Termination of Contract

The following termination clauses are included in the RFP boilerplate.

The State may terminate this contract for cause based upon the failure of the contractor to comply with the terms and/or conditions of the Contract; provided that the State shall give the Contractor written notice specifying the Contractor’s failure. If within fifteen (15) days after receipt of such notice, the Contractor shall not have either corrected such failure and thereafter proceeded diligently to complete such correction, then the State may, at its option, place the Contractor in default and the Contract shall terminate on the date specified in such notice. The Contractor may exercise any rights available to it under Louisiana Law to terminate for cause upon the failure of the State to comply with the terms and conditions of this contract; provided that the contractor shall give the State written notice specifying the State’s failure.

The State may terminate any contract entered into as a result of this RFP at any time by giving thirty (30) days written notice to the contractor. The Contractor shall be entitled to payment for deliverables in progress, to the extent work has been performed satisfactorily.

The continuance of this contract is contingent upon the appropriation of funds to fulfill the requirements of the contract by the legislature. If the legislature fails to appropriate sufficient monies to provide for the continuation of the contract, or if such appropriation is reduced by the veto of the Governor or by any means provided in the appropriations act or Title 39 of the Louisiana Revised Statutes of 1950 to prevent the total appropriation for the year from exceeding revenues for that year, or for any other lawful purpose, the effect of such reduction is to provide insufficient monies for the continuation of the contract, the contract shall terminate on the date of the beginning of the first fiscal year for which funds are not appropriated.
