RE: **New Waste Tire Fee Collection Schedule – Effective 02/01/02  
Statewide Tire Contract No. 404299**

The Office of State Purchasing has been notified by the Louisiana Department of Environmental Quality of changes to the Waste Tire Fees charged for worn tires. The new Waste Tire Fee Collection Schedule went into effect on February 1, 2002, and is based on the weight and category of the tire.

**Passenger/Light Truck/Small Farm Service Tires:**

A **\$2.00** fee for a tire weighing less than one hundred pounds and normally used on automobiles, pickup trucks, utility vehicles, front steer tractors, and farm implement service vehicles. **Contract Line No. 99997** has been set up in AGPS for this fee.

**Medium Truck Tires:**

A **\$5.00** fee for a tire weighing one hundred pounds or more, and normally used on semi-trailers, truck-tractor, semi-trailer combination or other like vehicles used primarily to commercially transport persons or property on the roads of this state, or any other vehicles regularly used on roads of this state. **Contract Line No. 99998** has been set up in AGPS for this fee.

**Off-Road Tires:**

A **\$10.00** fee for a tire weighing one hundred pounds or more, and that is normally used on off-road vehicles. **Contract Line No. 99999** has been set up in AGPS for this fee.

**Lawn Mower, Golf Cart, and All Terrain Vehicle Tires:**

No fees are to be collected on these tires.
