraph 218.2.

Mortgage interest is allowable only if it meets the above criteria. If mortgage interest is disallowed, the equity base must be adjusted.

(5) Motor Vehicle — The allowable depreciation and interest expense is limited to the state-wide average list price of a new standard size auto or van expensed over 36 months at the prevailing new auto interest rate charged by lending institutions. Lease costs are limited to charges over 36 months by bank related leasing companies or actual lease costs, whichever is less. The state-wide averages will be revised annually by DHHR - OFS. Taxes, tags, titles and insurance charges for the vehicle may be expensed in the year paid.

All vehicles must be related to patient care. It is recognized that some vehicles may be driven to and from the facility by full-time employees who are subject to call. The following types of vehicles are specifically disallowed: Recreational vehicles, pickup

trucks equipped for camping, motorized homes, airplanes and boats.

(6) Management Fees and Central Office Overhead — Contracts for management services must specify exactly what services are covered by the fee. The cost allocation plan for the management firm must also be available for review and audit by DHHR. The charges by a related management firm are limited to actual cost which shall not exceed what the service would cost from unrelated management companies. Related management companies will be required to file a cost report and be subject to audit by DHHR.

(7) Director's Fees — Director's fees are not an allowable cost.

(8) Owner's Compensation — All types of owner's compensation limits are based on the following criteria:

a. The position filled by the owner is normal to the industry.

b. The salary paid to the owner is in line with employee's salaries for similar positions limited as shown in Item 1.

c. Verification that the owner does perform the service for which he is being compensated. Example: Owner's wife is Director of Nursing. Wife must meet criteria described in a and b above and show evidence of her current licensure. Signed time sheets must support that actual work is performed.

(9) Rent — a. Rental payments between related parties are limited to actual cost and may not exceed (b) below.

b. Rent paid to unrelated parties will be subject to the following:

i. Facility lease shall be limited to an average of leases approved for the prior three years with each lease brought current by the Composite Construction Cost Index prior to being included in the average.

ii. Sub-lease costs will be reimbursed at the original lease cost with an approved certificate of need.

## RULE

### Department of Health and Human Resources Office of Family Security

The Department of Health and Human Resources, Office of Family Security, has suspended effective January 20, 1982, the following drug for the Maximum Allowable Cost (MAC) list: Dicloxacillin Sodium, Oral Capsule, 250mg.

This action was required as a result of telegram received from the chairman of The Pharmaceutical Reimbursement Board of Health Care Financing Administration (HCFA). The federal government is removing this drug because "of the potential lack of product availability in the marketplace."

George A. Fischer  
Secretary

## RULE

### Department of Health and Human Resources Office of Family Security

The Department of Health and Human Resources, Office of Family Security, (OFS) has adopted patient liability for the

month of entry to a long term care facility. Income (patient liability as determined by the OFS Parish Office) shall be applied in computing the OFS payment to the long term care facility beginning with the first day the applicant or recipient is determined categorically and medically eligible, or date of admission if later. OFS will pay the long term care facility the per diem rate less the recipient's per diem applicable income for the number of eligible days.

This rule is being adopted to bring policy into compliance with Federal Regulation CFR:42: CFR 435.733.

## **RULE**

### **Department of Health and Human Resources Office of Health Services and Environmental Quality**

#### **I. Statement of Purpose, Scope, Applicability of Policy**

Public Health Service Act, Section 1001, Sub-Part A, Part 59.5a5 Title 42 Code of Federal Regulations requires the collection of fees from either a third party responsible for the medical care of a recipient of services or from the recipient of family planning service.

No charge for services will be made to any person from a low-income family except to the extent that charges can be filed to a third party (including a government agency) which is authorized or is under legal obligation to pay such charge. Charges are to be made to persons whose incomes exceed the levels set forth in Section 59.2(e) of the regulations, and must be in accordance with a schedule submitted and approved as part of the project plan. Such a schedule should be based on ability to pay, which is generally determined by income. On the basis of the sliding scale, persons not covered by a third-party source are classified as "full pay" (pay 100 percent of the charges), "partial pay" (pay 1 to 99 percent of the charges), and "no pay". Charges must be made for services to such persons to the extent that payment will be made by a third party which is authorized or under legal obligation to pay such charges, and efforts must be made to obtain such third-party payments. Charges should be made in a manner that will not constitute a barrier to services. No patient should be denied services because of inability to pay.

In compliance with the regulation the Department of Health and Human Resources, Office of Health Services and Environmental Quality Family Planning Program has adopted uniform policies, rules and fee schedules for persons receiving family planning services in all of its units and service sites providing services under its auspices either directly or by contract. Fees will be based on cost and adjusted according to the ability of the recipient to pay.

#### **II. Fees**

##### **A. Fee Policy**

All persons seen for family planning services at an Office of Health Services and Environmental Quality health unit or at a site providing family planning services by contract with Office of Health Services and Environmental Quality shall be assessed a fee for each chargeable service. Chargeable services are those defined as chargeable under Medicaid, regardless of the source of payment.

All patients whose gross family income is above 150 percent poverty as determined by the U.S. Community Services Administration as indicated on the fee adjustment schedule shall

pay a fee for each service provided. Fees and adjustments to fees are to be established by the fee clerk at the time patient is registered for service.

Inasmuch as each person not clearly eligible for Medicaid or Title XX supported services must be screened to determine Title XX eligibility, guidelines for the Title XX program will be adhered to for the determination of gross monthly income and family size. Family size, gross income and dependents are defined according to Title XX service definitions.

Patients shall be charged a fee for each service, regardless of which service is provided, in the same manner in which Medicaid is charged. No fee shall be charged for failed or cancelled appointments.

Minors seen without the consent and knowledge of parents or legal guardians will be considered as separate family units and will be charged according to the minor's own income whether the source is allowance or earnings.

All patients shall be asked to pay their fees at the time of service delivery. However, when patients do not pay at the time of the visit, they shall be billed on a regular basis, preferably monthly, but no less frequently than quarterly.

George A. Fischer  
Secretary

## **RULE**

### **Department of Health and Human Resources Office of Health Services and Environmental Quality**

The Department of Health and Human Resources, Office of Health Services and Environmental Quality hereby amends the State Sanitary Code, Chapter VIII (Water Supplies, Cold Storage and Ice Plants), Paragraph 8:1, Definitions. The amendment adds to the existing definition of the federal National Interim Primary Drinking Water (NIPDW) Regulations, the amendment to the federal NIPDW Regulations pertaining to trihalomethanes as published in the Federal Register on November 29, 1979 and March 11, 1980. Paragraph 8:1, Definitions, cites wherein the Federal Register the NIPDW Regulations may be found and is not a substantive definition of the regulations. The NIPDW Regulations are referred to in other provisions of Chapter VIII. The effect of this amendment on other provisions is only in paragraph 8.2.5 and that effect is to adopt the federal trihalomethane drinking water quality standard as a part of the State's standards for community water systems serving 75,000 or more individuals and, after November 29, 1983, for community water systems serving 10,000 to 74,999 individuals.

The existing definition reads - National Interim Primary Drinking Water Regulations: Regulations promulgated by the U.S. Environmental Protection Agency pursuant to applicable provisions of P.L. 93-523, the "Safe Drinking Water Act," and as published in the Federal Register of December 24, 1975, pages 59,566 through 59,574, and July 9, 1976, pages 28,402 through 28,409.

The revised definition reads - National Interim Primary Drinking Water Regulations - Regulations (40CFR141) promulgated by the U.S. Environmental Protection Agency pursuant to applicable provisions of P.L. 93-523, the "Safe Drinking Water Act," and as published in the Federal Register of December 24, 1975, pages 59,566 through 59,574, and July 9, 1976, pages 28,402 through 28,409, November 29, 1979, pages 68,624 through 68,707, and March 11, 1980, pages 15,542 through 15,547.
