OSRAP MEMORANDUM 06-01

TO: Fiscal Officers
All State Agencies

FROM: Afranie Adomako, CPA
Director

SUBJECT: ISIS Prior Year Close Procedures for August 14, 2005

Attached for your information and use is the established time frame for transaction processing for the 8/14/05 year-end close. Also attached are operational procedures covering the following specific subjects:

1. Checks to Wrong Vendor and Duplicate Payments
2. EFTs to Wrong Vendor and Duplicate Payments
3. Check or EFT Amount Less Than Amount Due
4. Check or EFT Amount in Excess of Amount Due
5. Lost or Destroyed Checks
6. Credit Memos
7. Carryover of Prior Year Cash to Current Year Means of Financing Appropriation
8. Transfer of Operating Free Cash to Means of Financing Appropriation

It is extremely important that all time frames for the transactions be adhered to. It is best, if possible, to process your documents at least a day before the deadline to ensure their acceptance in ISIS by the appropriate deadline. Both the transaction and the receipt of the supporting documentation by the control agencies are due by the dates and times listed. Even though the transaction is in ISIS and at the proper status, approval of the ISIS transaction is not guaranteed if the required documentation is not received by the control agencies by the deadline. It is your agency's responsibility to ensure the documents are approved and processed before the close is run.

It is your agency's responsibility to ensure that data sent via Interface tapes and FTPs are received by the deadline specified. You may verify receipt of your FTP by contacting OIS at (225) 342-2677 Option 2, then Option 4. Agencies should consider delivery and transmission delays when scheduling their internal deadlines and processes.

All FY05 deposits relating to regular appropriations must be classified by the agencies no later than 12:00 p.m. 8/14/05. **If your agency does not classify their FY 05 deposits by the deadline, the money will be classified to Income Not Available.**

Two special processes will run as part of the 8/14 close: the rollover of encumbrances on 8/6/05 and the accounts payable/credit memo liquidation (CLEARPAY) on 8/15/05:

- The rollover of encumbrances will be run during the nightly cycle on Saturday, 8/6/05. To accommodate the rollover, agency access to ISIS will be denied after 5:00 p.m. on 8/6/05. A description of the rollover of encumbrances process, and its related reports and procedures, was provided to all ISIS agencies in OSRAP Memorandum 05-23. **It is extremely important that all structure affecting these processes be active in AFS. PLEASE MAKE CERTAIN ALL PERTINENT STRUCTURE HAS BEEN ACTIVATED NO LATER THAN FRIDAY, 8/5/05. This includes grants that have an expiration date prior to 8/6/05 and chart of accounts data elements that have been deleted or inactivated.**
- An Automated Disbursements (AD) cycle will run during the nightly cycle on Thursday, 8/11/05 for scheduled payment dates through 8/11/05 for both budget fiscal years 04/05 and 05/06. These checks will be printed and dated 8/12/05.
- Another AD and EF cycle will run during the nightly cycle on Sunday, 8/14/05 for schedule payment dates through 8/14/05 for both fiscal years 04/05 and 05/06.
- CLEARPAY will be run against BFY 05 payment vouchers during the close cycle on 8/15/05. This will be discussed in detail in a future OSRAP Memorandum. The CLEARPAY liquidation will include all BFY 05 payables, including those with scheduled payment dates after 8/14/05.
- The AD cycle will not run again until the night of Thursday, 8/18/05 for check printing on Friday, 8/19/05.
- This means that there will be 3 cycles of checks printed on 8/19/05:
 - The 8/14 nightly cycle for FY 05 and FY 06 checks dated 8/14/05;
 - The 8/15 Clearpay cycle for FY 05 with checks dated 8/14/05; and
 - The 8/18 nightly cycle for FY 06 with checks dated 8/19/05.
- Electronic Fund Transfers will run during the nightly cycle on Friday, 8/12/05 and Sunday, 8/14/05 but not again until the night of Tuesday, 8/16/05.

Please ensure that cash for both fiscal years is available on the dates the AD cycles run.

NOTE: The deadline for the liquidation of all prior year encumbrances (AGPS, CFMS, AFS) is 5:00 p.m. on 8/6/05 to allow for the rollover of encumbrances.

Instructions for processing invoices received after the rollover are in OSRAP MEMORANDUM 05-23. Goods must have been procured in accordance with RS 39 Chapter 17 and services must have been rendered by 6/30/05 in order for a bona fide liability to exist against FY 05.

A special front-end security to allow only OSRAP, STO, and OIS access to ISIS will be in place beginning Monday 8/15/05. Agencies will not have access to ISIS from 8/15/05 until the close process is complete. Close and agency reports will be run during the monthly processes on the night of 8/15/05. If the entries and close process are not completed on 8/15/05, the ISIS application will be unavailable on Tuesday 8/16/05 and the year-end reports will not be available until Wednesday 8/17/05. Agencies should periodically review the DOA sign-on screen for system availability. Interfaces may not be sent on the days ISIS is not available.

For transactions on the Purchasing Card and the CBA travel account, the P3s from the July 5 statement-billing file will post to the 13th accounting period. If the agency determines that there are charges in that file belonging to the current fiscal year, the agency will have to complete a J2 to move the expenditures. The deadline for submitting J2's is 10:00 a.m. on August 5.

Please distribute copies of this memorandum to all fiscal, purchasing, and contract office employees. Many of the deadlines affect these individuals. Please contact the OSRAP Help Desk at (225) 342-1097 if you have questions on the above memo or attached instructions. Remember, all OSRAP memorandums and forms may be accessed through our home page at <http://www.doa.la.gov/OSRAP/INDEX.HTM>.

PROCEDURE: Transfer of Operating Free Cash to Means of Financing Appropriation

The following procedure is used to move remaining operating free cash to the appropriate Means of Financing Appropriation(s) during the 45 day period 07/01/05 - 08/14/05.

Responsibility

Action

- Agcy Fiscal Officer **(ISIS)**
1. Review the fiscal year 05 cash account 6000 on the CASH Table for your fund/agency to determine the amount to transfer back to the appropriate Means of Financing (MOF). Take into consideration all payables when determining the exact amount to reverse to get the cash account to zero at the end of the fiscal year 05.
 2. Process a reverse Warrant Voucher (WV) to move the operating free cash to the appropriate Means of Financing cash account. (See Example 3).

NOTE: It is to the agency's advantage to ensure that operating cash has been transferred to the appropriate Means of Financing on or before 8/14/05. If the agency does not make the transfer by 8/14, OSRAP will. Because OSRAP cannot identify the source of funding, OSRAP will do the reverse warrants to the means of financing listed below, up to available budget and until operating cash is zero, in this order:

- General Fund**
- Self-Generated**
- Interagency Transfer**
- Federal Aid**
- Statutory Dedication**

- Agency Fiscal Officer **(NON-ISIS)**
1. Determine the excess 2005 fiscal year cash in your operating bank account.
