OSRAP MEMORANDUM 04-02

TO: Fiscal Officers
All State Agencies

FROM: F. Howard Karlton, CPA, CGFM
Director

SUBJECT: ISIS Prior Year Close Procedures for August 14, 2003

Attached for your information and use is the established time frame for transaction processing for the 8/14/03 year-end close. Also attached are operational procedures covering the following specific subject areas:

1. Checks to Wrong Vendor and Duplicate Payments
2. EFTs to Wrong Vendor and Duplicate Payments
3. Check or EFT Amount Less Than Amount Due
4. Check or EFT Amount in Excess of Amount Due
5. Lost or Destroyed Checks
6. Credit Memos
7. Carryover of Prior Year Cash to Current Year Means of Financing Appropriation
8. Transfer of Operating Free Cash to Means of Financing Appropriation

It is extremely important that all time frames for the transactions be adhered to. It is best, if possible, to process your documents at least a day before the deadline to ensure their acceptance in the system by the appropriate deadline. It is the agency's responsibility to ensure that the data sent through Interface tapes and FTPs are received by the deadline specified. You may verify receipt of your FTP by contacting OIS at (225) 342-2677 Option 2, then Option 4. Agencies should consider delivery and transmission delays when scheduling their internal deadlines and processes.

All FY03 deposits relating to regular appropriations must be classified by the agencies no later than 9:00 p.m. 8/13/03. If the agency does not classify their FY 03 deposits by the deadline, the money will be classified to Income Not Available.

The deadlines listed below apply to the transactions noted as well as the receipt of

Page 2

support documentation by the control agencies. If the documentation required for approval is received by the control agencies after the deadline specified, approval of the ISIS transaction is not guaranteed even though the transaction is in ISIS and at the proper status. It is the agency's responsibility to ensure that their documents are approved and processed before the close is run.

Two special processes will run as part of the 8/14 close: the rollover of encumbrances and the accounts payable/credit memo liquidation (CLEARPAY). CLEARPAY will be run during the nightly cycle on 8/14/03 against BFY 03 payment vouchers and will be discussed in detail in a future OSRAP Memorandum. The CLEARPAY liquidation will include all prior year payables, even those with scheduled payment dates after 8/14/03. On 8/14/03, Automated Disbursements will run for all scheduled payment vouchers in both fiscal years, but not again until the night of Monday, 8/18/03 for check print on Tuesday, 8/19/03. Checks generated by CLEARPAY and the 8/14 AD cycle will be printed and mailed on Monday, 8/18/03 with an 8/14/03 check date. No checks will be printed on Friday, 8/15/03. Electronic Fund Transfers will run on the night of Thursday, 8/14/03 but not again until the night of Monday, 8/18/03. Please ensure that your agency has sufficient cash balances for these payment vouchers.

The description of the rollover of encumbrances process, related reports and procedures was provided to all ISIS agencies in OSRAP Memorandum 03-34. The rollover of encumbrances will be run on the night of 8/9/03. To accommodate the rollover, agency access to ISIS will be denied after 5:00 p.m. on 8/9/03. **It is extremely important that all structure affecting these processes be active in AFS. PLEASE MAKE CERTAIN ALL PERTINENT STRUCTURE HAS BEEN ACTIVATED NO LATER THAN 8/8/03.** This includes grants that have an expiration date prior to 8/9/03 and chart of accounts data elements that have been deleted or inactivated.

NOTE: The deadline for the liquidation of all prior year encumbrances (AGPS, CFMS, AFS) is 5:00 p.m., 8/9/03 to allow for the rollover of encumbrances. See OSRAP 03-34 instructions for invoices processing after rollover. Goods and services must have been procured in accordance with RS 39 Chapter 17 and been rendered or received by 6/30/03 in order for a bona fide liability to exist against FY 03.

On 8/15/03, special front-end security will be in place for OSRAP/STO/OIS access only for the entire ISIS application. Agencies will not have access to ISIS beginning Friday 8/15/03 and ending when the close process is complete. Close and agency reports are

Page 3
OSRAP Memo 04-02
July 7, 2003

to be run during the monthly processes on the night of 8/15. If the entries and close process are not completed on 8/15/03, the ISIS application will be unavailable on Saturday 8/16/03 and the year-end reports will be available on Monday 8/18/03. Agencies should review the DOA sign-on screen for system availability. Interfaces may not be sent on the days that ISIS is unavailable.

For transactions on the Purchasing Card, the P3s from the July 5 statement-billing file will post to the 13th accounting period. If the agency determines that there are charges in that file belonging to the current fiscal year, the agency will have to complete a J2 to move the expenditures.

Agencies will initiate the void process for single checks (check category AA), consolidated single agency checks and consolidated checks for which all agencies on the check share the same agency type. (If the check is lost, please note this on the form). Use the current accounting period (e.g., - 02 **04**).

2. Keys a Journal Voucher (J1) in AFS to zero out Cancel Vouchers Payable (6710) in the prior year and to remove Cash (6000) from the prior year. In the J1 header code BFY 03 and the current accounting period (e.g., 02 **04**).

	<u>DR</u>	<u>CR</u>

*Revenue (Cash Ind 'Y')		\$\$\$

PROCEDURES: Checks to Wrong Vendor and Duplicate Payments (cont.)

- B. If the cash cannot be carried forward into the new fiscal year, the agency will enter a J1 with the following entries. (The agency will enter and save this J1. It will have to be edited by the Office of Statewide Reporting and Accounting Policy before the agency can apply their approval.):

	<u>DR</u>	<u>CR</u>
Cash (Fund-B15, AGCY-148, Cash Acct-6B15 and BK CD »X1', Cash Ind 'N')	\$\$\$

PROCEDURES: Transfer of Operating Free Cash to Means of Financing Appropriation

Responsibility

Action

- Agcy Fiscal Officer **(ISIS)**
1. Reviews the fiscal year 03 cash account 6000 on the CASH Table for your fund/agency to determine the amount to transfer back to the appropriate Means of Financing (MOF).  2. Processes a reverse Warrant Voucher (WV) to move the operating free cash to the appropriate Means of Financing cash account. (See Example 3).

NOTE: It is to the agency's advantage to ensure that operating cash has been transferred to the appropriate Means of Financing on or before 8/14/03. If the agency does not make the transfer by 8/14, OSRAP will. As OSRAP cannot identify the source of funding, OSRAP will do the reverse warrants to the means of financing listed below, up to available budget and until operating cash is zero, in this order:

**General Fund
Self-Generated
Interagency Transfer
Federal
Statutory Dedication**

- Agency Fiscal Officer **(NON-ISIS)**
