WELCOME VENDOR ADMINISTRATOR USER

Thank you for your interest in becoming a vendor in the LaGov Supplier Portal.

As a Vendor Administrative User for your company within the LaGov Supplier Portal, you have the authority to:

- Edit and manage your Product Category selections
- Edit and manage your company and user data
- Create and manage additional company contacts
- Create your Remit to Address

The Division of Administration made this vendor registration available. It is your responsibility to keep all information current. If your e-mail address is not correct, your firm shall be deleted from our vendor file when we perform a maintenance check of the system. Being a registered vendor does NOT guarantee the receipt of electronic notification for all applicable solicitations. Vendors must routinely check our Update to LaPAC Bids site for a listing of current business opportunities. The Division of Administration shall not be responsible if a vendor does not receive an electronic notification for any particular reason.

If you have any questions, please visit our LaGov Vendor Portal Help site at:
