Re: FY00 Sole Source and Emergency Purchases – Annual Report

In accordance with Louisiana Purchasing Rules and Regulations, Chapter 9 and Chapter 11, a record of sole source and emergency procurements for each fiscal year must be submitted to the Office of State Purchasing for my preparation of the statewide report.

Your agency's report shall list:

- each contractor's name;
- the amount and type of each contract;
- a listing of the supplies, services, or major repairs procured under each contract; and
- the identification number of each contract file.

Please submit your FY00 report of sole source and emergency purchases to my office no later than close of business November 30, 2000. Please copy and distribute this important memorandum to the appropriate staff at your facility.

Your attention to this matter is appreciated. If you have already submitted your report, please disregard this request.
