MEMORANDUM OSP01-05

To: All Department Undersecretaries, Agency Heads, Business Managers, ISIS Agencies, and Purchasing Personnel

From: Denise Lea, Director

Date: January 9, 2001

Re: FY01 Requisition Deadlines / FY02 Requisitions and Orders

Fiscal Year 2001 Requisition Deadlines

Our deadline for the submittal of current Fiscal Year 2001 requisitions will be March 31, 2001. We are asking your department’s cooperation and assistance in closeout by submitting all remaining FY01 requisitions as soon as possible. This request is made to ensure receipts by June 30th and to facilitate our seasonably heavy workload.

Requisitions submitted after the March 31st deadline will be considered on an exception basis with supporting justification from the department undersecretary or his designee. If late requisitions are accepted and processed by this office, it is with the understanding that the agency will take the necessary measures to carryover FY01 funds or to provide FY02 funds in the event a June 30th delivery requirement is unrealistic and/or precludes competition. Similarly, the mere need to expend funds is an insufficient justification for a short bid – requests for short bids must be accompanied by the department undersecretary’s justification.

Requirements for capital equipment are typically subject to a lengthy procurement process, i.e. pre-bid conferences, agency reviews, long delivery lead times, etc., and should be submitted immediately but no later than close of business March 1, 2001. The Office of State Purchasing hopes to combine agencies’ requirements for similar capital equipment to achieve volume pricing and to reduce administrative costs. Vehicle contract orders are also due by March 1st to ensure factory delivery prior to June 30th.

Requirements for “routine” equipment and supplies with historically short delivery lead times, and printing requests which require bidding, should be submitted as soon as possible but no later than close of business March 31, 2001.
FY2002 AGPS Activity

OSRAP regenerated the agency accounting structures for Fiscal Year 2002 in GFS during the nightly cycle on January 4, 2001. Therefore, ISIS agencies may begin entering FY02 requisitions and orders beginning January 5th. New obligations will by-pass the encumbrance process until the new budget is loaded.

Please be advised that delivery cannot be made prior to July 1, 2001. AGPS Text Clause No. S611 should be added to all FY02 bids, which reads:

Any orders resulting from this solicitation will be paid with new FY funds, if appropriated by the legislature. Delivery cannot be made prior to July 1 and your bid prices must be firm for acceptance and delivery accordingly.

Policy Change - Release of Fiscal Year 2002 Purchase Orders

The Office of State Purchasing changed its policy concerning the release of new fiscal year purchase orders. As you are aware, in prior years we held orders unless we had written authorization from the agency to release orders prior to budget completion. Each agency shall be responsible for advising this office if a FY02 order is to be held pending budget approval by noting each requisition accordingly (RNTE for ISIS agencies). Unless otherwise instructed, all orders generated by this office will be released upon issuance. This policy change will also apply to any FY02 printing contract requisition.

Please distribute this memorandum internally and to your field operations as deemed appropriate. For your convenience, this OSP memorandum may be accessed on our website under the Agency Center at http://www.state.la.us/osp/osp.htm.

If you have any questions, please contact this office.
