1471-Administrative

Program Authorization

The Administrative Program is created pursuant to LRS 36:761 and 764. This program provides the administration and control of all activities of the Department for the purpose of fulfilling the powers and duties of the State Treasurer as contained in Article IV Section 9 of the Louisiana Constitution.

Program Description

The mission of the Administrative Program is to provide leadership, support and oversight necessary to be responsible for and manage, direct and ensure the effective and efficient operation of the programs within the Department of the Treasury to the benefit of the public's interest.

The program goals for the Administration Program are:

- I. The Administrative Program will effectively manage, through policy development, communication and dissemination of information, the provision of legal services and support and the overall coordination of all programs in the Department of the Treasury in accordance with LRS 36:764.
- II. The Administrative Program will promote sound cash management programs that benefit the taxpayers of the State of Louisiana in accordance with LRS 36:764A.
- III. The Administrative Program will promote prudent investment of state funds deposited in the State Treasury in accordance with LRS 49:327.
- IV. The Department has implemented agency-wide Human Resources Policies that provide assistance and support to all employees. All such policies are monitored for compliance with state and federal rules and regulations. Policies include but are not limited to Family and Medical Leave, accommodations under the Americans with Disabilities Act, educational leave, and training courses, such as Diversity in the Workplace, sexual Harassment/Discrimination/Workplace Violence, Ethics, etc.
- V. The Administrative Program will administer in an effective and efficient manner the unclaimed property program in accordance with LRS 9:151, et seq.

The program activities for the Administration Program are:

To provide the effective management, through policy development, communication and dissemination of information, and the legal services and support for the activities of the Department.

To provide a uniform disposition and handling of unclaimed property within the state of Louisiana as authorized by LRS 9:152-181.

1472-Financial Accountability and Control

Program Authorization

The Financial Accountability and Control Program provides the accounting for the monies on deposit in the Treasury. This broad statement of responsibilities is a component of the law in many different citations. The primary authority is in LRS 36:765-766 which defines the management and finance functions of the Treasury. Additionally, the primary authority of this program is found in LRS 49:307 which lists the duties of the State Treasurer. Many of those duties are carried out in this program: for example, the receipt and disbursement of public monies from the Treasury, the keeping of a true, just and comprehensive account of all public money received and disbursed and the keeping of a true, just account of appropriations and the related disbursements made under them. This program also keeps an accounting of all investments made by the Treasury and the related investment income pursuant to LRS 49:327. This program also carries out the requirements of many sections of the Louisiana Constitution from Article III, Section 16 to LRS 39:82 related to the remission and withdrawal of monies at fiscal year end.

Program Description

The mission of the Financial Accountability and Control Program is to provide the highest quality of accounting and fiscal controls of all monies deposited in the Treasury and to assure that monies on deposit in the Treasury are disbursed from Treasury in accordance with constitutional and statutory law for the benefit of the citizens of the State of Louisiana and to provide for the internal management and finance functions of the Treasury.

The program goals for the Financial Accountability and Control Program are:

The Financial Accountability and Control Program will provide an accurate accounting and reconciliation of all public monies on deposit in the Treasury and will control disbursement of those monies in a manner that ensures disbursements are made in accordance with Article III, Section 16 and Article IV, Section 9 of the Louisiana Constitution of 1974.

The program activities for the Financial Accountability and Control Program are:

The Fiscal Control activity provides a centralized bank account for the deposit of public monies, maintains a record of the investment of monies on deposit and provides an accounting by fund which dedicates the monies for purposes designated by the Legislature.

Oversee the development of cooperative endeavor agreements with Treasury to provide for the accountability of public funds disbursed to recipients for the period ending June 30, 2025.
