MEMORANDUM OSRAP 07-06

TO: Fiscal Officers
All State Entities

FROM: Afranie Adomako, CPA
Director

SUBJECT: Federal Disaster Relief Assistance

Act 34 of the First Extraordinary Session of 2005 amended Louisiana Revised Statute 39:94 that created the Budget Stabilization Fund. The amendment removes money received from the federal government for disaster relief assistance from being included in the calculation made to determine the amount the state can deposit into the Budget Stabilization Fund at the end of each fiscal year.

To accurately identify all federal disaster relief assistance received by the state in Fiscal Year Ended June 30, 2006 OSRAP requires your agency to complete the attached spreadsheet. Please complete all information requested in the spreadsheet. Non-ISIS agencies should provide a cross-reference to a revenue center/account number in your agency in lieu of an ISIS Revenue Organization number. This information will be useful if there are any further inquiries.

NOTE: Federal disaster relief assistance could be associated with disasters other than hurricanes Katrina and Rita. Please inform us of all direct federal disaster relief assistance applied for and received by your agency.

Only report money your agency received directly from the federal government. If your agency did not receive any federal disaster relief assistance money, please send an email to Mr. Lodge so that your agency can be marked as 'NONE' and you will not receive phone calls inquiring about the status of your response.

Please e-mail and fax/mail the completed spreadsheet to James Lodge by October 16, 2006. The email address is James.Lodge@la.gov. The fax number is 225-342-1053. Contact Donnie Ladatto at 225-342-1095 or Donnie.Ladatto@la.gov if you have any questions.
