AUTHORITY NOTE: Promulgated in accordance with R.S.17:6 and R.S. 17:4025.

Chapter 5. Finance

§501. Finance

A. The LDE shall allocate annually from funds appropriated or otherwise available for the program an amount per pupil to each participating school equal to the amount allocated per pupil as provided in the minimum foundation program formula, inclusive of the calculations of both the local and state per pupil allocations, to the local school system in which the scholarship recipient resides, considering all student characteristics.

B. For a participating school that charges tuition, if the maximum amount of tuition plus incidental or supplementary fees that are charged to non-scholarship students enrolled in such school and any costs incurred in administering the tests required pursuant to R.S. 17:4023 is less than the amount allocated per pupil to the local school system in which the student resides, then the amount allocated per pupil to the school shall be equal to the sum of such maximum tuition amount, such incidental or supplementary fees charged to non-scholarship students, and such testing costs.

C. The maximum amount of tuition and fees to be paid for scholarship students including annual increases shall be determined as follows.

1. When tuition and fees for participating nonpublic schools are increased, payments for scholarship students shall be determined as follows:
   a. if tuition and fees were at or above two-thirds of the MFP per pupil amount for the district in which the school is located, then the department shall not pay more than a 5 percent annual increase for participating scholarship students at the school; and
   b. if tuition and fees were below two-thirds of the MFP per pupil amount for the district in which the school is located, then the department shall not pay more than two-thirds of the MFP per pupil amount for the district in which the school is located or a 5 percent annual increase for participating schools, whichever is higher;
   c. once tuition and fees are equal to or greater than the MFP per pupil amount for the district in which the school is located, then the payment to the nonpublic school shall be no greater than the MFP per pupil for the district in which the school is located. The nonpublic school may continue to increase tuition and fees for privately-funded students.

D. Attendance of students in a participating school must be supported by appropriate documentation of daily attendance, either written or electronic, to include dates of absences.

E. The amount to be paid for a scholarship shall be divided into four equal payments to be made to each participating school in September, December, February, and May of each school year.

1. Payments shall be based on per pupil count dates as determined by the department. No refunds shall be made to the department or to the parent or legal guardian if the scholarship recipient withdraws from the program or is otherwise not enrolled prior to the next count date. The
2. The LDE shall annually set a timeline for the independent financial audit required by statute.

3. If the audit yields a finding regarding tuition and fees or attendance, payment adjustments will be made to the May payment.

4. If a participating nonpublic school charges a higher tuition for students receiving special education services and meets the criteria set forth below, the LDE shall allocate funds appropriated or otherwise available to the program an amount per pupil to each participating nonpublic school equal to a special education tuition amount based on the cost of providing special education services identified for that student to the participating nonpublic school. This amount shall be in addition to the participating nonpublic schools’ maximum scholarship payment, but the total of the payment and the special education tuition shall not exceed the amount that would be allocated for that student to the local school system if the student otherwise would be attending public school.

1. Only a participating non-public school meeting the criteria below shall be allowed to charge a higher tuition for scholarship recipients receiving special education services:
   a. for at least two years, the participating non-public school has provided needed educational services to students with exceptionalities, as defined in R.S. 17:1942, excluding students deemed to be gifted or talented; and
   b. the participating non-public school has provided needed services to students by teachers holding appropriate special education certification or other appropriate education and training as defined in Bulletin 1706; and
   c. the participating non-public school provides services and instruction in accordance with a student’s individual education plan and/or services plan.

G. A participating non-public school shall submit to the department an independent financial audit of the school conducted by a certified public accountant who has been approved by the legislative auditor.

1. Such audit shall be accompanied by the auditor's statement that the report is free of material misstatements and fairly presents the participating school’s maximum tuition or actual cost of educating a student pursuant to R.S. 17:4016.

2. The audit shall be limited in scope to those records necessary for the department to make scholarship payments to the participating school and shall be submitted to the legislative auditor for review and investigation of any irregularities or audit findings.

3. The participating school shall account for all scholarship funds separately from other funds by maintaining funds in a separate account or by using accounting procedures that allow the legislative auditor to identify the separate funds. Such accounting shall allow for thorough auditing of the receipt and expenditure of state scholarship funds allocated through the LDE.

4. The participating school shall return to the state any funds that the legislative auditor determines were expended in a manner inconsistent with state law or program regulations.

5. The participating school shall pay the cost of such audit unless funds are appropriated by the legislature for such purpose, in which case the department shall pay the cost of such audit.

H. The department shall receive independent financial audits from participating nonpublic schools as required in §501.E.

1. The department shall place any participating school that fails to comply with the audit provisions pursuant to R.S. 17:4022(3) on probation for a period of one year during which such school shall not be permitted to enroll additional scholarship recipients.

2. If such school is not in full compliance by the end of the one-year probationary period, the school shall be ineligible to participate in the program until such time as the department has determined that the school is in full compliance.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:6 and R.S. 17:4025.

2. The participating nonpublic school will develop and submit to the department annually a test security policy in compliance with Bulletin 118, Chapter 3 approved by its board. After review of the test security policy by the department, the participating nonpublic school may be required to make revisions and resubmit.

3. Participating nonpublic schools shall follow BESE's test security policy as stated in Bulletin 118.

4. The participating nonpublic school shall name a school test coordinator for the school and provide contact information to the department.
a. The school test coordinator for the participating nonpublic school shall attend the pretest workshop designed for the participating nonpublic schools as well as any additional training required to administer the state tests.

b. All designated school test coordinators are required to provide the department with a valid work email address. Personal email addresses (Yahoo!, Hotmail, Google, etc.) will not be accepted.

c. When the school test coordinator changes, the participating nonpublic school shall provide the name and contact information of the new school test coordinator to the department on school letterhead within 15 days of the change in appointment.

5. The participating nonpublic school shall be responsible for all required accountability and demographic coding of testing documents.

6. The participating nonpublic school shall investigate and report any testing irregularities and/or violations of test security to the department. In addition, the department has the authority to conduct an investigation and void any scores deemed to be invalid.

   AUTHORITY NOTE: Promulgated in accordance with R.S.17:6 and R.S. 17:4025.

   HISTORICAL NOTE: Promulgated by the Board of Elementary and Secondary Education, LR 38:3131 (December 2012).

Chapter 9. Continued Eligibility

§901. Continued Eligibility

A. For continued eligibility in the scholarship program, participating schools must:

1. use an open admissions process in enrolling scholarship recipients in the program;

2. within ten business days of the first day of school as determined by the participating school, notify the department of scholarship recipients enrolled;

3. comply with all testing requirements listed in Chapter 7;

4. accept the scholarship amount as full payment of all educational costs, including all fees;

5. prior to enrollment, inform the parent or legal guardian of a scholarship recipient of any and all rules, policies, and procedures of the school, including but not limited to academic policies, disciplinary rules, and procedures of the school;

6. submit an annual independent financial audit as described in Chapter 5;

7. notify the department of any expulsion within two days; and

8. meet the criteria for participation as determined by the department and, as needed, additional site visits, audits, and assessments of compliance with applicable health and safety regulations.

1. If a school notifies the department that it will no longer participate in the program after the established deadline for continuing school participation in the program, the department may disallow the school from participating in the program for up to five academic years.

2. Schools electing to no longer accept new students from the scholarship program may continue to receive scholarship payments for all continuing students.

C. If a school withdraws from or becomes ineligible to participate in the scholarship program in the middle of a school year, it shall allow all enrolled scholarship recipients to remain at the school for the remainder of the school year and shall pay for the educational services for those students.

D. The department shall assist any scholarship recipient attending a school that is ineligible to participate in the program in transferring to another participating school, provided such school has sufficient capacity at the appropriate grade level.

E. If enrolled in a participating school that fails to meet eligibility criteria established in this Bulletin, then scholarship recipients may transfer to another participating school for the succeeding school year without loss of eligibility, and such recipients shall be given preference for enrollment at other participating schools.

   AUTHORITY NOTE: Promulgated in accordance with R.S.17:6 and R.S. 17:4025.

   HISTORICAL NOTE: Promulgated by the Board of Elementary and Secondary Education, LR 38:3132 (December 2012).
Chapter 11. Reporting

§1101. Reporting

A. The department shall annually report to the Senate Committee on Education, the House Committee on Education, the Joint Legislative Committee on the Budget, and each individual legislator regarding the implementation of the program. The report, at a minimum, shall include the following information:

1. the total number of students receiving scholarships;
2. a list of all schools participating in the program;
3. a list of all schools participating in the program grouped by legislative district;

5. the percentage of parents or legal guardians of scholarship recipients who are satisfied with the participating school; and
6. the rate at which all participating schools admit and serve students with special education needs.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:6 and R.S. 17:4025.

HISTORICAL NOTE: Promulgated by the Board of Elementary and Secondary Education, LR 38:3132 (December 2012), amended LR 40:2521 (December 2014).

Chapter 13. Criteria for School Participation in the Student Scholarships for Educational Excellence Program

§1301. Purpose

A. The Student Scholarships for Educational Excellence Act requires the LDE to “develop criteria for [school] participation that includes an accountability system for participating students at participating schools.” In accordance with this requirement, the criteria set forth in this Chapter shall reflect the following values:

1. achievement—a common standard for student performance across the system of traditional public, charter public, and nonpublic schools;
2. autonomy—minimizing bureaucracy and complexity;
3. responsibility—upholding the public trust when public funds are involved;
4. safety—protection of children’s health and welfare.

B. The purpose of these criteria shall be to protect children while avoiding a labyrinth of policies that tie the hands of educators and families. They exist to minimize the rare harmful circumstance rather than to regulate day-to-day conditions in participating schools. In applying these criteria, the state superintendent may waive any provisions of this Chapter needed to ensure the academic welfare, health, or safety of participating students, or to address extenuating circumstances.

C. Any revisions to this Chapter shall be referred to the Nonpublic Schools Council for review and comment prior to consideration by the board.

AUTHORITY NOTE: Promulgated in accordance with R.S.17:6 and R.S. 17:4025.

§1303. Participation Criteria for Nonpublic Schools

A. To participate in the scholarship program, nonpublic schools shall satisfy the criteria within this Chapter in addition to criteria for participation already established in law. Schools that do not meet these criteria may be declared ineligible to participate in the program. Ineligibility to participate may result in the school enrolling no new students for one or more years, enrolling no new students permanently, or ending all participation immediately.

**§1305. Accountability System for Participating Nonpublic Schools**

A. Accountability criteria shall serve the goal of ensuring the public trust that all schools participating promote student achievement.

B. Within the accountability system, the state superintendent may adjust individual numeric performance targets and thresholds to accommodate changing policies and circumstances outside the accountability system.

C. Because some schools are larger participants than others in the program, and thus take on a larger share of the public trust, accountability criteria shall vary depending on the number of scholarship students enrolled in the school as of October 1 of each academic year, as follows.

D. As nonpublic schools approved by the board in accordance with Article 8, Section 4 of the Louisiana State Constitution, all participating schools shall continue to demonstrate a sustained curriculum of quality at least equal to that prescribed for similar public schools. E. Nonpublic Schools that Receive Scholarship Cohort Indexes
1. There shall be three fundamental rules of the accountability system for participating nonpublic schools that receive scholarship cohort indexes. Starting with the 2012-2013 school year

   a. Scholarship cohort indexes will be released after the school year on which they are based. If the school receives a scholarship cohort index below 50 in the second year of participation or in any year thereafter (on a scale of 150), the school shall not enroll additional scholarship recipients for the next school year. Students attending a participating school that receives a score below 50 in any year shall have priority admission to attend another participating school the following year;

   b. following four school years of program participation, and in any period of four school years thereafter, if the participating school has scored below 50 for the majority of years in which it received a scholarship cohort index, the school shall be able to enroll new scholarship recipients only after achieving a score greater than 50 and a satisfactory quality review by the LDE.

   c. beginning with the 2021-2022 school year, a participating school that for three consecutive years receives a scholarship cohort index below 50 shall be ineligible to participate in the program.

2. The following exceptions shall exist.

   a. The state superintendent shall waive each of the provisions in Paragraph 1 of this Subsection for a given school if likely new enrollees otherwise would predominantly be enrolled in schools performing at levels lower than or equivalent to the participating school.
