20-451-Local Housing of State Adult Offenders

Agency Description

The mission of the Local Housing of State Adult Offenders Program is to provide a safe and secure environment for the adult male and female offenders who have been committed to state custody and are awaiting transfer to the Department of Public Safety and Corrections (DPS&C), Corrections Services. Due to space limitations in state correctional institutions, the DPS&C, Corrections Services, continues its partnership with the Louisiana Sheriffs' Association and other local governing authorities by utilizing parish and local jails for housing offenders and works with these partners to establish opportunities for reentry programs and services for state offenders releasing from facilities.

The goal of the Local Housing of Adult Offenders Program is to continue the Community Corrections Partnership, which utilizes parish and local prisons for housing offenders who have been committed to the state's custody and are awaiting transfer to Corrections Services through the program.

The goal of the Transitional Work Program is to continue to provide for the housing of offenders who are qualified for transitional work programs, providing offenders for a step-down transition prior to release from incarceration.

The goal of the Local Reentry Services Program is to improve the recidivism rate of offenders housed in parish and local facilities by 5% by 2028.

The goal of the Criminal Justice Reinvestment Program is to reinvest dollars saved from releasing offenders into programming for state offenders at the local level jails, opening a halfway house pilot program, enhancing and expanding reentry centers, and hiring Community Resource coordinators in Probation and Parole districts investing in specialty courts and diversion programs.

This agency has four programs: Local Housing of Adult Offenders, Transitional Work Program, Local Reentry Services, and Criminal Justice Reinvestment Initiative.

4512-Transitional Work Program

Program Authorization

This program is authorized by the following legislation:

- R.S. 15:827.1

Program Description

The mission of the Department of Public Safety and Corrections through the utilization of Community Rehabilitation Centers and Transitional Work Programs, is to provide for public safety of the community while providing for the custody, control, and treatment of offenders assigned to the programs and to adjust to free living thereby increasing public safety. To this end, transitional work programs provide for:

- Housing, recreation, and treatment activities aimed at re-socialization.
- Employment opportunities through seeking the best available jobs for participants.
- Assisting the participant in complying with any special conditions imposed by the Committee on Parole.

The transitional work programs have proven to be successful in assisting an offender in making the transition from prison back into the workforce and also providing an income source upon release.

The Department of Public Safety and Corrections has developed standard operating procedures (SOPs) to be followed by community contractors who house adult offenders in community rehabilitation centers and transitional work programs; these SOPs include provisions for American Correctional Association (ACA) accreditation. The responsibilities of the Adult Services Program within the Corrections Administration Appropriation have been expanded to include monitoring of functions and services of community rehabilitation centers (halfway houses and transitional work programs).

The goal of the Transitional Work Program is to continue to provide for the housing of offenders who are qualified for these programs, providing offenders for a step-down transition prior to release from incarceration.

4513-Local Reentry Services

Program Description

The mission of the Local Reentry Services Program is to provide pre-release education and transition services for the adult male and female offenders who have been committed to state custody and are housed in parish and local jails. Additionally, this program provides an alternative to revocation through intensified supervision, case management, education, and treatment to offenders supervised by Probation and Parole who have technical violations of supervision that would normally warrant revocation.

The goal of the Local Reentry Services Program is to improve the recidivism rate of offenders housed in parish and local correctional facilities by 5% by 2028.

4521-Local Housing of Juvenile Offenders

Program Authorization

This program is authorized by the following legislation:

- R.S. 46:1906; R.S. 15:824

Program Description

The mission of the Local Housing of Juvenile Offenders Program is to provide a safe, secure and therapeutic environment for juveniles who have been adjudicated delinquent and are awaiting transfer to the Youth Services. Due to space limitations in state operated youth facilities, Youth Services continues its partnership with local governing authorities by utilizing parish and local detention for housing juvenile offenders and supporting the delivery of services during the youth's placement.

The goal of the Local Housing of Juvenile Offenders Program is to partner with parish and local detention facilities for housing juvenile offenders committed to the state's custody and waiting transfer to Youth Services' physical custody.

The Local Housing of Juvenile Offenders includes the following activities:

- **Non Secure-** When a youth is adjudicated delinquent by the court system, often it is in the public's best interest to find an immediate placement for the youth in order to ensure public safety. It is often in the best interest of the youth, the youth's family and school system to detain the youth until appropriate rehabilitative/treatment services can be administered. Due to space limitations in state youth facilities, Youth Services partners with the Louisiana Juvenile Detention Association and other local governing authorities by utilizing parish and local detention for housing offenders and supporting the delivery of services during the youth's placement.
- **Secure Care-** When a youth is adjudicated delinquent by the court system, often it is in the public's best interest to find an immediate placement for the youth in order to ensure public safety. It is often in the best interest of the youth, the youth's family and school system to detain the youth until appropriate rehabilitative/treatment services can be administered. 20-903-Parish Transportation

Agency Description

The Parish Transportation Program provides funding to local government entities for road systems maintenance, mass transit, and to serve as local match for off-system roads and bridges. The Parish Road appropriation is distributed to the 64 parishes for road systems maintenance. State statute provides that funds be distributed on a population-based, or per capita, formula. State statute provides that funds in excess of the Fiscal Year 1994 appropriation level (\$34,000,000) be distributed to parishes based upon parish road mileage. The Mass Transit appropriation provides funding to the eligible cities or parishes with mass transit systems. Cities and parishes receiving such aid include the following: Alexandria, Baton Rouge, Lafayette, Lake Charles, Monroe, New Orleans, Jefferson Parish, Kenner, St. Bernard Parish, Shreveport, St. Tammany Parish, and Houma. Additionally DOTD's Public Transit Division receives funding from this source to provide local match money for the purchase of transit buses. The local match for off-system roads and bridges appropriation provides funding to match federal aid for off-system railroad crossings and bridges.

20-924-Video Draw Poker - Local Government Aid

Agency Description

The mission of the Video Draw Poker - Local Government Aid is to provide, pursuant to legislative appropriation, that twenty-five percent of the funds in the Video Draw Poker Device Fund shall be distributed to the local governing authorities of the parishes or municipalities in which the video draw poker devices are operated.

The goal of the Video Draw Poker - Local Government Aid is to distribute the proportion of total amount of fees, fines, and penalties each parish or municipality contributes to the statewide total and is to be used for enforcement of the statute and offenses relating to gaming. The twenty-five percent distribution is reduced by the salary increases to district attorneys and assistant district attorneys authorized by statute in 1992 - up to a cap of \$5,400,000 from the local government portion of the video draw poker proceeds.

Other Charges

Amount	Description
Other Charges:	
\$100,000	Advanced Call Center Technologies - The company is investing \$1.5 million to develop a new customer care center in Shreveport that will create 600 direct new jobs. Louisiana Economic Development estimates the project will result in 314 indirect jobs, for a total of more than 900 new jobs in Louisiana's Northwest region.
\$250,000	Agile Cold Storage - A diversified storage and logistics solutions company serving North American food manufacturers, processors and growers, announced it will invest \$45.9 million to construct a new 150,000 square-foot automated cold storage facility in St. Tammany Parish. The Company estimates the project will create 100 direct new jobs with an average annual salary of \$53,000. Louisiana Economic Development estimates that the project will result in 95 indirect new jobs, for a total of 195 potential new jobs in the Southeast Region of the state.
\$325,000	Baton Rouge Health District - To administer the HealthTech Catalyst program to enhance health education, research, and industry assets through technology-based approaches targeting catalytic innovation between BRHD member institutions enhancing health-tech innovation and economic development in the capital region.
\$230,000	Breeze Airways - A newly-launched airline which will create an operations base with hundreds of jobs at Louis Armstrong New Orleans international Airport, or MSY. With operations established by aviation industry veterans, Breeze Airways will make a capital \$6.6 million at SY and will create 261 new direct jobs, with an average salary of \$65,000, plus benefits.
\$13,000,000	Bulldog Microchips & University of Louisiana Tech University - Radiance Technologies, leading defense contractor, announced it is investing \$370.65 million to expand its Louisiana footprint with a new state-of-the-art secure microchip packaging facility in Lincoln Parish, a transformation investment set to bolster national security, fuel innovation and drive local economic growth. The company is expected to create 150 direct new jobs with an average salary of \$85,000, 180% of the parish average, while expanding on their 14 current positions. Louisiana Economic Development estimates the project will result in an additional 146 indirect new jobs in the Northwest Region.
\$5,500,000	Chennault International Airport Authority - LED is to providing a 10% match to drawdown FEMA funds that will be used for the construction of new facilities to increase aviation maintenance activity and employment at Chennault.
\$1,000,000	Cameron International/SLB - SLB announced it is establishing a manufacturing facility in the former General Motors assembly plant in Caddo Parish. This new facility will leverage the global technology company's capabilities in contract manufacturing, system integration and industrialization of digital infrastructure equipment that support its core mission of energy innovation for a balanced planet. The company's \$18.5 million investment is expected to create 596 new direct jobs with an annual payroll of more than \$50 million over the next three years. Louisiana Economic Development estimates the project will result in an additional 749 new indirect jobs, for a total of 1,345 new jobs in the Northwest Region.
\$4,000,000	Cancer Center - Funding provides for the targeted recruitment of faculty and researchers that are needed to strengthen cancer research portfolios in areas of need for Louisiana. Funds to fill 5 positions over the coming three years are requested to hire faculty working in the identified areas. Faculty to be recruited will include, but are not limited to, cancer focused epidemiologists and other population scientists that will work with our communities across the state to better understand the specific needs of our communities, and research faculty developing the next generation of therapeutics and diagnostics and those testing these in clinical trials to bring Louisiana the very latest in cancer treatment. This will help build a research community in tune with the bio district initiatives to develop new biotech companies and the associated intellectual property revenue and develop the dynamic workforce needed to support this work between the private and public sectors.
\$2,000,000	CF Industries Holdings, Inc. - Project #1 - A site in Ascension Parish for construction of a proposed \$2 billion blue ammonia production facility that would create 103 direct new jobs in the Capital Region with an estimated average annual salary of \$110,582 plus benefits. LED estimates the project would result in 311 indirect jobs, for a total of 414 new jobs in the Capital Region. Project #2 - the company will make a \$41.4 million capital investment to enhance nitric acid production at the world's-largest nitrogen fertilizer complex in Donaldsonville, Louisiana. Through the project, CF Industries will retain 487 jobs while creating seven new direct jobs. The new direct jobs will have an average annual salary of \$100,000, plus benefits. Louisiana Economic Development estimates the project will result in 24 new indirect jobs, for a total of more than 30 new jobs in the Capital Region. The new project follows a \$2.1 billion expansion completed by CF Industries in 2016 that parish officials described as the largest single capital investment project in Ascension Parish history. In that project, CF Industries exceeded its obligations to the State of Louisiana and has created nearly 50 percent more new jobs than projected.
\$1,200,000	Citadel Completions - Provide full-scale interior completions for aircraft at Chennault International Airport in Lake Charles.
\$1,000,000	Clean Hydrogen Works - A project development company established in 2021 that is focused on energy decarbonization solutions, announced it is exploring a plan to build a large-scale hydrogen-ammonia production and export facility in Ascension Parish. Doing business as Ascension Clean Energy (ACE), in partnership with Denbury Carbon Solutions and Hafnia, the company estimates the proposed \$7.5 billion project would create 350 new direct jobs with an estimated average annual salary of \$73,412 by 2030. If the project moves forward as outlined, Louisiana Economic Development estimates 1,122 new indirect jobs would result, for 1,472 total potential new jobs in the Capital Region.
\$500,000	Delta BioFuels - The company is evaluating Iberia Parish, Louisiana for a planned \$70 million renewable fuel plant. The planned production facility would produce biomass fuel pellets made from residual sugarcane fiber, known as bagasse. If located in Louisiana, Delta would create 126 new direct jobs with an average salary of \$62,500, plus benefits. Louisiana Economic Development estimates the project would also result in 149 indirect jobs, for a total 275 new jobs in the Acadiana region. The production facility's peak construction would generate up to 100 construction jobs.

Other Charges

Amount	Description
\$500,000	Element 25 - An Australian mining company, announced it is exploring plans to invest \$480 million across two phases to build a high-purity manganese sulfate monohydrate production facility in Ascension Parish. The new facility would be the first in the Western Hemisphere to manufacture HPMSM, a critical component in electric vehicle batteries. If the facility is constructed, the company expects to create up to 220 new direct jobs with average annual salaries of more than \$90,000. Louisiana Economic Development estimates the project would result in an additional 408 new indirect jobs, for approximately 628 new jobs in the Capital Region.
\$2,241,779	First Solar - First Solar, the largest solar energy manufacturer in the Western Hemisphere, announced it has selected Acadiana Regional Airport as the site of its fifth American manufacturing facility. The company said it will invest up to \$1.1 billion in the facility, which will produce high-performance photovoltaic (PV) solar modules. The project is expected to be complete in the first half of 2026. The company expects to create more than 700 new direct jobs with a total annual payroll of at least \$40 million. It is believed to be the largest single capital investment in the area's history. First Solar's selection of Iberia Parish for its newest solar panel production facility leaves no doubt that Louisiana is leading the global energy transition, and creating good-paying jobs as a result. This massive investment and the jobs it will create are a huge win for the people of Acadiana and the entire state. It is proof positive that Louisiana's all-of-the-above approach to energy is growing and diversifying our economy. The Acadiana facility will be built on an LED Certified Site, meaning it has gone through extensive due diligence and studies to be declared development-ready. It will produce First Solar's Series 7 modules, which are expected to be manufactured with 100% U.S.-made components.
\$3,000,000	Formosa- To establish a petrochemical complex of ethylene cracker and downstream plants in St. James Parish.
\$6,750,000	Future Use of Energy in Louisiana (FUEL) - A National Science Foundation grant providing up to \$160 million to support Louisiana's energy industry, create jobs and develop the energy workforce. A statewide effort led by LSU with more than 50 public and private partners has won the largest and most competitive grant ever awarded by the U.S. National Science Foundation, up to \$160 million over the next 10 years. The NSF Engines grant will support Louisiana's energy industry, create jobs in the energy sector, develop innovative solutions to energy challenges and help train the world's energy workforce. The NSF announced the award in Washington, D.C. The focus of the grant is energy transition and decarbonization of Louisiana's industrial corridor. Louisiana is a world leader in energy expertise and solutions, with more than 250,000 people working in the energy, chemical and petrochemical industries. Louisiana's geographic location and its existing infrastructure of plants, refineries and 50,000 miles of pipelines place our state at the epicenter of energy transition. This grant will position Louisiana to be the global research and development leader for the expanding energy industry into the future. Louisiana's team, called Future Use of Energy in Louisiana, or FUEL, includes private energy companies, universities, community and technical colleges, and state agencies that will work together to drive technology and workforce development in support of Louisiana's energy industry. FUEL will work to solve emerging challenges in areas like carbon capture, transport and storage; hydrogen; use of carbon dioxide to produce low-carbon fuels and essential carbonbased products; water use and management; sustainable manufacturing; and policy development. The state, through Louisiana Economic Development, will also contribute to the project and its projected broad economic impacts with an additional \$67.5 million over the next decade. This will include funds to help the higher education partners build a world-class team to convert research into practical and useful solutions. (\$6,750,000 per year over a 10 year period)
\$500,000	Global Seamless Tubes & Pipes - A leading manufacturer and exporter of carbon, alloy and stainless steel cold drawn and hot finish seamless tubes and pipes, announced it will invest \$35 million to establish its first U.S. production facility in northwest Louisiana. The India-based company expects to create 135 direct new jobs in DeSoto Parish. Louisiana Economic Development estimates the project will result in 251 indirect new jobs, for a total of 386 potential new jobs in the Northwest Region.
\$1,475,000	GNO, Inc./H2TheFuture - The project is among 21 out of 529 submissions and 60 finalists to be selected for funding through the 2021 American Rescue Plan competitive grant program. The \$1 billion BBB initiative, which the U.S. Commerce Department described in its announcement as the most impactful regional economic development competition in decades, seeks to boost economic recovery and rebuild communities through transformative investments in regional industry clusters. The winning Louisiana proposal led by Greater New Orleans, Inc. and its affiliate Greater New Orleans Development Foundation creates a roadmap for decarbonizing Louisiana's manufacturing sector while creating new energy jobs. The federal grant will be supplemented by \$24.5 million in matching funds from the State of Louisiana, bringing the total project size to \$74.5 million. The project is a significant milestone in Louisiana's transition to a cleaner, more sustainable and more diversified energy future. As the first state in the Gulf South to implement a Climate Action Plan, Louisiana has demonstrated the vision and leadership required to meet the historic challenge that climate change represents. This infusion of federal and state dollars, on top of the nearly \$20 billion of private capital investment in Louisiana emissions reduction projects announced in the last two years alone, moves us closer to the ultimate goal: net zero carbon emissions by 2050. The H2TheFuture proposal includes safeguards ensuring that business, procurement, and training opportunities are made available to all stakeholders and communities. The plan also prioritizes protecting legacy energy industry workers through the creation of retraining programs that will convert traditional skill sets to low-carbon processes.
\$10,000,000	Governor's Economic Dev. Rapid Response Program (FY27) - For FY27 Project Announcements.
\$20,000,000	Hyundai - Company to Invest \$5.8 billion in a new manufacturing facility in Louisiana. This first-of-its-kind site marks Hyundai's inaugural North American steel facility, establishing a fully integrated, made-in-America supply chain to support its automotive manufacturing operations across the United States. The ultra-low carbon steel production plant will be located on approximately 1,700 acres in Donaldsonville, Louisiana, anchoring the RiverPlex MegaPark on the Westbank of the Mississippi River in Ascension Parish. At approximately 17,000 acres, RiverPlex Mega Park is the largest undeveloped tract along the deep-water Mississippi River. Hyundai Steel Company (HSC), a member of Hyundai Motor Group, is expected to create more than 1,300 direct new jobs with an average salary of \$95,000. Louisiana Economic Development estimates the project will result in about 4,100 Indirect new jobs, for a total of 5,400 potential new jobs in the Capital Region.
\$2,000,000	IBM-Baton Rouge - To assist the company to establish and operate a technology delivery center in downtown Baton Rouge, LA, that will provide software development and software maintenance services to clients in the United States.

Other Charges

Amount	Description
\$760,000	IBM - Wilbur Marvin Foundation - lease support for the Baton Rouge and Monroe facilities.
\$300,000	LHC Group - Facility expansion of 204,000 square feet of new office space, which will bring LHC Group's total home office facility to 270,000 square feet.
\$1,500,000	Mexichem Flour - Orbia's Fluorinated Solutions business, Koura, announced it is exploring two expansion projects at its Iberville Parish facility that would support America's lithium-ion battery production supply chain, enabling domestic production of 1.7 million electric vehicles annually. The first proposed project is the construction of a \$400 million world-scale manufacturing facility that would produce LiPF ₆ , a component that allows for the flow of electricity through lithium-ion batteries. This facility would be the first of its kind in the U.S. and Koura estimates it would produce 10,000 metric tons of LiPF ₆ per year. The company has also proposed an additional \$400 million investment to build a second new production plant that would have the potential to manufacture 40,000 metric tons of R-142b annually. R-142b is a primary building block in polyvinylidene fluoride (PVDF), a critical binding agent for lithium-ion battery production.
\$250,000	Mid South Extrusion - The company will invest \$4.5 million to add a 10th production line at its facility in Monroe. The company will upgrade its Ouachita Parish operations, where it produces polyethylene films for packaging and other industrial and commercial uses. With the expansion, Mid South Extrusion will create eight (8) new jobs with an average annual salary of \$28,000, plus benefits. Louisiana Economic Development estimates the project will result in 16 new indirect jobs, for a total of 24 new jobs for Ouachita Parish and the Northeast Region. The company also is retaining 128 existing jobs at the Monroe plant.
\$600,000	Military Efforts - For support of communities that are impacted by the mission and population fluctuations at military installations affected by the Federal Base Realignment and Closure Commission.
\$250,000	Multipack Services - A leading beverage manufacturing, packaging, and distribution company; announced it is investing \$10.4 million to establish a new production facility in Caddo Parish. The company's Shreveport location will develop and distribute beverages for nationally recognized brands. The company expects to create 141 direct new jobs with an average annual salary of more than \$51,000. Louisiana Economic Development estimates that the project will result in an additional 228 indirect new jobs, for a total of 369 potential new jobs in the Northwest Region. The state-of-the-art facility will offer a wide range of services, including product specifications and design, and will have the capability to expand and adjust to market demands. The Shreveport site is expected to produce more than 100 million cans of lemonade, soda, tea, water, ready-to-drink cocktails, seltzers, and juice products per year.
\$3,650,000	New Orleans Pelicans - To fulfill the state's commitment to the New Orleans Pelicans.
\$100,000	Prolec GE USA - A joint venture between Xignux and General Electric; will invest up to \$28.5 million to expand its Caddo Parish facility to manufacture electrical transformers used in wind farms, solar parks, and other industrial and renewable energy applications. An estimated \$19.7 million of the total investment will go toward the acquisition of new equipment and the installation of a third production line, with the remainder going toward upgrades to the existing site and infrastructure. The company expects to create 153 new direct jobs including machine operators, maintenance personnel, supervisors and engineers, while retaining 282 current positions. Louisiana Economic Development estimates the project will result in an additional 162 new indirect jobs, for a total of 315 new jobs in the Northwest Region.
\$250,000	Orion Engineers + Constructors - The company will relocate its corporate headquarters from Theodore, Alabama, to Baton Rouge. The move reflects the company's commitment to growth, innovation and delivering enhanced value to employees and clients nationwide. Represents a long-term capital and technology investment of more than \$5M. The company is expected to create 50 direct new jobs with an average annual salary of \$100,000, which is 153% of the average East Baton Rouge Parish wage, while retaining 45 current positions. Louisiana Economic Development estimates the project will result in an additional 61 indirect new jobs, for a total of 111 potential new jobs in the Capital Region.
\$1,000,000	Renewable Energy Group - The company will invest a minimum \$825 million capital investment by REG to expand its renewable diesel refinery in Geismar, Louisiana. With the investment, REG will retain 66 existing jobs and create 60 new direct jobs with an average annual salary of \$45,000, plus benefits. Louisiana Economic Development estimates the project will result in another 321 new indirect jobs, for a total of 381 new jobs in the Capital Region and surrounding areas.
\$100,000	Schoolmint - Corporate relocation expenses to consolidate its U.S. operations in Lafayette, Louisiana, including transferring its headquarters from San Francisco. The specialty software development company also will relocate corporate offices from New York and Miami to Lafayette.
\$1,250,000	Southland Industrial Coatings - Announced it is investing \$13.1 million to construct a new fireproofing facility in St. Landry Parish that will serve customers in the utility and renewable energy industries nationwide. With this expansion, the Louisiana-based family business expects to create 120 direct new jobs with an average annual salary of more than \$53,000 and retain 340 existing jobs in the state. Louisiana Economic Development estimates the project will also result in 178 indirect new jobs, for a total of 298 potential new jobs in the Acadiana Region. The company estimates 195 construction jobs at peak construction. Southland Industrial Coatings galvanizes, metalizes, sand blasts, paints, and fireproofs steel poles used in the utility, transportation, and renewable energy industries. Its new 100,000-square-foot facility in the Town of Washington will serve a sister state-of-the-art fabrication and coating facility in Amite, Louisiana, opened in 2020, as well as external customers.

Other Charges

Amount	Description
\$2,000,000	St. Charles Clean Fuels - A development company, jointly owned by strategic energy investment company Copenhagen Infrastructure Partners and Sustainable Fuels Group, is exploring the feasibility of building a \$4.6 billion ammonia production and export facility in St. Charles Parish. If the project moves forward as outlined, the company expects to create 216 new direct jobs with an average annual salary of more than \$90,000. Louisiana Economic Development estimates 949 new indirect jobs would result, for a total of 1,165 potential new jobs in the Southeast Region. The company also estimates the project will result in 2,000 peak construction jobs. The company envisions a facility designed to produce one of the world's cleanest sources of ammonia, incorporating self-generated hydrogen fuel and capturing and sequestering over 90 percent of the carbon dioxide emissions produced during the ammonia manufacturing process. Reduced-carbon or "blue" ammonia is anticipated to be in high demand as a clean energy feedstock in global markets.
\$1,000,000	UBE America, Inc - The Company will make Capital Expenditures to establish the first U.S. manufacturing facility for key electric vehicle (EV) Lithium Ion Battery (LIB) Ingredients dimethyl carbonate (DMC) and ethyl methyl carbonate (EMC) in Jefferson Parish, Louisiana. The Capital Expenditures will result in the creation of 56 Required New Jobs and corresponding Payroll at the Facility.
\$2,000,000	SunGas Renewables - An investment of approximately \$1.8 billion to establish a renewable low-carbon methanol production facility in Rapides Parish. The company projects its Pineville facility, Beaver Lake Renewable Energy (BLRE), would manufacture nearly 400,000 metric tons of green methanol per year for SunGas customers worldwide. The company expects to create 109 new direct jobs with an average annual salary of more than \$78,000. SunGas also anticipates the creation of about 1,150 construction jobs at peak construction. Louisiana Economic Development estimates the project would result in an additional 390 new indirect jobs, for a total of 499 new jobs in central Louisiana.
\$400,000	UCORE North America - The company is investing \$75 million to establish North America's first modern technology rare earth element separation and purification facility in Rapides Parish. The Louisiana Strategic Metals Complex will establish a U.S.-based supply chain of rare earth oxides required to manufacture electric vehicle motors, wind turbine generators, and a variety of consumer goods including smart phones and power tools. The company expects to create 100 new direct jobs with an average annual salary of more than \$50,000. Louisiana Economic Development estimates the project will result in 298 additional new indirect jobs, for a total of 398 new jobs in the Central Region. UCORE plans to import thousands of metric tons of high-purity rare earth feedstocks to its Louisiana Strategic Metals Complex through the Port of New Orleans from regions around the globe. The facility will then deploy UCORE's critical metals separation technology to produce the materials for industrial rare earth permanent magnets used in EV motors and to generate electricity from wind turbines.
\$3,000,000	University of Louisiana Monroe Facilities, Inc - Provide funding for three (3) years to ULMFI. ULMFI will develop a marketing strategy for the property. LED will have approval power of any new leases and any major expenses over operational costs. LED will retain the right to occupy, use, and/or place a tenant in the property during the term of the Agreement. If the Property is sold, LED will recover the payments.
\$75,000,000	High Impact Jobs Program - The High Impact Job Fund was established by Act 372 of 2025 Regular Session, R.S. 51:2771 to encourage companies to create jobs that pay above the parish average wage and offer a basic health benefits plan. 20-966-Supplemental Payments to Law Enforcement Personnel

Agency Description

Supplemental Pay to Law Enforcement Personnel was established to provide additional compensation for local municipal police officers, deputy sheriffs, firefighters, constables and justices of the peace. To qualify for state supplemental pay, municipal police officers, deputy sheriffs, and firefighters must be Police Officer Standard Training (P.O.S.T) certified and have one year of service. Until Fiscal Year 1996-1997, supplemental pay was based on years of service. Funding was provided in Fiscal Year 1996-1997 to fund supplemental pay to all eligible law enforcement personnel at the rate of \$278 per month. In Fiscal Year 1997-1998, supplemental pay was again raised to the uniform rate of \$300 per month for eligible law enforcement personnel. This amount increased in Fiscal Year 2007-2008 to \$425 per month for eligible law enforcement personnel. In Fiscal Year 2009-2010, the amount increased to \$500 per month for eligible law enforcement personnel. In addition, supplemental payments for constables and justices of the peace were increased in Fiscal Year 2007-2008 from \$75 per month to \$100 per month. In Fiscal Year 2023-2024, supplemental payments for eligible law enforcement personnel increased to \$600 per month and supplemental payments for constables and justices of the peace increased to \$120 per month.

A board of review, made up of the Commissioner of Administration (or his/her representative), a member of the Louisiana Conference of Police Associations, and the Deputy Secretary for Public Safety Services, determines eligibility of municipal police officers to receive supplemental pay. The Supplemental Firemen's Board of Review, made up of five members appointed by the Governor (three from Professional Firefighters of Louisiana and two from the Louisiana State Firefighters Association), determines eligibility of applicants seeking state supplemental pay for firefighters. A board of review, made up of the Commissioner of Administration (or his/her representative), a member of the Louisiana Sheriffs' Association, and the Director of the Department of Public Safety (or his/her representative), determines the eligibility of deputy sheriffs to receive supplemental pay.

9664-Deputy Sheriffs' Supplemental Payments

Program Authorization

This program is authorized by the following legislation:

- R.S. 40:1667.7

Program Description

Deputy Sheriffs' supplemental payments were established to provide additional compensation for local deputy sheriffs. To qualify for state supplemental pay, deputy sheriffs must be Police Officer Standard Training (P.O.S.T) certified and have one year of service. Deputy Sheriffs' supplemental payments in Fiscal Year 2023-2024 are at a uniform rate of \$600 per month for eligible law enforcement personnel.

A Board of Review, made up of the Commissioner of Administration (or his/her representative), a member of the Louisiana Sheriffs' Association, and the Director of the Department of Public Service (or his/her representative), determines the eligibility of deputy sheriffs to receive supplemental pay. Act 657 of 1986 now requires one-year job tenure and completion of a certified training program before officers can receive supplemental pay.

9771-Debt Service and Maintenance

Program Authorization

This program is authorized by the following legislation:

- R.S. 39:1796

Program Description

Division of Administration – Debt Service and Maintenance provide payments for bonded indebtedness, operating and maintenance cost for buildings acquired and/or constructed by the Office Facilities Corporation. The Louisiana Office Facilities Corporation is a nonprofit corporation, which finances the acquisition or construction of public facilities for lease to the state through the issuance of revenue bonds. Rental cost components in this schedule for this corporation are:

- LaSalle Office Building and Garage
- Claiborne Office Building
- Galvez Office Building and Garage
- Office of Public Health Lab
- Livingston Building
- Bienville Building
- Iberville Building
- Senator Chris Ullo Building (formerly the Harvey State Office Building)
- Brandywine State Complex

This budget unit is also responsible for debt service payments related to a Cooperative Endeavor Agreement (CEA) between the State of Louisiana / Division of Administration, the city of New Orleans, the Sewerage and Water Board of New Orleans, and the Louisiana Public Facilities Authority. In accordance with the terms of the CEA, the State, through the Commissioner of Administration, shall include in the Executive Budget a request for the appropriation of funds necessary to pay the debt service requirements resulting from the issuance of Louisiana Public Facilities Authority revenue bonds. These bonds were issued for the purpose of repairing the public infrastructure damaged by the Hurricanes.

Other debt service payments includes a CEA agreement between the State of Louisiana and Federal City; and a CEA agreement between the State of Louisiana and the Louisiana Transportation Authority. In addition, DOA – Debt Service and Maintenance provides a mechanism for DOA to make payments to banks on behalf of agencies that utilizes the Installment Purchasing Market program for financing large equipment purchases.
