Program Description

The Interim Emergency Fund provides a source of funds for interim emergencies of the state and local entities. Between sessions of the legislature, when the Interim Emergency Board, by majority vote determines that an emergency or impending flood emergency exists, it may appropriate from the state general fund or borrow on the full faith and credit of the state an amount to meet the emergency. The appropriation may be made or the indebtedness incurred only for a purpose for which the legislature may appropriate funds and then only after the board obtains, as provided by law, the written consent of two-thirds of the elected members of each house of the legislature. The Interim Emergency Board is composed of the governor, lieutenant governor, state treasurer, presiding officer of each house of the legislature, chairman of the Senate Finance Committee, and chairman of the House Appropriations Committee, or their designees.
