

DECLARATION OF EMERGENCY

Department of Insurance Office of the Commissioner

Emergency Rule 40—Moratorium on Policy Cancellations and Non-Renewals for Policyholders in Louisiana during the Outbreak of Coronavirus Disease (COVID-19)

On January 31, 2020, the United States Department of Health and Human Services Secretary Alex A. Azar declared a public health emergency (PHE) for the United States to aid the nation's healthcare community in responding to the coronavirus disease (COVID-19). The United States Centers for Disease Control and Prevention (CDC) has declared COVID-19 a worldwide pandemic due to its global effect. Furthermore, on March 13, 2020, President Donald Trump invoked the Stafford Act and declared a national emergency regarding the COVID-19 outbreak. COVID-19 has been detected in the State of Louisiana with a growing number of residents testing positive for the disease. There is reason to believe that COVID-19 may spread among the population by various means of exposure, therefore posing a significant risk of substantial harm to a large number of citizens of Louisiana.

Emergency Rule 40, originally issued on March 26, 2020, is hereby rescinded, and Emergency Rule 40 is hereby adopted to amend the guidance to provide further clarification of the rating plans that all insurers are to utilize in pricing their products, to provide for changes caused by the federal Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), other matters related to the protections afforded to insureds, and how all insurers are to operate during Emergency Rule 40. Emergency Rule 40 is hereby adopted to continue to address the statewide public health emergency declared to exist in the state of Louisiana as the result of the imminent threat posed to Louisiana citizens by COVID-19, creating emergency conditions threatening the lives and health of the citizens of this state. Emergency Rule 40 is adopted and issued under the authority of the Commissioner of Insurance for the State of Louisiana, pursuant to the following: Proclamation No. JBE 2020-25 issued on March 11, 2020 by Governor John Bel Edwards declaring a State of Emergency extending from March 11, 2020 through April 9, 2020, unless terminated sooner; Proclamation No. JBE 2020-29 issued on March 14, 2020 transferring authority over certain insurance matters to Commissioner of Insurance James J. Donelon (commissioner); Proclamation No. JBE 2020-33 issued on March 22, 2020 by Governor John Bel Edwards declaring a stay at home order and closure of nonessential businesses until April 13, 2020, unless terminated sooner; and Proclamation No. JBE 2020-37 issued on March 26, 2020 by Governor John Bel Edwards transferring authority over certain insurance matters to Commissioner of Insurance James J. Donelon (commissioner).

Accordingly, Emergency Rule 40 shall apply to any and all kinds of insurers as set forth in R.S. 22:48, and any and all kinds of insurance as set forth in R.S. 22:47, including, but not limited to all property and casualty insurers, all life insurers, all annuity insurers, and all health maintenance organizations (HMOs), managed care organizations (MCOs), preferred provider organizations (PPOs), pharmacy benefit managers (PBMs), and third party administrators

(TPAs) acting on behalf of an HMO, MCO, PPO, and any and all other insurance related entities licensed by the commissioner or doing business in Louisiana (collectively known as "health insurance issuers") and their insureds, policyholders, members, subscribers, enrollees and certificate holders.

COVID-19 has created a mass disruption to the normalcy previously enjoyed by Louisianans and is an immediate threat to the public health, safety, and welfare of Louisiana citizens. To minimize these threats, the State of Louisiana has had to impose significant measures that will certainly have a negative economic impact on the state, resulting in financial hardship for the citizens of Louisiana regarding all matters related to all insurers and all kinds of insurance and also threatening access to adequate coverage during an event in which access to such coverage is uniquely important. In order to respond to the emergency and to protect and safeguard the public health, safety, and welfare of the citizens of this state, it is necessary to adopt Emergency Rule 40.
