

DECLARATION OF EMERGENCY

Department of Health Bureau of Health Services Financing

Nursing Facilities—Licensing Standards Virtual Visitation (LAC 48:I.9781)

The Department of Health, Bureau of Health Services Financing adopts LAC 48:I.9781 as authorized by R.S. 36:254 and 40:1193.1-1193.11. This Emergency Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, 49:953(B)(1)et seq., and shall be in effect for the maximum period allowed under the Act or until adoption of the final Rule, whichever occurs first.

Act 596 of the 2018 Regular Session of the Louisiana Legislature, hereafter referred to as the Nursing Home Virtual Visitation Act, enacted R.S. 40:1193.1-1193.11 which directed the Department of Health to establish provisions governing nursing facility virtual visitation in order to provide for consent, by a nursing facility resident or a legal representative, relative to the authorization for installation and use of a monitoring device in the room of the resident.

In compliance with the requirements of Act 596, the Department of Health, Bureau of Health Services Financing amends the provisions governing the licensing of nursing facilities in order to adopt provisions governing virtual visitation. This action is being taken to promote the health and well-being of Louisiana residents in nursing facilities that consent to the authorization for installation and use of a monitoring device in the resident's room. It is estimated that implementation of this Emergency Rule will have no programmatic costs for state fiscal year 2018-19.

Effective November 20, 2018, the Department of Health, Bureau of Health Services Financing amends the provisions governing the licensing of nursing facilities in order to adopt provisions governing virtual visitation.
