Chapter 1. Introduction

§101. Purpose

A. Bulletin 996 is intended to guide educator preparation providers in the development and review of new and existing teacher preparation programs, early childhood ancillary certificate programs and/or educational leader preparation programs, to guide the review of teacher and/or educational leader preparation programs in Louisiana, and to inform all interested persons of the Louisiana standards for teacher and educational leader preparation programs and the procedures for program evaluation.

B. This bulletin establishes policies relative to the initial and ongoing approval of teacher, early childhood ancillary certificate, and educational leader preparation programs relative to the following:

1. the initial approval of a teacher and educational leader preparation program from which graduates or completers may be certified by Part CXXXI, Bulletin 746—Louisiana Standards for State Certification of School Personnel, Chapter 2, Subchapter A, and the initial approval of an early childhood ancillary certificate program from which completers may earn an early childhood ancillary certificate per Part CLXVII, Bulletin 140–Louisiana Early Childhood Care and Education Network and Part CXXXI, Bulletin 746–Louisiana Standards for State Certification of School Personnel, Chapter 3, subsection 305;

2. the alignment of approved programs to updated certification and preparation requirements, including updates to state birth to five learning and development standards and state academic content standards for elementary and secondary education, as appropriate and deemed necessary by BESE;

3. the ongoing approval of teacher preparation programs, including the establishment and implementation of a uniform quality rating system to serve as the basis for such ongoing approval decisions;

4. the fulfillment of all other obligations pursuant to federal and state law with respect to the initial and ongoing approval of teacher, early childhood ancillary certificate, and educational leader preparation programs from which graduates or completers may be certified; and the ongoing approval of early childhood ancillary certificate programs, including the establishment and implementation of a uniform early childhood ancillary certificate quality rating system to serve as the basis for such ongoing approval decisions;

5. the fulfillment of these duties and obligations in alignment with the Board of Regent’s (BOR) constitutional authority to regulate public institutions of higher education.

C. Beginning December 2017, a uniform process for initial and ongoing program approval that applies equally to university and non-university teacher preparation programs, and/or educational leader preparation program providers, will be used. A uniform quality rating system will serve as the basis for renewal decisions.

D. BESE shall provide for regular checkpoints to refine the quality rating system. Annually beginning winter 2017-2018, and every winter thereafter for a period of five years, the LDE shall provide a report to BESE relative to the results of pilots, study findings, and progress of preparation providers toward updated program design expectations. At such checkpoints the LDE shall submit to BESE a brief written report and recommendations, as appropriate.

E. Beginning July 1, 2024, a uniform process for initial and ongoing early childhood ancillary certificate program approval that applies equally to university and non-university early childhood ancillary certificate programs will be used. A uniform early childhood ancillary certificate program quality rating system will serve as the basis for renewal decisions.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:7(6) and R.S. 17:7.2.

Chapter 3. Initial State Approval for Teacher or Educational Leader Preparation Programs

§301. Process/Procedures

[Formerly §201]

A. No later than July 1, 2018, teacher preparation programs shall demonstrate alignment to Part CXXXI, Bulletin 746—Louisiana Standards for State Certification of School Personnel, and this bulletin as revised and approved by BESE in October 2016. Teacher preparation providers with extenuating circumstances may request an extension of the July 1, 2018, deadline to demonstrate alignment to revised policies. Providers shall submit the extension request by January 1, 2018, for BESE consideration.

B. The LDE and the (BOR) staff shall review proposals from public and private, new or reinstated teacher or
educational leader preparation pathways or programs for initial approval. When the application review is complete and the application is recommended for approval, a recommendation shall be made to BESE and, when applicable, BOR for initial approval. Upon approval by BESE and, when applicable, BOR, the teacher or educational leader preparation program may begin admitting candidates to the teacher or educational leader program.

C. The state may conduct scheduled and/or unscheduled reviews of the teacher and/or educational leader preparation unit/program, including on-site visits, at any time during the process.

D. Public and out-of-state private universities’ documents may be submitted to the BOR for program approval.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:6(10), R.S. 17:7(6), and R.S. 17:7.2.

§303. Initial Approval
[Formerly §203]

A. Initial approval is granted upon approval by BESE and, when applicable, BOR, through submission of a proposal to the LDE.

B. University and non-university providers seeking approval to offer a teacher preparation program, educational leader preparation program, or add-on certification program shall demonstrate eligibility by providing, at a minimum:

1. official declaration of intent in the form of a letter from the head of the institution or organization;

2. evidence of regional accreditation status (e.g., Southern Association of Colleges and Schools) for universities only;

3. evidence that the faculty who teach courses or provide direct coaching to teacher or educational leader candidates possess sufficient knowledge, skills, training, and expertise;

4. evidence to show that the governing structure of the institution or organization endorses and financially supports a teacher preparation program, educational leader preparation, or add-on programs (e.g., full budget report for the implementation of programs, including internal and external sources of funding, and including both hard and soft monies);

5. evidence of an articulation agreement to transfer credit hours with another Louisiana-approved teacher or educational leader preparation institution that agrees to recommend the institution's candidates for certification, as needed, for continuous progress and program completion or, for non-university providers, a plan to make students financially whole in the event of institution or program closure;

6. a description of the provider’s system for monitoring and evaluating its candidates, programs, operations, and the performance of its graduates. This description must reflect how the education unit or education program assesses programs, effectiveness, and candidates as well as how the provider provides follow-up data on its graduates;

7. if the provider is currently operating or has operated in Louisiana or any other state, evidence of program completers’ teaching and/or leading effectiveness, including but not limited to principal survey results, state accountability system and evaluation results, and local assessment or evaluation results.

C. In order to be recommended for BESE approval, teacher preparation programs must, at minimum:

1. be designed to develop and ensure candidates’ mastery of the teacher preparation competencies, educational leader competencies, and/or requirements for existing certificate endorsements required for certification. The program design must center on courses and practice experiences that integrate content, theory, and practice; expressly treat current Louisiana student standards and instructional resources; and require candidates to demonstrate mastery of required competencies or requirements through a series of performance assessments and tasks:

   a. in undergraduate programs offered by university providers, descriptions of coursework must include evidence of ample opportunity to develop content area mastery, instruments for assessing candidates’ content knowledge, and procedures for remediation, if necessary. For the purposes of initial approval, an academic major in the content area for secondary certification areas may be considered evidence of “ample opportunity;”

   b. in post-baccalaureate programs offered by university and non-university providers, descriptions of coursework or contact hours must include instruments for assessing candidates’ content knowledge for teaching and/or leading, and procedures for remediation, if necessary;

   c. in add-on certification programs offered by non-

university providers, descriptions of coursework and contract hours must include instruments for assessing candidate content knowledge, include procedures for addressing unfinished learning, and align with the requirements to add endorsements to existing certificates, which are found in Part CXXI, Bulletin 746—Louisiana Standards for State Certification of School Personnel;

In addition to the one-year residency, the candidate must be provided actual practice experience in classroom settings within schools with varied socioeconomic characteristics. The requirements for the one-year residency and for required practice experiences for undergraduate and post-baccalaureate preparation programs are described in detail in Chapter 7 of this bulletin. Evidence of quality must include, but is not limited to, the provider’s commitment to:

a. recruit, develop, and evaluate clinical faculty who model effective practical teaching knowledge and skills; and

b. ensure alignment of program faculty, residency school site administrator, and residency school site mentor teacher expectations for candidates’ development and performance;

4. be jointly developed and administered in partnership with one or more local educational agencies in which candidates complete the one-year residency. Evidence of partnership shall include, but not be limited to, a formal agreement, such as a memorandum of understanding or memorandum of agreement, that includes:

a. roles of and responsibilities of program faculty, LEA leaders, residency school site administrators, and/or residency school site mentor teachers;

e. protocols for the secure exchange of data relative to program improvement and evaluation.

D. The LDE shall utilize evaluation tools to conduct qualitative assessments of teacher and/or educational leader proposals to make initial approval recommendations. The evaluation tools must align to the requirements set forth in this bulletin, including, but not limited to, Louisiana state standards for teacher preparation outlined in Chapter 1 of this bulletin.

E. Upon receipt, teacher, early childhood ancillary certificate program, and/or educational leader proposals will undergo a preliminary review by the LDE for completeness. Proposals that are determined to be complete and meet all initial submission requirements will undergo an evaluation process conducted by a panel of reviewers. Proposals that do not meet all initial submission requirements will receive a notice of pending denial. Providers must provide the required material within seven days. If providers do not provide the required material, the proposal will be denied. Proposals may be resubmitted no sooner than one calendar year following the date of initial submission to the LDE.

F. Teacher, early childhood ancillary certificate program, and/or educational leader proposals that meet all initial submission requirements will be evaluated by a panel of reviewers. The panel will include at least one external reviewer. An external reviewer may serve as a preparation program administrator, a preparation program faculty member, or a current or former K-12 educator or leader. The panel will evaluate each proposal using an evaluation tool that was reviewed by representatives from LDE and BOR and will evaluate the proposal to ensure the proposal meets professional, state, and, when applicable, national standards for quality and state certification policy. The panel’s evaluation will include an interview with the provider and at least one partner LEA. The panel may interview additional representatives of the provider and LEA partner organizations.

G. The result of the evaluation will be sent by the LDE to the teacher, early childhood ancillary certificate program, and/or educational leader provider. A proposal that fully meets all structural and policy requirements according to the program proposal guidelines will be recommended for BESE approval at the next scheduled BESE meeting. A proposal that is not recommended by the LDE for approval because it does not meet the policy or structural requirements according to the program proposal guidelines may be resubmitted to the LDE for reconsideration no sooner than one calendar year following the date of initial submission to the LDE. Proposals that are not recommended for approval a
Approved by BESE, may be resubmitted to the LDE for reconsideration no sooner than two calendar years following the date of resubmission to the LDE.

H. BESE will notify the point of contact listed in the proposal submitted by the teacher, early childhood ancillary certificate program, and/or educational leader providers of the decision. Notification will be sent in writing via U.S. mail.

1. Once BESE has granted initial approval of the proposed program, the provider is authorized to admit candidates to the program and recommend program completers for certification. Providers subject to BOR regulations shall gain BOR approval prior to admitting candidates to the program.

2. If BESE does not grant initial approval of the proposed program, the teacher, early childhood ancillary certificate program, or educational leader provider is eligible to resubmit the proposal. Proposals that are not recommended by BESE for approval may be resubmitted to the LDE for reconsideration no sooner than one calendar year following the date of initial submission to the LDE. Proposals that are not recommended by BESE for approval a second time may be resubmitted to the LDE for reconsideration no sooner than two calendar years following the date of resubmission to the LDE.

I. Teacher, early childhood ancillary certificate program, and/or educational leader proposals for initial approval will be accepted and considered by BESE twice per year. Application timelines will be established and published annually one year in advance of the notice of intent deadline for the first application cycle.

J. Approved teacher, early childhood ancillary certificate program, and/or educational leader preparation providers seeking approval to pilot innovative approaches to training teacher and/or educational leader candidates must request BESE approval to pilot such approaches and recommend certification of candidates upon completion of the program.

K. BESE may rescind program approval if the teacher, early childhood ancillary certificate program, and/or educational leader preparation program has been found to be or has been operating outside of the teacher preparation program requirements outlined in this Chapter and in LAC 28:CXXXI, Bulletin 746—Louisiana Standards for State Certification of School Personnel.

L. Providers seeking approval to offer a mentor teacher or content leader training program must submit:

1. a proposal from the director of the institution or organization that outlines the training design, coursework, and a system for evaluating the quality of training content, delivery, and operations, including analysis of the performance of participants;

2. evidence to show that the governing authority of the institution or organization endorses and financially supports mentor teacher or content leader training;

3. a full budget report for the implementation of training, including internal and external sources of funding:
   a. university-based BESE-approved teacher preparation providers are exempt from this requirement;
   b. evidence that the training program, if offered as a university course, will be offered for graduate credit; and

4. any additional information required by the state superintendent of education.

M. Mentor teacher and content leader training proposals will be accepted by the LDE and considered at least twice per year by BESE, beginning in the fall of 2019.

N. The LDE will review applications from providers to offer mentor teacher or content leader training. The state superintendent will provide a recommendation for the board’s consideration for each complete application received. Upon approval by BESE, the provider may begin admitting candidates to the mentor teacher or content leader training program.

O. Candidates completing training programs from providers or programs not approved by BESE in accordance with this Section will not qualify to receive an ancillary certificate as a mentor teacher or content leader in accordance with LAC 28:CXXXI (Bulletin 746).

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:6(10), 17:7(6), and 17:7.2.

§305. Initial Approval of Early Childhood Ancillary Certificate Programs

B. University and non-university providers seeking approval to offer an early childhood ancillary certificate program must demonstrate eligibility by providing, at a minimum:

1. an official declaration of intent in the form of a letter from the head of the institution or organization to the review committee;

2. evidence of regional accreditation status (e.g., Southern Association of Colleges and Schools) for universities only;

3. evidence that the instructors who teach courses or provide direct coaching to teacher or educational leader candidates possess sufficient knowledge, skills, training, and expertise;
4. evidence to show that the tuition- and candidate-incurred costs for the early childhood ancillary certificate program have been established, and have considered any scholarship assistance provided by the LDE; and

5. a description of the provider’s system for monitoring and evaluating its candidates, programs, operations, and the performance of its graduates. This description must reflect how the early childhood ancillary certificate program assesses programs effectiveness, and candidates as well as how the provider provides follow-up data on its graduates.

C. In order to be recommended for BESE approval, early childhood ancillary certificate programs must, at minimum:

1. be designed to develop and ensure candidates’ mastery of the early childhood teacher competencies required for certification. The program design must:
   a. center on courses and practice experiences that integrate content, theory, and practice;
   b. expressly teach current Louisiana early learning and development standards and instructional resources; and
   c. require candidates to demonstrate mastery of required competencies through a series of performance assessments;

2. include required applied practice experiences for teacher preparation, including at least two observations using the Classroom Assessment Scoring System (CLASS®); and

3. be jointly developed in partnership with members of the local early childhood care and education community network (LAC 28:CLXVII, Bulletin 140—Louisiana Early Childhood Care and Education Network). Evidence of partnership may include, but not be limited to, a formal agreement, such as a memorandum of understanding or memorandum of agreement, that describes shared roles and responsibilities for program design, program implementation, and program evaluation.

D. The LDE will utilize evaluation tools to conduct qualitative assessments of early childhood ancillary certificate proposals to make initial approval recommendations. The evaluation tools must align to the requirements set forth in this Part.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:6(10), 17:7(6), and 17:7.2.

Chapter 4. Teacher and Leader Preparation Program Accountability, Renewal and Approval

§401. Ongoing Approval of Teacher and Leader Preparation Programs
[Formerly §1101]

A. In order to offer a state-approved teacher preparation program that allows teachers to become certified by the LDE, teacher preparation providers shall follow the process/procedures detailed in Chapter 3 of this document. For continued state approval, university and non-university providers must maintain effective ratings on the Louisiana teacher preparation quality rating system.

B. The LDE shall annually produce and make publicly available a performance profile for each approved preparation provider that includes information at the pathway level. The LDE shall biennially produce and make publically available a quality rating for each approved preparation provider at the pathway level. A pathway is defined as the set of teacher preparation programs that are offered to undergraduate candidates and the set of teacher preparation programs that are offered to post-baccalaureate candidates.

C. Renewal decisions shall be made every two years during the first accountability cycle and shall be based on the quality rating produced biannually. Each teacher preparation provider shall move to a four year accountability cycle for each pathway at the conclusion of the first accountability cycle.

D. Teacher preparation providers that do not maintain a quality rating of level 3 or above on the Louisiana teacher preparation quality rating system and as reported in the biennial quality rating shall:

1. undergo a progress monitoring period during which the provider develops an improvement plan that includes specific improvement goals, timelines, and measures of success for particular pathway(s) or program(s). The improvement plan shall be approved by BESE. Once approved, the provider shall submit progress reports to BESE as established in the approved plan;

2. BESE shall review data outlined in the improvement plan and the Louisiana teacher preparation quality rating system to inform required interventions, which shall include, but are not limited to, one or more of the following:
   a. require the provider to enact certain improvement recommendations for one or more pathways or programs;
   b. designate program(s) as low performing and at risk of low performance per the federal Higher Education Act;
   c. limit or discontinue enrollment for one or more pathways or programs;
d. discontinue the provider’s ability to recommend teacher candidates for certification in one or more pathways or programs;

e. require the provider to engage in additional on-site reviews during the four year accountability cycle for one or more pathways.

E. Certification Preparation. In order to offer state-approved mentor teacher or content leader training that prepares individuals to earn a mentor teacher ancillary certificate or a content leader ancillary certificate in accordance with LAC 28:CXXXI (Bulletin 746), providers must follow the process detailed in Chapter 3 of this Part. For continued state approval, providers must demonstrate that training participants are earning effective ratings on the Louisiana mentor teacher assessment series or the Louisiana content leader assessment series.

F. Provider Effectiveness. By no later than December 1, 2019, and biannually thereafter, the LDE will review and report to BESE effectiveness data of each approved provider offering mentor teacher or content leader training. Effectiveness data will include Louisiana mentor teacher assessment series or Louisiana content leader assessment series passage rates and may include additional information. Based upon these results, BESE may require an improvement plan or may discontinue the provider’s ability to recommend candidates for mentor teacher or content leader certification.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:6(10), 17:7(6), and 17:7.2.

§403. Teacher Preparation Quality Rating System Participation and Performance Profile Implementation Timeline

A. In accordance with LAC 28:XLV.101, beginning December 2017, the process for ongoing approval of teacher preparation programs will be replaced with a uniform process that applies equally to university and non-university providers.

B. Prior to fall 2018, the LDE will review this Chapter and recommend revisions to BESE as necessary and as based on findings from the design phase, and in consultation with the BOR and K-12 and higher education experts.

C. The 2017-2018 academic year will be a research phase for the teacher preparation quality rating system. Performance measures and processes will be piloted and studied. Evaluation tools, including a framework for on-site review, will be developed and reviewed by experts to ensure suitability for use in the teacher preparation quality ratings system. If produced, individual provider performance profiles will not be published.

D. Beginning with the 2018-2019 academic year, a provider that does not participate in the quality rating system or any component thereof will have approval terminated.

E. The 2018-2019 and the 2019-2020 academic years will be a learning phase for all BESE-approved teacher preparation providers. There will be no consequences for teacher preparation providers as a result of performance profiles or quality rating during the learning phase. Performance profiles for the 2018-2019 and 2019-2020 learning phase will be publicly available in 2020-2021 and will clearly indicate that the performance profile is informational and assigned during a learning phase.

F. The 2020-2021 academic year will be the first year of the initial two-year renewal cycle.

G. For providers that achieve initial approval after September 1, 2018, the renewal cycle will begin on September 1 of the year directly following BESE approval.

H. Beginning winter 2020-2021, the LDE will annually produce and make publicly available on its website a performance profile for each approved preparation provider. LDE will biennially produce and make publicly available on its website a quality rating for each approved preparation provider. The quality rating will not be used to make judgments about renewal of preparation program approval until winter 2024-2025.

I. Beginning with ratings assigned in winter 2022-2023, Louisiana teacher preparation quality rating system results will serve as the basis for preparation program renewal. The renewal cycle will be two years, and the accountability cycle will be four years for each pathway.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:6(10), R.S. 17:7(6), and R.S. 17:7.2.

§405. Louisiana Teacher Preparation Quality Rating System

A. The Louisiana teacher preparation quality rating system shall serve as the basis for the renewal of teacher preparation program approval. The rating system shall:

1. include multiple measures of preparation program success; and

2. result in an annual report (“performance profile”) for each approved provider at the pathway level;

3. result in a biennial rating (“quality rating”) for each approved provider at the pathway level.

a. The ratings shall be:

<table>
<thead>
<tr>
<th>Quality Rating</th>
<th>Composite Score Range</th>
</tr>
</thead>
<tbody>
<tr>
<td>Level: Ineffective</td>
<td>x&lt;1.5</td>
</tr>
<tr>
<td>Level 2: Needs Improvement</td>
<td>1.5≤ x &lt;2.5</td>
</tr>
<tr>
<td>Level 3: Effective</td>
<td>2.5≤ x &lt;3.5</td>
</tr>
<tr>
<td>Level 4: Highly Effective</td>
<td>3.5≤ x</td>
</tr>
</tbody>
</table>
B. The Louisiana teacher preparation quality rating system shall include but not be limited to the following domains:

1. preparation program experience, as measured by on-site reviews of each teacher preparation provider. The on-site review shall be conducted at the provider level and shall result in one rating for each pathway. The on-site review shall also include reporting at the program level, when appropriate. An on-site review shall be conducted once per accountability cycle. Each provider shall participate in a four-year accountability cycle, and each provider shall engage in an on-site review once during the four-year cycle. Providers that do not maintain a level 3 or higher as reported on the next performance profile may be required to complete additional on-site reviews and progress monitoring as determined by BESE. The biennial quality rating shall reflect the most recently issued on-site review rating. When logistically and fiscally feasible and appropriate, the provider may request the specific years and semesters during which the on-site review is conducted. Such requests must be submitted to the LDE no less than one year before the renewal period begins:
   a. on-site reviews may be conducted by the LDE or by a BESE-approved contractor with demonstrated expertise in teacher preparation. The evaluation tools used to conduct on-site reviews shall align to the requirements set forth in this bulletin and provide for a holistic rating between 1 and 4;
   b. high-need certification areas shall be established every four years, beginning fall 2017 and every fall four years thereafter. High-need certification areas are those that align with the highest percentage of classes being taught by out-of-field or uncertified teachers across the state;     
   c. a list of high-need schools shall be established every four years, beginning fall 2017 and every fall four years thereafter. High-need schools may be defined as:
      i. schools with a high percentage of minority or economically disadvantaged students;
      ii. schools that are less geographically proximate to teacher preparation providers or schools underserved by current teacher preparation providers;
   d. district-based teacher preparation programs may use the same methodology described above to define high-need certification areas and high-need schools at the local level;
   3. teacher quality:
   a. teacher quality shall be measured by program completers’ value-added results for up to but not more than three years following program completion; and other measures of program completers’ impact on student learning, as approved by BESE;
   b. the teacher quality domain shall undergo a research phase during which such measures are developed and tested in consultation with the BOR and K-12 and higher education experts. By fall 2018, the LDE shall recommend such measures to BESE, if appropriate.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:6(10), R.S. 17:7(6), and R.S. 17:7.2.
HISTORICAL NOTE: Promulgated by the Board of Elementary and Secondary Education, LR 43:2489 (December 2017), LR 48:1757 (July 2022).

§407. Quality Rating Calculation

A. The LDE in collaboration with the BOR and K-12 and higher education experts shall periodically review the overall rating calculation including, but not limited to, data collected on the informational metrics and determine whether additional factors should be included in the rating calculation and whether adjustments should be made to the rating calculation. The LDE shall submit a report to BESE relative to the teacher preparation quality rating system in winter 2018-2019 and every two years thereafter, as deemed necessary and appropriate. Such report(s) shall include recommendations relative to refinements to the teacher preparation quality rating system including, but not limited to, adjustments to the factors included in the rating calculation, the overall rating calculation, and indices.

B. The quality rating for a preparation provider shall be calculated by weighting each domain as follows.

1. Preparation program experience shall be weighted at 50 percent.
2. Meeting educator workforce needs, as measured by the percentage of program completers in high-need certification areas and/or the percentage of residents placed in high-need schools:
   a. for this domain, program completers shall include candidates who were recommended for initial licensure as well as candidates who completed at least 80 percent of an add-on endorsement with one preparation provider;
   b. high-need certification areas shall be established every four years, beginning fall 2017 and every fall four years thereafter. High-need certification areas are those that align with the highest percentage of classes being taught by out-of-field or uncertified teachers across the state;
   c. a list of high-need schools shall be established every four years, beginning fall 2017 and every fall four years thereafter. High-need schools may be defined as:
      i. schools with a high percentage of minority or economically disadvantaged students;
      ii. schools that are less geographically proximate to teacher preparation providers or schools underserved by current teacher preparation providers;
2. Teacher quality shall be weighted at 25 percent.

C. The quality rating for a preparation provider with a low number of program completers shall be calculated using only the domain(s) for which scores can be calculated.

D. The quality rating corresponds to the composite score range listed below. All numbers used in the quality rating calculation process shall be rounded to the nearest tenth, unless otherwise specified.

E. The preparation program experience score shall be determined by the on-site review rating.
F. The meeting workforce needs score shall be determined by calculating the percentage of program completers in high-need certification areas and the percentage of program candidates completing residencies in high-needs schools.

1. Points are earned on a four-point scale according to:

G. The LDE, in collaboration with the BOR and K-12 and higher education experts, shall study and propose to BESE in winter 2018-2019 the adoption of an index for the value-added measure of teacher preparation program completers and, if appropriate, the adoption of a new licensure assessment and a corresponding scoring methodology for the teacher quality domain.

H. The teacher quality score will be determined by the calculation of an index score, to be calculated as follows.

1. The number of program completers in each value-added level below will be multiplied by the corresponding index points displayed in the following table.

<table>

2. The totals for each value-added category in Paragraph 1 of this Subsection will be added together.

3. The sum of the totals for each value-added category will be divided by the total number of program completers, yielding an index score between 0 and 150.

4. Using the index score, a teacher quality score between one and four will be assigned based on the ranges listed in the following table.

B. Program completers shall be defined as candidates who completed their programs during the most recent academic year, which is defined as September 1 of one year to August 31 of the following year.

C. This annually reported data, coupled with certification and effectiveness data from the LDE, shall form the official record for the calculation of the quality rating. The LDE shall provide for a data verification process for the official record as outlined in §415 of this bulletin.

D. Preparation providers shall report candidate data that is subject to the provisions of FERPA only when candidates have provided the necessary permissions.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:6(10), R.S. 17:7(6), and R.S. 17:7.2.

HISTORICAL NOTE: Promulgated by the Board of Elementary and Secondary Education, LR 43:2490 (December 2017).

§415. Data Verification, Appeals, and Waivers

A. A data verification process and procedures for appeals and waivers shall be used to correct inaccurate quality rating data and address unforeseen and aberrant factors affecting teacher preparation providers.

1. The LDE shall establish a data verification process for preparation providers to correct inaccurate quality rating data. The LDE shall provide a period (or periods) of not less than 15 calendar days for final review, correction, and verification of accountability data. All data correction must occur during the designated data verification period. Each preparation provider must collect documentation for every data element that is submitted for correction and maintain documentation on file for at least four years. The LDE shall review all data corrections during the verification period and grant approval of those proven valid. The LDE may request documentation to support the validity of the corrections.

2. An appeal is a request for the calculation or recalculation of the quality rating or any component score. The appeal procedure is created to address issues when the literal application of program accountability or program renewal policy does not consider certain unforeseen and unusual circumstances. Appeals shall not be available for failure to correct data during the data verification process.

3. A waiver is a temporary withholding of accountability decisions or required components of the quality rating system for no more than one accountability year. The waiver procedure is created to address issues when the literal application of program accountability or program renewal policy does not consider certain unforeseen circumstances. Waivers shall be denied to aggrieved parties attempting to subvert the intent of provisions outlined in federal or state law or policy.

4. The procedure for appeals and waivers is as follows.

a. A preparation provider may request an appeal/waiver by submitting a written request to the state superintendent of education within 15 calendar days of the LDE’s release of the preparation provider’s performance profile.

b. All appeal/waiver requests must clearly state the specific reasons for requesting the appeal/waiver and the reasons why the appeal/waiver should be granted and must include any necessary supporting documentation.

c. Supporting documentation for appeal/waiver requests should clearly outline the unforeseen and unusual factors that generate the request. The preparation provider shall be responsible for supplying the LDE with information necessary for recalculating accountability components per applicable policy.

d. Data corrections shall not be the grounds for an appeal/waiver, as all data corrections shall be made prior to release of performance profiles regardless of the source of any errors.

e. The LDE shall review all timely submitted appeal/waiver requests and, if the request meets guidelines described in this section, make recommendations to BESE following the close of the appeal/waiver period. Within this interval, the LDE shall notify preparation providers of its recommendations and allow the provider to respond in writing. The preparation provider shall be notified of the recommendation and allowed to respond in writing. The LDE’s recommendations and preparation provider’s responses will be forwarded to BESE for final disposition, if applicable.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:6(10), R.S. 17:7(6), and R.S. 17:7.2.

HISTORICAL NOTE: Promulgated by the Board of Elementary and Secondary Education, LR 43:2490 (December 2017).

Chapter 5. Louisiana Early Childhood Ancillary Certificate Program Accountability, Renewal, and Approval

§501. Ongoing Approval of Early Childhood Ancillary Certificate Programs

A. In order to offer a BESE-approved early childhood ancillary certificate program that allows early childhood educators to earn a Louisiana early childhood ancillary certificate, early childhood ancillary certificate providers
shall follow the process/procedures detailed in Chapter 3 of this document.

B. The LDE shall annually produce and make publicly available a performance profile and quality rating for each BESE-approved early childhood ancillary certificate program.

C. Renewal decisions shall be made every two years beginning with the first accountability cycle and shall be based on the quality ratings produced annually. Early childhood ancillary certificate programs that earn an ineffective rating (Level 1) for two of any consecutive three fiscal years may not be recommended for BESE-approval during the renewal period.

D. Early childhood ancillary certificate programs that do not maintain a quality rating of level 3 or above on the Louisiana early childhood ancillary certificate program quality rating system and as reported in the annual quality rating shall participate in a continuous improvement planning process with the LDE, including the following:

1. program development of an improvement plan that includes specific improvement goals, timelines, and measures of success;

2. approval of the improvement plan by LDE staff; and

3. progress reports submitted by the program provider to LDE staff as established in the approved plan.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:7(6) and R.S. 17:7.2.

HISTORICAL NOTE: Promulgated by the Board of Elementary and Secondary Education, LR 48:1088 (April 2022).

§503. Early Childhood Ancillary Certificate Quality Rating System Participation and Performance Profile Implementation Timeline

A. For early childhood ancillary certificate programs that obtain BESE approval prior to September 1, 2022:

1. The 2021-2022 academic year will be a pilot phase for the early childhood ancillary certificate program quality rating system. BESE-approved early childhood ancillary certificate programs will be given the opportunity to participate in a pilot on-site review using the rubric maintained by the LDE. If produced, individual early childhood ancillary certificate program performance profiles will not be published.

2. The 2022-2023 and the 2023-2024 academic years will be a learning phase. There will be no consequences for early childhood ancillary certificate programs as a result of performance profiles or quality ratings during the learning phase. Performance profiles for the 2022-2023 and the 2023-2024 learning phase will be publicly available in 2024-2025 and will clearly indicate that the performance profile is informational and assigned during a learning phase.

3. The 2024-2025 academic year will be the first year of the initial two-year renewal cycle.

B. For early childhood ancillary certificate programs that obtain BESE approval after September 1, 2022, but prior to September 1, 2023:

1. The 2023-2024 academic year will be a learning phase. There will be no consequences for early childhood ancillary certificate programs as a result of performance profiles or quality ratings during the learning phase. Performance profiles for the 2022-2023 and the 2023-2024 learning phase will be publicly available in 2024-2025 and will clearly indicate that the performance profile is informational and assigned during a learning phase.

2. The 2024-2025 academic year will be the first year of the initial two-year renewal cycle.

C. For early childhood ancillary certificate programs that obtain BESE approval after September 1, 2023, the renewal cycle will begin on September 1 of the year directly following BESE approval.

D. Beginning with the 2022-2023 academic year, any early childhood ancillary certificate program that obtains BESE approval prior to September 1 of that academic year must participate in the early childhood ancillary certificate program quality rating system during that academic year. BESE approval shall be terminated for any program that does not participate in the quality rating system or any component thereof.

E. Beginning with the fall semester of 2026, the LDE will annually produce and make publicly available on the LDE website a performance profile and quality rating for each BESE-approved early childhood ancillary certificate program. The quality rating will not be used to make judgments about renewal of early childhood ancillary certificate program approval until the spring semester of 2027.

F. Beginning with ratings assigned in the fall semester of 2026, Louisiana early childhood ancillary certificate quality rating system results will serve as the basis for early childhood ancillary certificate program renewal. The renewal cycle will be two years.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:7(6) and R.S. 17:7.2.

HISTORICAL NOTE: Promulgated by the Board of Elementary and Secondary Education, LR 48:1088 (April 2022).

§505. Louisiana Early Childhood Ancillary Certificate Quality Rating System

A. The Louisiana early childhood ancillary certificate quality rating system shall serve as the basis for the renewal of early childhood ancillary certificate program approval. The rating system shall:

1. include multiple measures of early childhood ancillary certificate program success;

2. result in an annual report and performance profile for each BESE-approved early childhood ancillary certificate program; and
3. result in an annual quality rating for each approved early childhood ancillary certificate program.
   a. The ratings shall be:

   B. The Louisiana early childhood ancillary certificate quality rating system shall include but not be limited to the following domains:

   1. Early Childhood Ancillary Certificate Program Experience. As measured by on-site reviews of each early childhood ancillary certificate program, the on-site review shall be conducted at the early childhood ancillary certificate program level and shall result in one rating. An on-site review shall be conducted every other year for each early childhood ancillary certificate program. When logistically and fiscally feasible and appropriate, the program may request the specific years and semesters during which the on-site review is conducted to provide a comprehensive candidate view. Such requests must be submitted to the LDE no less than one year before the renewal period begins.
   a. On-site reviews may be conducted by the LDE or by a BESE-approved contractor with demonstrated expertise in early childhood teacher preparation. The evaluation tools used to conduct on-site reviews shall align to the requirements set forth in this bulletin and provide for a holistic rating between 1 and 4.
   b. The LDE will maintain and publish a rubric for on-site reviews.

   2. Building Workforce Capacity. The capacity shall be measured by the progress toward attainment of the early childhood ancillary certificate by program candidates:
   a. Program candidates shall include candidates who teach in Type III child care centers, enroll in the early childhood ancillary certificate program, and receive a scholarship through Louisiana Pathways to attend the BESE-approved program.
   b. Progress toward attainment of the early childhood ancillary certificate will be measured by program candidates attainment of credentialing milestones, including satisfactory academic progress, attainment of the CDA, and LDE-issued certification.

   3. Early Childhood Teacher Quality. Quality shall be measured by program candidates CLASS® scores.
   a. The CLASS® scores collected for the program completer in the observation period directly following program completion will be used for the performance profile year in which the observation occurs.
   b. Program completers shall include candidates who teach in Type III child care centers, enroll in the early childhood ancillary certificate program, receive a

   c. CLASS® scores will be calculated using the local CLASS® observations after any domain-level replacement by observations conducted the LDE third party contractor, as defined in Part CLXVII, Bulletin 140–Louisiana Early Childhood Care and Education Network.

   AUTHORITY NOTE: Promulgated in accordance with R.S. 17:7(6) and R.S. 17:7.2.
   HISTORICAL NOTE: Promulgated by the Board of Elementary and Secondary Education, LR 48:1089 (April 2022).

   §507. Quality Rating Calculation

Chapter 7. Louisiana State Standards for Educator Preparation Programs

§701. Introduction

[Formerly §301]

A. Each educator preparation program seeking approval from the Board of Elementary and Secondary Education (BESE) is required to incorporate and adhere to CAEP standards and to track closely the CAEP accreditation process. It is the responsibility of the teacher preparation program to prepare and present a clear description of how it is responding to each of the Louisiana standards within the accreditation process.

B. The rubrics, as listed, develop a continuum of quality regarding a beginning teacher's ability to meet effectively the requirements of the five domains in The Louisiana Components of Effective Teaching. The integration of the Louisiana content standards is to be evidenced in the teacher education curricula of each teacher education unit. Each teacher education program must show evidence of integration.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:6(10), R.S. 17:7(6), and R.S. 17:7.2.

Subchapter A. Traditional Teacher Preparation Programs

§703. Overview

A. The following are deadline dates for approved traditional teacher preparation programs that meet requirements described in this Subchapter:

1. by no later than August 31, 2022—last date for candidates enrolled in traditional teacher preparation programs approved prior to October 1, 2016 to complete those programs.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:6(10), R.S. 17:7(6), and R.S. 17:7.2.

§705. Introduction

A. For the traditional teacher preparation program certification structures that BESE has adopted, the following notes apply.

1. Students must spend a minimum of 270 clock hours in student teaching, with at least 180 of such hours spent in actual teaching. A substantial portion of the 180 hours shall be on an all-day basis.

2. In addition to the student teaching experience, the student should be provided actual teaching experience (in addition to observations) in classroom settings during the sophomore, junior, and senior years within schools with varied socioeconomic and cultural characteristics. It is recommended that pre-service teachers be provided a minimum of 180 hours of direct teaching experience in field-based settings prior to student teaching.
