STATE OF LOUISIANA
OFFICE OF RISK MANAGEMENT (ORM)

PART I

TERMS AND CONDITIONS OF AN INVITATION FOR BID

1. Terminology of an Invitation for Bid (IFB)

Throughout this document the words "bidder", "contractor", and "policy" may pertain to one or more bidder(s), contractor(s), or policy(ies).

Whenever the following words and expressions appear in an Invitation for Bid document or any amendment, exhibit, or attachment thereto, the definition or meaning described below shall apply.

1.1 **Authorized** - Is an admitted or non-admitted insurance company (or syndicate of companies) approved by the Commissioner of Insurance to do business in the State of Louisiana.

1.2 **Bid Close Date and Time and Similar Expressions** - The exact deadline required by the IFB for the physical receipt of bids by the Division of Administration (DOA), Office of Risk Management.

1.3 **Bidder** - The person or organization that responds to an IFB with a proposal and prices to provide the service, supplies, or equipment as required in the IFB document. All provisions contained in this solicitation, which are addressed to the bidder, shall apply equally to the contractor.

1.4 **Budget Agency or State Budget Agency** - Any unit of state government in the State of Louisiana for which the policy of insurance and service is being purchased by the OFFICE OF RISK MANAGEMENT sometimes hereinafter referred to as ORM.

1.5 **Buyer** - The procurement staff member of the Office of Risk Management (ORM).

1.6 **Contractor** - The person or organization who enters into a legally binding contract thereby agreeing to perform a service and/or to furnish supplies or equipment in return for the payment of money and includes the bidding agent or agency and the insuring company whose names appear on the cover sheet and EXHIBIT III of the invitation for bid. All provisions contained in this solicitation, which are addressed to the contractor, shall apply to the bidder.

1.7 **Guaranteed Cost** - Premium charged on a prospective basis, fixed or adjustable, or on a specified rating basis, but never on the basis of loss experience. In other words, the cost is guaranteed to the extent that it will not be adjusted based on the loss experience of the insured during the period of coverage. The rate(s) must remain fixed during the contract period.

1.8 **Invitation for Bid or IFB** - Those procurement documents issued by ORM to potential bidders/contractors for the purchase of insurance coverage and related service as described in the document. The definition includes all attachments, exhibits, schedules, supplemental pages, and/or amendments thereto.

1.9 **Manuscript Endorsement** - Any unprinted, typed endorsement changing any conditions, agreements, exclusions or warranties of the contract.

1.10 **Must and Shall** - When these words are used the performance of a certain act is a mandatory condition and shall be performed exactly as described.
1.11 Designated Authorized Representative - When used in regards to the insurance company or an incorporated insurance agency, these words mean an elected corporate officer with power of attorney for the insurance company/agency. The requirements of power of attorney are specified in PART IV, Section 3 of these specifications. When used in regards to an unincorporated insurance agency, these words mean the owner of the agency.

2. Open Competition

It is the intent and purpose of ORM that the Invitation for Bid permits free and open competition. However, it shall be the bidder's/contractor's responsibility to advise ORM if any language, requirements, etc., or any combination thereof, inadvertently restricts or limits the requirements to a single source or otherwise unduly or unnecessarily prohibits the submission of a bid. The notification must be received by ORM within ten (10) calendar days prior to the bid close date and time. Bidders are requested to bring to the attention of ORM any perceived problems with these specifications at the earliest possible opportunity in order to allow clarification or amendment with minimum disruption to the bid process.

3. The Invitation for Bid Document (IFB)

3.1 The IFB contains two basic types of requirements and information, although it may be organized into several parts. One type consists of the scope of work (technical requirements) and related contractual commitments with which the bidder/contractor must comply if awarded a contract. The other type consists of those basic instructions and procedural requirements which must be observed and satisfied by the bidder/contractor when submitting a bid for consideration.

3.2 The IFB or a Notice to Bidders is mailed to persons and organizations at the address currently on file with the DOA, Purchasing Section. If any portion of the address is incorrect, the bidder/contractor must notify the buyer upon receipt of the document. Any subsequent amendment to an IFB will be mailed to the same address as the original IFB unless otherwise notified.

4. Amendments to an Invitation for Bid

4.1 ORM reserves the right to officially modify (or cancel) an IFB after issuance. Such a modification shall be identified as an amendment and numbered in a sequential order as issued.

4.2 If bidder/contractor has not received all amendments which have been issued by ORM, it is the bidder's/contractor's responsibility to contact ORM to obtain a copy(ies) of the amendments. If the designated authorized representative of the insurance agency fails to acknowledge receipt of all amendment(s) by signing the amendment(s) in the designated area and returning same with bid response, the bidder's/contractor's submission will not be considered a responsive bid.

4.3 The designated authorized representative of the insurance agency may acknowledge the acceptance of the conditions of an amendment by notice to the Office of Risk Management no later than the official bid close date and time. Verbal messages shall not be permitted or considered as an acceptance of an amendment.

5. Questions by Bidders/Contractors

5.1 Any questions related to an IFB must be directed to the buyer in ORM whose name appears at the top of the form on page 1. Prior to the award of the IFB, the bidder/contractor shall not contact nor ask questions of the State agency for which the required insurance is being procured, unless so stated elsewhere in these specifications. Questions shall be submitted in writing and will be answered in writing in the form of an amendment and forwarded to all vendors who were mailed an IFB. Any correspondence related to an IFB should refer to the appropriate IFB number, page and paragraph number, etc. However, do not place the IFB number on the outside of the envelope containing questions since such an envelope will be identified as a sealed bid and will not be opened until after the official bid close date and time. Correspondence should be mailed to the Office of Risk Management, P. O. Box 91106, Capitol Station, Baton Rouge, LA 70821-9106, or delivered to State Purchasing's physical address, or faxed to (225) 342-8688.

5.2 All questions must be received by ORM at least fifteen (15) calendar days prior to the bid opening date. All answers will be mailed to the vendors at least ten (10) calendar days prior to the bid opening date.
6. **Instructions for Submission of Bid(s) by Bidders/Contractors**

6.1 A proposal submitted must be manually signed in ink by the designated authorized representative of the insurance agency and the insurance company. ORM will accept either the original insurance company designated authorized representative's signature submitted with the bid response or a facsimile copy of the insurance company designated authorized representative's signature on EXHIBIT III in lieu of an original signature. The original of EXHIBIT III containing the insurance company designated authorized representative's original signature must be received at ORM's office within ten (10) working days after the bid opening date. Failure to timely submit said original of EXHIBIT III may result in rejection of the bid. Submission of a bid bond in compliance with PART IV, Item 3 of these specifications does not eliminate the requirement of a company and an agency signature; however, the submission of a bid bond allows any authorized person from the company and the agency to sign the invitation in lieu of the designated authorized person.

6.1.1 The designated authorized representative of the insurance agency shall manually sign in ink the following:

6.1.1.1 Form ORM-02

6.1.1.2 Any amendments to the specifications

6.1.2 The designated authorized representative of the insurance company shall manually sign in ink the following:

6.1.2.1 EXHIBIT III

6.2 All attachments shall be returned as follows:

6.2.1 Must contain all information required by the IFB.

6.2.2 The bid shall be priced as required in the IFB.

6.2.3 Must be sealed in an envelope or box with security deposit attached, if required.

6.2.4 Must be delivered to the Office of Risk Management – One American Place – 13th Floor, 301 Main Street, Baton Rouge, LA and officially clocked in no later than the exact time on the date as specified in the IFB.

6.2.5 Entire IFB and Amendment(s) (if applicable) shall be returned except as otherwise provided in these specifications.

6.3 THE SEALED ENVELOPE OR BOX CONTAINING AN IFB SHALL BE CLEARLY MARKED ON THE OUTSIDE BOTTOM LEFT CORNER WITH THE FOLLOWING:

6.3.1. THE OFFICIAL IFB PROPOSAL NUMBER AND FILE NUMBER.

6.3.2. THE OFFICIAL CLOSE DATE AND TIME.

6.4 Please submit your bid with pages numbered in the bottom right-hand corner of each page in the following manner: 1 of 4, 2 of 4, etc.

7. **Proposal Opening**

7.1 Shortly after the expiration of the official bid close date and time, bids will be opened. The bidders/contractors and the public are invited, but not required to attend the formal opening of bids. Prices will be read aloud to the public. However, no decisions related to an award of a contract shall be made at the opening.

7.2 Due to manpower limitation, buyers shall not repeat prices after an opening via telephone request. Please do not make such requests. However, upon written request a photocopy of the Summary of Quotations shall be mailed to interested bidders/contractors.
8. **Late Proposals**

8.1 Any bid received by the DOA, Office of Risk Management after the exact bid closing date and time **shall** not be opened and **shall** not be evaluated regardless of the reason and mitigating circumstances related to its lateness or degree of lateness.

8.2 It is the bidder's/contractor's sole responsibility to insure that the proposal is physically received and officially clocked in as a sealed document by the DOA, Office of Risk Management in its offices no later than the official close date and time. Late bids shall be returned to bidders/contractors unopened.

9. **Rejection of Bids**

An invitation for bids, a request for proposals, or other solicitation may be canceled or all bids or proposals may be rejected, if it is determined in writing by the chief procurement officer or his designee that such action is taken in the best interest of the State.

10. **Public Notice of Awards**

10.1 ORM has no facilities for furnishing abstracts of bids; a complete record of all bids is on file in this office subject to inspection of any citizen who is interested in investigating, for any purpose, the record of State purchases.

10.2 Bidders are permitted to review competitors' bids and evaluate documents in accordance with the provisions of the Public Record Act, Louisiana R.S. 44:1 et seq. Such review **must** be conducted on site in ORM in accordance with the public records statutes.

11. **Non-Award of Contract Due to Insufficient Funds**

ORM reserves the right to reject the bid for insurance coverage if the insured(s) does/do not have sufficient funds available with which to pay the premium.

12. **Contract Resulting From an IFB**

12.1 The bidder/contractor is advised that the State of Louisiana does not sign standard contract forms. The IFB document issued by ORM contains signature lines for the designated authorized representative of the insurance agency and of the insurance company which **shall** be signed when submitted as a bid. Immediately below the bidder's/contractor's signature line is a section entitled "Notice of Award" which contains signature lines for officials of the State of Louisiana. To consummate a contract, officials of the State of Louisiana need only to sign the Notice of Award section of the form.

12.2 Be aware that the actual contract between the State of Louisiana and the bidder/contractor shall consist of the following documents: (1) IFB and any amendments issued thereto, (2) the proposal submitted by the bidder/contractor in response to the IFB, and (3) the actual policy issued. In the event of a conflict in language between items 1, 2, and 3 referenced above, the provisions and requirements set forth and/or referenced in the IFB shall govern. ORM reserves the right to clarify any contractual relationship in writing and such written clarification shall govern in case of conflict with the applicable requirements stated in the IFB and the bidder's/contractor's proposal. In all other matters not affected by the written clarification, if any, the IFB shall govern. The refusal of the bidder/contractor to conform to the provisions and requirements set forth and/or referenced in the IFB shall result in the award of the contract to the new lowest bidder/contractor. The bidder/contractor is cautioned that its proposal shall be subject to acceptance by ORM without further clarification. In the event of any discrepancies between the insurance requirements delineated in these bid specifications and the model policy provided herein, the bid specifications shall govern.
1. **General Specifications**

1.1 The bidder/contractor shall provide Workers Compensation coverage for State of Louisiana, Louisiana Stadium and Exposition District, and SMG/Facility Management of Louisiana, Inc., A/T/I/M/A.

1.2 The bidder/contractor shall agree that underwriting information provided in the schedule is believed to be correct and it shall not be considered in any way a warranty by the State and shall not impair the rates for the insurance coverage based upon the information provided.

1.3 Bids submitted by admitted companies (including reinsurance carriers which desire to submit bids for any coverage layer requested or excess of any coverage layer requested) licensed to do business in the State of Louisiana possessing a Best’s Insurance Reports policyholder’s current rating of "A++", "A+", "A" or "A-", with a financial rating of Class VIII or higher or a non-assessable mutual insurance company backed by the full faith and credit of a state in the United States or the United States government will be considered first. Surplus line companies or unauthorized companies will be considered and accepted only if acceptable bids are not tendered by an admitted company or a non-assessable mutual insurance company backed by the full faith and credit of a state in the United States or the United States government. The bidding company shall meet the qualifications mentioned above without regard to any cut-through endorsements to a higher company; however, it shall not be necessary that the non-assessable mutual insurance company possess a Best’s Insurance Reports policyholder’s current rating of "A++", "A+", "A" or "A-", with a financial rating of Class VIII or higher. Direct quotations from companies (including reinsurance carriers) shall be considered an alternate bid. Mutual companies which write assessable insurance polices are not acceptable and will not be considered for award of the bid.

1.4 The contract and policy term shall be for the period of time as reflected under EXHIBIT I.

1.5 Invoices for policies delivered and accepted shall be submitted (in duplicate) by the bidder/contractor on its own form directly to ORM – 1201 North 3rd Street, Claiborne Building, G-192, Baton Rouge, LA 70802.

1.6 Bidder/Contractor shall be required to furnish closure claims settlement notices to ORM, Division of Administration, on all settlements of claims.

Bidder/Contractor shall be required to furnish a quarterly report reflecting claims (cumulatively for policy year, not just activity for the quarter) opened and closed and claims reserved and paid per agency by policy year, including all allocated loss adjustment expenses until all claims are closed. Information to be reflected on the quarterly report for each individual claim shall include, but not be limited to, the following:

1.6.1 Dates of loss;
1.6.2 Status of claim (open, closed, reopened);
1.6.3 Brief description of loss;
1.6.4 State agency name;
1.6.5 Amount of claim as indicated below (by coverage code, if applicable)
   1.6.5.1 Total incurred;
   1.6.5.2 Amount paid;
   1.6.5.3 Amount reserved;
   1.6.5.4 Amount recovered;
   1.6.5.5 Amount of loss adjustment expenses; and
   1.6.5.6 Net incurred.
1.7 All books and records of transactions under this contract shall be maintained by the bidder/contractor for a period of five (5) years from the date of the final payment under the contract.

1.8 ORM will execute any "A" rate form necessary to enable the underwriter to comply with any premium charge quoted and preclude any violation of rating bureau requirements (if applicable).

1.9 The bidder/contractor shall make special filings of policy forms with the Louisiana Department of Insurance as needed to comply with coverage requested in these specifications prior to the issuance of the policy.

1.10 At the request of ORM, the insurance policy issued to include coverages as reflected in PART IV of these specifications will be revised by way of endorsements to the policy extending or deleting coverage as a result of any changes in units of exposure, if needed.

1.11 A bidder/contractor offering a direct sale of insurance to the State should have reduced the policy premium by the amount of the commission which would have been paid, as indicated by Louisiana R.S. 39:1631.

1.12 "It shall be unlawful for an agent (bidder/contractor) to split, pass on or share with any person, group, organization or other agent, except the State of Louisiana, all or any portion of the commission derived from the sale of insurance to the State..." Louisiana R.S. 39:1632.

2. General Required Endorsements

The "policy of insurance" as used in this section shall mean policy issued by the successful bidder/contractor.

2.1 The cancellation provisions of the policy of insurance shall be replaced with the following:

"It is agreed that the guidelines set forth in this policy as regards cancellation of coverage are set aside and shall be inoperative to the extent that they are in conflict with the following verbiage:

The insured may cancel the policy by returning it to the company or by giving the company advance notice of the date cancellation is to take effect. The company may cancel or non-renew the policy by mailing to the insured by "Certified Mail, Return Receipt Requested" (at the insured's last known address by the company) written notice of cancellation at least:

Thirty (30) days before the effective date of cancellation if cancellation is due to nonpayment of premium; or

One hundred-twenty (120) days notice if cancellation or non-renewal is due to any other reason.

The company may deliver any notice instead of mailing it. A signed return receipt will be sufficient proof of notice. The effective date of cancellation stated in the notice shall become the end of the policy period."

2.2 The policy of insurance shall include this endorsement: “The insurance provided by Coverage B (Employers Liability) of the policy does not cover bodily injury to any person in work subject to the Longshore and Harbor Workers’ Compensation Act or any amendment to the Law.”
2.3 The policy of insurance shall include this endorsement: "For the insurance afforded herein, the State Risk Director for the Office of Risk Management/Division of Administration, State of Louisiana is authorized to act for all insureds respecting the giving and receiving of notice of cancellation, non-renewal or material change, receiving any return premium or dividend, and changing any provisions of this coverage. Such notice or changes shall be mailed in care of the Office of Risk Management, Division of Administration, Post Office Box 91106, Capitol Station, Baton Rouge, LA 70821-9106."

2.4 The policy of insurance shall include this endorsement: “The policy does not cover bodily injury to a master or member of a crew.”

2.5 The policy of insurance shall include this endorsement: "The policy shall include officers of the State of Louisiana, Louisiana Stadium and Exposition District, and SMG/Facility Management of Louisiana for Workers Compensation coverage. The premium basis for the policy includes the remuneration of such officers."

3. **Delivery Dates and Location**

3.1 The policy of insurance shall be received by ORM within forty-five (45) days from the inception date of the policy and shall not be delivered to any other State agency.

3.2 Coverage binder shall be received by ORM within five (5) days of the date award is made.

3.3 Bidder/Contractor shall issue endorsement(s) to any additional insured(s) as requested by the Named Insured.

3.4 This is a request for a guaranteed cost for a one (1) year policy in effect from July 01, 2006 to July 01, 2007 with two (2) one-year options to renew at the same rates.

4. **Claims Service**

4.1 The bidder/contractor shall provide claims service for the Workers Compensation coverage.

4.2 The claims service shall be responsible for the handling of our claims to their conclusion in a professional manner. Should the contract be terminated, the bidder/contractor shall remain responsible for occurrences that take place during the policy period.

4.3 The bidder/contractor shall furnish an adjusting firm, with ORM’s concurrence, having qualifications equal to a general adjuster specializing in workers’ compensation. The insured shall report all losses to the agent-of-record (bidder/contractor).

5. **Rates and Other Relevant Factors**

The bidder/contractor shall provide ORM with the rate(s) per unit of exposure, and other required data, corresponding to premium indicated on EXHIBIT I as regards Workers’ Compensation coverage. This information shall be indicated on EXHIBIT II of these specifications.
PART III

GENERAL CONTRACTUAL REQUIREMENTS

2. Unless otherwise provided by law, a contract for services may be entered into for periods of not more than three years. No contract shall be entered into for more than one year unless the length of the contract was clearly indicated in these specifications. At the option of the State of Louisiana and upon acceptance by the bidder/contractor, any contract awarded for one year may only be extended for two additional twelve-month periods — not to exceed a total contract period of thirty-six (36) months.

3. **Appropriation Dependency Clause**
   3.1 The continuation of this agreement is contingent upon the appropriation of funds, to fulfill the requirements of the agreement, by the legislature. If the legislature fails to appropriate sufficient monies to provide the continuation of this agreement, or if a lawful gubernatorial order issued in or for any given fiscal year during the term of this agreement, reducing the funds appropriated in such amounts as to preclude making the payments set out herein, the agreement shall terminate on the date said funds are no longer available without any liability incurring onto the State other than to make payment for services rendered prior to the termination date.

   3.2 However, the State shall be under a duty to make such determination only in good faith, and not arbitrarily and without justification, to cancel this agreement for the sole purpose of acquiring from another vendor other products of comparable quality and value, and the State agrees that it will use its best efforts to obtain approval of necessary funds to fulfill the obligations of this agreement by taking the appropriate action to request adequate funds to continue this agreement.

4. Endorsements extending and/or deleting coverage which are issued to the policy of insurance must reflect any increases or decreases in the amount of the bidders'/contractors' compensation (premium) and shall serve to modify or amend the premium as reflected on EXHIBIT I of these bid specifications. No other method, and/or no other document, including correspondence, acts and oral communications by or from any person, shall be construed as a modification or supplementation of the contract except as herein delineated as regards amendments and endorsements.

5. In the event the company or companies originally contracted with by ORM fail(s) to perform, ORM shall allow substitution for such company or companies if the parties sought to be substituted meet other criteria established by these specifications. In the event substitution of company or companies occurs, company signature pages signed by the replacement company or companies must also be submitted to ORM.
PART IV

GENERAL BID INFORMATION

1. **Special Instructions to Bidder**

   1.1 The bidder/contractor **must** respond to this IFB by submitting all data required herein in order for this bid to be evaluated and considered for award. Failure to submit such data **shall** be deemed sufficient cause for disqualification of a bid from further consideration of award.

   1.2 The bidder/contractor **shall** provide Workers Compensation coverage which **must** equal or exceed the coverage provided in the sample policy in SCHEDULE B of these specifications.

   1.3 Any change or restriction in conditions, warranties, or exclusions from the sample policy or from these specifications **must** be completely explained in writing and attached to the bid. Any such deviations which provide less coverage than that required in the sample policy and these bid specifications **shall** be considered an alternate quotation. Any such change or restriction **shall** be indicated on EXHIBIT V of these specifications. Submission of sample policy(ies) **shall not be considered to be in compliance with the above stipulations.**

   1.4 ORM reserves the right to reject any or all bids.

   1.5 Bidder/Contractor is bound by all of the terms, prices and conditions of its bid for a term of sixty (60) days after bid opening. No bid may be withdrawn prior to the expiration of that sixty (60) day period.

   1.6 Bids will be awarded by competitive sealed bidding, pursuant to R.S. 39:1594. Only dollar values stated in EXHIBIT I will be considered for award of the bid. The ORM reserves the right to award the bid for the option which provides the highest limit of coverage at the lowest premium within the individual budget agency(ies) allocated funding.

   1.7 A contract or order resulting from this invitation **shall** be awarded in response to a bid providing the lowest responsible and responsive bid to the State of Louisiana.

   1.8 Any award of the contract resulting from this invitation **shall** be made by written notification from ORM.

   1.9 As respects this bid, company name and signature of designated authorized representative of the insurance company **shall** be indicated on EXHIBIT III of these specifications. Submission of a bid bond in compliance with PART IV, Item 3 of these specifications does not eliminate the need for a company signature; however, the submission of a bid bond allows any authorized person from the company to sign the invitation in lieu of the designated authorized person.

2. **Pricing Information**

   2.1 The bidder/contractor **shall** provide a guaranteed cost for services required by the General Bid Information, Item 2.3. These costs **shall** be shown on the forms attached as EXHIBIT I, and EXHIBIT II, which **must** be returned with the proposal along with the entire IFB document.

   2.2 The bidder/contractor **must** provide other information as required in EXHIBIT I and EXHIBIT II.

   2.3 The bidder's/contractor's quotation **shall** be based on the following:

     **2.4.1 Guaranteed Cost Plan** - Any Proposal submitted by the bidder/contractor **must** be submitted on the form herein provided with the blank spaces filled in showing the annual premium based on the coverages reflected in PART IV of these specifications.

3. **Bidder/Contractor Information**

   3.1 As regards the insurance company and an incorporated insurance agency, the bidder/contractor **shall** attach either one of the following (Items 3.1.1 or 3.1.2) to the
3.1.1 Board resolution or power of attorney (with seal):

3.1.1.1 giving the designated authorized representative of the insurance agency authority to tender a premium quotation on behalf of the insurance agency.

3.1.1.2 giving the designated authorized representative of the insurance company authority to tender a premium quotation on behalf of the insurance company.

3.1.1.3 giving the designated authorized representative of the insurance agency authority to tender a premium quotation on behalf of the insurance company.

3.1.2 Bid bond in an amount equal to at least 10% of the Net Annual Installment Premium reflected on EXHIBIT I of these specifications or $25,000, whichever is more. Bid bonds for 10% of Net Annual Premium can be rounded to the nearest dollar.

3.2 As regards an unincorporated insurance agency (sole proprietor agency), the bidder/contractor shall attach either one of the following Items (3.2.1 or 3.2.2) to the proposal.

3.2.1 Notarized affidavit, board resolution or power of attorney (with seal):

3.2.1.1 giving documentation from the Louisiana Insurance Department reflecting proof of ownership of the agency.

3.2.1.2 giving the designated authorized representative of the insurance company authority to tender a premium quotation on behalf of the insurance company.

This workers compensation insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.

1. Bodily injury by accident must occur during the policy period.
2. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employee’s last day of last exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.

B. We Will Pay
We will pay promptly when due the benefits required of you by the workers compensation law.

C. We Will Defend
We have the right and duty to defend at our expense any claim, proceeding or suit against you for benefits payable by this insurance. We have the right to investigate and settle these claims, proceedings or suits. We have no duty to defend a claim, proceeding or suit that is not covered by this insurance.

D. **We Will Also Pay**
   We will also pay these costs, in addition to other amounts payable under this insurance, as part of any claim, proceeding or suit we defend:
   1. reasonable expenses incurred at our request, but not loss of earnings;
   2. premiums for bonds to release attachments and for appeal bonds in bond amounts up to the amount payable under this insurance;
   3. litigation costs taxed against you;
   4. interest on a judgment as required by law until we offer the amount due under this insurance; and
   5. expenses we incur.

E. **Other Insurance**
   We will not pay more than our share of benefits and costs covered by this insurance and other insurance or self-insurance. Subject to any limits of liability that may apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance will be equal until the loss is paid.

F. **Payments You Must Make**
   You are responsible for any payments in excess of the benefits regularly provided by the workers compensation law including those required because:
   1. of your serious and willful misconduct;
   2. you knowingly employ an employee in violation of law;
   3. you fail to comply with a health or safety law or regulation; or
   4. you discharge, coerce or otherwise discriminate against any employee in violation of the workers compensation law.

   If we make any payments in excess of the benefits regularly provided by the workers compensation law on your behalf, you will reimburse us promptly.

G. **Recovery From Others**
   We have your rights, and the rights of persons entitled to the benefits of this insurance, to recover our payments from anyone liable for the injury. You will do everything necessary to protect those rights for us and to help us enforce them.

H. **Statutory Provisions**
   These statements apply wherever they are required by law.
   1. As between an injured worker and us, we have notice of the injury when you have notice.
   2. Your default or the bankruptcy or insolvency of you or your estate will not relieve us of our duties under this insurance after an injury occurs.
   3. We are directly and primarily liable to any person entitled to the benefits payable by this insurance. Those persons may enforce our duties; so may an agency authorized by law. Enforcement may be against us or against you and us.
   4. Jurisdiction over you is jurisdiction over us for purposes of the workers compensation law. We are bound by decisions against you under that law, subject to the provisions of this policy that are not in conflict with that law.
   5. This insurance conforms to the parts of the workers compensation law that apply to:
      a. benefits payable by this insurance;
      b. special taxes, payments into security or other special funds, and assessments payable by us under that law.
   6. Terms of this insurance that conflict with the workers compensation law are changed by this statement to conform to that law.

   Nothing in these paragraphs relieves you of your duties under this policy.

PART TWO
EMPLOYERS LIABILITY INSURANCE

A. How This Insurance Applies
This employers liability insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.
1. The bodily injury must arise out of and in the course of the injured employee’s employment by you.
2. The employment must be necessary or incidental to your work in a state or territory listed in Item 3.A. of the Information Page.
3. Bodily injury by accident must occur during the policy period.
4. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employee’s last day of last exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.
5. If you are sued, the original suit and any related legal actions for damages for bodily injury by accident or by disease must be brought in the United States of America, its territories or possessions, or Canada.

B. We Will Pay
We will pay all sums you legally must pay as damages because of bodily injury to your employees, provided the bodily injury is covered by this Employers Liability Insurance.
The damages we will pay, where recovery is permitted by law, include damages:
1. for which you are liable to a third party by reason of a claim or suit against you by that third party to recover the damages claimed against such third party as a result of injury to your employee;
2. for care and loss of services; and
3. for consequential bodily injury to a spouse, child, parent, brother or sister of the injured employee; provided that these damages are the direct consequence of bodily injury that arises out of and in the course of the injured employee’s employment by you; and
4. because of bodily injury to your employee that arises out of and in the course of employment, claimed against you in a capacity other than as employer.

C. Exclusions
This insurance does not cover:
1. liability assumed under a contract. This exclusion does not apply to a warranty that your work will be done in a workmanlike manner;
2. punitive or exemplary damages because of bodily injury to an employee employed in violation of law;
3. bodily injury to an employee while employed in violation of law with your actual knowledge or the actual knowledge of any of your executive officers;
4. any obligation imposed by a workers compensation, occupational disease, unemployment compensation, or disability benefits law, or any similar law;
5. bodily injury intentionally caused or aggravated by you;
6. bodily injury occurring outside the United States of America, its territories or possessions, and Canada. This exclusion does not apply to bodily injury to a citizen or resident of the United States of America or Canada who is temporarily outside these countries;
7. damages arising out of coercion, criticism, demotion, evaluation, reassignment, discipline, defamation, harassment, humiliation, discrimination against or termination of any employee, or any personnel practices, policies, acts or omissions;
8. bodily injury to any person in work subject to the Longshore and Harbor Workers’ Compensation Act (33 USC Sections 901–950), the Non-appropriated Fund Instrumentalities Act (5 USC Sections 8171–8173), the Outer Continental Shelf Lands Act (43 USC Sections 1331–1356), the Defense Base Act (42 USC Sections 1651–1654), the Federal Coal Mine Health and Safety Act of 1969 (30 USC Sections 901–942), any other federal workers or workmen’s compensation law or other federal occupational disease law, or any amendments to these laws;

Policy Number: 86037-D

9. bodily injury to any person in work subject to the Federal Employers' Liability Act (45 USC Sections 51–60), any other federal laws obligating an employer to pay damages to an employee due to bodily injury arising out of or in the course of employment, or any amendments to those laws;
10. bodily injury to a master or member of the crew of any vessel;
11. fines or penalties imposed for violation of federal or state law; and
12. damages payable under the Migrant and Seasonal Agricultural Worker Protection Act (29 USC Sections 1801–1872) and under any other federal law awarding damages for violation of those laws or regulations issued thereunder, and any amendments to those laws.

D. We Will Defend
We have the right and duty to defend, at our expense, any claim, proceeding or suit against you for damages payable by this insurance. We have the right to investigate and settle these claims, proceedings and suits. We have no duty to defend a claim, proceeding or suit that is not covered by this insurance. We have no duty to defend or continue defending after we have paid our applicable limit of liability under this insurance.

E. We Will Also Pay
We will also pay these costs, in addition to other amounts payable under this insurance, as part of any claim, proceeding, or suit we defend:
1. reasonable expenses incurred at our request, but not loss of earnings;
2. premiums for bonds to release attachments and for appeal bonds in bond amounts up to the limit of our liability under this insurance;
3. litigation costs taxed against you;
4. interest on a judgment as required by law until we offer the amount due under this insurance; and
5. expenses we incur.

F. Other Insurance
We will not pay more than our share of damages and costs covered by this insurance and other insurance or self-insurance. Subject to any limits of liability that apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance and self-insurance will be equal until the loss is paid.

G. Limits of Liability
Our liability to pay for damages is limited. Our limits of liability are shown in Item 3.B. of the Information Page. They apply as explained below.
1. Bodily Injury by Accident. The limit shown for "bodily injury by accident – each accident" is the most we will pay for all damages covered by this insurance because of bodily injury to one or more employees in any one accident.
   A disease is not bodily injury by accident unless it results directly from bodily injury by accident.
2. Bodily Injury by Disease. The limit shown for "bodily injury by disease – policy limit" is the most we will pay for all damages covered by this insurance and arising out of bodily injury by disease, regardless of the number of employees who sustain bodily injury by disease. The limit shown for "bodily injury by disease – each employee" is the most we will pay for all damages because of bodily injury by disease to any one employee.
   Bodily injury by disease does not include disease that results directly from a bodily injury by accident.
3. We will not pay any claims for damages after we have paid the applicable limit of our liability under this insurance.

H. Recovery From Others
We have your rights to recover our payment from anyone liable for an injury covered by this insurance. You will do everything necessary to protect those rights for us and to help us enforce them.

I. Actions Against Us
There will be no right of action against us under this insurance unless:

1. You have complied with all the terms of this policy; and
2. The amount you owe has been determined with our consent or by actual trial and final judgment.

This insurance does not give anyone the right to add us as a defendant in an action against you to determine your liability. The bankruptcy or insolvency of you or your estate will not relieve us of our obligations under this Part.

PART THREE – OTHER STATES INSURANCE

A. How This Insurance Applies
1. This other states insurance applies only if one or more states are shown in Item 3.C. of the Information Page.
2. If you begin work in any one of those states after the effective date of this policy and are not insured or are not self-insured for such work, all provisions of the policy will apply as though that state were listed in Item 3.A. of the Information Page.
3. We will reimburse you for the benefits required by the workers compensation law of that state if we are not permitted to pay the benefits directly to persons entitled to them.
4. If you have work on the effective date of this policy in any state not listed in Item 3.A. of the Information Page, coverage will not be afforded for that state unless we are notified within thirty days.

B. Notice
Tell us at once if you begin work in any state listed in Item 3.C. of the Information Page.

PART FOUR – YOUR DUTIES IF INJURY OCCURS

Tell us at once if injury occurs that may be covered by this policy. Your other duties are listed here.
1. Provide for immediate medical and other services required by the workers compensation law.
2. Give us or our agent the names and addresses of the injured persons and of witnesses, and other information we may need.
3. Promptly give us all notices, demands and legal papers related to the injury, claim, proceeding or suit.
4. Cooperate with us and assist us, as we may request, in the investigation, settlement or defense of any claim, proceeding or suit.
5. Do nothing after an injury occurs that would interfere with our right to recover from others.
6. Do not voluntarily make payments, assume obligations or incur expenses, except at your own cost.

PART FIVE – PREMIUM

A. Our Manuals
All premiums for this policy will be determined by our manuals of rules, rates, rating plans and classifications. We may change our manuals and apply the changes to this policy if authorized by law or a governmental agency regulating this insurance.

B. Classifications
Item 4 of the Information Page shows the rate and premium basis for certain business or work classifications. These classifications were assigned based on an estimate of the exposures you would have during the policy period. If your actual exposures are not properly described by those classifications, we will assign proper classifications, rates and premium basis by endorsement to this policy.

C. Remuneration
Premium for each work classification is determined by multiplying a rate times a premium basis. Remuneration is the most common premium basis. This premium basis includes payroll and all other remuneration paid or payable during the policy period for the services of:
1. all your officers and employees engaged in work covered by this policy; and
2. all other persons engaged in work that could make us liable under Part One (Workers Compensation Insurance) of this policy. If you do not have payroll records for these persons, the contract price for their services and materials may be used as the premium basis. This paragraph 2 will not apply if you give us proof that the employers of these persons lawfully secured their workers compensation obligations.

WC 99 00 00  Effective Date: 07/01/2004  Print Date: 06/03/2004
D. Premium Payments
You will pay all premium when due. You will pay the premium even if part or all of a workers compensation law is not valid.

E. Final Premium
The premium shown on the Information Page, schedules, and endorsements is an estimate. The final premium will be determined after this policy ends by using the actual, not the estimated, premium basis and the proper classifications and rates that lawfully apply to the business and work covered by this policy. If the final premium is more than the premium you paid to us, you must pay us the balance. If it is less, we will refund the balance to you. The final premium will not be less than the highest minimum premium for the classifications covered by this policy.

If this policy is canceled, final premium will be determined in the following way unless our manuals provide otherwise:
1. If we cancel, final premium will be calculated pro rata based on the time this policy was in force. Final premium will not be less than the pro rata share of the minimum premium.
2. If you cancel, final premium will be more than pro rata; it will be based on the time this policy was in force, and increased by our short-rate cancellation table and procedure. Final premium will not be less than the minimum premium.

F. Records
You will keep records of information needed to compute premium. You will provide us with copies of those records when we ask for them.

G. Audit
You will let us examine and audit all your records that relate to this policy. These records include ledgers, journals, registers, vouchers, contracts, tax reports, payroll and disbursement records, and programs for storing and retrieving data. We may conduct the audits during regular business hours during the policy period and within three years after the policy period ends. Information developed by audit will be used to determine final premium. Insurance rate service organizations have the same rights we have under this provision.

PART SIX – CONDITIONS

A. Inspection
We have the right, but are not obliged to inspect your workplaces at any time. Our inspections are not safety inspections. They relate only to the insurability of the workplaces and the premiums to be charged. We may give you reports on the conditions we find. We may also recommend changes. While they may help reduce losses, we do not undertake to perform the duty of any person to provide for the health or safety of your employees or the public. We do not warrant that your workplaces are safe or healthful or that they comply with laws, regulations, codes or standards. Insurance rate service organizations have the same rights we have under this provision.

B. Long Term Policy
If the policy period is longer than one year and sixteen days, all provisions of this policy will apply as though a new policy were issued on each annual anniversary that this policy is in force.

C. Transfer of Your Rights and Duties
Your rights or duties under this policy may not be transferred without our written consent.

D. Cancellation
1. You may cancel this policy. You must mail or deliver advance written notice to us stating when the cancellation is to take effect.

2. We may cancel this policy. We must mail or deliver to you not less than ten days advance written notice stating when the cancellation is to take effect. Mailing that notice to you at your mailing address shown in Item 1 of the Information Page will be sufficient to prove notice.
3. The policy period will end on the day and hour stated in the cancellation notice.
4. Any of these provisions that conflict with a law that controls the cancellation of the insurance in this policy is changed by this statement to comply with the law.

E. Sole Representative
The insured first named in Item 1 of the Information Page will act on behalf of all insureds to change this policy, receive return premium, and give or receive notice of cancellation.

PART SEVEN – PROXY STATEMENT

Proxy Votes
Election of several members of our Board of Directors and certain significant corporate transactions are determined by majority vote of our policyholders, unless a different vote is required by law or our bylaws. You designate, by means of the application for this policy, the members of the Board of Directors as your proxy to vote on these important matters. Payment of each premium extends the proxy's effectiveness unless revoked by you. This proxy may be revoked by you by giving written notice of the revocation. This revocation may be in any form of writing either revoking the proxy or designating a different proxy and must be sent to us at 2237 South Acadian Thruway, Baton Rouge, Louisiana, 70808. In lieu of giving your proxy by means of the application for this policy, you may designate any other policyholder as your proxy by any form of writing which includes the policyholder's name and policy number, sent to us as indicated above. Notice of meetings to the proxy constitutes notice to the policyholders giving their proxies. However, additional notice of meetings will be sent to you or your proxy upon your proxy's written request for such notice directed to our secretary.

LOUISIANA AMENDATORY ENDORSEMENT

Insured: LOUISIANA WORKERS' COMPENSATION CORPORATION
Policy Number: 86037-D

Insured: STATE OF LOUISIANA, LOUISIANA STADIUM &

This endorsement applies only to the insurance provided by the Policy because Louisiana is shown in Item

PART SIX – CONDITIONS

The Cancellation Condition of the policy is replaced by this Condition:

D. Cancellation

1. If coverage has not been in effect for sixty days and the policy is not a renewal, cancellation shall be
   effected by mailing or delivering a written notice to the first-named insured at the mailing address
   shown on the policy at least sixty days before the cancellation effective date, except in cases where
   cancellation is based on nonpayment of premium. Notice of cancellation based on nonpayment of
   premium shall be mailed or delivered at least ten days prior to the effective date of cancellation. After
   coverage has been in effect for more than sixty days or after the effective date of a renewal policy, no
   insurer shall cancel a policy unless the cancellation is based on at least one of the following reasons:
   a. Nonpayment of premium.
   b. Fraud or material misrepresentation made by or with the knowledge of the named insured in
      obtaining the policy, continuing the policy, or in presenting a claim under the policy.
   c. Activities or omissions on the part of the named insured which change or increase any hazard
      insured against, including a failure to comply with loss control recommendations.
   d. Change in the risk which increases the risk of loss after insurance coverage has been issued or
      renewed, including an increase in exposure due to regulation, legislation, or court decision.
   e. Determination by the commissioner of insurance that the continuation of the policy would
      jeopardize a company’s solvency or would place the insurer in violation of the insurance laws of
      this state or any other state.
   f. Violation or breach by the insured of any policy terms or conditions.
   g. Such other reasons that are approved by the commissioner of insurance.

2. a. A notice of cancellation of insurance coverage by an insurer shall be in writing and shall be
       mailed or delivered to the first-named insured at the mailing address as shown on the policy.
       Notices of cancellation based on conditions 1.b. through 1.g. above shall be mailed or delivered at
       least thirty days prior to the effective date of the cancellation; notices of cancellations based upon
       condition 1.a. above shall be mailed or delivered at least ten days prior to the effective date of
       cancellation. The notice shall state the effective date of the cancellation.
       b. The insurer shall provide the first-named insured with a written statement setting forth the reason
          for the cancellation where the insured requests such a statement in writing and the named insured
          agrees in writing to hold the insurer harmless from liability for any communication giving notice
          of or specifying the reasons for a cancellation or for any statement made in connection with an
          attempt to discover or verify the existence of conditions which would be a reason for cancellation
          under this endorsement.

3. Nothing in this endorsement shall require an insurer to provide a notice of cancellation or a statement
   of reasons for cancellation where cancellation for nonpayment of premium is effected by a premium
   finance agency or other entity pursuant to a power of attorney or other agreement executed by or on
   behalf of the insured.

4. An insurer may decide not to renew a policy if it delivers or mails to the first-named insured at the address shown on the policy written notice it will not renew the policy. Such notice of nonrenewal shall be mailed or delivered at least sixty days before the expiration date. Such notice to the insured shall include the insured’s loss run information for the period the policy has been in force within, but not to exceed the last three years of coverage. If the notice is mailed less than sixty days before expiration, coverage shall remain in effect under the same terms and conditions until sixty days after notice is mailed or delivered. Earned premium for any period of coverage that extends beyond the expiration date shall be considered pro rata based upon the previous year’s rate. For purposes of this endorsement, the transfer of a policyholder between companies within the same insurance group shall not be a refusal to renew. In addition, changes in the deductible, changes in rate, changes in the amount of insurance, or reductions in policy limits or coverage shall not be refusals to renew.

5. Notice of nonrenewal shall not be required if the insurer or a company within the same insurance group has offered to issue a renewal policy, or where the named insured has obtained replacement coverage or has agreed in writing to obtain replacement coverage.

6. If an insurer provides the notice described in paragraph 4 above and thereafter the insurer extends the policy for ninety days or less, an additional notice of nonrenewal is not required with respect to the extension.

7. An insurer shall mail or deliver to the named insured at the mailing address shown on the policy written notice of any rate increase, change in deductible, or reduction in limits or coverage at least thirty days prior to the expiration date of the policy. If the insurer fails to provide such thirty-day notice, the coverage provided to the named insured at the expiring policy’s rate, terms, and conditions shall remain in effect until notice is given or until the effective date of replacement coverage obtained by the named insured, whichever first occurs. For the purposes of this paragraph, notice is considered given thirty days following date of mailing or delivery of the notice. If the insured elects not to renew, any earned premium for the period of extension of the terminated policy shall be calculated pro rata at the lower of the current or previous year’s rate. If the insured accepts the renewal, the premium increase, if any, and other changes shall be effective the day following the prior policy’s expiration or anniversary date.

8. Paragraph 7 shall not apply to the following:
   a. Changes in a rate or plan filed with the insurance rating commission and applicable to an entire class of business.
   b. Changes based upon the altered nature or extent of the risk insured.
   c. Changes in policy forms filed and approved with the commissioner and applicable to an entire class of business.
   d. Changes requested by the insured.

9. Proof of mailing of notice of cancellation, or of nonrenewal or of premium or coverage changes, to the named insured at the address shown in the policy, shall be sufficient proof of notice.

Section 1. Actions Against Us, of Part Two (Employers Liability Insurance) of the policy is replaced by the following:

1. Actions Against Us
   You may not bring an action against us under this insurance unless:
   1. You have complied with all the terms of this policy; and
   2. The amount you owe has been determined with our consent or by actual trial and final judgment.

   The bankruptcy or insolvency of you or your estate will not relieve us of our obligations under this Part.

IMPORTANT INFORMATION ABOUT YOUR POLICY

Thank you for choosing LWCC. Our goal is to show you first hand how workers’ compensation is supposed to work. As part of that service, we want you to be aware of certain conditions and contractual requirements that are part of your attached Workers’ Compensation and Employers Liability policy.

Your policy has an effective date and an expiration date listed on the Information Page. It also identifies the terms, conditions and coverages in effect during this policy term. We suggest you read it carefully. Below are two important requirements:

1. Contract Labor. If your business uses contract labor or casual labor and those individuals do not have their own workers’ compensation insurance, they become an exposure under your policy. You are required to report to LWCC the amount paid to them as payroll for workers’ compensation purposes. If you do not, these premium charges will be picked up at audit. You can avoid this charge by requiring a certificate of insurance for workers’ compensation from all contract labor or casual labor working for you. Make sure active owners have NOT excluded themselves from coverage.

2. Business Changes. If you undertake a new enterprise that is not common to your normal business or if you experience any significant change in the size or nature of your business, notify your agent immediately. Such changes can affect your premium. If you do not notify us or your agent of these changes, they will be discovered at audit and additional premium may be due.

Thanks again for choosing LWCC. We look forward to a long-lasting partnership with you. If you ever need assistance, please call your Production Team at 888-715-9379.
