Mr. Cossé called for the quarterly investment update. Mr. Matt Padberg of Cardinal Investment Advisors provided the Board with a detailed quarterly report and portfolio update. Mr. Padberg then advised JP Morgan had some organizational changes which caused him some concern; he suggested the Board might want to consider switching to another manager. After some discussion, the Board requested that NEAM, Wellington and Baird come and give a presentation at the November, 2016 meeting, after which the Board would decide whether to change investment managers, and in the meantime, the PCF would continue on the same course.

Mr. Cossé called for discussion on LAC 37:III Emergency Rule 5 regarding the August, 2016 flood and subsequent declaration of a State of Emergency by Governor John Bel Edwards. Emergency Rule 5, adopted September 1, 2016 by the Board to provide emergency relief to qualified healthcare providers in flood-affected areas, allows for the suspension of deadlines for these healthcare providers to submit surcharge payments for renewal of premiums. After some discussion, Dr. Culotta moved to approve Emergency Rule 5, adding additional language that allows the Executive Director to have some discretion to extend the deadline if circumstances warrant such extension; Mr. Guidry seconded the motion. By verbal vote, the motion was adopted with no dissenting votes.
