OFFICE OF RISK MANAGEMENT (ORM)  

PART I  

TERMS AND CONDITIONS OF AN INVITATION FOR BID  

1. Terminology of an Invitation for Bid (IFB)  

Throughout this document the words "bidder", "contractor", and "policy" may pertain to one or more bidder(s), contractor(s), or policy(ies). 

Whenever the following words and expressions appear in an Invitation for Bid document or any amendment, exhibit, or attachment thereto, the definition or meaning described below shall apply. 

1.1 Authorized - Is an admitted or non-admitted insurance company approved by the Commissioner of Insurance to do business in the State of Louisiana. 

1.2 Bid Close Date and Time and Similar Expressions - The exact deadline required by the IFB for the physical receipt of bids by the Division of Administration (DOA), Office of Risk Management in its office. 

1.3 Bidder - The person or organization that responds to an IFB with a proposal and prices to provide the service, supplies, or equipment as required in the IFB document. All provisions contained in this solicitation, which are addressed to the bidder, shall apply equally to the contractor. 

1.4 Budget Agency or State Budget Agency - Any unit of state government in the State of Louisiana for which the policy of insurance and service is being purchased by the OFFICE OF RISK MANAGEMENT sometimes hereinafter referred to as ORM. 

1.5 Buyer - The procurement staff member of ORM. 

1.6 Contractor - The person or organization who enters into a legally binding contract thereby agreeing to perform a service and/or to furnish supplies or equipment in return for the payment of money and includes the bidding agent or agency and the insuring company whose names appear on the cover sheet and EXHIBIT III of the invitation for bid. All provisions contained in this solicitation, which are addressed to the contractor, shall apply to the bidder. 

1.7 Guaranteed Cost - Premium charged on a prospective basis, fixed or adjustable, or on a specified rating basis, but never on the basis of loss experience. In other words, the cost is guaranteed to the extent that it will not be adjusted based on the loss experience of the insured during the period of coverage. The rate(s) must remain fixed during the contract period. 

1.8 Invitation for Bid or IFB - Those procurement documents issued by ORM to potential bidders/contractors for the purchase of insurance coverage and related service as described in the document. The definition includes all attachments, exhibits, schedules, supplemental pages, and/or amendments thereto. 

1.9 Manuscript Endorsement - Any unprinted, typed endorsement changing any conditions, agreements, exclusions or warranties of the contract. 

1.10 Must and Shall - When these words are used the performance of a certain act is a mandatory condition and shall be performed exactly as described. 

1.11 Designated Authorized Representative - When used in regards to the insurance company or an incorporated insurance agency, these words mean an elected corporate officer with power of attorney for the insurance company/agency. The requirements of power of attorney are
specified in PART IV, Section 3 of these specifications. When used in regards to an unincorporated insurance agency, these words mean the owner of the agency.

2. **Open Competition**

2.1 It is the intent and purpose of ORM that the Invitation for Bid permits free and open competition. However, it shall be the bidder's/contractor's responsibility to advise ORM if any language, requirements, etc., or any combination thereof, inadvertently restricts or limits the requirements to a single source or otherwise unduly or unnecessarily prohibits the submission of a bid. The notification must be received by ORM within ten (10) calendar days prior to the bid close date and time. Bidders are requested to bring to the attention of ORM any perceived problems with these specifications at the earliest possible opportunity in order to allow clarification or amendment with minimum disruption to the bid process.

3. **The Invitation for Bid Document (IFB)**

3.1 The IFB contains two basic types of requirements and information, although it may be organized into several parts. One type consists of the scope of work (technical requirements) and related contractual commitments with which the bidder/contractor must comply if awarded a contract. The other type consists of those basic instructions and procedural requirements which must be observed and satisfied by the bidder/contractor when submitting a bid for consideration.

3.2 The Notice to Bidders is mailed to persons and organizations at the address currently on file with the DOA, Purchasing Section. If any portion of the address is incorrect, the bidder/contractor must notify the buyer upon receipt of the document. Any notices of subsequent amendments to an IFB will be mailed to the same address as the original notice unless otherwise notified.

3.3 Additional copies of the bid proposal forms, information, specifications and subsequent amendments may be obtained on line at [http://www.doa.louisiana.gov/orm/uwnewbid.htm](http://www.doa.louisiana.gov/orm/uwnewbid.htm).

4. **Amendments to an Invitation for Bid**

4.1 ORM reserves the right to officially modify (or cancel) an IFB after issuance. Such a modification shall be identified as an amendment and numbered in a sequential order as issued.

4.2 If bidder/contractor has not received all amendments which have been issued by ORM, it is the bidder's/contractor's responsibility to contact ORM to obtain a copy(ies) of the amendments. If the designated authorized representative of the insurance agency fails to acknowledge receipt of all amendment(s) by signing the amendment(s) in the designated area and returning same with bid response, the bidder's/contractor's submission will not be considered a responsive bid.

4.3 The designated authorized representative of the insurance agency may acknowledge the acceptance of the conditions of an amendment...by telegraphic notice or electronic mail services if issued to and physically received in the Office of Risk Management - Administrative Section no later than the official bid close date and time. Verbal messages from either a telegraph company or the bidder/contractor shall not be permitted or considered as an acceptance of an amendment.

5. **Questions by Bidders**

5.1 Any questions related to an IFB must be directed to the buyer in ORM whose name appears at the top of the form on page 1. Prior to the award of the IFB, the bidder/contractor shall not contact nor ask questions of the State agency for which the required insurance is being procured, unless so stated elsewhere in these specifications. Questions shall be submitted in writing and will be answered in writing in the form of an amendment and forwarded to all vendors who were mailed an IFB. Any correspondence related to an IFB should refer to
the appropriate IFB number, page and paragraph number, etc. However, do not place the IFB number on the outside of the envelope containing questions since such an envelope will be identified as a sealed bid and will not be opened until after the official bid close date and time. Correspondence should be mailed to the Office of Risk Management, P. O. Box 91106, Baton Rouge, LA 70821-9106.

5.2 All questions must be received by ORM at least fifteen (15) calendar days prior to the bid opening date. All answers will be mailed to the vendors at least ten (10) calendar days prior to the bid opening date.

5.3 Questions will also be permitted at the Pre-Bid Conference. The IFB will contain the date, time, and location of the Pre-Bid Conference. Attendance will be at the bidder's/contractor's expense. The bidder/contractor should bring a copy of the IFB since it will serve as the agenda. However, since impromptu questions may be asked and since spontaneous answers may be given, the only official position of ORM shall be the position or answer issued to bidders/contractors in writing. Transcripts are not made nor issued to bidders/contractors.

6. **Instructions for Submission of Bid(s) by Bidders/Contractors**

6.1 A proposal submitted must be manually signed in ink by the designated authorized representative of the insurance agency and the insurance company. ORM will accept either the original insurance company designated authorized representative's signature submitted with the bid response or a facsimile copy of the insurance company designated authorized representative's signature on EXHIBIT III in lieu of an original signature. The original of EXHIBIT III containing the insurance company designated authorized representative’s original signature must be received at ORM's office within ten (10) working days after the bid opening date. Failure to timely submit said original of EXHIBIT III may result in rejection of the bid. Submission of a bid bond in compliance with PART IV, Item 3 of these specifications does not eliminate the requirement of a company and an agency signature; however, the submission of a bid bond allows any authorized person from the company and the agency to sign the invitation in lieu of the designated authorized person.

6.1.1 The designated authorized representative of the insurance agency shall manually sign in ink the following:

6.1.1.1 Form ORM-02

6.1.1.2 Any amendments to the specifications

6.1.2 The designated authorized representative of the insurance company shall manually sign in ink the following:

6.1.2.1 EXHIBIT III

6.2 All attachments shall be returned as follows:

6.2.1 Must contain all information required by the IFB.

6.2.2 The bid shall be priced as required in the IFB.

6.2.3 Must be sealed in an envelope or box with security deposit attached, if required.

6.2.4 Must be delivered to the Office of Risk Management - Administrative Section and officially clocked in no later than the exact time on the date as specified in the IFB.

6.2.5 Entire IFB and Amendments (if applicable) shall be returned except as otherwise provided in these specifications.
6.3 THE SEALED ENVELOPE OR BOX CONTAINING AN IFB SHALL BE CLEARLY MARKED ON THE OUTSIDE BOTTOM LEFT CORNER WITH THE FOLLOWING:

6.3.1. THE OFFICIAL IFB PROPOSAL NUMBER.

6.3.2. THE OFFICIAL CLOSE DATE AND TIME.

6.4 Please submit your bid with pages numbered in the bottom right-hand corner of each page in the following manner: 1 of 4, 2 of 4, etc.

7. **Proposal Opening**

7.1 Shortly after the expiration of the official bid close date and time, bids will be opened. The bidders/contractors and the public are invited, but not required to attend the formal opening of bids. Prices will be read aloud to the public. However, no decisions related to an award of a contract shall be made at the opening.

7.2 Due to manpower limitation, buyers shall not repeat prices after an opening via telephone request. Please do not make such requests. However, upon written request a photocopy of the Summary of Quotations shall be mailed to interested bidders/contractors.

8. **Late Proposals**

8.1 Any bid received by the DOA, Office of Risk Management after the exact bid closing date and time shall not be opened and shall not be evaluated regardless of the reason and mitigating circumstances related to its lateness or degree of lateness.

8.2 It is the bidder's/contractor's sole responsibility to insure that the proposal is physically received and officially clocked in as a sealed document by the DOA-Office of Risk Management in its offices no later than the official close date and time. Late bids shall be returned to bidders/contractors unopened.

9. **Rejection of Bids**

An invitation for bids, a request for proposals, or other solicitation may be canceled or all bids or proposals may be rejected, if it is determined in writing by the chief procurement officer or his designee that such action is taken in the best interest of the State.

10. **Public Notice of Awards**

10.1 ORM has no facilities for furnishing abstracts of bids; a complete record of all bids is on file in this office subject to inspection of any citizen who is interested in investigating, for any purpose, the record of State purchases.

10.2 Bidders are permitted to review competitors’ bids and evaluate documents in accordance with the provisions of the Public Record Act, Louisiana R.S. 44:1 et seq. Such review must be conducted on site in ORM in accordance with the public records statutes.

11. **Non-Award of Contract Due to Insufficient Funds**

ORM reserves the right to reject the bid for insurance coverage if the insured(s) does/do not have sufficient funds available with which to pay the premium.

12. **Contract Resulting From an IFB**

12.1 The bidder/contractor is advised that the State of Louisiana does not sign standard contract forms. The IFB document issued by ORM contains signature lines for the
designated authorized representative of the insurance agency and of the insurance company which shall be signed when submitted as a bid. Immediately below the bidder's/contractor's signature line is a section entitled "Notice of Award" which contains signature lines for officials of the State of Louisiana. To consummate a contract, officials of the State of Louisiana need only to sign the Notice of Award section of the form.

12.2 Be aware that the actual contract between the State of Louisiana and the bidder/contractor shall consist of the following documents: (1) IFB and any amendments issued thereto, (2) the proposal submitted by the bidder/contractor in response to the IFB, (3) the actual policy issued. In the event of a conflict in language between items 1, 2, and 3 referenced above, the provisions and requirements set forth and/or referenced in the IFB shall govern. ORM reserves the right to clarify any contractual relationship in writing and such written clarification shall govern in case of conflict with the applicable requirements stated in the IFB and the bidder's/contractor's proposal. In all other matters not affected by the written clarification, if any, the IFB shall govern. The refusal of the bidder/contractor to conform to the provisions and requirements set forth and/or referenced in the IFB shall result in the award of the contract to the new lowest bidder/contractor. The bidder/contractor is cautioned that its proposal shall be subject to acceptance by ORM without further clarification. In the event of any discrepancies between the insurance requirements delineated in these bid specifications and the model policy provided herein, the bid specifications shall govern.
PART II

1.1 The bidder/contractor shall provide excess following form all risk (including (earthquake, wind and flood) building and personal property (buildings and contents) coverage for State of Louisiana, All State Departments, Agencies, Boards and Commissions.

1.1.1 The bidder/contractor shall agree that underwriting information provided in the schedule is believed to be correct and it shall not be considered in any way a warranty by ORM and shall not impair the rates for the insurance coverage based upon the information provided.

1.1.2 Bids submitted by admitted companies (including reinsurance carriers which desire to submit bids for any coverage layer requested or excess of any coverage layer requested) licensed to do business in the State of Louisiana possessing a Best's Insurance Reports policyholder's current rating of "A++", "A+", "A" or "A-", with a financial rating of Class VIII or higher will be considered first. Surplus line companies or non-admitted companies possessing a Best's Insurance Reports policyholder's current rating of "A++", "A+", "A" or "A-", with a financial rating of Class VIII or higher will be considered and accepted only if acceptable bids are not tendered by an admitted company. The bidding company shall meet the qualifications mentioned above without regard to any cut-through endorsements to a higher company. Direct quotations from companies (including reinsurance carriers) shall be considered an alternate bid. Mutual companies which write asessable insurance polices are not acceptable and will not be considered for award of the bid.

1.2 The contract and policy term shall be for the period of time as reflected under EXHIBIT I.

1.3 Invoices for policies delivered and accepted shall be submitted (in duplicate) by the bidder/contractor on its own form directly to ORM. If needed, the NFIP, or equivalent, invoices for the flood policies on the specified properties shall be batch-processed.

1.4 BLANK

1.5 Contractor shall be required to furnish closure claims settlement notices to ORM, Division of Administration, on all settlements of claims and a quarterly report reflecting claims opened and closed and claims reserved and paid per agency by policy year including all allocated loss adjustment expenses until all claims are closed.

1.6 All books and records of transactions under this contract shall be maintained by the bidder/contractor for a period of five (5) years from the date of the final payment under the contract.

1.7 ORM will execute any "A" rate form or Louisiana Certification of Exempt Commercial form as necessary to enable the underwriter to comply with any premium charge quoted and preclude any violation of rating bureau requirements (if applicable). The form(s) will be executed upon written request. See Schedule B for sample copy of form.

1.8 The contractor shall make special filings of policy forms with the Louisiana Department of Insurance as needed to comply with coverage requested in these specifications during the entire policy period.

1.9 At the request of ORM, the insurance policy issued to include coverages as reflected in PART IV, of these specifications will be revised by way of endorsements to the policy extending or deleting coverage as a result of any changes in units of exposure, if needed.
1.10 A bidder/contractor offering a direct sale of insurance to the State should have reduced the policy premium by the amount of the commission which would have been paid, as indicated by Louisiana R.S. 39:1631.

1.11 "It shall be unlawful for an agent (bidder/contractor) to split, pass on or share with any person, group, organization or other agent, except the State of Louisiana, all or any portion of the commission derived from the sale of insurance to the State..." Louisiana R.S. 39:1632.

2. **General Required Endorsements**

The "policy of insurance" as used in this section shall mean policy issued by the successful bidder/contractor.

2.1 The cancellation provisions of the policy of insurance shall be replaced with the following: "It is agreed that the guidelines set forth in this policy as regards cancellation of coverage are set aside and shall be inoperative to the extent that they are in conflict with the following verbiage:

The insured may cancel the policy by returning it to the company or by giving the company advance notice of the date cancellation is to take effect. The company may cancel or non-renew the policy by mailing to the insured by "Certified Mail, Return Receipt Requested" (at the insured's last known address by the company) written notice of cancellation at least:

Thirty (30) days before the effective date of cancellation if cancellation is due to nonpayment of premium; or

One hundred-twenty (120) days notice if cancellation or non-renewal is due to any other reason.

The company may deliver any notice instead of mailing it. A signed return receipt will be sufficient proof of notice. The effective date of cancellation stated in the notice shall become the end of the policy period."

2.2 The policy of insurance shall include this endorsement: "The policy shall furnish automatic coverage on newly acquired, leased, or rented property (property as to which insured acquires ownership or control) without regard to any thirty (30) day automatic limitation in the policy."

2.3 The policy of insurance shall include this endorsement: "For the insurance afforded herein, the State Risk Director for the Office of Risk Management/Division of Administration, State of Louisiana is authorized to act for all insureds respecting the giving and receiving of notice of cancellation, non-renewal or material change, receiving any return premium or dividend, and changing any provisions of this coverage. Such notice or changes shall be mailed in care of the Office of Risk Management, Division of Administration, Post Office Box 91106, Baton Rouge, LA 70821-9106."

3. **Special Required Endorsements**

3.1 The policy of insurance shall include this endorsement: "For the insurance afforded herein, the company shall pay replacement value cost of loss to building structure whether or not the building is replaced or repaired." Insurance applies on a scheduled basis only to a coverage for which a Limit of Insurance is shown. But in no event shall liability in any one occurrence of any one Building, any one Structure, or Business Personal Property at any one location exceed 115% of the individually stated valued for such property as is shown in the latest Schedule of Property Values or other documentation on file with the Office of Risk Management, nor shall liability exceed any specific Limit of Insurance applying to any insured loss, coverage or location(s).
3.2 Policy of insurance shall include this endorsement: "It is agreed that the guidelines set forth in this policy as regards the time limitation to render a proof of loss are set aside and shall be inoperative to the extent that they are in conflict with the following verbiage:

The insured shall render to this company a proof of loss within twenty-four months after the loss, unless such time is extended in writing by this company."

4. **Delivery Dates and Location**

4.1 The policy of insurance shall be received by ORM within forty-five (45) days from the inception date of the policy and shall not be delivered to any other State agency.

4.2 Coverage binder shall be received by ORM within five (5) days of the date award is made.

4.3 Bidder/Contractor shall issue endorsement(s) to any additional insured(s) as requested by the Named Insured.

4.4 This is a request for a guaranteed cost for a one (1) year policy in effect from July 1, 2007 to July 1, 2008 with two one-year options to renew at the same rates.

5. **Claims Service**

5.1 The bidder/contractor shall provide claims service for the excess following form all risk (including earthquake, wind and flood) building and personal property coverage.

5.2 The claims service shall be responsible for the handling of our claims to their conclusion in a professional manner. Should the contract be terminated the bidder/contractor shall remain responsible for occurrences that take place during the policy period.

5.3 The contractor shall furnish an adjusting firm, with ORM's concurrence, having qualifications equal to a general adjuster specializing in property with the ability to perform inspections within twenty-four (24) hours after notification of loss, upon the request of ORM. The company shall report all losses to the agent-of-record (contractor). The company shall not contest any settlement made by ORM unless written notice of its intent to participate in the loss adjustment has been made within fourteen (14) days after receipt of the Property Loss Notice to the agent-of-record.

5.4 The following guidelines shall be followed for the handling of claims:

5.4.1 On any claim, regardless of the estimated claim value, ORM shall have the option to assign an outside selected/approved adjuster or to keep in-house.

5.5 ORM shall be responsible for payment of the outside adjusting cost for all claims below $50,000,000 per occurrence.

5.6 Bidder/Contractor shall be responsible for the payment of outside adjusting cost for all claims above $50,000,000 per occurrence.

5.7 ORM will notify excess carrier about any property claim that appears to have an estimated value of $5,000,000 or more. ORM will supply carrier with a computer listing of all claims reported during each quarter.

7. **Rates**

7.1 The contractor shall provide ORM with the rate(s) per unit of exposure corresponding to premium indicated on EXHIBIT I as regards excess following form all risk (including earthquake, wind and flood) building and personal property coverage. The rate(s) shall be indicated on EXHIBIT II of these specifications.

7.2 ORM insures the exposure under $50,000,000 for all perils arising out of one occurrence through the State's self-insurance program. The bidder/contractor shall determine and
furnish ORM the individual rates published by the Property Insurance Association of Louisiana (PIAL) on all buildings indicated on the current schedule of property values (including any future additions/revisions to the schedule) upon request. These rates are required as ORM is responsible for assessing premiums due by each insured for the excess following form all risk (including earthquake, wind and flood) building and personal property coverage as if it were written with no deductible.
PART III

GENERAL CONTRACTUAL REQUIREMENTS

2. Unless otherwise provided by law, a contract for services may be entered into for periods of not more than three years. No contract shall be entered into for more than one year unless the length of the contract was clearly indicated in these specifications. At the option of the State of Louisiana and upon acceptance by the bidder/contractor, any contract awarded for one year may only be extended for two additional twelve-month periods -- not to exceed a total contract period of thirty-six months.

3. Appropriation Dependency Clause
   
   3.1 The continuation of this agreement is contingent upon the appropriation of funds, to fulfill the requirements of the agreement, by the legislature. If the legislature fails to appropriate sufficient monies to provide the continuation of this agreement, or if a lawful gubernatorial order issued in or for any given fiscal year during the term of this agreement, reducing the funds appropriated in such amounts as to preclude making the payments set out herein, the agreement shall terminate on the date said funds are no longer available without any liability incurring onto the State other than to make payment for services rendered prior to the termination date.
   
   3.2 However, the State shall be under a duty to make such determination only in good faith and not, arbitrarily and without justification, to cancel this agreement for the sole purpose of acquiring from another vendor other products of comparable quality and value, and the State agrees that it will use its best efforts to obtain approval of necessary funds to fulfill the obligations of this agreement by taking the appropriate action to request adequate funds to continue this agreement.

4. Endorsements extending and/or deleting coverage which are issued to the policy of insurance must reflect any increases or decreases in the amount of the bidders'/contractors' compensation (premium) and shall serve to modify or amend the premium as reflected on EXHIBIT I of these bid specifications. No other method, and/or no other document, including correspondence, acts and oral communications by or from any person, shall be construed as a modification or supplementation of the contract except as herein delineated as regards amendments and endorsements.

5. In the event the company or companies originally contracted with by ORM fail(s) to perform, ORM shall allow substitution for such company or companies if the parties sought to be substituted meet other criteria established by these specifications. In the event substitution of company or companies occurs, company signature pages signed by the replacement company or companies must also be submitted to ORM.
PART IV

GENERAL BID INFORMATION

1. **Special Instructions to Bidder**

   1.1 The bidder/contractor **must** respond to this IFB by submitting all data required herein in order for this bid to be evaluated and considered for award. Failure to submit such data **shall** be deemed sufficient cause for disqualification of a bid from further consideration of award.

   1.2 The bidder/contractor **shall** provide excess following form all risk (including earthquake, wind and flood) building and personal property coverage which **must** equal or exceed the coverage provided in the underlying self-insurance policy issued by ORM and reflected in Schedule B of these specifications.

   1.3 Any change or restriction in conditions, warranties, or exclusions from the underlying policy (found elsewhere in these specifications) or from these specifications **must** be completely explained in writing and attached to the bid. Any such deviations which provide less coverage and/or service than that required in the underlying policy and/or these bid specifications **shall** be considered an alternate quotation. Any such change or restriction **shall** be indicated on EXHIBIT V of these specifications. **Submission of sample policy(ies) and/or service narrative shall not be considered to be in compliance with the above stipulations.**

   1.4 ORM reserves the right to reject any or all bids.

   1.5 Bidder/Contractor is bound by all of the terms, prices and conditions of its bid for a term of sixty (60) days after bid opening. No bid may be withdrawn prior to the expiration of that sixty (60) day period.

   1.6 Any award of the contract resulting from this invitation **shall** be made by written notification from ORM.

   1.7 **As respects this bid, company name and signature of designated authorized representative of the insurance company shall be indicated on EXHIBIT III of these specifications. Submission of a bid bond in compliance with PART IV, Item 3 of these specifications does not eliminate the need for a company signature; however, the submission of a bid bond allows any authorized person from the company to sign the invitation in lieu of the designated authorized person.**

2. **Pricing Information**

   2.1 The bidder/contractor **shall** provide fixed rates for services as required by the Technical Specifications. These costs **shall** be shown on the form attached as EXHIBIT I and EXHIBIT II, which **must** be returned with the proposal along with the entire IFB document.

   2.2 The bidder/contractor **must** provide other information as required in EXHIBIT I.

   2.3 The bidder's/contractor's quotation **shall** be based on the following:

5. Building Appraisals, Claim Details, Agency Contacts

5.1 Appraisal files and claim details pertaining to the present property policy are available for inspection by all interested bidders/contractors on Monday through Friday (between the hours of 8:00 A.M. and 3:00 P.M.) at 1201 North Third Street, Suite G-192, Baton Rouge, Louisiana. Review of the files shall be by appointment only.

6. Insurance Required

The contractor shall provide coverage which must equal or exceed the coverage provided in the underlying self-insurance policy (reflected in Schedule B of these specifications) issued by ORM subject to items 6.1.1 through 6.1.8 below.

6.1.1 The company shall be liable in respect to each and every loss occurrence irrespective of the number and kinds of risks involved only for the excess over and above the underlying self-insurance policy (reflected in Schedule B of these specifications) issued by ORM.

6.1.2 It is warranted by the insured that in respect to each and every loss occurrence the initial net loss set forth in paragraph 6.1.1 above shall be retained at the insured’s own risk and not insured in any way.

6.1.3 A copy of the underlying self-insurance policy forms and endorsements can be found in Schedule B of these specifications. The following forms/coverages (see underlying policy) do not apply and are to be excluded from the policy(ies) to be issued as a result of the award of this contract.

   Endorsement “A” (Basic Procedures for Property Damage Claims)
   Endorsement “F” (Additional Language)

But in no event shall liability in any one occurrence of any one Building, any one Structure, or Business Personal Property at any one location exceed 115% of the individually stated valued for such property as is shown in the latest Schedule of Property Values or other documentation on file with the Office of Risk Management, nor shall liability exceed any specific Limit of Insurance applying to any insured loss, coverage or location(s). The only exceptions being the following:

See 44 CFR Part 206. 253, items (b)(2) and (c).

Example: Building Replacement Cost is $10,000 and the amount of damage reimbursement from FEMA was $1,000, then the policy will pay up to $1,000 on this property first if damaged in another declared disaster.

a. **Debris Removal**

1. We will pay your expense to remove debris of Covered Property caused by or resulting from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.

2. The most we will pay under this Additional Coverage is 25% of:

   a. The amount we pay for the direct physical loss of or damage to Covered Property; plus
(b) The deductible in this policy applicable to that loss or damage.

But this limitation does not apply to any additional debris removal limit provided in the Limits of Insurance section.

(3) This Additional Coverage does not apply to costs to:

(a) Extract "pollutants" from land or water; or
(b) Remove, restore or replace polluted land or water.

b. Preservation of Property

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

(1) While it is being moved or while temporarily stored at another location; and

(2) Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to $1,000 for your liability for fire department service charges:

(1) Assumed by contract or agreement prior to loss; or

(2) Required by local ordinance.

No Deductible applies to this Additional Coverage.

d. Pollutant Clean Up and Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of 11 pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is $10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12 month period of this policy.

5. Coverage Extensions

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

If a Coinsurance percentage of 80% or more or, a Value Reporting period symbol, is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

a. Newly Acquired or Constructed Property

(1) You may extend the insurance that applies to Building to apply to:

(a) Your new buildings while being built on the described premises; and

(b) Buildings you acquire at locations, other than the described premises, intended for:

(i) Similar use as the building described in the Declarations; or

(ii) Use as a warehouse.

The most we will pay for loss or damage under this Extension is $250,000 at each building.

(2) You may extend the insurance that applies to Your Business Personal Property to apply to that property at any location you acquire other than at fairs or exhibitions.

The most we will pay for loss or damage under this Extension is $100,000 at each building.
(3) Insurance under this Extension for each newly acquired or constructed property will end when any of the following first occurs:

- (a) This policy expires.
- (b) 30 days expire after you acquire or begin to construct the property; or
- (c) You report values to us.

We will charge you additional premium for values reported from the date construction begins or you acquire the property.

b. **Personal Effects and Property of Others**

You may extend the insurance that applies to Your Business Personal Property to apply to:

- (1) Personal effects owned by you, your officers, your partners or your employees. This extension does not apply to loss or damage by theft.
- (2) Personal property of others in your care, custody or control.

The most we will pay for loss or damage under this Extension is $2,500 at each described premises. Our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

c. **Valuable Papers and Records: Cost of Research**

You may extend the insurance that applies to Your Business Personal Property to apply to your costs to research, replace or restore the lost information on lost or damaged valuable papers and records, including those which exist on electronic or magnetic media, for which duplicates do not exist. The most we will pay under this Extension is $2,500 at each described premises, unless a higher limit is shown in the Declarations.

d. **Property Off-Premises**

You may extend the insurance provided by this Coverage Form to apply to your Covered Property, other than "stock", that is temporarily at a location you do not own, lease or operate. This Extension does not apply to Covered Property:

- (1) In or on a vehicle;
- (2) In the care, custody or control of your sales persons; or
- (3) At any fair or exhibition.

The most we will pay for loss or damage under this Extension is $10,000.

e. **Outdoor Property**

You may extend the insurance provided by this Coverage Form to apply to your outdoor fences, radio and television antennas (including satellite dishes), signs (other than signs attached to buildings), trees, shrubs and plants (other than "stock" of trees, shrubs or plants), including debris removal expense, caused by or resulting from any of the following causes of loss if they are Covered Causes of Loss:

- (1) Fire;
- (2) Lightning;
- (3) Explosion;
- (4) Riot or Civil Commotion; or
- (5) Aircraft.

The most we will pay for loss or damage under this Extension is $1,000, but not more than $250 for any one tree, shrub or plant. These limits apply to any one occurrence, regardless of the types or number of items lost or damaged in that occurrence.

Each of these Extensions is additional insurance. The Additional Condition, Coinsurance, does not apply to these Extensions.

B. **EXCLUSIONS AND LIMITATIONS**

See applicable Causes of Loss Form as shown in the Declarations.

C. **LIMITS OF INSURANCE**

The most we will pay for loss or damage in any one occurrence is the applicable Limit of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs attached to buildings is $1,000 per sign in any one occurrence.

The limits applicable to the Coverage Extensions and the Fire Department Service Charge and Pollutant Clean Up and Removal Additional Coverages are in addition to the Limits of Insurance.

Payments under the following Additional Coverages will not increase the applicable Limit of Insurance:

1. Preservation of Property; or
2. Debris Removal; but if:
   
a. The sum of direct physical loss or damage and debris removal expense exceeds the Limit of Insurance; or
   
b. The debris removal expense exceeds the amount payable under the 25% limitation in the Debris Removal Additional Coverage;

   we will pay up to an additional $10,000 for each location in any one occurrence under the Debris Removal Additional Coverage.

D. DEDUCTIBLE

We will not pay for loss or damage in any one occurrence until the amount of loss or damage exceeds the Deductible shown in the Declarations. We will then pay the amount of loss or damage in excess of the Deductible, up to the applicable Limit of Insurance, after any deduction required by the Coinsurance condition or the Agreed Value Optional Coverage.

When the occurrence involves loss to more than one item of Covered Property and more than one Limit of Insurance applies, the Deductible will reduce the total amount of loss payable if loss to at least one item is less than the sum of (1) the Limit of Insurance applicable to that item plus (2) the Deductible.

Example No. 1:

(This example assumes there is no coinsurance penalty.)

Deductible: $250

Limit of Insurance Bldg. 1: $60,000
Limit of Insurance Bldg. 2: $80,000
Loss to Bldg. 1: $60,100
Loss to Bldg. 2: $90,000

The amount of loss to Bldg. 1 ($60,100) is less than the sum ($60,250) of the Limit of Insurance applicable to Bldg. 1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Bldg. 1:

$60,100
- 250
$59,850 Loss Payable - Bldg. 1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable for Bldg. 2. Loss payable for Bldg. 2 is the Limit of Insurance of $80,000.

Total amount of loss payable: $59,850 + 80,000 = $139,850

Example No. 2:

(This example, too, assumes there is no coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example No. 1.

Loss to Bldg. 1: $70,000 (exceeds Limit of Insurance plus Deductible)
Loss to Bldg. 2: $90,000 (exceeds Limit of Insurance plus Deductible)
Loss Payable Bldg. 1: $60,000 (Limit of Insurance)
Loss Payable Bldg. 2: $80,000 (Limit of Insurance)
Total Amount of loss Payable: $140,000

E. LOSS CONDITIONS

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

   a. Pay its chosen appraiser; and
   
   b. Bear the other expenses of the appraisal and umpire equally.

   If there is an appraisal, we will still retain our right to deny the claim.

3. Duties In The Event Of Loss Or Damage

   a. You must see that the following are done in the event of loss or damage to Covered Property:

      (1) Notify the police if a law may have been broken.
(2) Give us prompt notice of the loss or damage. Include a description of the property involved.

(3) As soon as possible, give us a description of how, when and where the loss or damage occurred.

(4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.

(5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.

(6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records. Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

(7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.

(8) Cooperate with us in the investigation or settlement of the claim.

b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured’s books and records. In the event of an examination, an insured’s answers must be signed.

4. Loss Payment

a. In the event of loss or damage covered by this Coverage Form, at our option, we will either:

   (1) Pay the value of lost or damaged property;

   (2) Pay the cost of repairing or replacing the lost or damaged property, subject to b. below;

   (3) Take all or any part of the property at an agreed or appraised value; or

   (4) Repair, rebuild or replace the property with other property of like kind and quality, subject to b. below.

b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.

c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.

d. We will not pay you more than your financial interest in the Covered Property.

e. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners’ property. We will not pay the owners more than their financial interest in the Covered Property.

f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.

g. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part and:

   (1) We have reached agreement with you on the amount of loss; or

   (2) An appraisal award has been made.

5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.
6. Vacancy
   a. Description of Terms
      (1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in (1)(a) and (1)(b) below:
         (a) When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.
         (b) When this policy is issued to the owner of a building, building means the entire building. Such building is vacant when 70% or more of its square footage:
             (i) Is not rented, or
             (ii) Is not used to conduct customary operations.
      (2) Buildings under construction or renovation are not considered vacant.
   b. Vacancy Provisions
      If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:
      (1) We will not pay for any loss or damage caused by any of the following even if they are Covered Causes of Loss:
         (a) Vandalism;
         (b) Sprinkler leakage, unless you have protected the system against freezing;
         (c) Building glass breakage;
         (d) Water damage;
         (e) Theft; or
         (f) Attempted theft.
      (2) With respect to Covered Causes of Loss other than those listed in b.(1)(a) through b.(1)(f) above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

7. Valuation
   We will determine the value of Covered Property in the event of loss or damage as follows:
   a. At actual cash value as of the time of loss or damage, except as provided in b., c., d., e. and f. below.
   b. If the Limit of Insurance for Building satisfies the Additional Condition, Coinsurance, and the cost to repair or replace the damaged building property is $2,500 or less, we will pay the cost of building repairs or replacement.
      The cost of building repairs or replacement does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property. However, the following property will be valued at the actual cash value even when attached to the building:
      (1) Awnings or floor coverings,
      (2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or
      (3) Outdoor equipment or furniture.
   c. "Stock" you have sold but not delivered at the selling price less discounts and expenses you otherwise would have had.
   d. Glass at the cost of replacement with safety glazing material if required by law.
   e. Tenant's Improvements and Betterments at:
      (1) Actual cash value of the lost or damaged property if you make repairs promptly.
      (2) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:
         (a) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
         (b) Divide the amount determined in (a) above by the number of days from the installation of improvements to the expiration of the lease.
If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.

(3) Nothing if others pay for repairs or replacement.

f. Valuable Papers and Records, including those which exist on electronic or magnetic media (other than prepackaged software programs), at the cost of:

(1) Blank materials for reproducing the records; and

(2) Labor to transcribe or copy the records when there is a duplicate.

F. ADDITIONAL CONDITIONS
The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

1. Coinsurance
If a Coinsurance percentage is shown in the Declarations, the following condition applies.

a. We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

(1) Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;

(2) Divide the Limit of Insurance of the property by the figure determined in step (1);

(3) Multiply the total amount of loss, before the application of any deductible, by the figure determined in step (2); and

(4) Subtract the deductible from the figure determined in step (3).

We will pay the amount determined in step (4) or the limit of insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

Example No. 1 (Underinsurance):
When:

The value of the property is $250,000
The Coinsurance percentage for it is 80%
The Limit of Insurance for it is $100,000
The Deductible is $250
The amount of loss is $40,000

Step (1): $250,000 x 80% = $200,000 (the minimum amount of insurance to meet your Coinsurance requirements)
Step (2): $100,000 ÷ $200,000 = .50
Step (3): $ 40,000 x .50 = $20,000
Step (4): $ 20,000 - $250 = $19,750

We will pay no more than $19,750. The remaining $20,250 is not covered.

Example No. 2 (Adequate Insurance):
When:

The value of the property is $250,000
The Coinsurance percentage for it is 80%
The Limit of Insurance for it is $200,000
The Deductible is $250
The amount of loss is $40,000

The minimum amount of insurance to meet your Coinsurance requirement is $200,000 ($250,000 x 80%). Therefore, the Limit of Insurance in this Example is adequate and no penalty applies. We will pay no more than $39,750 ($40,000 amount of loss minus the deductible of $250).

b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.
Example No. 3:

When.
The value of property is:
- Bldg. at Location No. 1 $75,000
- Bldg. at Location No. 2 $100,000
- Personal Property at Location No. 2 $75,000
- Total $250,000

The Coinsurance percentage for it is 90%

The Limit of Insurance for Buildings and Personal Property at Location Nos. 1 and 2 is $180,000

The Deductible is $1,000

The amount of loss is:
- Bldg. at Location No. 2 $30,000
- Personal Property at Location No. 2 $20,000
- Total $50,000

Step (1): $250,000 x 90% = $225,000 (the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step (2): $180,000 ÷ $225,000 = .80
Step (3): $50,000 x .80 = $40,000.
Step (4): $40,000 - $1,000 = $39,000.
We will pay no more than $39,000. The remaining $11,000 is not covered.

2. Mortgage holders
   a. The term mortgage holder includes trustee.
   b. We will pay for covered loss of or damage to buildings or structures to each mortgage holder shown in the Declarations in their order of precedence, as interests may appear.
   c. The mortgage holder has the right to receive loss payment even if the mortgage holder has started foreclosure or similar action on the building or structure.
   d. If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgage holder will still have the right to receive loss payment if the mortgage holder:
      1. Pays any premium due under this Coverage Part at our request if you have failed to do so;
      2. Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and
      3. Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgage holder.

      All of the terms of this Coverage Part will then apply directly to the mortgage holder.

   e. If we pay the mortgage holder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:
      1. The mortgageholder’s rights under the mortgage will be transferred to us to the extent of the amount we pay, and
      2. The mortgageholder’s right to recover the full amount of the mortgageholder’s claim will not be impaired.

      At our option, we may pay to the mortgage holder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

   f. If we cancel this policy, we will give written notice to the mortgageholder at least:
      1. 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or
      2. 30 days before the effective date of cancellation if we cancel for any other reason.
g. If we elect not to renew this policy, we will give written notice to the mortgage holder at least 10 days before the expiration date of this policy.

G. OPTIONAL COVERAGES

If shown in the Declarations, the following Optional Coverage’s apply separately to each item.

1. Agreed Value

   a. The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for loss of or damage to that property than the proportion that the Limit of Insurance under this Coverage Part for the property bears to the Agreed Value shown for it in the Declarations.

   b. If the expiration date for this Optional Coverage shown in the Declarations is not extended, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage expires.

   c. The terms of this Optional Coverage apply only to loss or damage that occurs:

      (1) On or after the effective date of this Optional Coverage: and

      (2) Before the Agreed Value expiration date shown in the Declarations or the policy expiration date, whichever occurs first.

2. Inflation Guard

   a. The Limit of Insurance for property to which this Optional Coverage applied will automatically increase by the annual percentage shown in the Declarations.

   b. The amount of increase will be:

      (1) The Limit of Insurance that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the Limit of Insurance, times

      (2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), times

      (3) The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.

Example:

If:

The applicable Limit of Insurance is \$100,000
The annual percentage increase is 8%
The number of days since the beginning of the policy year (or last policy change) is 146

The amount of increase is $100,000 x .08 x 146 / 365 $3,200

3. Replacement Cost

   a. Replacement Cost (without deduction for depreciation) replaces Actual Cash Value in the Loss Condition, Valuation, of this Coverage Form.

   b. This Optional Coverage does not apply to:

      (1) Personal property of others;

      (2) Contents of a residence;

      (3) Manuscripts;

      (4) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac; or

      (5) “Stock”, unless the Including “Stock” option is shown in the Declarations.

   c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.

   d. We will not pay on a replacement cost basis for any loss or damage:

      (1) Until the lost or damaged property is actually repaired or replaced; and

      (2) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage.
e. We will not pay more for loss or damage on a replacement cost basis than the least of (1), (2) or (3), subject to f. below:

(1) The Limit of Insurance applicable to the lost or damaged property;

(2) The cost to replace, on the same premises, the lost or damaged property with other property:
   (a) Of comparable material and quality; and
   (b) Used for the same purpose; or

(3) The amount you actually spend that is necessary to repair or replace the lost or damaged property.

f. The cost of repair or replacement does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.

ALL OTHER TERMS AND CONDITIONS OF THIS POLICY REMAIN UNCHANGED.
BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words “we”, “us” and "our" refer to the Company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to SECTION G - DEFINITIONS.

### A. COVERAGE

Coverage is provided as described below for one or more of the following options for which a Limit of Insurance is shown in the Declarations:

- **(i)** Business Income including “Rental Value”.
- **(ii)** Business Income other than “Rental Value”.
- **(iii)** "Rental Value".

If option (i) above is selected, the term Business Income will include "Rental Value". If option (iii) above is selected, the term Business Income will mean "Rental Value" only.

If Limits of Insurance are shown under more than one of the above options, the provisions of this Coverage Part apply separately to each.

We will pay for the actual loss of Business Income you sustain due to the necessary suspension of your "operations" during the "period of restoration". The suspension must be caused by direct physical loss of or damage to property, including personal property in the open (or in a vehicle) within 100 feet, at premises which are described in the Declarations and for which a Business Income Limit of Insurance is shown in the Declarations. The loss or damage must be caused by or result from a Covered Cause of Loss.

If you are a tenant, your premises is the portion of the building which you rent, lease or occupy, including:

1. All routes within the building to gain access to the described premises; and
2. Your personal property in the open (or in a vehicle) within 100 feet.

### 1. Business Income

Business Income means the:

- **a.** Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred; and
- **b.** Continuing normal operating expenses incurred, including payroll.

### 2. Covered Causes of Loss

See applicable Causes of Loss Form as shown in the Declarations.

### 3. Additional Coverages

#### a. Extra Expense.

Extra Expense means necessary expenses you incur during the “period of restoration” that you would not have incurred if there had been no direct physical loss or damage to property caused by or resulting from a Covered Cause of Loss.

1. We will pay any Extra Expense to avoid or minimize the suspension of business and to continue "operations":
   - (a) At the described premises, or
   - (b) At replacement premises or at temporary locations, including:
     - (i) Relocation expenses; and
     - (ii) Costs to equip and operate the replacement or temporary locations.

2. We will pay any Extra Expense to minimize the suspension of business if you cannot continue "operations".

3. We will pay any Extra Expense to:
   - (a) Repair or replace any property; or
   - (b) Research, replace or restore the lost information on damaged valuable papers and records; to the extent it reduces the amount of loss that otherwise would have been payable under this Coverage Form.
b. **Civil Authority.** We will pay for the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises due to direct physical loss of or damage to property, other than at the described premises, caused by or resulting from any Covered Cause of Loss.

The coverage for Business Income will begin 72 hours after the time of that action and will apply for a period of up to three consecutive weeks after coverage begins.

The coverage for Extra Expense will begin immediately after the time of that action and will end:

1. 3 consecutive weeks after the time of that action; or
2. When your Business Income coverage ends; whichever is later.

c. **Alterations and New Buildings.** We will pay for the actual loss of Business Income you sustain due to direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss to:

1. New buildings or structures, whether complete or under construction;
2. Alterations or additions to existing buildings or structures, and
3. Machinery, equipment, supplies or building materials located on or within 100 feet of the described premises and:
   1. Used in the construction, alterations or additions; or
   2. Incidental to the occupancy of new buildings.

If such direct physical loss or damage delays the start of “operations”, the “period of restoration” will begin on the date “operations” would have begun if the direct physical loss or damage had **not occurred.**

d. **Extended Business Income.**

1. **Business Income Other Than "Rental Value"**
   - If the necessary suspension of your “operations” produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:
     1. Begins on the date property (except “finished stock”) is actually repaired, rebuilt or replaced and “operations” are resumed; and
     2. Ends on the earlier of:
       1. The date you could restore your “operations”, with reasonable speed, to the level which would generate the business income amount that would have existed if no direct physical loss or damage had occurred, or
       2. 30 consecutive days after the date determined in (1)(a) above.

   However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

   Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

2. **"Rental Value"**
   - If the necessary suspension of your “operations” produces a "Rental Value" loss payable under this policy, we will pay for the actual loss of “Rental Value” you incur during the period that:
     1. Begins on the date property is actually repaired, rebuilt or replaced and tenantability is restored; and
(b) Ends on the earlier of:
   
   (i) The date you could restore tenant occupancy, with reasonable speed, to the level which would generate the “Rental Value” that would have existed if no direct physical loss or damage had occurred; or
   
   (ii) 30 consecutive days after the date determined in (2)(a) above.

However, Extended Business income does not apply to loss of “Rental Value” incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of “Rental Value” must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

4. Coverage Extension

   If a Coinsurance percentage of 50% or more is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

   Newly Acquired Locations

   (a) You may extend your Business Income Coverage to apply to property at any location you acquire other than fairs or exhibitions.

   (b) The most we will pay for loss under this Extension is $100,000 at each location.

   (c) Insurance under this Extension for each newly acquired location will end when any of the following first occurs:

      (1) This policy expires;

      (2) 30 days expire after you acquire or begin to construct the property; or

      (3) You report values to us.

   We will charge you additional premium for values reported from the date you acquire the property.

   This Extension is additional insurance. The Additional Condition. Coinsurance, does not apply to this Extension.

B. EXCLUSIONS AND LIMITATIONS

   See applicable Causes of Loss Form as shown in the Declarations.

C. LIMITS OF INSURANCE

   The most we will pay for loss in any one occurrence is the applicable Limit of Insurance shown in the Declarations.

   The limit applicable to the Coverage Extension is in addition to the Limit of Insurance.

   Payments under the following Additional Coverages will not increase the applicable Limit of Insurance:

   1. Alterations and New Buildings;

   2. Civil Authority;

   3. Extra Expense; or

   4. Extended Business Income.

D. LOSS CONDITIONS

   The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

   1. Appraisal

      If we and you disagree on the amount of Net Income and operating expense or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser.

      The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the amount of Net Income and operating expense or amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

      a. Pay its chosen appraiser; and

      b. Bear the other expenses of the appraisal and umpire equally.

      If there is an appraisal, we will still retain our right to deny the claim.

   2. Duties In The Event Of Loss

      a. You must see that the following are done in the event of loss:

         (1) Notify the police if a law may have been broken.

         (2) Give us prompt notice of the direct physical loss or damage. Include a description of the property involved.

         (3) As soon as possible, give us a description of how, when, and where the direct physical loss or damage occurred.
(4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.

(5) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

(6) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.

(7) Cooperate with us in the investigation or settlement of the claim.

(8) If you intend to continue your business, you must resume all or part of your operations as quickly as possible.

b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured’s books and records. In the event of an examination, an insured's answers must be signed.

3. Limitation - Electronic Media And Records

We will not pay for any loss of Business Income caused by direct physical loss of or damage to Electronic Media and Records after the longer of:

a. 60 consecutive days from the date of direct physical loss or damage; or

b. The period, beginning with the date of direct physical loss or damage, necessary to repair, rebuild or replace, with reasonable speed and similar quality, other property at the described premises due to loss or damage caused by the same occurrence.

Electronic Media and Records are:

(1) Electronic data processing, recording or storage media such as films, tapes, discs, drums or cells;

(2) Data stored on such media; or

(3) Programming records used for electronic data processing or electronically controlled equipment.

This limitation does not apply to Extra Expense.

Example No. 1:

A Covered Cause of Loss damages a computer on June 1. It takes until September 1 to replace the computer, and until October 1 to restore the data that was lost when the damage occurred. We will only pay for the Business Income loss sustained during the period June 1 - September 1. Loss during the period September 2 - October 1 is not covered.

Example No. 2:

A Covered Cause of Loss results in the loss of data processing programming records on August 1. The records are replaced on October 15. We will only pay for the Business Income loss sustained during the period August 1 - September 29 (60 consecutive days). Loss during the period September 30 - October 15 is not covered.

4. Loss Determination

(a) The amount of Business Income loss will be determined based on:

(1) The Net Income of the business before the direct physical loss or damage occurred,

(2) The likely Net Income of the business if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses;

(3) The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the direct physical loss or damage; and
5. Loss Payment

We will pay for covered loss within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part and:

a. We have reached agreement with you on the amount of loss; or

b. An appraisal award has been made.

E. ADDITIONAL CONDITION

Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies in addition to the Common Policy Conditions and the Commercial Property Conditions.

We will not pay the full amount of any loss if the Limit of Insurance for Business Income is less than:

a. The Coinsurance percentage shown for Business Income in the Declarations; times

b. The sum of:

(1) The Net Income (Net Profit or Loss before income taxes), and

(2) Operating expenses, including payroll expenses, that would have been earned or incurred (had no loss occurred) by your "operations" at the described premises for the 12 months following the inception, or last previous anniversary date, of this policy (whichever is later).

Instead, we will determine the most we will pay using the following steps:

1. Multiply the Net Income and operating expense for the 12 months following the inception, or last previous anniversary date, of this policy by the Coinsurance percentage;

2. Divide the Limit of Insurance for the described premises by the figure determined in Step 1.; and

3. Multiply the total amount of loss by the figure determined in Step 2.

We will pay the amount determined in Step 3, or the limit of insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.
In determining operating expenses for the purpose of applying the Coinsurance condition, the following expenses, if applicable, shall be deducted from the total of all operating expenses:

1. Prepaid freight - outgoing;
2. Returns and allowances;
3. Discounts;
4. Bad debts;
5. Collection expenses;
6. Cost of raw stock and factory supplies consumed (including transportation charges);
7. Cost of merchandise sold (including transportation charges);
8. Cost of other supplies consumed (including transportation charges);
9. Cost of services purchased from outsiders (not employees) to resell, that do not continue under contract;
10. Power, heat and refrigeration expenses that do not continue under contract (if form CP 15 11 is attached);
11. All ordinary payroll expenses or the amount of payroll expense excluded (if form CP 15 10 is attached); and
12. Special deductions for mining properties (royalties unless specifically included in coverage; actual depletion commonly known as unit or cost depletion - not percentage depletion - welfare and retirement fund charges based on tonnage; hired trucks).

Example No. 1 (Underinsurance):

When: The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date of this policy at the described premises would have been $400,000

The Coinsurance percentage is 50%

The Limit of Insurance is $150,000

The amount of loss is $80,000

Step 1: $400,000 x 50% = $200,000
   (the minimum amount of insurance to meet your Coinsurance requirements)

Step 2: $150,000 ÷ $200,000 = .75

Step 3: $80,000 x .75 = $60,000

We will pay no more than $60,000. The remaining $20,000 is not covered.

Example No. 2 (Adequate Insurance):

When: The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the described premises would have been $400,000

The Coinsurance percentage is 50%

The Limit of Insurance is $200,000

The amount of loss is $80,000

The minimum amount of insurance to meet your Coinsurance requirement is $200,000 ($400,000 x 50%). Therefore, the Limit of Insurance in this Example is adequate and no penalty applies. We will pay no more than $80,000 (amount of loss).

This condition does not apply to the Extra Expense Additional Coverage.

F. OPTIONAL COVERAGES

If shown in the Declarations, the following Optional Coverages apply separately to each item.

1. Maximum Period Of Indemnity

   a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.

   b. The most we will pay for loss of Business Income is the lesser of:

      (1) The amount of loss sustained during the 120 days immediately following the beginning of the "period of restoration";

      (2) The Limit of Insurance shown in the Declarations.
2. Monthly Limit Of Indemnity

   a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.

   b. The most we will pay for loss of Business Income in each period of 30 consecutive days after the beginning of the “period of restoration” is:

      (1) The Limit of Insurance, multiplied by

      (2) The fraction shown in the Declarations for this Optional Coverage.

Example:

When: The Limit of Insurance is $120,000
      The fraction shown in the Declarations for this Optional Coverage is 3

      The most we will pay for loss in each period of 30 consecutive days is:

      $120,000 x 3 = $30,000

      If, in this example, the actual amount of loss is:

      Days 1-30 $40,000
      Days 31-60 20,000
      Days 61-90 30,000
                  $90,000

      We will pay:

      Days 1-30 $30,000
      Days 31-60 20,000
      Days 61-90 30,000
                  $80,000

      The remaining $10,000 is not covered.

3. Business Income Agreed Value

   a. To activate this Optional Coverage:

      (1) A Business Income Report/Work Sheet must be submitted to us and must show financial data for your “operations”:

      (a) During the 12 months prior to the date of the Work Sheet; and

      (b) Estimated for the 12 months immediately following the inception of this Optional Coverage.

   (2) The Declarations must indicate that the Business Income Agreed Value Optional Coverage applies, and an Agreed Value must be shown in the Declarations. The Agreed Value should be at least equal to:

      (a) The Coinsurance percentage shown in the Declarations; multiplied by

      (b) The amount of Net Income and operating expenses for the following 12 months you report on the Work Sheet.

   b. The Additional Condition, Coinsurance. Is suspended until:

      (1) 12 months after the effective date of this Optional Coverage; or

      (2) The expiration date of this policy; whichever occurs first.

   c. We will reinstate the Additional Condition, Coinsurance, automatically if you do not submit a new Work Sheet and Agreed Value:

      (1) Within 12 months of the effective date of this Optional Coverage; or

      (2) When you request a change in your Business Income Limit of Insurance.

   d. If the Business Income Limit of Insurance is less than the Agreed Value, we will not pay more of any loss than the amount of loss multiplied by:

      (1) The Business Income Limit of Insurance; divided by

      (2) The Agreed Value.

Example:

When: The Limit of Insurance is $100,000
      The Agreed Value is $200,000
      The amount of loss is $80,000

Step (a): $100,000 ÷ $200,000 = .50
Step (b): .50 x $80,000 = $40,000

We will pay $40,000. The remaining $40,000 is not covered.
4. Extended Period Of Indemnity

Under paragraph A.3.d., Extended Business Income, the number "30" in subparagraph (2)(b) is replaced by the number shown in the Declarations for this Optional Coverage.

G. DEFINITIONS

1. "Finished Stock" means stock you have manufactured.

"Finished stock" also includes whiskey and alcoholic products being aged, unless there is a Coinsurance percentage shown for Business Income in the Declarations.

"Finished stock" does not include stock you have manufactured that is held for sale on the premises of any retail outlet insured under this Coverage Part.

2. "Operations" means:

   a. Your business activities occurring at the described premises; and

   b. The tenantability of the described premises, if coverage for Business Income including "Rental Value" or "Rental Value" applies.

      (2) The Limit of Insurance shown in the Declarations as applicable to the covered Building property.

   b. If the Replacement Cost Coverage Option applies and the property is not repaired or replaced, or if the Replacement Cost Coverage Option does not apply, we will not pay more than the lesser of:

      (1) The actual cash value of the building at the time of loss; or

      (2) The Limit of Insurance shown in the Declarations as applicable to the covered Building property.

The most we will pay, for the total of all covered losses for Demolition Cost and Increased Cost of Construction, is the Blanket Limit of Insurance shown for Coverages B and C in the Schedule above. Subject to this Blanket Limit of Insurance, the following loss payment provisions apply:

a. For Demolition Cost, we will not pay more than the amount you actually spend to demolish and clear the site of the described premises.

EXCLUSION OF WAR, MILITARY ACTION AND TERRORISM

This endorsement modifies insurance provided under the following:

- Boiler and Machinery Coverage Part
- Commercial Crime Coverage Form
- Commercial Crime Policy
- Commercial Inland Marine Coverage Part
- Commercial Property Coverage Part
- Farm Coverage Part
- Government Crime Coverage Form
- Government Crime Policy
- Standard Property Policy

A. The War And Military Action Exclusion is replaced by the following Exclusion. With respect to any Coverage Form to which the War And Military Action Exclusion does not apply, that Exclusion is hereby added as follows.

WAR AND MILITARY ACTION EXCLUSION

We will not pay for loss or damage caused directly or indirectly by the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

1. War, including undeclared or civil war; or
2. Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or
3. Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

With respect to any action that comes within the terms of this exclusion and involves nuclear reaction or radiation, or radioactive contamination, this War And Military Action Exclusion supersedes the Nuclear Hazard Exclusion.

B. Regardless of the amount of damage and losses, the Terrorism Exclusion applies to any incident of terrorism:

1. That involves the use, release or escape of nuclear materials, or that directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or
2. That is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
3. In which pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the terrorism was to release such materials.

Except as provided in B.1., B.2. or B.3. above, the Terrorism Exclusion will only apply to an incident of terrorism in which the total of insured damage to all types of property in the United States, its territories and possessions, Puerto Rico and Canada exceeds $25,000,000. In determining whether the $25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the terrorism and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions. Multiple incidents of terrorism which occur within a 72-hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one incident.
The preceding paragraph describes the threshold used to measure the magnitude of an incident of terrorism and the circumstances in which the threshold will apply, for the purpose of determining whether the Terrorism Exclusion will apply to that incident. When the Terrorism Exclusion applies to an incident of terrorism, there is no coverage under the insurance identified in this endorsement.

In the event of any incident of terrorism that is not subject to the Terrorism Exclusion, coverage does not apply to any element of loss or damage that is otherwise excluded under the insurance identified in this endorsement.

TERRORISM EXCLUSION

We will not pay for loss or damage caused directly or indirectly by terrorism, including action in hindering or defending against an actual or expected incident of terrorism. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

Terrorism means activities against persons, organizations or property of any nature:

1. That involve the following or preparation for the following:
   a. Use or threat of force or violence; or
   b. Commission or threat of a dangerous act; or
   c. Commission or threat of an act that interferes with or disrupts an electronic, communication, information, or mechanical system; and

1. When one or both of the following applies:
   a. The effect is to intimidate or coerce a government or the civilian population or any segment thereof, or to disrupt any segment of the economy; or
   b. It appears that the intent is to intimidate or coerce a government, or to further political, ideological, religious, social or economic objectives or to express (or express opposition to) a philosophy or ideology.

But with respect to any such activity that also comes within the terms of the War And Military Action Exclusion, that exclusion supersedes this Terrorism Exclusion.

In the event of an incident of terrorism that involves nuclear reaction or radiation, or radioactive contamination, this Terrorism Exclusion supersedes the Nuclear Hazard Exclusion.

      (a) Airborne volcanic blast or airborne shock waves;

      (b) Ash, dust or particulate matter; or

   c. Governmental Action

      Seizure or destruction of property by order of governmental authority.

      But we will pay for loss or damage caused by or resulting from acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread, if the fire would be covered under this Coverage Part.

But if the failure of power or other utility service results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

This exclusion does not apply to the Business Income coverage or to Extra Expense coverage. Instead, the Special Exclusion in paragraph 8.4.a.(I) applies to these coverages.

f. War And Military Action

(1) War, including undeclared or civil war;
(2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or

In determining the amount, if any, that we will pay for property that has sustained loss or damage, we will deduct an amount equal to a percentage (as shown in the Declarations) of the actual cash value(s) of that property as of the time of loss or damage.

(2) Builders Risk Reporting Form

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to a percentage (as shown in the Declarations) of the value(s) of the property that has sustained loss or damage. The value(s) to be used are the actual cash value(s) shown in the most recent Report of Values on file with us.

However:

(a) If the most recent Report of Values shows less than the actual cash value(s) of the property on the report date, we will determine the deductible amount as a percentage of the actual cash value(s) as of the report date.

(b) If the first Report of Values is not filed with us prior to loss or damage, we will determine the deductible amount as a percentage of the actual cash value(s) of the property as of the time of loss or damage.

3. The following is applicable only to the Coverage Forms specified below:

a. Business Income (And Extra Expense) Coverage Form;

b. Business Income (Without Extra Expense) Coverage Form;

c. Extra Expense Coverage Form.

For buildings over 4 stories in height we will only pay for loss you sustain after the first 168 hours after direct physical loss or damage caused by or resulting from Earthquake or Volcanic Eruption.

E. EXAMPLES - APPLICATION OF DEDUCTIBLE IN D.2.:

Example #1 - Specific Insurance (D.2.b.(1))

The amount of loss to the damaged building is $60,000. The value of the damaged building at time of loss is $100,000. The Coinsurance percentage shown in the Declarations is 80%: the minimum Limit of Insurance needed to meet the coinsurance requirement is $80,000 (80% of $100,000).
The actual Limit of Insurance on the damaged building is $70,000.

The Deductible is 5%.

Step (1): $70,000 ÷ $80,000 = .875
Step (2): $60,000 x .875 = $52,500
Step (3): $70,000 x 5% = $3,500
Step (4): $52,500 - $3,500 = $49,000

The most we will pay is $49,000. The remainder of the loss, $11,000, is not covered due to the Coinsurance penalty for inadequate insurance (steps (1) and (2)) and the application of the Deductible (steps (3) and (4)).

Example #2 - Specific Insurance (D.2.b.(1))

The amounts of loss to the damaged property are $60,000 (building) and $40,000 (business personal property in building).

The value of the damaged building at time of loss is $100,000. The value of the business personal property in that building is $80,000. The Coinsurance percentage shown in the Declarations is 80%; the minimum Limits of Insurance needed to meet the coinsurance requirement are $80,000 (80% of $100,000) for the building and $64,000 (80% of $80,000) for the business personal property.

The actual Limits of Insurance on the damaged property are $80,000 on the building and $64,000 on the business personal property (therefore no Coinsurance penalty).

The Deductible is 10%.

Building
Step (1): $80,000 x 10% = $8,000
Step (2): $60,000 - $8,000 = $52,000

Business Personal Property
Step (1): $64,000 x 10% = $6,400
Step (2): $40,000 - $6,400 = $33,600

The most we will pay is $85,600. That portion of the total loss not covered due to application of the Deductible is $14,400.

Example #3 - Blanket Insurance (D.2.c-(1))

The sum of the values of Building #1 ($500,000), Building #2 ($500,000), Business Personal Property at Building #1 ($250,000) and Business Personal Property at Building #2 ($250,000), as shown in the most recent Statement of Values on file with us, is $1,500,000.

The Coinsurance percentage shown in the Declarations is 90%; the minimum Blanket Limit of Insurance needed to meet the coinsurance requirement is $1,350,000 (90% of $1,500,000).

The actual Blanket Limit of Insurance covering Buildings #1 and #2, shown in the Declarations, is $1,800,000 (therefore no Coinsurance penalty).

Buildings #1 and #2 have sustained damage; the amounts of loss to these buildings are $40,000 (Building #1) and $60,000 (Building #2).

The Deductible is 5%.

Building #1
Step (1): $500,000 x 5% = $25,000
Step (2): $40,000 - $25,000 = $15,000

Building #2
Step (1): $500,000 x 5% = $25,000
Step (2): $60,000 - $25,000 = $35,000

The most we will pay is $50,000. That portion of the total loss not covered due to application of the Deductible is $50,000.

Example #4 - Blanket Insurance (D.2.c.(1))

The sum of the values of Building #1 ($500,000), Building #2 ($500,000), Business Personal Property at Building #1 ($250,000) and Business Personal Property at Building #2 ($250,000), as shown in the most recent Statement of Values on file with us, is $1,500,000.

The Coinsurance percentage shown in the Declarations is 90%; the minimum Blanket Limit of Insurance needed to meet the coinsurance requirement is $1,350,000 (90% of $1,500,000).

The actual Blanket Limit of Insurance covering Buildings #1 and #2, shown in the Declarations, is $1,800,000. Therefore there is no Coinsurance penalty.

Buildings #1 and Business Personal Property at Building #1 have sustained damage; the amounts of loss are $95,000 (Building) and $5,000 (Business Personal Property).

The Deductible is 10%.

Building
Step (1): $500,000 x 10% = $50,000
Step (2): $95,000 - $50,000 = $45,000

Business Personal Property
Step (1): $250,000 x 10% = $25,000

The loss, $5,000, does not exceed the deductible.

The most we will pay is $45,000. The remainder of the building loss, $50,000, is not covered due to application of the Deductible. There is no loss payment for the business personal property.

All shipments so reported shall be covered under this policy subject to its terms and conditions.

2. All shipments covered hereunder are insured for their actual value, market, if any, at time of shipment.

3. The Insured shall endeavor to have the contents of each package verified by two persons, but verification by only one person shall not prejudice the Insured’s right to recover hereunder. Packages may be packed and sealed in any manner satisfactory to the Post Office at place of shipment.

4. The Insured shall report to the Company or its Agent as soon as practicable every loss which may become a claim under this policy, and shall file a proof of loss and proof of interest with the Company or its Agent within a reasonable time thereafter.

5. In case of loss, the Insured may recover hereunder the value of the Property at the time of dispatch or at the time the loss becomes known to the Insured, or the cost of corresponding Property purchased by the Insured in an available market, plus any loss of actual interest earnings and shipping and insurance charges, but not exceeding in the aggregate the amount insured hereunder. When the amount recorded or declared for insurance on bonds, stock certificates or rights is the market value of such securities on day of shipment, the Company will, at the Insured’s option, pay the cost of corresponding Property purchased by the Insured in an available market but not exceeding 125% of the market value of the securities on day of shipment.

(a) As respects loss by theft on the part of employees of senders or addressees the Company shall be liable only for the excess of the amount covered by any other insurance or indemnity whether such other insurance or indemnity be primary or excess. However, should there be any delay in collecting such losses on Property insured hereunder, the Company will advance to the Insured, upon request, its proportion of the sum due from such other insurers or sureties, provided that the sum of the amounts paid and advanced shall not exceed the amount insured hereunder. Such advance shall be without charge for interest and shall be repayable only as and when recovered from such other insurers or sureties and after deduction of any expenses incurred in making such recovery, including any reinstatement premium which may be paid to other insurers or sureties on account of the loss.

With respect to loss by theft on the part of employees of senders or addressees indemnified under a blanket or fidelity bond, the Company will pay the amount of premium experience credit that would have been earned under such bond had such loss not been so indemnified, provided that the total amount collectible hereunder shall in no event exceed the amount insured hereunder.

(b) As respects any loss, other than by theft on the part of employees of senders or addressees, which would be recoverable under any blanket bond or bonds, the Company shall, as to any loss collectible hereunder, be directly and primarily liable and shall have no recourse against such bond or bonds.
7. Upon payment of any loss under this policy, all right, title, and interest in the Property shall be conveyed to the Company.

8. In case of loss hereunder it shall be lawful and necessary for the Insured to sue, labor and travel for, in and about the defense, safeguard and recovery of the Property without prejudice to this insurance and to take, at the request, risk and expense of the Company, all necessary measures for the recovery, reissue or duplication of the Property.

9. This insurance shall in nowise insure directly or indirectly to the benefit of any carrier or other bailee.

10. No suit, action or proceeding for the recovery of any claim under this policy shall be sustainable in any court of law or equity unless the same be commenced within twelve (12) months next after discovery by the Insured of the occurrence which gives rise to the claim, provided however, that if by the laws of the State within which this policy is issued such limitation is invalid, then any such claims shall be void unless such action, suit or proceeding be commenced within the shortest limit of time permitted by the laws of such State.

The terms and conditions of this form are to be regarded as substituted for those of the policy to which it is attached, the latter being hereby waived.
This Policy covers property incidental to the Insured's business, while in transit by Parcel Post, Registered or Unregistered Mail, from the time the property passes into the custody of the Post Office Department for transmission, until arrival at the address stated on the declaration book issued with this policy, between places in North America or from places in North America to places anywhere in the world and vice versa.

This Policy insures the safe arrival of the property contained in each package and in case of loss or damage to such package or any part of the contents thereof, from any external cause whatsoever except as hereinafter excluded, occurring while the package is actually in the custody of the Post Office Department, the Company will reimburse the Insured therefor.

This Company shall not be liable for more than the actual value of the property lost, destroyed or damaged, nor in any event for an amount in excess of the amount insured, and the total liability shall in no event exceed $100.00 in any one package shipped by ordinary Parcel Post or Unregistered Mail, and not to exceed $500.00 in any one package shipped by Registered Mail or Government Insured Parcel Post.

Warranted by the Insured that each package shipped by Government Insured Parcel Post, valued at $100.00 or less, will be insured with the Government for at least fifty (50%) per cent of the actual value, and that each package valued in excess of $100.00 will be insured with the Government for not less than $50.00.

1. **THIS POLICY DOES NOT INSURE**

7. **Other Insurance.**

If there is any other valid and collectible insurance which would apply in the absence of this policy, the insurance under this policy shall apply only as excess insurance over such other insurance; provided, the insurance shall not apply (a) to property which is separately described and enumerated and specifically insured in whole or in part by any other insurance; or (b) to property otherwise insured unless such property is owned by the insured.
8. Appraisal.

If the insured and the company fail to agree as to the amount of loss, each shall, on the written demand of either, made within sixty (60) days after receipt of proof of loss by the company, select a competent and disinterested appraiser, and the appraisal shall be made at a reasonable time and place. The appraisers shall first select a competent and disinterested umpire, and failing for fifteen (15) days to agree upon such umpire, then, on the request of the insured or the company, such umpire shall be selected by a judge of a court of record in the county and state in which such appraisal is pending. The appraisers shall then appraise the loss, stating separately the actual cash value at time of loss and the amount of the loss, and failing to agree shall submit their differences to the umpire. An award in writing of any two shall determine the amount of loss. The insured and the company shall each pay its chosen appraiser and shall bear equally the expenses of the umpire and the other expenses of appraisal.

The company shall not be held to have waived any of its rights by any act relating to appraisal.

No action shall lie against the company unless, as a condition precedent thereto, there shall have been full compliance with all the terms of this policy, nor until ninety (90) days after the required proofs of loss have been filed with the company, nor at all unless commenced within two (2) years from the date when the insured discovers the loss. 10. Subrogation.

In the event of any payment under this policy, the company shall be subrogated to all the insured's rights of recovery therefore against any person or organization and the insured shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The insured shall do nothing after loss to prejudice such rights.

11. Changes.

Notice to any agent of knowledge possessed by any agent or by any other person shall not effect a waiver or a change in any part of this policy or stop the company from asserting any right under the terms of this policy; nor shall the terms of this policy be waived or changed, except by endorsement issued to form a part of this policy, signed by the President and by the Secretary of the company.

12. Assignment.

Assignment of interest under this policy shall not bind the company until its consent is endorsed hereon; if, however, the insured shall die, this policy shall cover the insured's legal representative as insured; provided that notice of cancellation addressed to the insured named in the declarations and mailed to the address shown in this policy shall be sufficient notice to effect cancellation of this policy.

No such examination under oath or examination of books or documents, nor any other act of the Company or any of its employees or representatives in connection with the investigation of any loss or claim hereunder, shall be deemed a waiver of any defense which the Company might otherwise have with respect to any loss or claim, but all such examinations and acts shall be deemed to have been made or done without prejudice to the Company's liability.

4. **Valuation**

   The Company shall not be liable beyond the actual cash value of the property at the time any loss or damage occurs and the loss or damage shall be ascertained or estimated according to such actual cash value with proper deduction for depreciation, however caused, and shall in no event exceed what it would the cost to repair or replace the same with material of like kind and quality.

5. **Settlement of Loss**

10. **Protection of Property**

   This coverage does not increase the Coverage A or Coverage B limit of liability.

   b. Property Removed to Safety

      (1) We will pay up to $1,000 for the reasonable expenses you incur to move insured property to a place other than the described location that contains the property in order to protect it from flood or the imminent danger of flood.

      Reasonable expenses include the value of work, at the Federal minimum wage, that you perform.

      (2) If you move insured property to a location other than the described location that contains the property, in order to protect it from flood or the imminent danger of flood, we will cover such property while at that location for a period of 45 consecutive days from the date you begin to move it there. The personal property that is moved must be placed in a fully enclosed building or otherwise reasonably protected from the elements.

      Any property removed, including a moveable home described in II.B.6.b. and c., must be placed above ground level or outside of the special flood hazard area.

   This coverage does not increase the Coverage A or Coverage B limit of liability.

3. Pollution Damage

   We will pay for damage caused by pollutants to covered property if the discharge, seepage, migration, release, or escape of the pollutants is caused by or results from flood. The most we will pay under this coverage is $10,000. This coverage does not increase the Coverage A or Coverage B limits of liability. Any payment under this provision when combined with all other payments for the same loss cannot exceed
D. COVERAGE D - INCREASED COST OF COMPLIANCE

1. General

This policy pays you to comply with a State or local floodplain management law or ordinance affecting repair or reconstruction of a structure suffering flood damage. Compliance activities eligible for payment are: elevation, floodproofing, relocation, or demolition (or any combination of these activities) of your structure. Eligible floodproofing activities are limited to:

a. Nonresidential structures.

b. Residential structures with basements that satisfy FEMA’s standards published in the Code of Federal Regulations [44 CFR 60.6 (b) or (c)].

2. Limit of Liability

We will pay you up to $30,000 under this Coverage D - Increased Cost of Compliance, which only applies to policies with building coverage (Coverage A).

Our payment of claims under Coverage D is in addition to the amount of coverage which you selected on the application and which appears on the Declarations Page. But the maximum you can collect under this policy for both Coverage A - Building Property and Coverage D - Increased Cost of Compliance cannot exceed the maximum permitted under the Act. We do not charge a separate deductible for a claim under Coverage D.

3. Eligibility

a. A structure covered under Coverage A - Building Property sustaining a loss caused by a flood as defined by this policy must:

(1) Be a "repetitive loss structure." A repetitive loss structure is one that meets the following conditions:

(a) The structure is covered by a contract of flood insurance issued under the NFIP.

(b) The structure has suffered flood damage on two occasions during a 10-year period which ends on the date of the second loss.

(c) The cost to repair the flood damage, on average, equaled or exceeded 25 percent of the market value of the structure at the time of each flood loss.

(d) In addition to the current claim, the NFIP must have paid the previous qualifying claim, and the State or community must have a cumulative, substantial damage provision or repetitive loss provision in its floodplain management law or ordinance being enforced against the structure; or

(2) Be a structure that has had flood damage in which the cost to repair equals or exceeds 50 percent of the market value of the structure at the time of the flood. The State or community must have a substantial damage provision in its floodplain management law or ordinance being enforced against the structure.

b. This Coverage D pays you to comply with State or local floodplain management laws or ordinances that meet the minimum standards of the National Flood Insurance Program found in the Code of Federal Regulations at 44 CFR 60.3. We pay for compliance activities that exceed those standards under these conditions:

(1) 3.a.(1) above.

(2) Elevation or floodproofing in any risk zone to preliminary or advisory base flood elevations provided by FEMA.
which the State or local government has adopted and is enforcing for flood-
damaged structures in such areas. (This includes compliance activities in B, C, X,
or D zones which are being changed to zones with base flood elevations. This
also includes compliance activities in zones where base flood elevations are
being increased, and a flood-damaged structure must comply with the higher
advisory base flood elevation.) Increased Cost of Compliance coverage
does not apply to situations in B, C, X,
or D zones where the community has
derived its own elevations and is
enforcing elevation or floodproofing
requirements for flood-damaged
structures to elevations derived solely
by the community.

(3) Elevation or floodproofing above the
base flood elevation to meet State or
local "freeboard" requirements, i.e., that
a structure must be elevated above the
base flood elevation.

c. Under the minimum NFIP criteria at 44 CFR
60.3 (b)(4), States and communities must
require the elevation or floodproofing of
structures in unnumbered A zones to the
base flood elevation where elevation data is
obtained from a Federal, State, or other
source. Such compliance activities are also
eligible for Coverage D.

d. This coverage will also pay for the
incremental cost, after demolition or
relocation, of elevating or floodproofing a
structure during its rebuilding at the same or
another site to meet State or local floodplain
management laws or ordinances, subject to
Exclusion D.5.g. below.

e. This coverage will also pay to bring a flood-
damaged structure into compliance with
State or local floodplain management laws
or ordinances even if the structure had
received a variance before the present loss
from the applicable floodplain management
requirements.

4. Conditions

a. When a structure covered under Coverage

Flood Special Form

Building Property sustains a loss caused by
a flood, our payment for the loss under this
Coverage D will be for the increased cost to
elevate, floodproof, relocate, or demolish (or
any combination of these activities) caused
by the enforcement of current State or local
floodplain management ordinances or laws. Our payment for eligible demolition activities
will be for the cost to demolish and clear the
site of the building debris or a portion thereof
causd by the enforcement of current State
or local floodplain management ordinances
or laws. Eligible activities for the cost of
clearing the site will include those necessary
to discontinue utility service to the site and
ensure proper abandonment of on-site
utilities.

b. When the building is repaired or rebuilt, it
must be intended for the same occupancy as
the present building unless otherwise
required by current floodplain management
ordinances or laws.

5. Exclusions

Under this Coverage D - Increased Cost of
Compliance we will not pay for:

a. The cost to comply with any floodplain
management law or ordinance in
communities participating in the Emergency
Program.

b. The cost associated with enforcement of any
ordinance or law that requires any insured or
others to test for, monitor, clean up, remove,
contain, treat, detoxify or neutralize, or in
any way respond to, or assess the effects of
pollutants.

c. The loss in value to any insured building or
other structure due to the requirements of
any ordinance or law.

d. The loss in residual value of the undamaged
portion of a building demolished as a conse-
quence of enforcement of any State or
local floodplain management law or
ordinance.

e. Any Increased Cost of Compliance under
this Coverage D:
(1) Until the building is elevated, floodproofed, demolished, or relocated on the same or to another premises; and

(2) Unless the building is elevated, floodproofed, demolished, or relocated as soon as reasonably possible after the loss, not to exceed 2 years.

f. Any code upgrade requirements, e.g., plumbing or electrical wiring, not specifically related to the State or local floodplain management law or ordinance.

g. Any compliance activities needed to bring additions or improvements made after the loss occurred into compliance with State or local floodplain management laws or ordinances.

h. Loss due to any ordinance or law that you were required to comply with before the current loss.

i. Any rebuilding activity to standards that do not meet the NFIP's minimum requirements. This includes any situation where the insured has received from the State or community a variance in connection with the current flood loss to rebuild the property to an elevation below the base flood elevation.

j. Increased Cost of Compliance for a garage or carport.

k. Any structure insured under an NFIP Group Flood Insurance Policy.

l. Assessments made by a condominium association on individual condominium unit owners to pay increased costs of repairing commonly owned buildings after a flood in compliance with State or local floodplain management ordinances or laws.

6. Other Provisions

All other conditions and provisions of this policy apply.
We do not cover any of the following property:

1. Personal property not inside the fully enclosed building;

2. A building, and personal property in it, located entirely in, on, or over water or seaward of mean high tide, if it was constructed or substantially improved after September 30, 1982;

3. Open structures, including a building used as a boathouse or any structure or building into which boats are floated, and personal property located in, on, or over water;

4. Recreational vehicles other than travel trailers described in II.B.6.c., whether affixed to a permanent foundation or on wheels;

5. Self-propelled vehicles or machines, including their parts and equipment. However, we do cover self-propelled vehicles or machines not licensed for use on public roads that are:
   a. Used mainly to service the described location, or
   b. Designed and used to assist handicapped persons,

While the vehicles or machines are inside a building at the described location;

6. Land, land values, lawns, trees, shrubs, plants, growing crops, or animals;

7. Accounts, bills, coins, currency, deeds, evidences of debt, medals, money, scrip, stored value cards, postage stamps, securities, bullion, manuscripts, or other valuable papers;

8. Underground structures and equipment, including wells, septic tanks, and septic systems;

9. Those portions of walks, walkways, decks, driveways, patios, and other surfaces, all whether protected by a roof or not, located outside the perimeter, exterior walls of the insured building;

10. Containers, including related equipment, such as, but not limited to, tanks containing gases or liquids;

11. Buildings or units and all their contents if more than 49 percent of the actual cash value of the building or unit is below ground, unless the lowest level is at or above the base flood elevation and is below ground by reason of earth having been used as insulation material in conjunction with energy efficient building techniques;

12. Fences, retaining walls, seawalls, bulkheads, wharves, piers, bridges, and docks;

13. Aircraft or watercraft, or their furnishings and equipment;

14. Hot tubs and spas that are not bathroom fixtures, and swimming pools, and their equipment such as, but not limited to, heaters, filters, pumps, and pipes, wherever located;

15. Property not eligible for flood insurance pursuant to the provisions of the Coastal Barrier Resources Act and the Coastal Barrier Improvement Act of 1990 and amendments to these acts;

16. Personal property owned by or in the care, custody, or control of a unit owner, except for property of the type and under the circumstances set forth under Coverage B - Personal Property;

17. A residential condominium building located in a Regular Program community.
V. EXCLUSIONS

A. We only provide coverage for direct physical loss by or from flood, which means that we do not pay you for:

1. Loss of revenue or profits;
2. Loss of access to the insured property or described location;
3. Loss of use of the insured property or described location;
4. Loss from interruption of business or production;
5. Any additional living expenses incurred while the insured building is being repaired or is unable to be occupied for any reason;
6. The cost of complying with any ordinance or law requiring or regulating the construction, demolition, remodeling, renovation, or repair of property, including removal of any resulting debris. This exclusion does not apply to any eligible activities that we describe in Coverage D - Increased Cost of Compliance; or
7. Any other economic loss.

B. We do not insure a loss directly or indirectly caused by a flood that is already in progress at the date and time:

1. The policy term begins; or
2. Coverage is added at your request.

C. We do not insure for loss to property caused directly by earth movement even if the earth movement is caused by flood. Some examples of earth movement that we do not cover are:

1. Earthquake;
2. Landslide;
3. Land subsidence;
4. Sinkholes;
5. Destabilization or movement of land that results from accumulation of water in subsurface land areas; or

We do, however, pay for losses from mudflow and land subsidence as a result of erosion that are specifically covered under our definition of flood (see II.A.1.c. and II.A.2.).

D. We do not insure for direct physical loss caused directly or indirectly by:

1. The pressure or weight of ice;
2. Freezing or thawing;
3. Rain, snow, sleet, hail, or water spray;
4. Water, moisture, mildew, or mold damage that results primarily from any condition:
   a. Substantially confined to the insured building; or
   b. That is within your control including, but not limited to:
      (1) Design, structural, or mechanical defects;
      (2) Failure, stoppage, or breakage of water or sewer lines, drains, pumps, fixtures, or equipment; or
      (3) Failure to inspect and maintain the property after a flood recedes;
5. Water or waterborne material that:
   a. Backs up through sewers or drains;
   b. Discharges or overflows from a sump, sump pump, or related equipment; or
   c. Seeps or leaks on or through insured property;

unless there is a flood in the area and the flood is the proximate cause of the sewer or drain backup, sump pump discharge or overflow, or the seepage of water;
6. The pressure or weight of water unless there is a flood in the area and the flood is the proximate cause of the damage from the pressure or weight of water;

7. Power, heating, or cooling failure unless the failure results from direct physical loss by or from flood to power, heating, or cooling equipment situated on the described location;

8. Theft, fire, explosion, wind, or windstorm;

9. Anything you or your agent do or conspire to do to cause loss by flood deliberately; or

10. Alteration of the insured property that significantly increases the risk of flooding.

E. We do not insure for loss to any building or personal property located on land leased from the Federal Government, arising from or incident to the flooding of the land by the Federal Government, where the lease expressly holds the Federal Government harmless under flood insurance issued under any Federal Government program.
VI. DEDUCTIBLES

A. When a loss is covered under this policy, we will pay only that part of the loss that exceeds the applicable deductible amount, subject to the limit of liability that applies. The deductible amount is shown on the Declarations Page.

However, when a building under construction, alteration, or repair does not have at least two rigid exterior walls and a fully secured roof at the time of loss, your deductible amount will be two times the deductible that would otherwise apply to a completed building.

B. In each loss from flood, separate deductibles apply to the building and personal property insured by this policy.

C. No deductible applies to:
   1. III.C.2. Loss Avoidance Measures; or
   2. III.D. Increased Cost of Compliance.

VII. GENERAL CONDITIONS

A. Pairs and Sets

   In case of loss to an article that is part of a pair or set, we will have the option of paying you:
   1. An amount equal to the cost of replacing the lost, damaged, or destroyed article, less depreciation; or
   2. An amount that represents the fair proportion of the total value of the pair or set that the lost, damaged, or destroyed article bears to the pair or set.

B. Concealment or Fraud and Policy Voidance

   1. With respect to all insureds under this policy, this policy:
      a. Is void;
      b. Has no legal force or effect;
      c. Cannot be renewed; and
      d. Cannot be replaced by a new NFIP policy;

      if, before or after a loss, you or any other insured or your agent have at any time:

      (1) Intentionally concealed or misrepresented any material fact or circumstance;
      (2) Engaged in fraudulent conduct; or
      (3) Made false statements;

      relating to this policy or any other NFIP insurance.

   2. This policy will be void as of the date the wrongful acts described in B.1. above were committed.

   3. Fines, civil penalties, and imprisonment under applicable Federal laws may also apply to the acts of fraud or concealment described above.

   4. This policy is also void for reasons other than fraud, misrepresentation, or wrongful act. This policy is void from its inception and has no legal force under the following conditions:

      a. If the property is located in a community that was not participating in the NFIP on the policy’s inception date and did not join or reenter the program during the policy term and before the loss occurred; or
      b. If the property listed on the application is otherwise not eligible for coverage under the NFIP.

C. Other Insurance
1. If a loss covered by this policy is also covered by other insurance that includes flood coverage not issued under the Act, we will not pay more than the amount of insurance that you are entitled to for lost, damaged, or destroyed property insured under this policy subject to the following:

   a. We will pay only the proportion of the loss that the amount of insurance that applies under this policy bears to the total amount of insurance covering the loss, unless C.1.b. or c. immediately below applies.

   b. If the other policy has a provision stating that it is excess insurance, this policy will be primary.

   c. This policy will be primary (but subject to its own deductible) up to the deductible in the other flood policy (except another policy as described in C.1.b. above). When the other deductible amount is reached, this policy will participate in the same proportion that the amount of insurance under this policy bears to the total amount of both policies, for the remainder of the loss.

2. If this policy covers a condominium association and there is a flood insurance policy in the name of a unit owner that covers the same loss as this policy, then this policy will be primary.

D. Amendments, Waivers, Assignment

This policy cannot be changed nor can any of its provisions be waived without the express written consent of the Federal Insurance Administrator. No action that we take under the terms of this policy can constitute a waiver of any of our rights. You may assign this policy in writing when you transfer title of your property to someone else, except under these conditions:

1. When this policy covers only personal property; or

2. When this policy covers a structure during the course of construction.

E. Cancellation of Policy by You

F. Nonrenewal of the Policy by Us

Your policy will not be renewed:

1. If the community where your covered property is located stops participating in the NFIP; or

2. If your building has been declared ineligible under Section 1316 of the Act.

G. Reduction and Reformation of Coverage

1. If the premium we received from you was not enough to buy the kind and amount of coverage you requested, we will provide only the amount of coverage that can be purchased for the premium payment we received.

2. The policy can be reformed to increase the amount of coverage resulting from the reduction described in G.1. above to the amount you requested as follows:

   a. Discovery of insufficient premium or incomplete rating information before a loss.

      (1) If we discover before you have a flood loss that your premium payment was not enough to buy the requested amount of coverage, we will send you and any mortgagee or trustee known to us a bill for the required additional premium for the current policy term (or that portion of the current policy term following any endorsement changing the amount of coverage). If you or the mortgagee or trustee pay the additional premium within 30 days from the date of our bill, we will reform the policy to increase the amount of coverage to the originally
requested amount effective to the beginning of the current policy term (or subsequent date of any endorsement changing the amount of coverage).

(2) If we determine before you have a flood loss that the rating information we have is incomplete and prevents us from calculating the additional premium, we will ask you to send the required information. You must submit the information within 60 days of our request. Once we determine the amount of additional premium for the current policy term, we will follow the procedure in G.2.a.(1) above.

(3) If we do not receive the additional premium (or additional information) by the date it is due, the amount of coverage can only be increased by endorsement subject to any appropriate waiting period.

3. However, if we find that you or your agent intentionally did not tell us, or falsified, any important fact or circumstance or did anything fraudulent relating to this insurance, the provisions of Condition B. Concealment or Fraud and Policy Voidance apply.

H. Policy Renewal

1. This policy will expire at 12:01 a.m. on the last day of the policy term.

2. We must receive the payment of the appropriate renewal premium within 30 days of the expiration date.

3. If we find, however, that we did not place your renewal notice into the U.S. Postal Service, or if we did mail it, we made a mistake, e.g., we used an incorrect, incomplete, or illegible address, which delayed its delivery to you before the due date for the renewal premium, then we will follow these procedures:

   a. If you or your agent notified us, not later than one year after the date on which the payment of the renewal premium was due, of nonreceipt of a renewal notice before the due date for the renewal premium, and we determine that the circumstances in the preceding paragraph apply, we will mail a second bill providing a revised due date, which will be 30 days after the date on which the bill is mailed.

   b. If we do not receive the premium requested in the second bill by the revised due date, then we will not renew the policy. In that case, the policy will remain an expired policy as of the
expiration date shown on the Declarations Page.

4. In connection with the renewal of this policy, we may ask you during the policy term to recertify, on a Recertification Questionnaire that we will provide to you, the rating information used to rate your most recent application for or renewal of insurance.

I. Conditions Suspending or Restricting Insurance

We are not liable for loss that occurs while there is a hazard that is increased by any means within your control or knowledge.

J. Requirements in Case of Loss

In case of a flood loss to insured property, you must:

1. Give prompt written notice to us;

2. As soon as reasonably possible, separate the damaged and undamaged property, putting it in the best possible order so that we may examine it;

3. Prepare an inventory of damaged property showing the quantity, description, actual cash value, and amount of loss. Attach all bills, receipts, and related documents;

4. Within 60 days after the loss, send us a proof of loss, which is your statement of the amount you are claiming under the policy signed and sworn to by you, and which furnishes us with the following information:
   a. The date and time of loss;
   b. A brief explanation of how the loss happened;
   c. Your interest (for example, "owner") and the interest, if any, of others in the damaged property;
   d. Details of any other insurance that may cover the loss;
   e. Changes in title or occupancy of the insured property during the term of the policy;
   f. Specifications of damaged buildings and detailed repair estimates;
   g. Names of mortgagees or anyone else having a lien, charge, or claim against the insured property;
   h. Details about who occupied any insured building at the time of loss and for what purpose; and
   i. The inventory of damaged property described in J.3. above.

5. In completing the proof of loss, you must use your own judgment concerning the amount of loss and justify that amount.

6. You must cooperate with the adjuster or representative in the investigation of the claim.

7. The insurance adjuster whom we hire to investigate your claim may furnish you with a proof of loss form, and she or he may help you complete it. However, this is a matter of courtesy only, and you must still send us a proof of loss within 60 days after the loss even if the adjuster does not furnish the form or help you complete it.

8. We have not authorized the adjuster to approve or disapprove claims or to tell you whether we will approve your claim.

9. At our option, we may accept the adjuster's report of the loss instead of your proof of loss. The adjuster's report will include information about your loss and the damages you sustained. You must sign the adjuster's report. At our option, we may require you to swear to the report.

K. Our Options After a Loss

Options we may, in our sole discretion, exercise after loss include the following:

1. At such reasonable times and places that we may designate, you must:
   a. Show us or our representative the damaged property;
b. Submit to examination under oath, while not in the presence of another insured, and sign the same; and

c. Permit us to examine and make extracts and copies of:

(1) Any policies of property insurance insuring you against loss and the deed establishing your ownership of the insured real property;

(2) Condominium association documents including the Declarations of the condominium, its Articles of Association or Incorporation, Bylaws, and rules and regulations; and

(3) All books of accounts, bills, invoices and other vouchers, or certified copies pertaining to the damaged property if the originals are lost.

2. We may request, in writing, that you furnish us with a complete inventory of the lost, damaged, or destroyed property, including:

a. Quantities and costs;

b. Actual cash values;

c. Amounts of loss claimed;

d. Any written plans and specifications for repair of the damaged property that you can reasonably make available to us; and

e. Evidence that prior flood damage has been repaired.

3. If we give you written notice within 30 days after we receive your signed, sworn proof of loss, we may:

a. Repair, rebuild, or replace any part of the lost, damaged, or destroyed property with material or property of like kind and quality or its functional equivalent; and

b. Take all or any part of the damaged property at the value we agree upon or its appraised value.

L. No Benefit to Bailee

No person or organization, other than you, having custody of covered property will benefit from this insurance.

M. Loss Payment

1. We will adjust all losses with you. We will pay you unless some other person or entity is named in the policy or is legally entitled to receive payment. Loss will be payable 60 days after we receive your proof of loss (or within 90 days after the insurance adjuster files an adjuster’s report signed and sworn to by you in lieu of a proof of loss) and:

a. We reach an agreement with you;

b. There is an entry of a final judgment; or

c. There is a filing of an appraisal award with us, as provided in VII.P.

2. If we reject your proof of loss in whole or in part you may:

a. Accept such denial of your claim;

b. Exercise your rights under this policy; or

c. File an amended proof of loss, as long as it is filed within 60 days of the date of the loss.

N. Abandonment

You may not abandon damaged or undamaged insured property to us.

O. Salvage

We may permit you to keep damaged insured property after a loss, and we will reduce the amount of the loss proceeds payable to you under the policy by the value of the salvage.

P. Appraisal

If you and we fail to agree on the actual cash value of the damaged property so as to determine the amount of loss, either may demand an appraisal of the loss. In this event, you and we will each choose a competent and
 impartial appraiser within 20 days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the State where the insured property is located. The appraisers will separately state the actual cash value and the amount of loss to each item. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of actual cash value and loss.

Each party will:

1. Pay its own appraiser; and
2. Bear the other expenses of the appraisal and umpire equally.

Q. Mortgage Clause

The word "mortgagee" includes trustee.

Any loss payable under Coverage A - Building Property will be paid to any mortgagee of whom we have actual notice as well as any other mortgagee or loss payee determined to exist at the time of loss, and you, as interests appear. If more than one mortgagee is named, the order of payment will be the same as the order of precedence of the mortgages.

If we deny your claim, that denial will not apply to a valid claim of the mortgagee, if the mortgagee:

1. Notifies us of any change in the ownership or occupancy, or substantial change in risk of which the mortgagee is aware;
2. Pays any premium due under this policy on demand if you have neglected to pay the premium; and
3. Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so.

All of the terms of this policy apply to the mortgagee.

The mortgagee has the right to receive loss payment even if the mortgagee has started foreclosure or similar action on the building.

If we decide to cancel or not renew this policy, it will continue in effect for the benefit of the mortgagee only for 30 days after we notify the mortgagee of the cancellation or nonrenewal.

If we pay the mortgagee for any loss and deny payment to you, we are subrogated to all the rights of the mortgagee granted under the mortgage on the property. Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee’s claim.

R. Suit Against Us

You may not sue us to recover money under this policy unless you have complied with all the requirements of the policy. If you do sue, you must start the suit within one year of the date of the written denial of all or part of the claim, and you must file the suit in the United States District Court of the district in which the insured property was located at the time of loss. This requirement applies to any claim that you may have under this policy and to any dispute that you may have arising out of the handling of any claim under the policy.

S. Subrogation

Whenever we make a payment for a loss under this policy, we are subrogated to your right to recover for that loss from any other person. That means that your right to recover for a loss that was partly or totally caused by someone else is automatically transferred to us, to the extent that we have paid you for the loss. We may require you to acknowledge this transfer in writing. After the loss, you may not give up our right to recover this money or do anything that would prevent us from recovering it. If you make any claim against any person who caused your loss and recover any money, you must pay us back first before you may keep any of that money.

T. Continuous Lake Flooding

1. If your insured building has been flooded by rising lake waters continuously for 90 days or more and it appears reasonably certain that a continuation of this flooding will result

Flood Special Form
in a covered loss to the insured building equal to or greater than the building policy limits plus the deductible or the maximum payable under the policy for any one building loss, we will pay you the lesser of these two amounts without waiting for the further damage to occur if you sign a release agreeing:

a. To make no further claim under this policy;

b. Not to seek renewal of this policy;

c. Not to apply for any flood insurance under the Act for property at the described location; and

d. Not to seek a premium refund for current or prior terms.

If the policy term ends before the insured building has been flooded continuously for 90 days, the provisions of this paragraph T.1. will apply when the insured building suffers a covered loss before the policy term ends.

2. If your insured building is subject to continuous lake flooding from a closed basin lake, you may elect to file a claim under either paragraph T.1. above or this paragraph T.2. (A "closed basin lake" is a natural lake from which water leaves primarily through evaporation and whose surface area now exceeds or has exceeded one square mile at any time in the recorded past. Most of the nation's closed basin lakes are in the western half of the United States, where annual evaporation exceeds annual precipitation and where lake levels and surface areas are subject to considerable fluctuation due to wide variations in the climate. These lakes may overtop their basins on rare occasions.) Under this paragraph T.2. we will pay your claim as if the building is a total loss even though it has not been continuously inundated for 90 days, subject to the following conditions:

a. Lake flood waters must damage or imminently threaten to damage your building.

b. Before approval of your claim, you must:

(1) Agree to a claim payment that reflects your buying back the salvage on a negotiated basis; and

(2) Grant the conservation easement described in FEMA's "Policy Guidance for Closed Basin Lakes," to be recorded in the office of the local recorder of deeds. FEMA, in consultation with the community in which the property is located, will identify on a map an area or areas of special consideration (ASC) in which there is a potential for flood damage from continuous lake flooding. FEMA will give the community the agreed-upon map showing the ASC. This easement will only apply to that portion of the property in the ASC. It will allow certain agricultural and recreational uses of the land. The only structures that it will allow on any portion of the property within the ASC are certain simple agricultural and recreational structures. If any of these allowable structures are insurable buildings under the NFIP and are insured under the NFIP, they will not be eligible for the benefits of this paragraph T.2. If a U.S. Army Corps of Engineers certified flood control project or otherwise certified flood control project later protects the property, FEMA will, upon request, amend the ASC to remove areas protected by those projects. The restrictions of the easement will then no longer apply to any portion of the property removed from the ASC; and

(3) Comply with paragraphs T.1.a. through T.1.d. above.

c. Within 90 days of approval of your claim, you must move your building to a new location outside the ASC. FEMA will give you an additional 30 days to move if you show that there is sufficient reason to extend the time.

d. Before the final payment of your claim, you must acquire an elevation certificate and a floodplain development permit
from the local floodplain administrator for the new location of your building.

e. Before the approval of your claim, the community having jurisdiction over your building must:

(1) Adopt a permanent land use ordinance, or a temporary moratorium for a period not to exceed 6 months to be followed immediately by a permanent land use ordinance, that is consistent with the provisions specified for the easement required in paragraph T.2.b. above;

(2) Agree to declare and report any violations of this ordinance to FEMA so that under Section 1316 of the National Flood Insurance Act of 1968, as amended, flood insurance to the building can be denied; and

(3) Agree to maintain as deed-restricted, for purposes compatible with open space or agricultural or recreational use only, any affected property the community acquires an interest in. These deed restrictions must be consistent with the provisions of paragraph T.2.b. above, except that, even if a certified project protects the property, the land use restrictions continue to apply if the property was acquired under the Hazard Mitigation Grant Program or the Flood Mitigation Assistance Program. If a nonprofit land trust organization receives the property as a donation, that organization must maintain the property as deed-restricted, consistent with the provisions of paragraph T.2.b. above.

f. Before the approval of your claim, the affected State must take all action set forth in FEMA's "Policy Guidance for Closed Basin Lakes."

g. You must have NFIP flood insurance coverage continuously in effect from a date established by FEMA until you file a claim under this paragraph T.2. If a subsequent owner buys NFIP insurance that goes into effect within 60 days of the date of transfer of title, any gap in coverage during that 60-day period will not be a violation of this continuous coverage requirement. For the purpose of honoring a claim under this paragraph T.2., we will not consider to be in effect any increased coverage that became effective after the date established by FEMA. The exception to this is any increased coverage in the amount suggested by your insurer as an inflation adjustment.

h. This paragraph T.2. will be in effect for a community when the FEMA Regional Director for the affected region provides to the community, in writing, the following:

(1) Confirmation that the community and the State are in compliance with the conditions in paragraphs T.2.e. and T.2.f. above; and

(2) The date by which you must have flood insurance in effect.

U. Duplicate Policies Not Allowed

1. We will not insure your property under more than one NFIP policy.

If we find that the duplication was not knowingly created, we will give you written notice. The notice will advise you that you may choose one of several options under the following procedures:

a. If you choose to keep in effect the policy with the earlier effective date, you may also choose to add the coverage limits of the later policy to the limits of the earlier policy. The change will become effective as of the effective date of the later policy.

b. If you choose to keep in effect the policy with the later effective date, you may also choose to add the coverage limits of the earlier policy to the limits of the later policy. The change will be effective as of the effective date of the later policy.
In either case, you must pay the pro rata premium for the increased coverage limits within 30 days of the written notice. In no event will the resulting coverage limits exceed the permissible limits of coverage under the Act or your insurable interest, whichever is less.

We will make a refund to you, according to applicable NFIP rules, of the premium for the policy not being kept in effect.

2. The insured’s option under this Condition U. Duplicate Policies Not Allowed to elect which NFIP policy to keep in effect does not apply when duplicates have been knowingly created. Losses occurring under such circumstances will be adjusted according to the terms and conditions of the earlier policy. The policy with the later effective date must be canceled.

V. Loss Settlement

We will pay the least of the following amounts after application of the deductible:

1. The applicable amount of insurance under this policy;

2. The actual cash value; or

3. The amount it would cost to repair or replace the property with material of like kind and quality within a reasonable time after the loss.
VIII. LIBERALIZATION CLAUSE

If we make a change that broadens your coverage under this edition of our policy, but does not require any additional premium, then that change will automatically apply to your insurance as of the date we implement the change, provided that this implementation date falls within 60 days before, or during, the policy term stated on the Declarations Page.

IX. WHAT LAW GOVERNS

This policy and all disputes arising from the handling of any claim under the policy are governed exclusively by the flood insurance regulations issued by FEMA, the National Flood Insurance Act of 1968, as amended (42 U.S.C. 4001, et seq.), and Federal common law.
PRIORITY OF PAYMENTS

A. In the event of a claim hereunder which involves more than one interest and/or coverage and/or peril, it shall be at the sole option of the Insured to apportion recovery under this policy when submitting final proof of loss, subject to the overall amount of claim not exceeding the overall limit of liability contained herein for any one loss.

B. For the purpose of attachment coverage for excess layers, it is further agreed that loss involving any interest and/or peril covered in primary or underlying excess layers, but excluded in higher excess layers, shall be recognized by such excess layers as eroding or exhausting the occurrence limits of the primary and/or underlying excess layer(s). Nothing herein, however, shall be deemed to extend coverage in such excess layer(s) to include loss from the specifically excluded peril in the excess layer(s) itself.

C. If a covered property has been damaged in a prior declared disaster and has received public assistance through FEMA (other than flood), this policy will pay on those properties first up to the amount of the previous loss reimbursed through FEMA. See 44 CFR Part 206. 253, items (b)(2) and (c).

Example: Building Replacement Cost is $10,000 and the amount of damage reimbursement from FEMA was $1,000, then the policy will pay up to $1,000 on this property first if damaged in another declared disaster.

BASIC PROCEDURES FOR PROPERTY DAMAGE CLAIMS

A. All claims must be reported as soon as possible, but no later than the prescription period outlined in Book III, Title 24, Chapter 4 of the Louisiana Civil Code. In most cases, prescription periods are one (1) year. ORM will pay only for covered losses reported before one year from the date of the accident or discovery date. Policy language clearly states..."you must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim." FAILURE TO REPORT POTENTIAL CLAIMS AS SOON AS POSSIBLE SEVERELY LIMITS THE ABILITY OF ORM TO INVESTIGATE THE FACTS AND MAY COMPROMISE THE STATE’S LEGAL RIGHTS TO SUBROGATION FROM A RESPONSIBLE THIRD PARTY.

B. The state of Louisiana provides insurance coverage for damage to state-owned property which includes damage to buildings and improvements, contents, inventories, mobile equipment, heating and air conditioning systems, and marine hulls 26 feet and under.

C. All claims for damage to property owned by the State are to be reported to the Office of Risk Management's Property Claim Unit in writing. If a loss or claim is serious in nature, it is to be reported by telephone to the Office of Risk Management's Property Claim Unit.

D. Claims are to be submitted, in writing, to the Office of Risk Management, P. O. Box 91106, Baton Rouge, LA 70821-9106.

E. Information required to be submitted when a claim is reported to the Office of Risk Management's Property Claim Unit includes the following:
   1. name of insured, location of property or unit;
   2. date of loss;
   3. description of loss;
   4. location of item, state building ID/property control tag number;
   5. size, model, and serial number of item, if applicable,
   6. name of person reporting claim, listing job title, and telephone number; and
   7. proof of ownership.

F. After a loss has occurred, all property which has been damaged is to be protected against further damage and is to be made available for inspection by a claims adjuster assigned by the Office of Risk Management.

G. If a loss occurs or a claim arises, the agency is not to assume any obligation or incur any expenses without authorization from the Office of Risk Management, but should act to protect property and minimize the loss.

H. If repair or replacement is not accomplished within 36 months of the loss date; or, if approval is not obtained from the Commissioner of Administration to use the funds for some other purpose, or to extend the 36 month prescriptive period, the claim file will be closed.

I. All lawsuits, demands, notices, summons, or other legal documents pertaining to a claim against a state agency are to be forwarded immediately to the Office of Risk Management, Property Claims Unit for further handling.

J. Any objects and/or products which may have caused, contributed to, or which are suspect of causing an accident are to be retained and preserved as evidence.

All other terms and conditions of this policy remain unchanged.

Miscellaneous Changes

(This Endorsement Changes the Policy. Please Read Carefully.)

It is agreed that the following changes are applicable to this policy.

1. **Coverage** provided by the aforementioned policy is **blanket** and applies to all properties owned by the State of Louisiana or for which the State of Louisiana has assumed liability; including, but not limited to, locations identified in the Schedule of Locations and Values on file with the State of Louisiana, Office of Risk Management.

2. Loss or damage to "Mobile Equipment" (any vehicle not required to be licensed by the motor vehicle law of Louisiana) is insured by this policy.

3. The terms "Coverage Territory" or "Territorial Limits" as shown in this policy or on forms attached thereto are amended to read:

   "Worldwide without restrictions."

4. **Extra expense** coverage as defined in Form CP 00 30 06 95 will apply regardless of whether or not the insured entity produces, receives, or has business income.

5. The "Suit Conditions" in this policy are set aside and shall be inoperative to the extent that they are in conflict with the following verbiage:

   "No suit or action on this policy for the recovery of any claim shall be sustainable in any court of law or equity unless all the requirements of this policy shall have been complied with, and unless commenced within twenty-four months next after inception of the loss."

6. The "Appraisal Conditions" in this policy are set aside and shall be inoperative to the extent that they are in conflict with the following stipulation which shall apply if the insurance companies (or ORM) disagree in circumstances of the kind described:

   If the insurance company (or ORM) issuing the Blanket Property Policy and the insurance company issuing the Builders Risk Policy fail to agree as to which policy covers the loss, or as to settlement of coverage that overlaps, or as to the value of the property or the amount of loss, either insurance company (or ORM) may make written demand for an appraisal of the matter in disagreement. Each insurance company (or ORM) will then select a competent and impartial appraiser and notify the other of the appraiser selected within 20 days of the demand.

   The two appraisers will select a competent and impartial umpire. The appraisers will then identify the policy under which the loss is insured, and if necessary state separately the value of the property and the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision or an award in writing of any two shall determine the policy under which the loss is insured and if necessary the value of the property and amount of loss.

   Each insurance company (or ORM) will pay its chosen appraiser and bear other expenses of the appraisal and umpire equally.

   The insurance companies concerned (or ORM) agree that the decision of the appraisers and the umpire (if an umpire is required) will be binding and final and that neither party will resort to litigation nor institute a lawsuit.

7. The guidelines set forth in this policy as regards the **time limitation to render a proof of loss** are set aside and shall be inoperative to the extent that they are in conflict with the following verbiage:

   The insured shall render to this company a proof of loss within 365 days after the loss, unless such time is extended in writing by this company.
