

DECLARATION OF EMERGENCY

Department of Revenue Policy Services Division

Frontline Workers COVID-19 Hazard Pay Rebate Program (LAC 61:I.1919)

In accordance with the emergency provisions of the Administrative Procedures Act, R.S. 49:953 (B), notice is hereby given that the Department of Revenue ("Department") is, by emergency rule, adopting LAC 61:I.1919. The purpose of this regulation is to administer and implement, on an emergency basis, the provisions of Act No. 12 of the 2020 First Extraordinary Session of the Louisiana Legislature. This Emergency Rule is effective July 13, 2020, and will remain in effect for 120 days, unless renewed or revoked.

The promulgation of this rule on an emergency basis is necessary to avoid sanctions or penalties from the United States Government under the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"). The CARES Act established the Coronavirus Relief Fund (the "Fund") and Louisiana received over \$1.8 billion from the Fund. The Louisiana Legislature has authorized the utilization of \$50 million of the CARES Act funding to provide a one-time hazard pay rebate for essential critical infrastructure workers. The CARES Act provides that payments from the Fund may only be used for COVID-19 related expenses and the United States Treasury has issued Guidance for State, Local and Tribal Governments providing Treasury's interpretation on the permissible uses of the Fund (the "Guidance"). In accordance with the Guidance and the Coronavirus Relief Fund Frequently Asked Questions Updated As of July 8, 2020, any program created using monies from the Fund should be administered in a manner that satisfies the requirements of the CARES Act and maintain records sufficient to demonstrate the monies have been used in accordance with Section 601(d) of the Social Security Act. Any State not utilizing the funding in accordance with the CARES Act and Guidance is subject to a repayment requirement.

This emergency rule provides for the administration and implementation of Act No. 12 to provide the \$50 million from the Fund is timely and efficiently distributed to Louisiana's frontline workers during an application window of July 15 to October 31, 2020 in accordance with the CARES Act and the Guidance. Absent utilization of the emergency rule process, the time delay in the rulemaking procedures of R.S. 49:953(A) would render this program obsolete because adoption and promulgation would not occur until after the program's application period ends. Authorization for promulgation of this rule on an emergency basis is hereby deemed necessary by the Secretary of Revenue as legislatively delegated to her by R.S. 51:1787(K)(6).

Under the authority of R.S. 51:1787(K)(6) and 47:1511 and in accordance with the provisions of the Administrative Procedure Act, R.S. 49:950 et seq., the Department of Revenue, Policy Services Division, adopts LAC 61:I.1919 regarding the Frontline Workers COVID-19 Hazard Pay Rebate Program.
